Is your financial plan prepared for the next market downturn?

How to create a lasting strategy that can help meet your needs

The world feels more uncertain and interconnected than ever, and its path forward is increasingly dominated by political choices. 2020 will be pivotal, and the evolution of the US-China trade dispute, use of fiscal and monetary policy, and the result of the US presidential election will be crucial in shaping economic and financial market outcomes.

In these uncertain times—but with the potential of long-term opportunity—UBS Wealth Way offers a distinctive approach to help manage your wealth. The **Liquidity. Longevity. Legacy.** framework can help address liquidity needs so you can stay invested for the long term—regardless of what happens in the year or decade ahead.

At The Burish Group, we provide sophisticated strategies for affluent individuals and families to help you manage tough times and give you confidence that you have made the right decisions. **Call us today to get a second opinion on your financial plan.**

In providing financial planning services, we may act as a broker-dealer or investment adviser, depending on whether we charge a fee for the service. The nature and scope of the services are detailed in the documents and reports provided to clients as part of the service. Financial planning does not alter or modify in any way a client's existing account(s) or the terms and conditions of any account agreements they may have with UBS.

UBS Wealth Way is an approach incorporating Liquidity. Longevity. Legacy. strategies that UBS Financial Services Inc. and our Financial Advisors can use to assist clients in exploring and pursuing their wealth management needs and goals over different time frames. This approach is not a promise or guarantee that wealth, or any financial results, can or will be achieved. All investments involve the risk of loss, including the risk of loss of the entire investment. As a firm providing wealth management services to clients, UBS Financial Services Inc. offers both investment advisory services and brokerage services. Investment advisory services and brokerage services are separate and distinct, differ in material ways and are governed by different laws and separate arrangements. It is important that clients understand the ways in which we conduct business and that they carefully read the agreements and disclosures that we provide to them about the products or services we offer.
