

## Morse Pond | Handicap: 7

Par 4 | 467 yards

# 4

*The fourth hole is a long, uphill par 4 framed by Morse Pond on the right and a hedgerow on the left. This hole is considered the hardest on the course.*

The hole plays uphill to a relatively narrow green so look for players to end up short or left of this undulating green.

A rise in the center of the fairway adds another layer of complexity.

**V**

Behind the fourth tee will be a nice spot for viewing.
