Aaliyah has been the rock of our team so far this year. She handles the ball the majority of the time for us and does a great job getting her team involved in the game. I always hear her coaching the younger girls and is becoming an outstanding leader.

Nakai had a huge game Friday night against New Haven, scoring a career-high 28 points to go with four assists. Nakai is our leading scorer, averaging 15 points per game and is our senior leader.
