 Maintenance Technicians
WE'RE HIRING!

- Our Columbus plant has been producing "America's Favorite Frozen Dough" since the 1970's.
- **Team Centered Culture**-We value the ideas and suggestions of our team members.
- **Paid Sick and Vacation** that can be rolled over. Available first of the month following 30 days on the job.
- **Competitive wages** based on experience.

Rhodes Bake-N-Serv®, a frozen bread and roll manufacturer, seeks to add a full-time Maintenance Technician to its team in Columbus. Rhodes relies on its team of technicians to ensure smooth day-to-day processing operations.

Responsibilities: Preventative maintenance, equipment repair, weekly equipment tear down and set up, and production start-up assistance. Additional project work on equipment rebuilds, physical structures, building and grounds, and electrical systems may also be required.

Qualifications: Must have the capability to diagnose, troubleshoot, and repair automated machinery, conveyors and equipment. Refrigeration and/or electrical experience along with a strong industrial maintenance background and solid mechanical aptitude required.

Openings: We are currently to hire additional maintenance crew members on Second and Weekend Night Shifts.

Benefits: Rhodes offers a solid benefit package including Group Health, Vision, Life and Disability insurance, 401(k) with company match, paid training, paid vacation and sick time, Wellness Program, Employee Assistance Program, Sign-On Bonus and on-site fitness facility.
