 Any special assessments levied after forfeiture and certified to the County Auditor have been added to the minmum bid amount.
 Sales are subject to existing leases and easements for highway and public utilities and any other easement obtained by a
 federal, state or county government for public use.

NOTE: All acreage amounts are approximate unless parcel has been surveyed or platted in a legal subdivision.
*The Minnesota Department of Health strongly recommends that ALL homebuyers have an indoor radon test performed prior to purchase
 or prior to taking occupancy and recommends having the radon levels mitigated if elevated radon concentrations are found.
 Elevated radon concentrations can easily be reduced by a qualified, certified, or licensed radon mitigator (if applicable).
 Kanabec County is not aware of, and has not done radon testing on any of the residential properties. There are no radon records available
 and the radon concentration levels are unknown. Kanabec County is not aware of any Radon Mitigation systems
 on any of the residential properties.*
