

This Week from the Chamber

Pawsome Treasures Thrift Shop Ribbon Cutting

We had a great time celebrating Pawsome Treasures Thrift Shop with a ribbon cutting!

This unique shop is making a meaningful impact in our community, with proceeds supporting Pawsome Solutions' low-cost spay/neuter and rabies programs for local pet owners and advocates. By combining a love for animals with a mission to serve, Pawsome Treasures is helping improve the lives of pets and the families who care for them.

Located at 729 Worth Street in Mount Airy, Pawsome Treasures is open Wednesday through Saturday from 10:00 a.m. to 5:00 p.m. The shop also accepts donations on Mondays from 10:00 a.m. to 4:00 p.m., providing another opportunity for community members to support its mission.

Thank you to everyone who came out to celebrate and support this incredible mission. We're proud to have Pawsome Treasures as part of our local business community and look forward to the positive impact they will continue to make.

Women Empowering Women Summit Awards Nominations Now Open

Nominations are now open for the 5th Annual Women Empowering Women Summit Awards, and we invite the community to help us recognize the remarkable women who are making a difference through leadership, mentorship, service, advocacy, and encouragement.

The Trailblazer Award recognizes a woman who has broken barriers, paved the way for others, and demonstrated exceptional leadership in her industry or community.

The Mentor of the Year Award honors a woman who has made a meaningful difference by mentoring, encouraging, and uplifting others in their personal or professional journeys.

The Community Impact Award celebrates a woman who has dedicated herself to serving others through philanthropy, advocacy, volunteerism, or community service.

If you know an inspiring woman who deserves to be recognized, we encourage you to submit a nomination. Nominations will remain open through June 15th as we prepare to celebrate the outstanding women who help our community grow and thrive.
