

An aerial photograph of a rural landscape. A red rectangle is drawn on a large, dark brown, undeveloped plot of land in the upper center. To the right of this rectangle, the text 'Planned subdivision' is written in white with a black outline. Below the rectangle, the text 'The Reserve' is written in a similar style. The surrounding area includes agricultural fields, some green trees, and a network of roads. A road with a blue and red '13' shield is visible on the left. In the bottom left, a road with a blue and red '6' shield is shown. On the right side, a multi-lane highway with a pinkish-red overpass is visible. A winding road or path cuts through the center of the image.
