

OCTOBER 17-18, 2024 2024 ROCKY MOUNTAIN WILDFIRE SMOKE SYMPOSIUM

Join us for the 5th annual Rocky Mountain Wildfire Smoke Symposium. This year's Symposium will be a hybrid event with in-person activities at the University of Montana in Missoula, Montana. We welcome anyone invested in discussing a future with wildfires, including researchers, public health professionals, community and government employees, and concerned citizens. Local and regional experts will lead sessions on:

- The health impacts of wildfires
- Community strategies for mitigating wildfire smoke exposure
- Adaptation strategies for living with more fire

 **Thursday and Friday, October 17-18, 2024**

 **8am – 7pm Thursday; 8am – 1pm Friday**

 **Hybrid: University of Montana, University Center Ballroom**
with virtual Zoom option

 **Lodging: DoubleTree by Hilton, Missoula, MT**
