Kimberly (17-2)

Sat., April 17 - 4 p.m. Kaukauna

Middleton (10-2)

**2020-21 ALTERNATE
STATE CHAMPION**

The WIAA requires good sportsmanship at education-based sporting events.

Attendance at interscholastic activities is a privilege with the expectation to exhibit positive and respectful behavior. For the enjoyment and respect of all in attendance, your cooperation in demonstrating the high ideals of sportsmanship is expected and greatly appreciated.

**2021
WIAA State
Volleyball Tournament
November 4-6**

Welcome to the Volleyball Culminating Event

Friends,

2020-21 has been a challenging year for all of us. It has been particularly challenging to our member schools and the students they serve. The fact that we are enjoying this culminating event for the volleyball alternate fall season is a tribute to the school leaders, athletic directors and coaches who have "willed" this to happen.

This event also serves as a tribute to the dedication, determination and resolve of the young people competing here today; as well as to all the high school athletes who have confronted the disappointments and frustrations of all that has engulfed them in recent months and have risen above every obstacle and adversity.

Lastly, we must recognize and thank all the parents and fans who have "masked-up", observed distancing and mitigating protocols in order to give kids, schools and coaches this chance to get back together, to compete in the sports and activities they love and have missed.

Thank you to all who have contributed in both great and small ways, because it has taken all of us to bounce back this far.

We have a way to go yet. But with your help and all of us continuing to work together, there can be hope!

Sincerely,

David J. Anderson
Executive Director

WIAA Provides Opportunities; Structure . . .

The Wisconsin Interscholastic Athletic Association (WIAA) is a voluntary, unincorporated, and nonprofit organization. The Association membership has a diversified membership of public high schools, nonpublic high schools, public middle schools, and nonpublic middle schools. Its purpose is to organize, develop, direct and provide interscholastic athletics for member schools.

There are 514 senior high schools affiliated with the WIAA. The estimated number of student-athletes in athletics is 80,000-85,000 annually.

Governance of the WIAA is performed by the member schools. Rules and policies of the Association are developed, promulgated and implemented by the membership either through membership vote for constitutional issues or through a membership-elected committee structure for sport seasons regulations. Therefore, ownership of the membership's rules and regulations, as well as the responsibility of compliance with them, lies with each member school.

The Development of Rules . . .

As fans watch the games during the tournament, some wonder how the rules of the game and of the WIAA were created.

- ◆ The National Federation of State High School Associations is the authority of the competition rules for sport contests (i.e. uniforms, length of contest, game rules). As a member of the NFHS, the WIAA adheres to those rules as a member in good standing. The WIAA, as well as all state associations in the NFHS, has input with an advisory role in the review and promulgation of the playing rules. The NFHS office is located in Indianapolis, Indiana.
- ◆ For changes to the membership's Constitution, Bylaws and Rules of Eligibility, a vote of the entire membership is required at the Annual Meeting each spring. The Constitution contains information relating to the Association as an organization. The Bylaws encompass information relating to member high schools' responsibility concerning WIAA rules and regulations. The Rules of Eligibility embody information relating to the relationship of the student-athlete to the high school and the WIAA.
- ◆ The Board of Control has the ultimate authority in determining the outcome of sport seasons rule recommendations and regulations. Changes to the sport seasons regulations are advanced through the democratic committee structure. Among the advisory groups that provide input to the Board are the coaches advisory committees for each sport; the sports advisory committee, comprised of school athletic directors from each of the seven districts; the Advisory Council, consisting of school administrators from each elector district; and the executive staff. Other groups with advisory responsibilities include the Medical Advisory Committee, Sportsmanship Committee and the Officials Advisory Committee. The Season Regulations address, among other topics, definition of the sports seasons, participation, contest control and tournament procedures.

Currently, the Association sponsors 24 sports including baseball, basketball, cross country, 8-player, 11-player football, golf, hockey, soccer, swimming & diving, tennis, track & field, volleyball and wrestling for boys; and basketball, cross country, golf, gymnastics, hockey, soccer, softball, swimming & diving, tennis, track & field and volleyball for girls.

PROUD SPONSOR OF THE WIAA/ RURAL MUTUAL SPORTSMANSHIP AWARD

*“When you’re faced with a challenge,
how you respond determines the real winner.”*

Rural Mutual Insurance has been a sponsor of the WIAA/Rural Mutual Insurance Sportsmanship Award since it was started in 1965.

We believe there’s something more important than just winning or losing a tournament. We believe that the team, school, and fans who support their athletes with dignity and class are the true champions.

2021 State Preview

ABOUT THE BOYS FINAL: Kimberly advances to the final of the alternate season after qualifying twice in the traditional fall State Tournament. The Papermakers' last two seasons of participation resulted in a runner-up finish in 2018 and then capturing the program's first championship in 2019. They placed runner-up in the Fox Valley Association this spring, and the Papermakers earned a berth in the title match with a 25-20, 17-25, 28-26, 25-20 victory over Appleton North in the sectional final held at Appleton North. **Middleton** has been no stranger to the State Tournament in the traditional fall season. The Cardinals will be appearing in a State Tournament for the 12th time, including six straight appearances from 2013-18. Their furthest advance toward a title was to the semifinals in 2007 and 2008. This alternate season, they advance to the final with a 25-21, 25-13, 25-21 sweep of Racine Case in the sectional final held at Middleton. The Cardinals are members of the Big Eight Conference, which did not conduct league standings in 2020-21.

ABOUT THE GIRLS DIVISION 1 FIELD: Appleton North has been bestowed the top seed in the bracket. The Lightning will be appearing in their sixth State Tournament overall, and they qualified in the traditional fall season the last time they played a season in 2019, falling in the quarterfinals. Their appearance in 2015 was their furthest advance in the tourney, falling in the semifinals. They qualify in the alternate season after cruising to a 25-16, 25-19, 25-17 win over Kimberly in the sectional final played at Clintonville. The Lightning finished first in the Fox Valley Association standings this spring. Second-seeded **Manitowoc Lincoln** makes its return to a State Tournament for the first time since 2014 and for the fourth time overall. The Ships capsized in the quarterfinals in 2008 and 2014 after compiling a 0-3 record in pool play in their first-ever appearance in 1998. They defeated Oshkosh West 25-15, 16-25, 25-18, 25-19 in the sectional final held at Oshkosh West to advance to the State semifinals in the alternate season. The Ships finished first in the Fox River Classic Conference this spring. **Sun Prairie** is the third seed in the bracket. The Cardinals return to the tournament field for essentially their third straight season and for the fourth time in the past five seasons. They have qualified for State six times overall. Their furthest advance in the tourney was to the semifinals in 2013 and 2016. They went the distance to defeat DeForest 25-23, 25-13, 12-25, 18-25, 15-13 in the sectional final played at Beaver Dam to earn their return berth in the tournament field. The Cardinals are members of the Big Eight Conference, which did not conduct league standings in 2020-21. Fourth-seeded **McFarland** returns to State for essentially its second straight appearance. The Spartans

finished runner-up in Division 2 in their most recent season of participation in 2019. It will be their third overall appearance at State, having participated in Class B pool play in 1982. They failed to advance out of their pool that season. On Tuesday, they ousted Edgerton 25-16, 25-19, 25-19 to win the Kettle Moraine Sectional final. The Spartans are the alternate Season runners-up in the Rock Valley Conference this spring.

ABOUT THE GIRLS DIVISION 2 FIELD: Brodhead was issued the top seed in the bracket. The Cardinals will be making their third State Tournament appearance. They lost in the Division 2 semifinals during the traditional season in their 2008 appearance and in semifinals Division 3 in 2013. The Cardinals placed third in the Rock Valley Conference standings this spring. They advance to the State semifinals with a hard-fought 22-25, 25-16, 25-19, 18-25, 15-11 win over Laconia in the sectional final held at Central Wisconsin Christian. Second-seeded **Washburn** returns after a 19-year hiatus from a State Tournament. The Castle Guards make their fourth appearance overall. Their first State experience was in Class C in 1982, compiling a 2-7 record. They captured the program's first and only State title in 2000 in Division 3, and they fell in the semifinal round in 2002. The Castle Guards swept Algoma 25-11, 25-15, 25-13 in their sectional final played at Crandon to advance to the tourney field. They finished atop the Indianhead Conference standings during the alternate season. **St. Mary's Springs**, the #3-seeded team in the bracket, qualifies for State for the first time. The Ledgers earned their initial berth with a 27-25, 18-25, 25-21, 25-20 victory over Sevastopol in the Chilton Sectional final. They finished second in the Wisconsin Flyway Conference during the alternate season. Fourth-seeded **Royall** will also be experiencing the State Tournament for the first time. The Panthers' advancement to the State semifinals comes virtue of their 17-25, 30-28, 25-16, 25-15 win over Cashton in the sectional final held at La Crosse Central. They were the champions of the Scenic Bluff Conference this spring.

Rural Mutual Insurance Companies and the WIAA Partners in Good Sportsmanship

The WIAA and Rural Mutual Insurance Companies are pleased to continue the Sportsmanship Award recognition program that will again be part of the 2020-21 WIAA Alternate Fall State Volleyball Tournament. Judging will be based on the sportsmanship exhibited by players, coaches, cheerleaders, students, band members and spectators. Honorable mention recognition will also be given to other teams under consideration that do not win the overall award. We invite athletes, coaches and fans from all participating teams and communities to compete and cheer with enthusiasm, energy and the very best in good sportsmanship.

2020 WIAA Scholar Athlete Award Testimonials

Alec Martzahl, Kimberly H.S. – 3.88 GPA

One lesson high school athletics has taught me is persistence. I believe it's one of the keys to being a successful adult. Don't give up on yourself. Work hard for what you want no matter what life throws at you...None of my success would have been possible if I wasn't persistent. I could have quit or given up because of a few hardships, but I didn't. Life is 10 percent what happens to you and 90 percent how you react to it. I believe that if you respond well to situations you have no control over, you can persevere and be successful in life.

Alex Vance, Oconomowoc H.S. – 4.0 GPA

One of the greatest lessons I have learned throughout my academic and athletic experiences in high school has been the idea of getting out exactly what is put in. Spending extra time studying yielded higher scores and better engagement. Any degree of success is possible when enough work is put in to get there. It is a simple idea, but undoubtedly one of the most valuable lessons I've learned, and certainly one that will stay with me as I move on from high school.

Charlie Stuhl, Ellsworth H.S. – 3.64 GPA

Throughout my high school career I have learned many lessons from both athletics and from school. One of the most important lessons I've learned is being accountable. It is one of the most important to me because it is a life-long lesson that will benefit me in all areas of my life. Being accountable is important in so many ways, but most importantly it shows your peers that you are reliable and you can live up to commitments. One lesson that I'm very thankful I learned is...to take the advice you are given because you're never "too good" or "too smart" to stop improving yourself. Lessons become important when we incorporate them into our lives and we become better people because of what we learned from those that inspire us.

Skylar White, River Ridge H.S. – 4.0 GPA

I've learned through my athletic and academic experiences that communication and balancing time play very important roles in life. Being able to communicate and work together as a team to achieve a common goal is what can make you stand apart from the rest. Communication is a key to being a good leader. Sports have shown me how to stay focused on the court and in the classroom. As much as I do between school and sports, I also have kept time for some fun with family and friends. I believe my busy schedule will prepare me for life after college.

Linzy Sendelbach, Arcadia H.S. – 4.0 GPA

One of my favorite lessons learned through sports and academics is being able to work with many different types of people. With team sports and group projects, I had to adapt to the different personalities and find the best way for us to work together. As years went by, it got a lot easier. Another great lesson I learned was leadership. I have grown more confident in stepping up into a leadership role whether it's in the classroom or on the court/field. I've learned how to connect with my teammates or group mates. Everyone interacts different, and through sports specifically, I have picked up on the different ways to connect with people.

Anne Dotzler, Waunakee H.S. – 4.0 GPA

The greatest lesson I have learned in my high school career is that it is so important to have a positive mindset, no matter the circumstances. On the court and field, I found success in focusing on my effort and energy at every practice, as these were the only things I could control. My greatest take away from high school sports is to make the choice to put my team before myself by giving off energy to others. I will be able to apply this mindset to every situation that I encounter in my future. I am so grateful to have had the opportunity to learn these lessons throughout high school.

Kids belong out here.

We help keep them here.

At Marshfield Children's, we believe kids belong playing sports, cheering on their favorite teams and having fun with other children. Our network of primary and specialty care helps keep them there.

In communities across Wisconsin, our pediatricians are supported by more than 40 children's specialties – like pediatric orthopedics, behavioral health and dermatology – all working together to keep your child in the game.

For the love of kids.
