

Food pantries by the numbers

Below shows the number of households served by USDA food pantries. There are three food pantries in each county.

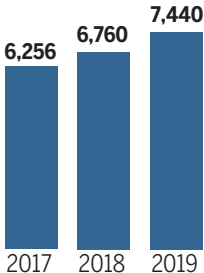

Columbia County

The number of people served by USDA food pantries decreased by about 1,000 people from 2017 to 2019.

Dodge County

The number of people served increased by about 2,000 people.

Sauk County

The number of people served increased by about 3,000 people.
