PROPOSITION AMBULANCE OPERATIONS.

The Board of Directors of the Union Ambulance District wants to levy an additional sales tax of one-half of one percent (0.5%) bringing the total sales tax to one percent (1%) "in order to provide for continued sufficient funds to operate the district"

OUR Ambulance SERVICE MATTERS. . . SO DOES FISCAL RESPONSIBILITY!

- **Key Facts You Should Know:** Ambulance service is NOT at risk if Prop EMS does not pass!
- **The District will continue to be funded the same way it always has through:**

Real and Personal property tax, with an average home worth $250,000 is charged $3.00,
Sales tax of 0.5% and User fees when a patient is transported. This fee has been doubled in the last year.

- No interruption in service, no shutdowns, no loss of coverage.

Proposition Ambulance Operations is not required for the district to maintain current operations.
