

Pet Parade!

Here are this week's adoptable pets from the Blue Earth Nicollet County Humane Society. Our goal is to find homes for the animals that have been waiting for homes the longest.

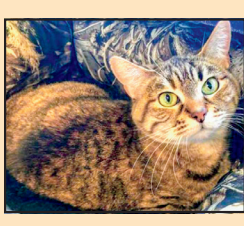

For more information about these animals or to ask about adopting, call (507) 625-6373. Adoption hours at BENCHS are 3-7 p.m. Thursdays and Fridays, and noon-5 p.m. Saturdays and Sundays.

Veronica

Veronica came to BENCHS as a Mankato stray has been hanging around since

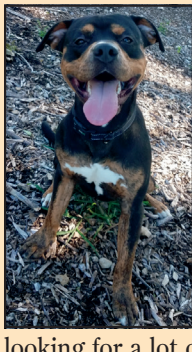

then. She loves attention but would do best as the only cat in the household. She doesn't always like being held but loves to be pet. She's a strong and independent woman and, as you can see, beautiful too.

Dolly

Dolly is a very calm personality looking for her forever home. Dolly's favorite

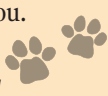

thing to do is lounge around and receive pets while watching birds out the window. She is a little shy to new people, but warms up nicely once she learns to trust you. Because of her calm demeanor, her ideal home would be a relatively quiet and calm family. She's a sweet senior looking forward to relaxing in her retirement. She recently lost her best cat friend to illness, so having another cat may be beneficial for her transition

Colonel Biggs

Colonel Biggs is a very energetic and playful young buck. He loves to chase and chew on his toys. He is very sweet and loving but does need some help with obedience training. He is

looking for a lot of consistency and exercise in his forever home. If you have a high energy home, Colonel Biggs is the sweetheart for you.

Daisy

Daisy is an energetic puppy who loves to interact with her people. She is quick to run up to you and climb into

your lap. If you have an active home, Daisy would love to meet you! Daisy was born in one of BENCHS' foster homes and has been a sweetheart to everyone she meets.

Onyx

Onyx is a beautiful pumpkin-eyed beauty who would love a forever home! This social girl gets along great with other cats,

and would be a great addition to any cat clan. She has been patiently waiting for her forever family to come along since April of this year, but for some reason she keeps on getting overlooked. Onyx is a staff favorite, and surely is a looker!
