

HOW THE WINNERS ARE CHOSEN

Each year we offer the opportunity for our readers and users to tell us about their favorite places to do business in the Mini-Cassia area.

We thought you might like to know how the winners are chosen.

It starts with building a digital platform that makes it easy to nominate your favorite pizza place or nail salon or other product or service provider that you feel deserves recognition.

When the nomination period closes, we switch that platform to receive votes. The contest administrator will daily monitor the votes. To maintain a level playing field, if it is discovered that there has been large block voting from one IP address or email address, those votes are disqualified.

It is very important to us that the winners in each category find value in their recognition so before the process even began, we ran a disclaimer in our promotional ads that explained how voter fraud would not be allowed. We are very confident that those businesses and individuals receiving awards in the 2021 Mini-Cassia Readers' Choice event accurately reflect The Voice of Mini-Cassia.

We are the luckiest daycare to be voted the BEST again this year! We are lucky to have the wonderful families we serve, and the children that we get to love and care for! We would not be where we are today without those of you from years ago or the ones we see every day. Thank you all so very much!
