REPLACEMENT WINDOWS

### OUR INSTALLATION PROCESS:

#### PRIOR TO INSTALLATION:

Your NEXT project manager will inform you of our process prior to installation day to give you time to assess what items may need to be moved from the space.

#### DAY OF INSTALLATION:

Our crew and master installers will work diligently to minimize disruption and install your new windows or doors in an efficient manner.

#### POST-INSTALLATION:

After installation, we will ensure your home is clear of debris and talk you through how to operate your new windows or doors.
