Executive Director of Business and Operations  
Missoula County Public Schools

Dear Mr. McHugh:

It is with great sadness and deep regret that I am resigning my position as trustee for the Missoula County Public Schools Board of Trustees. While I have enjoyed every minute of the four years of my service on the board, my continued presence would be a distraction from the critical work of the board and diminish the integrity of our highly respected superintendent, Dr. Alex Apostle.

Thank you, Pat. It's been the pleasure of my life to have had the privilege to work with you and all the fine people who work in the Missoula County Public Schools. I will miss the work and the people. For me, it has always been about the helping the students and our public schools the very best they can be.

Sincerely,

Nancy L. Pickhardt
