QUALIFYING FOR OFFICE

Most individuals seeking elected office may choose to qualify as either a political party or independent candidate. A political party candidate participates in the August Primary Election (and possibly the Primary Runoff Election three (3) weeks thereafter), seeking to win a particular political party's nomination for a specific office. The winning candidates in the Primary Elections move forward and participate in the November General Election as the respective political party's nominees for the respective offices. An independent candidate participates only in the November General Election and, for the purposes of the ballot, has no designated political party affiliation.

In Mississippi, candidates for special election, judicial office (with the exception of candidates for Justice Court Judge), County School Board, Consolidated/Consolidated Line School District Trustee, Municipal Separate School District Trustee and Special Municipal Separate School District Trustee run as non-partisan candidates and only participate in the November General Election, with no designation of a political party affiliation on the ballot or otherwise.

POLITICAL PARTY/PRIMARY ELECTION CANDIDATES

An individual who chooses to seek election as a partisan candidate and therefore participate in a primary election to seek the nomination of a particular political party must file with the proper office a "Qualifying Statement of Intent for a Candidate for Party Nomination," together with the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. Qualifying forms for party candidates are available from the respective political party's state office or on the Secretary of State's website located at <http://www.sos.ms.gov/Elections-Voting/Pages/Candidate-Qualifying-Forms.aspx>.

INDEPENDENT CANDIDATES

An individual who chooses to seek election as an independent candidate must file with the proper office a "Qualifying Statement of Intent for an Independent Candidate," a qualifying petition, which must be signed by a certain number of qualified electors (registered voters) from the state, county or district from which the candidate seeks election and the applicable qualifying fee, on or before the qualifying deadline, as is explained further below. The number of signatures required on the qualifying petition is dependent upon the specific office sought by the candidate. Each candidate must obtain the certification of the signatures from the Circuit Clerk's Office of the county from where the signatures were collected prior to filing his/her qualifying paperwork with the appropriate office.

Independent candidates should budget sufficient time to ensure the certification of petition signatures by the respective Circuit Clerk's Office well in advance of the qualifying deadline. Qualifying forms for independent candidates are available from the Circuit Clerk's Office or on the Secretary of State's website located at <http://www.sos.ms.gov/Elections-Voting/Pages/Candidate-Qualifying-Forms.aspx>.

Forms necessary for compliance with these laws are available from the Secretary of State's Office or the Circuit Clerk's Office. Campaign Finance reporting forms also may be downloaded from the Secretary of State's website located at <http://www.sos.ms.gov/Elections-Voting/Pages/Campaign-Finance-Lobbying.aspx>.

A candidate should simply check (√) the type of report being submitted on his/her form. A candidate may file a Termination Report at the same time as another scheduled report by placing a check in the blank preceding both the scheduled report and the Termination Report. Candidates and political committees are required to continue to file campaign finance disclosure reports in accordance with the applicable statutory schedule, which changes from year to year, unless and until a Termination Report is filed with the appropriate office. A Termination Report may only be filed if the candidate or political committee no longer accepts contributions or makes expenditures and has no outstanding debts.

Campaign finance forms are available on the Secretary of State's website located at <http://www.sos.ms.gov/Elections-Voting/Pages/Campaign-Finance-Lobbying.aspx>. Please refer to the separately published *Campaign Finance Guide* for more detailed information pertaining to the campaign finance disclosure and reporting requirements.
