**Subject:** Statement Regarding Compliance

Ms. Norberg;

As per our discussion via telephone this morning please accept this email as written promise by Mr. Charles Daehling regarding full compliance with licensing for any future practice of private security he may conduct in the state of Wisconsin. I have Ccd Mr. Daehling as proof of his authorization to make this promise as well.

"I, Charles Daehling, am not currently practicing private security in the state of Wisconsin. If, at any time in the future I decide to pursue practice of private security, before I do, I promise to comply with all licensure requirements via the Wisconsin Department of Safety & Professional Services."

Please confirm receipt of this email and your intention to close out the complaint filed against Mr. Daehling, and of course if you require anything else to do so.

Thank you,

**Jason E. Johns**
