

ALEX ŠEPKUS®

NEW YORK

The Candy Ring by Alex Šepkus *—and a special offer we think you'll appreciate*

The Alex Šepkus Candy Ring is like a flower in bloom.

It's one of his most popular designs, and no wonder: available in gorgeous signature color mixes of sapphires, rubies and tsavorites, it can be customized to your color preferences, or set with birthstone colors as a fine art family ring.

It's superbly wearable, too: all the stones, right down to the little accent diamonds, are fully secured in integral bezels, so nothing ever snags, or catches the lining of a glove. And the textured gold surfaces are like butter.

In this bleak midwinter, let's spread a little joy.

If you purchase a Candy Ring—for yourself or for someone you love—any time in January or February this year—you'll receive a \$200 Costco gift card. At this writing, orders are still being accepted for Valentine's Day delivery. Stop by today!
