

Bank where the home office is closer to home.

Does your bank care more about its bottom line than yours? Maybe it's time to **MAKE A CHANGE**. Consider switching to one of these locally headquartered and operated community banks.

The deposits you make with us **MAKE A DIFFERENCE** in our communities.

AS DANE COUNTY COMMUNITY BANKS, WE PLEDGE TO:

- Make your money work locally by reinvesting in our communities through loans to small businesses, families and individuals.
- Provide a hand up to local people and businesses, always remembering we are your neighbors.
- Maximize your savings by offering products and services that are fair, competitive and innovative.
- Make decisions locally, unlike some other banks in Dane County.
- Support and improve our communities through volunteering and donations.

AS TRUE COMMUNITY BANKS, YOU HAVE OUR PLEDGE.
