A person who knowingly signs a name other than the person's own to this petition, who signs the person's name more than once upon a petition to recall the same officer at one election, or who is not, at the time of signing this petition, a qualified elector of the state of Montana entitled to vote for the successor of the elected officer to be recalled or the successor or successors of the officer or officers who have the authority to appoint a person to the position held by the appointed officer to be recalled is punishable by a fine of no more than \$500 or imprisonment in the county jail for a term not to exceed 6 months, or both, or a fine of \$500 or imprisonment in the state prison for a term not to exceed 10 years, or both.

## **RECALL PETITION**

To Paulette DeHart, Clerk and Recorder, Lewis and Clark County Elections Department: We, the undersigned qualified electors of the City of Helena respectfully petition that an election be held as provided by law on the question of whether Wilmot Collins, holding the office of Helena City Mayor, should be recalled for the following reason: **Violating the Montana Constitution, Article 1, Section 8 (RIGHT OF PARTICIPATION) and Section 9 (RIGHT TO KNOW)**, in that an employment offer was made to the Interim City Manager candidate without any public input, and without the input of at least two of the City's Commissioners prior to City Commission's final decision on March 9, 2020. No reasonable opportunity was provided to any citizen of the City of Helena to participate in any public comment session prior to the night of the final vote; no citizen was provided a copy of the city's contract, and no copy of the candidate's resume was available. There was no chance to observe deliberations prior to the night of the final vote, and no questions asked by any citizen were answered in any venue. When citizens participated in the March 9<sup>th</sup> City Commission meeting, there were three separate versions of the agenda causing many to leave when they thought the Interim City Manager position would not get addressed, again reducing the opportunity for public input. Each signer certifies: I have personally signed this petition; I am a qualified elector of the state of Montana and the City of Helena; and my residence and post-office address are correctly written after my name to the best of my knowledge and belief.
