Dear Chamber of Commerce Members,

2024 was a time of renewal for the Chamber. For some, change can be a scary concept, but I welcomed it with excitement as we brought on a new President & CEO, Ashly Lancaster, in the fall. We know we are stronger together, and we will continue to work hard to establish a firm foundation to support the continued growth and success of the Chamber and our business community.

We had some amazing events in 2024. These include our sold-out Women Empowering Women Summit as well as our public policy lecture series, inaugural Advocacy Conference, Business After Hours events, and more. We look forward to all of the exciting, inspiring events to come in 2025, and I hope you will join me and our other Chamber members at those to see what kind of new connections you can make.

The Chamber is here to make sure our business community has the support and opportunities it needs to thrive, whether that is a small business just getting started, a large corporation wanting to make connections with businesses who can support its needs, or even a veteran business looking for new resources. We are Stronger Together.

Thank you to all of our members and to our sponsorship partners, volunteers and staff who make this success possible. We couldn't do any of this without you. We are here for you, and we are grateful for the time and hard work you put into supporting the Chamber and each other. Together we build a stronger economy and community for everyone.

There are always opportunities to help the Chamber, and to promote your business and make connections at the same time. We have a group of volunteer Ambassadors who help reach out to Chamber members and make a point of helping with our Business of the Month selections, promoting our ribbon cuttings, and so much more. Also, the Chamber has several committees which seek volunteer help to support Chamber goals — Membership, Public Policy, Events, Autumn Leaves Festival, Women's Summit, Business Development/Workforce/Education, and the newest, Young Professionals. If you are interested in serving as a member of one of these committees or as an ambassador, please reach out to me or Dr. Candace Holder, our 2025 Board chair, to a Committee Chair, to a board member, or to Ashly.

Again, thank you for your membership. I am excited about the direction of the Chamber, and I look forward to our continued work to make sure we are Stronger Together.

Wendy Wood

Immediate Past
Chairperson

The Greater Mount Airy Chamber of Commerce
200 North Main Street, P.O. Box 913
Mount Airy, NC 27030
www.mtairychamber.org
336-786-6116

Dear Chamber of Commerce Members,

I am both honored and excited to introduce myself as the new Chairperson of the Greater Mount Airy Chamber of Commerce. I look forward to working alongside each of you as we strengthen our business community, expand opportunities, and foster a vibrant environment for everyone who calls Greater Mount Airy home.

As we move forward, I am committed to increasing engagement and creating connections among our Chamber members. My goal is to bring members together through a series of meaningful events, activities, and collaborations that not only support individual businesses but uplift our entire community. From networking opportunities and committee work to impactful sponsorships, there will be ample avenues for you to get involved, share ideas, and build lasting partnerships.

A core focus of my tenure will be economic development across the greater Mount Airy area. I believe strongly that by supporting economic growth, we can make Mount Airy an even better place to live, work, and play. I am eager to hear from you, our valued members, about ways we can achieve these goals together. I encourage you to reach out to our Chamber staff with any ideas or suggestions you may have—your insights are essential to making our collective vision a reality.

Thank you for your continued commitment to the Greater Mount Airy Chamber of Commerce. I look forward to meeting many of you personally and working together to create a brighter future for our community.

Dr. Candace Holder

2025 Chairperson
Greater Mount Airy Chamber of Commerce

Mount Airy, NC 27030
www.mtairynchamber.org
336-786-6116

Dear Chamber of Commerce Members,

As we step into 2025, I am excited to begin my first full year as President of the Greater Mt. Airy Chamber of Commerce. These past three months have been an incredible opportunity to connect with so many of you, and I look forward to building on that foundation in the year ahead. Personally, I am beyond grateful for the full support and encouragement received by our amazing Board of Directors, fellow Chamber members, and the community. I am truly humbled.

This year, we move forward with a renewed focus on the mission of the Chamber: supporting our members, fostering growth, and advocating for the success of our community. One of my goals this first year will be executing and evaluating our hallmark annual events, while also identifying opportunities to introduce new, value-added programs designed to further benefit our membership.

The Chamber's work is only possible because of your ongoing support. Your investment enables us to host impactful events, provide meaningful resources, and advocate for the needs of our business community. On behalf of our entire team and board of directors, thank you for your continued partnership.

If you have any questions about your membership or suggestions for how we can better serve you, please don't hesitate to reach out. I'm here to support you and your business, and I look forward to working together to make 2025 a successful year for all.

Dr. David and Nancy Dixon

2023 Citizens of the Year

**Outstanding Leaders in Business,
Non-Profit Organizations,
Education and the Community**

The Greater Mount Airy Chamber of Commerce recognized Dr. David and Nancy Dixon as the recipients of the 2023 Citizen of the Year Award. The Dixons were selected by the Chamber Nominating Committee after reviewing the many nominations.

Chamber officials said, “Dr. David and Mrs. Nancy Dixon have elevated Surry Medical Ministries to new heights. Their impact is not just measured in numbers but in the transformed lives of individuals and families across more than 160 businesses in the greater Surry County area. Their leadership, characterized by servant hearts, reflects an unparalleled commitment to enhancing the well-being of others.”

Congratulations to the 2023 Citizens of the Year, Dr. David and Nancy Dixon.

DR. DAVID & NANCY DIXON

Citizen of the Year Award Sponsor

2023* Visitor Impact for Surry County, North Carolina

County spending Increases by 3.0% percent to \$151.47 Million

Mount Airy, N.C. — Domestic and international visitors to and within Surry County spent \$151.47 million in 2023, an increase of 3.0% from 2022. The data comes from an annual study commissioned by VisitNC, a unit of the Economic Development Partnership of North Carolina.

“The recent data released by Visit North Carolina highlights the vital role of tourism as a powerful economic force and contributor to our local economy, generating jobs, tax revenue, and significant receipts for Surry County. These numbers underscore the value tourism brings to our community, with visitors saving each Surry County resident \$147.77 in local taxes. Tourism serves as the catalyst for economic growth, essential to our local economy by attracting outside dollars that are spent within the county. The breakdown reveals that the tourism and hospitality industry impacts lodging by \$33.09 million, food and beverage by \$51.88 million, recreation by \$16.16 million, retail by \$11.70 million, and transport by \$38.63 million.

Surry County offers a wide range of lodging options, renowned local restaurants, breweries, wineries, wedding venues, festivals, shopping in charming downtown areas, and ample outdoor & recreational activities, making it an ideal destination for those seeking a getaway.”

Tourism impact highlights for 2023:

The travel and tourism industry directly employs more than 911 people in Surry County.

Total payroll generated by the tourism industry in Surry County was \$37.08 million.

State tax revenue generated in Surry County totaled \$6.01 million through state sales and excise taxes, and taxes on personal and corporate income. About \$4.04 million in local taxes were generated from occupancy, sales and property tax revenue from travel-generated and travel-supported businesses.

These statistics come from the “Economic Impact of Travel on North Carolina Counties 2023,” which can be accessed at partners.visitnc.com/economic-impact-studies. The study was prepared for Visit North Carolina by Tourism Economics.

Statewide, visitor spending in 2023 rose 6.9 percent to reach a record \$35.6 billion. Direct tourism employment increased 4.8 percent to 227,224.

“The new study underscores the importance of tourism to every county in North Carolina,” said Wit Tuttell, executive director of Visit NC. “There’s a lot of competition for travelers’ time and money, and we owe our success to everything from the state’s scenic beauty and outdoor adventure to our mix of tradition and innovation and our welcoming spirit. Those qualities might be hard to measure, but we can follow the trail to a measurable impact on our workforce, our businesses and our tax base. We look forward to continued success.”

NC tourism facts:

Total spending by domestic and international visitors in North Carolina reached \$35.6 billion in 2023. That sum represents a 6.9 percent increase over 2022 expenditures.

Domestic travelers spent a record \$34.6 billion in 2023. Spending was up 6.8 percent from \$32.4 billion in 2022.

International travelers spent \$997 million in 2023, up 9.5 percent from the previous year.

Visitors to North Carolina generated nearly \$4.5 billion in federal, state and local taxes in 2023. The total represents a 5.8 percent increase from 2022.

State tax receipts from visitor spending rose 5.6 percent to \$1.3 billion in 2023. Local tax receipts grew 5.4 percent to \$1.2 billion.

Direct tourism employment in North Carolina increased 4.8 percent to 227,224. Direct tourism payroll increased 6.6 percent to nearly \$9.3 billion.

Visitors spend more than \$97 million per day in North Carolina. That spending adds \$7.1 million per day to state and local tax revenues (about \$3.7 million in state taxes and \$3.4 million in local taxes).

Each North Carolina household saved \$518 on average in state and local taxes as a direct result of visitor spending in the state. Savings per capita averaged \$239. North Carolina hosted about 43 million visitors in 2023.

* 2024 data will be available August 2025.

**ALTEC.
ONE SOURCE
FOR ALL
OF YOUR
EQUIPMENT
NEEDS.**

Altec is a leading supplier of products and services for the electric utility, telecommunications, lights and signs and contractor markets. We design, manufacture, sell and service products, and provide services to more than 100 countries throughout the world. While we are known for lifting products: bucket trucks, cranes – equipment used to help people reach tough-to-reach places, what really makes us successful is how we help our associates reach higher. We help people reach their potential. And we believe that makes all the difference in our company.

Find your career at jobs.altec.com!

YOUR PARTNER TO DELIVER RELIABLE & RESILIENT NATIONAL INFRASTRUCTURE

POWER | RENEWABLES | TELECOM | GAS

DESIGN | BUILD | MAINTAIN | UPGRADE

Pike Corporation offers full-spectrum turnkey solutions to design, build, maintain and upgrade the nation's infrastructure effectively and efficiently. No matter how big or small your project may be, Pike has the right-sized approach for you. We tailor our approach to fit each of customers' project needs and challenges. Not only does our approach and field expertise maximize project efficiency, but it also leads to the industry's highest-quality work.

With 75+ years of trusted experience, Pike has maintained long-standing customer relationships with 400+ investor-owned, municipal and cooperative utilities throughout the United States. Our proven, best-in-class safety protocols, responsiveness and technology expertise enables us to solve the toughest energy infrastructure challenges.
