Dear Class of 2023,

It has been a great honor to serve as the principal of Butte Central High School over the past year. I am very proud of the incredible young men and women of the BC Class of 2023. Your accomplishments in the classroom, in the community, and in our co-curricular programs have been amazing. You have worked hard, stayed the course, and have excelled in everything you have done as a class.

As you prepare to move on to the next phase of your life, please know how much the BC Family appreciates your commitment to always doing your best. You are great representatives of our school and the Gospel values that are at the heart of our programs.

We are very proud that you will be going on to Montana Tech, Carroll College, University of Montana, Grand Canyon University, Western Montana College, and the College of Idaho, with \$2,3 million in college scholarships. We are thrilled that your Butte Central experience has paved the way to your college opportunities. We know that you will continue to accomplish great things in this next phase of your education journey.

I would like to extend a special thanks to our outstanding families, teachers, friends, benefactors, parents, and the Butte Catholic Community for your tremendous support of the Class of 2023. Butte Central Catholic Schools are truly blessed to have so many people who truly care about our students.

As we celebrate this monumental milestone, I would like to challenge the BC Class of 2023 to keep prayer and God close to your heart. As Maroons, you have grown into young adults in a wonderful community of faith. It is our great hope that you will be inspired by your BC lessons and your faith to make your mark on the world.

Congratulations Maroons! We are truly proud of you.

Sincerely,

Don Peoples, Jr.
