**Peanut & Squeaker**

**Peanut and Squeaker** are newbies. About 4 months old, neutered, up to date on vaccines, and full of energy. They came in with their 2 litter mates, all available for adoption.

**Tillie** is a lovely foxhound/coonhound mix about four years old. She is past the energetic puppy stage and seems content with a moderate amount of activity. Tillie was found as a stray, so we don't know too much about her history. But she is proving herself to be a real sweetheart who adores everyone. Tillie has done a great job at keeping her kennel clean, so she may be house broken. This gentle girl has loved the other dogs she has met, and would be a good candidate for a multi dog household after a proper meet and greet is done.
