Maplewood
Sauk Prairie
Health & Rehabilitation Center

Director of Nursing Services

Maplewood of Sauk Prairie is currently seeking candidates for a Director of Nursing Services position. This leadership role requires a dedicated, caring individual with a passion for providing the highest quality of care. Primary responsibilities include:

- Direct, supervise & coordinate all aspects of resident care delivery
- Ensure compliance with federal/state regulations
- Serves as liaison with Medical Director and Coordinator of Quality Assurance Committee
- Oversee training/education programs for all nursing staff
- Responsible for effective allocation of capital and human resources

The candidate will possess a current WI RN license, have Skilled Nursing or Rehab Center management experience, plus excellent communication and organization skills, be resident-focused and willing to strive for excellence with a high level of integrity.

Maplewood of Sauk Prairie offers a rewarding work atmosphere and an excellent salary and benefits package. Our locally owned, well established Senior Living Campus is located in Sauk City, just 25 minutes from Madison.
