

# Birds of a Feather

**PHOTO BY BILLY SCHARF | @8DIGO**

Pelicans fly over a rock formation to find a perfect landing spot above the sea.

Scharf lives in Michigan and visits Malibu annually to take photos as he pursues his passion of photography.

*Send in your photos of Malibu (300 DPI resolution JPEG) for consideration in Malibu Times Magazine's Last Look to [bridget@malibutimes.com](mailto:bridget@malibutimes.com) or by mail to 3864 Las Flores Canyon Road, Malibu, California, 90265. Please include your full name, social media handles and a description of the photo.*
