Letter from the Chair

Chad Tidd
Chick-fil-A Mount Airy
2026 Chair of the Board

Dear Chamber of Commerce Members,

This year is certain to be a banner year for our Chamber, the City of Mount Airy and Surry County! We started the year with an opportunity to both celebrate current businesses and remember the heritage of those business men and women who came before us at the Annual Meeting and Awards Dinner. As a community, we are beginning to catch a glimpse of future possibilities and I could not be more excited to serve as the Chair of the Greater Mount Airy Chamber of Commerce.

Along with the Chamber Staff, I am so grateful for the volunteers that have committed to work alongside me on the 2026 Board of Directors. Their willingness to give their time to growing the business community challenges me to lead in a way that accelerates our efforts. I desire to cultivate connections and partnerships among the business community so that we all can be the best we can be. Thank you for your support of the Greater Mount Airy Chamber of Commerce. Wishing you all the best for 2026 and beyond.

Letter from the President / CEO

Dear Chamber Members,

Over the past year, I've been reflecting on what an incredible season of growth it has been for our Chamber, and for me personally. This year has given me the opportunity to get to know many of you – your businesses, your challenges, and what you need most from your Chamber. Those conversations have shaped the work we're doing and where we're headed next.

We've focused on strengthening our foundation—taking a fresh look at our events, finding new ways to engage our members, and making sure what we offer brings real value to you. As we move forward, our focus is simple: to continue building a Chamber that shows up through meaningful connections, relevant resources, and strong advocacy for our business community.

This Chamber is only as strong as the people in it. Your support and involvement make all the difference, and I'm truly grateful to be part of a business community that shows up for each other. If we haven't connected yet, I'd love the opportunity. I'm excited about what's ahead, and I'm thankful we get to do this work together.

Ribbon Cuttings

Behind every ribbon cutting is a story – someone taking a risk, putting in the work, and choosing to build something here. This year, we celebrated 16 of those moments across Surry County. From new businesses to those continuing to grow, each one represents progress, opportunity, and investment in our community.

We're grateful to these business owners for choosing Surry County and for the role they play in strengthening our local economy.

65th Annual Meeting

More than 250 business and community leaders gathered for the Chamber's 65th Annual Meeting at Cross Creek Country Club in January 2026—an evening that reflected both the legacy of our organization and the strength of the community it serves.

As we celebrated this milestone, the focus remained on the people behind the progress. From our Citizen of the Year to the additional award recipients, each honoree represents the leadership, service, and commitment that continue to shape Surry County. The evening also served as a reminder that while businesses drive our economy, it's the relationships behind them that truly move our community forward. As shared throughout the night, you could feel the pride in the room and the impact of a business community that continues to show up for one another.

Thank you to our presenting sponsor, Mayberry Tractor, for their support in making this event possible.

Citizen of the Year

Ted Ashby pictured with his wife, Faith, at the 65th Annual Meeting.

Ted Ashby was honored as the Greater Mount Airy Chamber of Commerce's 2025 Citizen of the Year in recognition of his decades of leadership, service, and lasting impact on the Mount Airy community. A Mount Airy native and graduate of Mount Airy High School, Ashby returned to his hometown in 1996 to help charter Surrey Bank & Trust, guiding it to become one of North Carolina's top-performing community banks and a respected supporter of small business growth.

Throughout his career, Ashby championed economic development, job creation, and downtown revitalization, including helping lead Mount Airy's return to the NC Main Street Program and serving as founding president of the downtown governing board. His community involvement has included leadership roles with the Greater Mount Airy Chamber of Commerce, Surry County Economic Development Partnership, Mount Airy Downtown, Trinity Episcopal Church, and the Mount Airy Restoration Foundation.

Even in retirement, Ashby continues to support local entrepreneurship and economic development, embodying the spirit of service and dedication the Citizen of the Year award celebrates.

Thank you to the Citizen of the Year Award Sponsor, Workforce Unlimited.

2024* Visitor Impact for Surry County, North Carolina

County spending Increases by 6.2% percent to \$160.93 Million

Mount Airy, N.C. — Domestic and international visitors to and within Surry County spent \$160.93 million in 2024, an increase of 6.2% from 2023. The data comes from an annual study commissioned by Visit NC, part of the Economic Development Partnership of North Carolina.

“The latest figures from Visit North Carolina emphasize just how essential tourism is to Surry County’s economy. Beyond supporting thousands of jobs and generating millions in tax revenue, visitor spending provides direct savings—offsetting \$154.68 in local taxes for every county resident. Tourism continues to drive growth by bringing in outside dollars that circulate throughout our community. The industry’s impact is broad: \$36.49 million in lodging, \$54.73 million in food and beverage, \$17.33million in recreation, \$12.48 million in retail, and \$39.90 million in transportation. Together, these sectors highlight how deeply tourism supports our local economy. Surry County delivers a robust tourism experience, offering lodging variety, acclaimed dining, thriving wineries and breweries, distinctive shopping, and exceptional outdoor recreation that together strengthen its position as a premier travel destination” -Jessica Icenhour Roberts, Executive Director

Tourism impact highlights for 2024:

- The travel and tourism industry directly employees more than 920 people in Surry County.
- Total labor income generated by the tourism industry in Surry County was \$39.77 million.
- State tax revenue generated in Surry County totaled \$6.44 million through state sales and excise taxes, and taxes on personal and corporate income. About \$4.66 million in local taxes were generated from occupancy, sales and property tax revenue from travel-generated and travel-supported businesses.

These statistics come from the “Economic Impact of Travel on North Carolina Counties 2024,” which can be accessed at partners.visitnc.com/economic-impact-studies. The study was prepared for Visit North Carolina by Tourism Economics.

Statewide, visitor spending in 2024 rose 3.1 percent to reach a record \$36.7 billion. Direct tourism employment increased 1.4 percent to \$230,338.

“The study confirms the strength of North Carolina’s tourism industry,” said Wit Tuttell, executive director of Visit NC. “The fact of spending growth, even in the headwinds of Hurricane Helene, underscores the industry’s vitality and the appeal of our destinations and the authentic cultural, recreational and culinary experiences that travelers find rewarding.”

* 2025 data will be available August 2026.

Tuttell noted that while the data includes the three months of 2024 that followed the storm, the study’s timing, methodology and purpose are not intended to be an evaluation of storm impact on visitation or spending, but a gauge of the overall health of the visitor economy for 2024.

“It’s certainly an indication of where the effects were felt,” he said, “but given the complexities of the tourism industry and the timeframe of this research, we need to resist the temptation to view the data as a definitive report of the storm’s economic impact. As travelers return, we will celebrate the resiliency behind the mountain recovery efforts that fortify the industry and underscore its value to our workforce, our businesses and our tax base.”

NC tourism facts:

- Total spending by domestic and international visitors in North Carolina reached \$36.7 billion in 2024. That sum represents a 3.1% increase over 2023 expenditures.
- Domestic travelers spent a record \$35.6 billion in 2024. Spending was up 2.7% from \$34.6 billion in 2023.
- International travelers spent \$1.2 billion in 2024, up 16.5% from the previous year.
- Visitors to North Carolina generated nearly \$4.6 billion in federal, state and local taxes in 2024. The total represents a 2.9% increase from 2023.
- State tax receipts from visitor spending rose 1.1% to nearly \$1.4 billion in 2024.
- Local tax receipts grew 4.3% to nearly \$1.3 billion.
- Direct tourism employment in North Carolina increased 1.4% to 230,338.
- Direct tourism payroll increased 2.6% to \$9.5 billion.
- Visitors spend more than \$100 million per day in North Carolina. That spending adds \$7.3 million per day to state and local tax revenues (about \$3.7 million in state taxes and \$3.6 million in local taxes).
- Each North Carolina household saved \$593 on average in state and local taxes as a direct result of visitor spending in the state. Savings per capita averaged \$242.

END-TO-END INFRASTRUCTURE EXPERTS

Founded in 1945, Pike Corporation is the leading integrated provider of infrastructure services. We work with hundreds of investor-owned, cooperative and municipal utilities, developers and independent power producer customers across the country. As the industry evolves, we continuously expand our offerings to supply our customers with the ideas, technology, experience, manpower and equipment to perform any job.

Pike provides turnkey/EPC services covering all electric power lines and substations; renewable generation, microgrids and storage projects; and telecommunications and gas distribution networks.

Not only does our end-to-end approach ensure a more streamlined and efficient implementation of projects, but it leads to the industry's highest-quality work. Our cross-functional infrastructure coverage ensures that you can rely on our industry expertise to get projects permitted and implemented in a timely manner, as well as provide the peace of mind that all of your infrastructure needs can be accomplished with one partner.
