Welcome to the 2021 Girls Basketball Culminating Event

Friends,

2020-21 has been a challenging year for all of us. It has been particularly challenging to our member schools and the students they serve. The fact that we are enjoying this culminating event in the 2021 girls basketball sport season is a tribute to the school leaders, athletic directors and coaches who have "willed" this to happen.

This event also serves as a tribute to the dedication, determination and resolve of the young people competing here today; as well as to all the high school athletes who have confronted the disappointments and frustrations of all that has engulfed them in recent months and have risen above every obstacle and adversity.

Lastly, we must recognize and thank all the parents and fans who have "masked-up", observed distancing and mitigating protocols in order to give kids, schools and coaches this chance to get back together, to compete in the sports and activities they love and have missed.

Thank you to all who have contributed in both great and small ways, because it has taken all of us to bounce back this far.

We have a way to go yet. But with your help and all of us continuing to work together, there can be hope!

Sincerely,

David J. Anderson
Executive Director

WIAA Provides Opportunities; Structure . . .

The Wisconsin Interscholastic Athletic Association (WIAA) is a voluntary, unincorporated, and nonprofit organization. The Association membership has a diversified membership of public high schools, nonpublic high schools, public middle schools, and nonpublic middle schools. Its purpose is to organize, develop, direct and provide interscholastic athletics for member schools.

There are 515 senior high schools affiliated with the WIAA. The estimated number of student-athletes in athletics is 80,000-85,000 annually.

Governance of the WIAA is performed by the member schools. Rules and policies of the Association are developed, promulgated and implemented by the membership either through membership vote for constitutional issues or through a membership-elected committee structure for sport seasons regulations. Therefore, ownership of the membership's rules and regulations, as well as the responsibility of compliance with them, lies with each member school.

The Development of Rules . . .

As fans watch the games during the tournament, some wonder how the rules of the game and of the WIAA were created.

- ◆ The National Federation of State High School Associations is the authority of the competition rules for sport contests (i.e. uniforms, length of contest, game rules). As a member of the NFHS, the WIAA adheres to those rules as a member in good standing. The WIAA, as well as all state associations in the NFHS, has input with an advisory role in the review and promulgation of the playing rules. The NFHS office is located in Indianapolis, Indiana.
- ◆ For changes to the membership's Constitution, Bylaws and Rules of Eligibility, a vote of the entire membership is required at the Annual Meeting each spring. The Constitution contains information relating to the Association as an organization. The Bylaws encompass information relating to member high schools' responsibility concerning WIAA rules and regulations. The Rules of Eligibility embody information relating to the relationship of the student-athlete to the high school and the WIAA.
- ◆ The Board of Control has the ultimate authority in determining the outcome of sport seasons rule recommendations and regulations. Changes to the sport seasons regulations are advanced through the democratic committee structure. Among the advisory groups that provide input to the Board are the coaches advisory committees for each sport; the sports advisory committee, comprised of school athletic directors from each of the seven districts; the Advisory Council, consisting of school administrators from each elector district; and the executive staff. Other groups with advisory responsibilities include the Medical Advisory Committee, Sportsmanship Committee and the Officials Advisory Committee. The Season Regulations address, among other topics, definition of the sports seasons, participation, contest control and tournament procedures.

Currently, the Association sponsors 24 sports including baseball, basketball, cross country, 8-player, 11-player football, golf, hockey, soccer, swimming & diving, tennis, track & field, volleyball and wrestling for boys; and basketball, cross country, golf, gymnastics, hockey, soccer, softball, swimming & diving, tennis, track & field and volleyball for girls.

The WIAA requires good sportsmanship by student-athletes, coaches and spectators at education-based, interscholastic events.

We request your cooperation by supporting the participants and officials in a positive manner. Profane, racial, sexist or ethnic comments, or other intimidating actions directed at officials, student-athletes, coaches or team representatives will not be tolerated and are grounds for removal from the site of competition.

2022 WIAA Girls Basketball Tournament Schedule

Regionals – February 21, 25 & 26

Sectionals – March 3 & 5

State – March 10, 11 & 12

Video Replay Will Be Used At State Basketball Tournament

Video replay will be used during the State Tournament. Replay will be used only in the following situations:

- To determine if a try for goal at the expiration of time in the second half or any overtime period (0:00 on the game clock) should be counted, and if so, determine if it is a two- or three-point attempt.

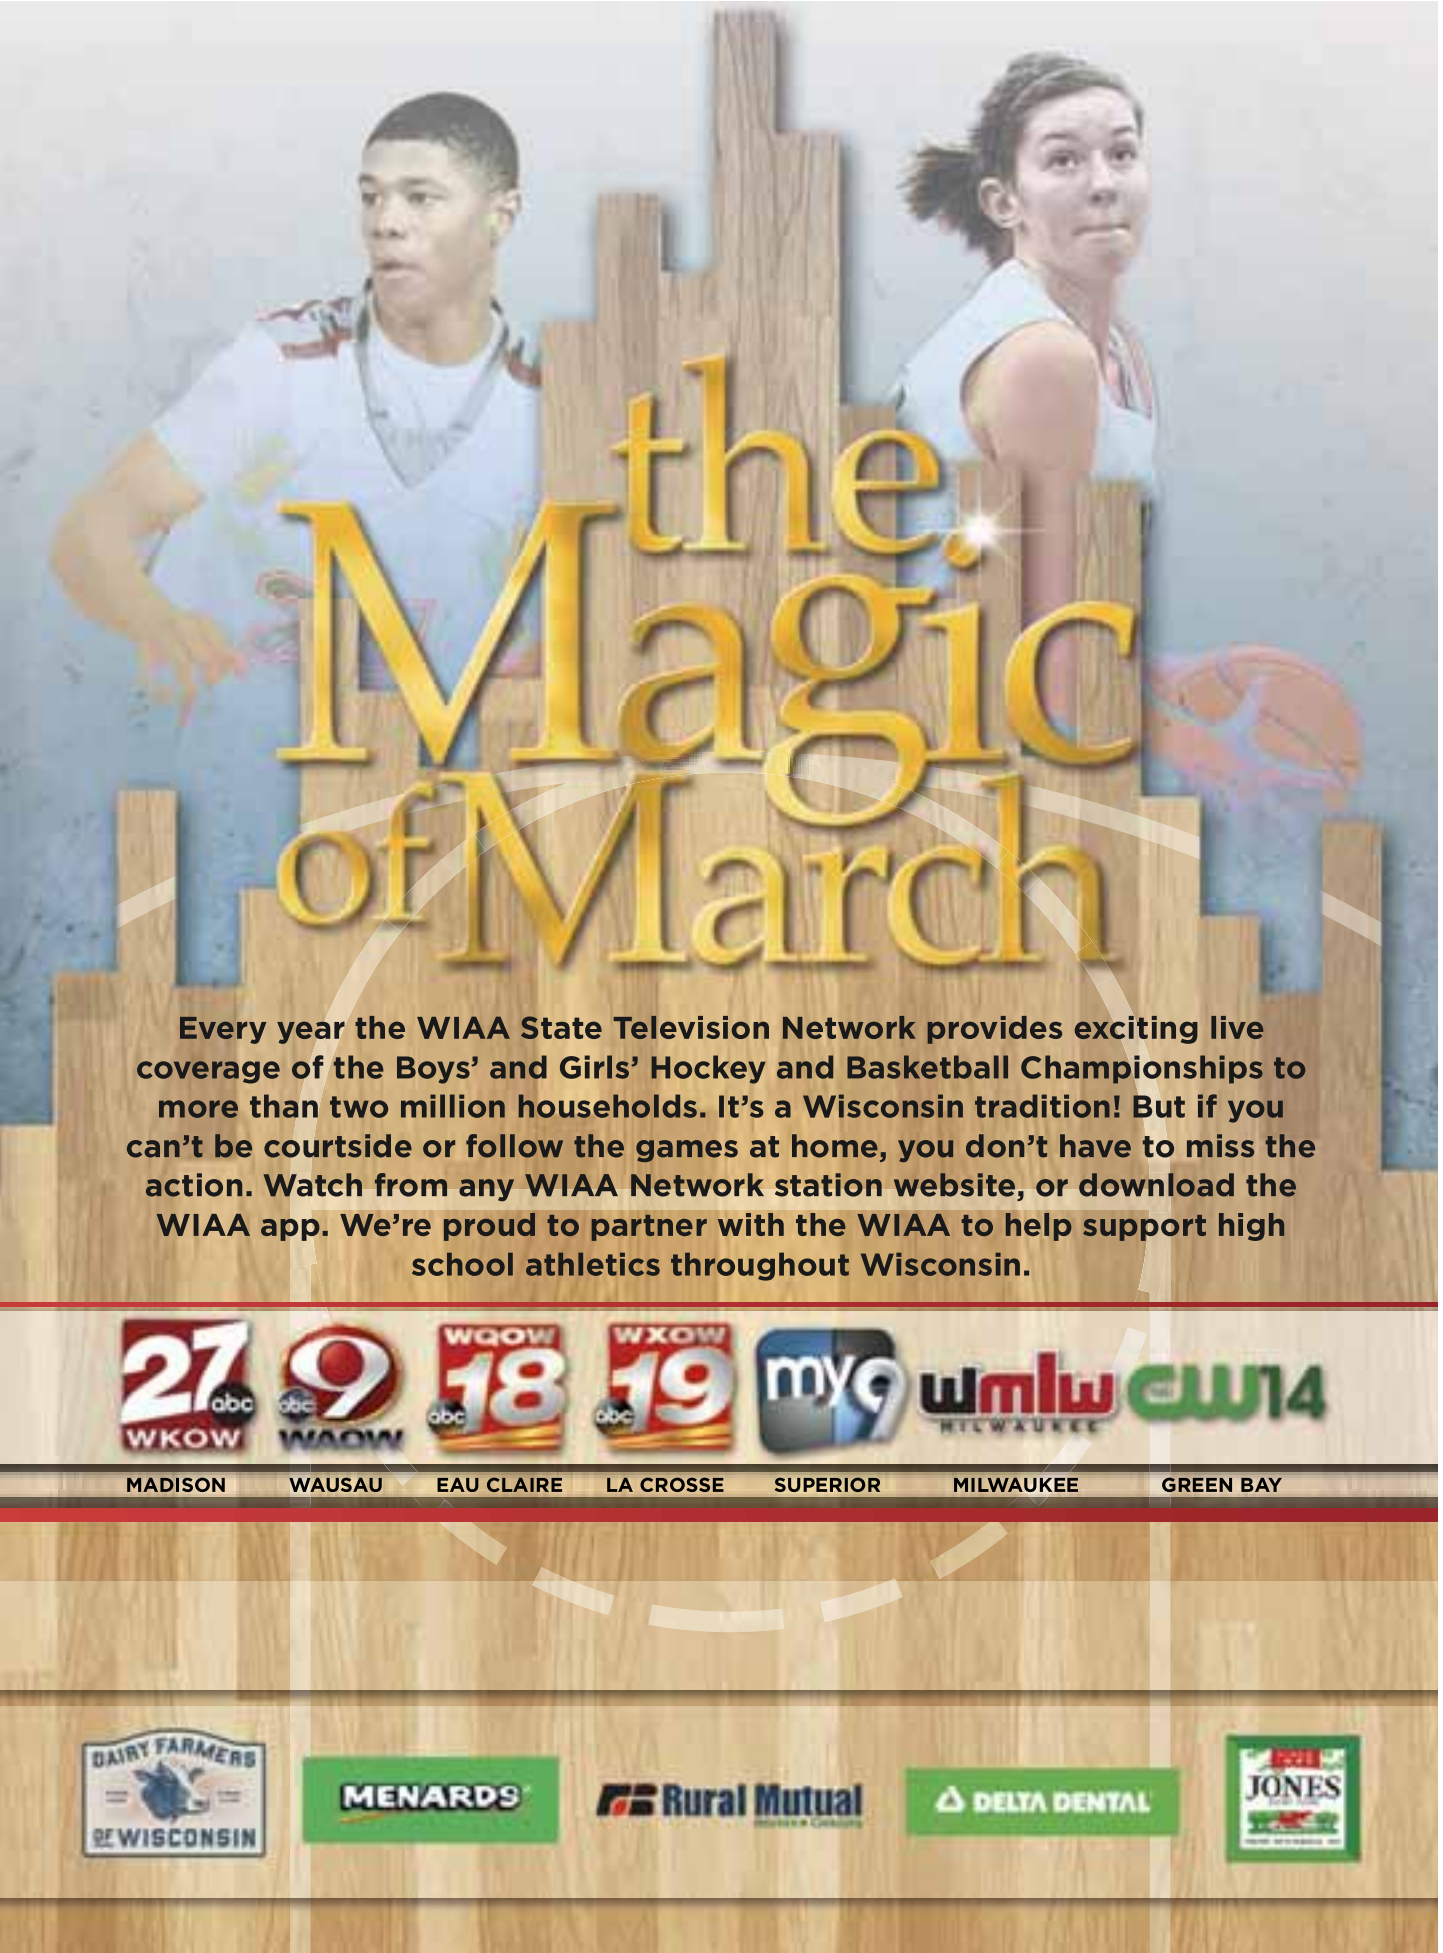

Replays will be used to review the outcome of a play only when the replay official, in consultation with the referee, determines that it is necessary to conduct such a review. The replay official and the referee may view the monitor at the scorer's table. The replay official and referee will reverse a call only when there is indisputable evidence that the original call was incorrect.

Replay cannot be used during the lead-up tournament games due to limitations in the venues in which we host tournament games. The National Federation of State High School Associations basketball rules book affords each state association the opportunity to adopt this provision for use during the State championship series.

Other notable rule changes through the years:

1932 - Ten-second backcourt rule adopted
1937 - Jump ball after each goal was eliminated
1944 - Eligible player disqualified on fifth foul
1946 - Legalized transparent backboards
1955 - Rubber covered ball may be used
1965 - Third lane space added on each side
1967 - Dunking during game is illegal
1973 - Mandated padding on the bottom of the backboard
1976 - Dunking allowed except before the game or during intermission
1985 - A 1-inch smaller and 2-ounce lighter ball adopted for girls

1985 - Alternating possession throw-in for all jump or held-ball situations
1987 - Adopted three-point field goal
1991 - Bonus begins on seventh team foul in half
1994 - Overtime period is four minutes
2001 - Authorized use of 14-foot coaching box by state adoption
2005 - No free throws awarded for a team-control foul when offended team is in the bonus
2010 - Video replay used in State Tournament
2016 - 18-minute halves

the Magic of March

Every year the WIAA State Television Network provides exciting live coverage of the Boys' and Girls' Hockey and Basketball Championships to more than two million households. It's a Wisconsin tradition! But if you can't be courtside or follow the games at home, you don't have to miss the action. Watch from any WIAA Network station website, or download the WIAA app. We're proud to partner with the WIAA to help support high school athletics throughout Wisconsin.

The State Television Network

Live television coverage of the WIAA State Basketball Tournaments began in 1960, and since then the telecast has grown to become a tradition in Wisconsin. For two weeks in March, high school basketball takes center stage, as fans tune in at home and work to see their local teams in action. In 2021 the games can be watched around the world via the live web stream available from the TV station websites.

Wisconsin's television coverage is unique in the country, with all thirty games in both boys and girls state tournaments televised live. Quincy Media Inc., has been the WIAA broadcast partner since 1968, with its' stations WKOW TV in Madison, WAOW TV in Wausau, WXOW TV in La Crosse, WQOW TV in Eau Claire, WYOW TV in Eagle River, WMOW TV in Crandon, and KBJRMY9 in Superior/Duluth carrying the tournaments and producing the coverage. Partner stations WMLW TV in Milwaukee and WCWF W-14 in Green Bay and the Fox Valley complete the statewide network that brings all the excitement of tournament action to viewers across Wisconsin.

Special thanks go to Rural Mutual Insurance Companies, Dairy Farmers of Wisconsin, Menards, Delta Dental and Jones Dairy Farm for their statewide telecast sponsorship and continuing support for WIAA programs. Our coverage is brought to you by the work of talented TV station personnel across the state, along with the efforts of technicians, production specialists, announcers, photographers, sales & marketing personnel, and many other dedicated Quincy Media, Inc., staff, who strive to produce a quality telecast every year.

WIAA STATE TOURNAMENT

2021 State Tournament Preview

ABOUT THE DIVISION 1 FIELD: **Germantown** receives the top seed the first time the program qualifies for the State Tournament. The Warhawks advance to the semifinals with an 84-72 victory over Kimberly in the sectional final played at Kimberly. They finished the regular season as the champions of the Greater Metro Conference. **Hudson**, the #2 seed, is making its eighth appearance overall and the first since 2003. The Raiders most notable experiences at the tournament include championships in 1998 and 2002, as well as a runner-up finish in 2000. They qualify this season with a 55-50 win over Hortonville in the sectional final conducted at Hudson. The Raiders are the champions of the Big Rivers Conference this season. It's the fourth overall appearance at State for third-seeded **Franklin** and the first since 2007. The Sabers' first two experiences came back-to-back in 1999 and 2000, which produced a runner-up finish in 1999. They are a member of the Southeast Conference, which did not declare a champion for the regular season this year. The Sabers defeated Divine Savior Holy Angels 57-54 in the sectional final hosted at Franklin to advance to State. **Verona** has been issued the fourth seed in the bracket. The Wildcats qualify for the tournament for the first time since capturing the State title in 2016 and for the fifth time overall. They outlasted Arrowhead 50-40 in two overtimes in their sectional final game held at Arrowhead. Verona is a member of the Big Eight Conference, which did not declare a league champion this season.

ABOUT THE DIVISION 2 FIELD: **Notre Dame** returns to the tournament for the eighth time and for the first time since 2016. The Tritons won back-to-back State titles in 2013-14 to go with the championship earned in the program's first-ever appearance in 2001. In addition, they finished runner-up in 2005. Prior to joining the WIAA, the Tritons were the Division 1 runners-up in 1994 as a former member of WISAA. This season, they are the champions of the Fox River Classic Conference and have advanced to the State semifinals following a 70-38 triumph over Freedom in the sectional final held at Notre Dame. Second-seeded **New Berlin Eisenhower** qualifies for the seventh time and for the first time since 2018. The Lions have won two State titles, including 2010 and 2016. In addition, they finished runner-up in 2018 and back-to-back in 2012-13. They beat Pius XI Catholic 50-37 in the sectional final played at Eisenhower to advance into the final field of four. The Lions finished the regular season in a two-way tie with Pewaukee for the top spot in the West Division of the Woodland Conference. The only other State Tournament experience for third-seeded **Reedsburg** was in 2012 when the Beavers fell in the semifinals. They return this season following a 78-46 win over McFarland in the sectional final played at Reedsburg. A member of the North Division of the Badger Conference, the league did not crown a champion this season. Fourth-seeded **Onalaska** is also making its second appearance at State. The Hilltoppers first experience ended with a loss in the semifinals in 2016. They discarded Rice Lake 55-33 in the sectional final played in Onalaska to gain their entry into the tourney field. Their league, the Mississippi Valley Conference, also did not declare a champion during the regular season.

ABOUT THE DIVISION 3 FIELD: With the tournament canceled last year, **Aquinas** remains the two-time defending Division 4 champion. The Bugolds move up a division this season after winning the Division 4 titles in 2018 and 2019. They are the #1 seed in the bracket, qualifying for the fifth straight season, including last season prior to the cancellation of the tournament. They also have a runner-up finish during this string of appearances in 2017. The Bugolds are members of the Mississippi Valley Conference, which didn't crown a champion this year. They defeated St. Croix Falls 84-58 in the sectional final played at Aquinas. Prior to its membership in the WIAA, Aquinas won back-to-back WISAA Division 2 championships in 1996-97 and finished runner-up in Class A in 1985 and 1989. **Lake Mills**, the second seed, will make its first appearance at State after qualifying for the first time last year before the cancellation of the tournament. The L-Cats are the champions in the North Division of the Capitol North Conference in 2021. They defeated Marshall 65-59 in the sectional final held at Cambridge for another opportunity to play in their first State Tournament. Third-seeded **Howards Grove** will experience State for the third time. The Tigers won the Division 4 championship in their most recent appearance in 2017. They edged Oostburg 38-37 in the sectional final played at Howards Grove to gain a berth in the tournament field. The Tigers finished atop the standings in the North Division of the Big East Conference this year. **Westfield** advances to the State Tournament for the first time in program history after the Pioneers took down Amherst 58-55 in the sectional final played at Westfield. They tied Wisconsin Dells for the South Central Conference title this season.

ABOUT THE DIVISION 4 FIELD: Top-seeded **Mishicot** advances to the State Tournament for the second time after qualifying for the first time last season. The Indians fell in their semifinal game prior to the cancellation of the tournaments. Their return to the tourney came virtue of their 57-29 romp over Randolph in the final held at Mishicot. During the regular season, the Indians finished second in the standings of the North Division in the Big East Conference behind Division 3 State qualifier Howards Grove. **Bangor**, the second seed, qualifies for State for the fourth time in the past five seasons and for the fifth time overall. The Cardinals qualified last season, but the tournament was canceled prior to their participation. They have won a pair of championships. The most recent came in 2018 with their first coming in 1997. This season, they are the champions of the Scenic Bluffs Conference. The Cardinals return to the State semifinals with a 67-55 win over Auburndale in the sectional final played at Bangor. Third-seeded **Mineral Point** will experience the State Tournament for the second time. The Pointers' only other appearance resulted in a championship in 2016. This season, they rolled to a

65-33 win over Fennimore in the sectional final held at Mineral Point, and they are the champions of the Southwest Wisconsin Activities League. **Fall Creek** was issued the fourth seed in the bracket. The Crickets make their 12th appearance in the State Tournament and their first since 2015, which resulted in a runner-up finish. They had a run of success in the 1980s and 90s, winning championships in 1985, 1987, 1988 and 1996 to go with runner-up finishes in 1986, 1990, 1994, 1998 and 2015. All tolled, they have four State championships and five runner-up finishes on their ledger. They finished third in the Western Division of the Cloverbelt Conference this season behind co-champions Osseo-Fairchild and McDonnell Catholic, which has qualified for State in Division 5. The Crickets downed Phillips 63-53 in the sectional final played at Phillips to earn a return to the State semifinals.

ABOUT THE DIVISION 5 FIELD: With the 2020 tournament canceled with the outbreak of the COVID-19, 2019 champion **Black Hawk** is still the defending champion. The Warriors are bestowed the #1 seed, qualifying for the fourth year in a row, including last season, and for the seventh time overall. They also advanced to the title game in 2018 and finished runner-up. In addition, they made a string of three straight appearances from 2009-11. That run produced a runner-up finish in Division 4 in 2010. Their return to the State Tournament comes by virtue of a convincing 55-30 win over Albany in the sectional final held at Black Hawk. The Warriors are the champions of the East Division of the Six Rivers Conference this season. Second-seeded **McDonnell Catholic** will make its first State Tournament appearance. The Macks advance to the State semifinals this season with a 72-53 victory over Prairie Farm in the sectional final held at Prairie Farm. They are the runners-up in the Western Division of the Cloverbelt Conference this season. Prior to joining the WIAA, the Macks most notable finish as a member of WISAA was a runner-up finish in Division 2 in 2000. Third-seeded **Assumption** will make its sixth appearance in the State Tournament and its first since a run of four consecutive appearances resulted in a State championship in 2016. The Royals also won the title in 2013 and finished runner-up in 2014 and 2015. This season, they finished in a three-way tie for first place in the South Division of the Marawood Conference. Their return to the semifinals resulted from a 65-44 win over Wauzeka-Steuben in the sectional final hosted by Wauzeka-Steuben. **Three Lakes** is the #4 seed in the bracket. The Bluejays qualify for the first time since their only other appearance in 1999, which resulted in a loss in the Division 4 semifinals. They finished third in the Northern Lakes Conference this season, and they are their sectional's representative with a 73-30 win over Athens in the final played at Three Lakes.

WANT TO STAY IN THE GAME?

FOLLOW THE RULES!

BUCKLE UP. EVERY SEAT. EVERY TRIP.

DYK

About 90% of Wisconsin motorists buckle up.

The 10% who don't wear seat belts represent nearly half of those killed in traffic crashes each year.

DRIVE ALERT. PHONES DOWN. HEADS UP.

DYK

Taking your eyes off the road for four seconds at 55 mph is like driving the length of a football field blindfolded.

DYK

SLOW DOWN.

Stop speeding before it stops you.

From Serving Our Country

To Helping Our Schools

The WIAA is offering current and former military personnel the opportunity to license as a WIAA sport official by waiving the basic licensing fee and the sport fee for two years. This offer is extended to those current and former military personnel who are licensing as a WIAA sport official for the first time.

Regardless of the branch of service, the training, discipline and core values ingrained in military personnel are the same qualities demanded of sport officials. Because of these qualities, we believe that men and women with military experience would fit well into interscholastic sport officiating and in this small way, the WIAA wants to acknowledge those who serve and say “thank you”.

To begin the process of becoming a WIAA licensed sport official, please contact the WIAA office at 715-344-8580.

Hall of Fame Inductees

Nominees for coach must have maintained the highest possible standards of the coaching profession, and in doing so, contributed to the excellence of the game of basketball in the state of Wisconsin. Criteria are as follows:

1. An active coach must have no less than twenty (20) years of experience as a head basketball coach in the State of Wisconsin.
2. A retired coach must have no less than fifteen (15) years of experience as a head basketball coach in the state of Wisconsin and must be retired for at least one (1) year before induction.

Nominees for friends of basketball must be persons who have made a substantial contribution to Wisconsin basketball through their duties or deeds.

*Anyone who is nominated but not inducted into the Hall of Fame will remain on the active list and need not be renominated for consideration in following years.

Anyone who wishes to nominate a candidate for possible induction into the Hall of Fame can obtain nomination forms from co-chairman John Nicholas, S7860 Jamie Lane, Eau Claire, WI 54701. Phone: (715) 878-4666.

Thank you for your interest.

PROUD SPONSOR OF THE WIAA/ RURAL MUTUAL SPORTSMANSHIP AWARD

*“When you’re faced with a challenge,
how you respond determines the real winner.”*

Rural Mutual Insurance has been a sponsor of the WIAA/Rural Mutual Insurance Sportsmanship Award since it was started in 1965.

We believe there’s something more important than just winning or losing a tournament. We believe that the team, school, and fans who support their athletes with dignity and class are the true champions.

2020 WIAA Scholar Athlete Award Testimonials

Alec Martzahl, Kimberly H.S. – 3.88 GPA

One lesson high school athletics has taught me is persistence. I believe it's one of the keys to being a successful adult. Don't give up on yourself. Work hard for what you want no matter what life throws at you...None of my success would have been possible if I wasn't persistent. I could have quit or given up because of a few hardships, but I didn't. Life is 10 percent what happens to you and 90 percent how you react to it. I believe that if you respond well to situations you have no control over, you can persevere and be successful in life.

Alex Vance, Oconomowoc H.S. – 4.0 GPA

One of the greatest lessons I have learned throughout my academic and athletic experiences in high school has been the idea of getting out exactly what is put in. Spending extra time studying yielded higher scores and better engagement. Any degree of success is possible when enough work is put in to get there. It is a simple idea, but undoubtedly one of the most valuable lessons I've learned, and certainly one that will stay with me as I move on from high school.

Charlie Stuhl, Ellsworth H.S. – 3.64 GPA

Throughout my high school career I have learned many lessons from both athletics and from school. One of the most important lessons I've learned is being accountable. It is one of the most important to me because it is a life-long lesson that will benefit me in all areas of my life. Being accountable is important in so many ways, but most importantly it shows your peers that you are reliable and you can live up to commitments. One lesson that I'm very thankful I learned is...to take the advice you are given because you're never "too good" or "too smart" to stop improving yourself. Lessons become important when we incorporate them into our lives and we become better people because of what we learned from those that inspire us.

Skylar White, River Ridge H.S. – 4.0 GPA

I've learned through my athletic and academic experiences that communication and balancing time play very important roles in life. Being able to communicate and work together as a team to achieve a common goal is what can make you stand apart from the rest. Communication is a key to being a good leader. Sports have shown me how to stay focused on the court and in the classroom. As much as I do between school and sports, I also have kept time for some fun with family and friends. I believe my busy schedule will prepare me for life after college.

Linzy Sendelbach, Arcadia H.S. – 4.0 GPA

One of my favorite lessons learned through sports and academics is being able to work with many different types of people. With team sports and group projects, I had to adapt to the different personalities and find the best way for us to work together. As years went by, it got a lot easier. Another great lesson I learned was leadership. I have grown more confident in stepping up into a leadership role whether it's in the classroom or on the court/field. I've learned how to connect with my teammates or group mates. Everyone interacts different, and through sports specifically, I have picked up on the different ways to connect with people.

Anne Dotzler, Waunakee H.S. – 4.0 GPA

The greatest lesson I have learned in my high school career is that it is so important to have a positive mindset, no matter the circumstances. On the court and field, I found success in focusing on my effort and energy at every practice, as these were the only things I could control. My greatest take away from high school sports is to make the choice to put my team before myself by giving off energy to others. I will be able to apply this mindset to every situation that I encounter in my future. I am so grateful to have had the opportunity to learn these lessons throughout high school.

The poster features a central graphic with the WIAA logo at the top, followed by the text "Award of Excellence" in a script font, and "RECIPIENTS" in large, bold, white capital letters. Below this, "2019-20" is written in a smaller font, flanked by a laurel wreath. The background is a light blue gradient with faint silhouettes of athletes. The names of the recipient schools are listed in three columns, with a fourth column on the right. At the bottom, a dark blue banner contains the words "Leadership", "Sportsmanship", "Ethics", and "Integrity" in a white script font, separated by dots.

Kids belong out here.

We help keep them here.

At Marshfield Children's, we believe kids belong playing sports, cheering on their favorite teams and having fun with other children. Our network of primary and specialty care helps keep them there.

In communities across Wisconsin, our pediatricians are supported by more than 40 children's specialties – like pediatric orthopedics, behavioral health and dermatology – all working together to keep your child in the game.

For the love of kids.
