## OF THE WEEK PROGRAM

**Name:** Henry Vedder  
**Sport:** Baseball  
**Grade:** Senior  
**School:** Washington HS

**Reason for Nomination:**

Henry threw a complete game shutout in our first-round district game against Parkway Central, allowing two hits and one walk while striking out 12. He also had a 21-game hitting streak this season. Henry is signed to play at Jacksonville State next year.

**Reason for Nomination:**

Anni had a phenomenal district tournament, scoring six goals and assisting twice over the course of three games. Her goal in the district championship game was very timely and solidified our win. She's proven throughout the season to be one of our most dangerous offensive threats, and we look forward to what she will accomplish in the future.
