Description:	This letter is a referral (with accompanying SIR) from DATCP/ David Meany, regarding Dana Montana's failure to comply with Admin Rules of WI's DATCP as related to her farm-raised deer kept as part of a zoo that does business as Lake Geneva Animal Gardens. The deer herd has been under a DATCP quarantine, since Feb 1, 2007, due to potential exposure to Chronic Wasting Disease (CWD). According to the terms of the quarantine, no farm-raised deer may be removed from the premises without written permission from DATCP.			Community Svc:		Notes:
