Where: Tiburon Golf Course, Omaha

When: August 11, 2020

Teeing-off with friends from Methodist Health System, the Methodist Volunteers In Partnership (VIP), a group that provides volunteer support for Methodist Hospital and Methodist Women's Hospital health care teams, invited supporters to participate in the 13th Annual Methodist Golf Classic.

All funds raised from this event will go toward the Methodist Hospital Acute Rehabilitation Center's therapy gym, which is in need of vital upgrades. This is where patients go to receive physical, occupational and speech therapy following traumatic injury, debilitating disease, surgery and—now for some—COVID-19. It's where they begin the road to restoring their strength and rebuilding their lives.

Those who showed up to offer their support will help upgrade the therapy equipment and improve the space, making it more efficient for the important work that takes place there every day.

We thank all participants who joined us in supporting patients, their families and staff by participating in the Methodist Golf Classic as a sponsor and/or golfer. The event was held on Tuesday, August 11, 2020 for a day of fun and fundraising.
