

# WHEN YOU'RE DAIRYLAND SEED PROUD, THE SIGN IN FRONT OF YOUR BEANS IS MORE ABOUT WHAT'S BEHIND THEM.

Pride in your soybeans comes down to one thing: bushels. Enlist E3™ soybeans from Dairyland Seed offer the most advanced trait technology available in soybeans today. Delivering the same wide application window you're used to, herbicides that land and stay on target and tolerance to a wide range of herbicides, the Enlist™ weed control system makes it easier than ever to unleash your beans' full potential. Now that's something you can be proud of. Are you #DSproud?
