

Missourian

ATHLETE

OF THE WEEK PROGRAM

Name: Brenna Langenberg

Sport: Basketball

Grade: Junior

School: New Haven HS

Reason for Nomination: Brenna averaged 15.25 PPG over four games last week, and finished with a game-high 22 points Friday night versus Wellsville. She has been increasing her role in handling the ball against pressure for us, and has done a great job creating opportunities for her teammates to be successful. Brenna has also put an emphasis on her defensive play recently, which has led to an increase in deflections, steals and turnovers.

Reason for Nomination: Sam has made 16 threes over the last week and had a week helping the Blue Jays to two wins. Samuel has been the leading scorer in three games in the past week. Sam was selected to the all-tournament team at the Washington Tournament. At Pacific, Sam made four threes in the first quarter enroute to an 18-point performance and a 64-40 win. He has been a big leader for us all throughout the season with his positive attitude and his lights-out shooting from the three-point stripe.
