

Intermountain Health General Surgery Services

Colton Ryan, MD
General Surgery

Our General Surgery team is dedicated to providing expert, personalized care for every patient. As your trusted surgeon, I take pride in being part of a highly skilled group at St. James Hospital that offers a comprehensive range of services designed to support your health at every stage.

From Anti-Reflux and Gallbladder Surgery to Hernia and Thyroid procedures, we combine advanced techniques—including minimally invasive and robotic surgery—with a caring, patient-centered approach.

Whether you're facing a routine procedure or a complex condition, our team is here to guide you every step of the way. Choose Intermountain Health St. James Hospital for compassionate, quality surgical care close to home.
