

HVAC Service Tech

Our 8-million-square-foot campus has nearly 15,000 tons of geothermal cooling and heating capacity. Keep things running smoothly by monitoring the operation of our geothermal heating and cooling system as well as our complex piping and pumping systems. Enjoy year-round, full-time hours, competitive wages, and benefits (great health insurance, life insurance, 401k match, and performance bonuses). 3rd shift.

Also looking for a specialist in Commercial Kitchens - humidity control, exhaust hoods, walk in freezers, blast chillers, refrigeration. 2nd shift
