

Missourian

ATHLETE

OF THE WEEK PROGRAM

Name: Kailani "Kai" Vega

Sport: Swimming

Grade: Junior

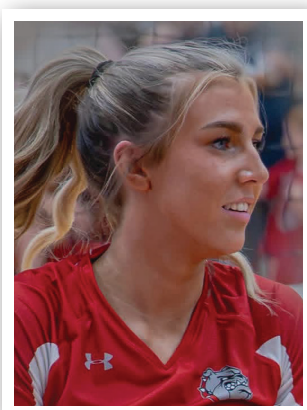

School: Washington

Reason for Nomination:

At the Ft. Zumwalt North Invitational, Kai came home undefeated with gold medals in the 100 butterfly and 100 breaststroke. He was also a member of the gold medal-winning and school record-breaking 200 medley relay and 400 freestyle relay.

Reason for Nomination:

Kylie Barnard played a huge role in our wins last week, recording 32 kills and 13 solo blocks. She may not be the loudest girl on the team but she leads by her play. Offensively, she got in her groove making it very hard to stop her at the net. It was the best she has played all season. Defensively her block made it difficult for the opponents to hit around.
