

Butte Schools District Calendar 2025-2026

From Butte Central Catholic Schools President/Superintendent, Don Peoples Jr.

Dear Families,

As we prepare for the 2025-2026 school year, there is great optimism in our schools. Enrollment is growing and there are many new students joining our school family. Our 4-day school week has been a great success. Our students, teachers, and families have enjoyed this innovative schedule.

We are very proud of our growing scholarship program and our commitment to helping all families attend our schools. Thanks to the generosity of many alumni, benefactors, and friends, we will have a record \$1.8 million in scholarships available this fall.

At Butte Central, our teachers are exceptionally dedicated, and they truly care about their students. From preschool through high school, our small school enrolment ensures personal attention and individualized learning opportunities. Our goal is to inspire students to reach their highest potential.

Our classrooms are state-of-the-art, and our teachers employ great balance in their use of technology. All classrooms are equipped with either a smartboard or smart TV and all students are provided with a computer device.

Another prevailing quality of our learning environment is the emphasis on prayer and Gospel message, Faith, and values are integrated into everything we do as a school system. We are very proud of our Catholic traditions, and we welcome students from all faiths.

We look forward to a great 2025-2026 school year. Our elementary, junior high, and high school programs are filled with incredible opportunities. Our students learn and grow up in a family atmosphere that fosters togetherness and success. Our students participate in athletics, music, drama, and community service. As a school system we strive to be a great member of the Butte Community.

In closing, I would like to thank your alumni, parishioners, boosters, and the business community for their tremendous support of our Catholic school system. We are truly grateful to have such amazing support.

I would also like to encourage students and families to consider Butte Central Catholic Schools for their future. We have openings in all grade levels, and we look forward to a faith-filled school year.

We are BC!

Don Peoples Jr.,
President/Superintendent
Butte Central Catholic Schools

From Butte Public Schools Superintendent, Judy Jonart

It is with great pride and enthusiasm that I welcome you to the 2025–2026 school year. It is truly an honor and a privilege to begin this new academic year as your Superintendent. My focus this year is to foster a safe and secure learning environment where strong partnerships and respectful relationships can thrive. By working together, we can build the momentum needed to launch the Butte School District into a new era of opportunity—for our students, families, and the entire Butte community.

Over the summer, we have continued to strengthen and expand a range of district programs designed to meet the diverse needs and talents of all students. These efforts include the addition of new dual credit courses, securing funding to enhance our Advanced Opportunities programming at both the high school and middle school levels, the opening of the new Butte Pathway Academy Charter School serving students in grades 9–12, and the expansion of our Early Learning programs for four-year-olds. Throughout the year, we will proudly highlight these initiatives and celebrate the joy of teaching and learning taking place across our schools.

A key goal for this year is to ensure that every student attend school regularly. We have partnered with community agencies and organizations to address the challenge of chronic absenteeism. Every member of our community can play a role in helping students and families understand that attending school all day, every day, is essential to academic success. Together, we can make school attendance a shared priority and help every student reach their full potential. As we begin this new school year, I want to express how truly fortunate I feel to be part of such a dedicated school district and supportive community. Thank you for your continued commitment to our Butte students. I would also like to extend my sincere appreciation to the Montana Standard and our business partners for sponsoring this year's calendar. Here's to a successful and inspiring school year!

We are Butte School District PROUD!!

Sincerely,
Judy Jonart
Superintendent
Butte School District #1

Providing Butte School District Students with 21st Century Skills

In today's knowledge-based economy, the types of skills our students need to succeed are very different from what we needed in the past. Reading, writing, math, science and history remain the foundation to our education, but broad access to information by way of the Internet has changed how students get their information and the skills they need. (see below)

The Butte School District combines the basic skills of the past with newer skills that are necessary for students to succeed in the workforce of the future. Each of the 21st Century skills is unique in how it helps students, but all are essential in the informational age. The following is a brief summary of the 21st Century skills that are integrated throughout our entire K-12 curriculum.

- Critical thinking and problem solving: Solving complex problems are key skills that students will need for high-skilled jobs.
- Creativity and Innovation: Employers want employees who can think creatively to find solutions to problems. Creativity empowers students to see concepts differently which leads to innovation.
- Collaboration: Students need to learn how to work together and reach compromises to achieve the best possible solutions. Students must have a deep understanding and commitment to the idea of the "greater good".
- Communication Skills: Students need to learn how to effectively articulate ideas and concepts to diverse groups of people. Good communication is one of the most important soft skills students can bring to the work place. Good communicators are valuable members of any department or company. Oral and written communication are critical 21st Century skills.
- Media/Information Literacy: These are foundational skills that help students understand facts, figures, statistics, data, publishing

methods and sources. Students learn how to analyze publishing methods and sources in order to accurately identify those that are credible.

- Technology Literacy: Students learn the basic information that they need to understand computers, cloud programming, and mobile devices in order to adapt to an ever-changing world. Understanding how technology works is critical in order to succeed in the Information Age.

- Life and Career Skills: Students must develop adequate life and career skills that include; flexibility and adaptability, initiative, self-direction, accountability, leadership, responsibility and citizenship.

The Butte School District realizes the importance of creating 21st Century learning environments that are student centered and that empower students to be active participants in the learning process. We are committed to designing learning environments that are safe, secure, and that celebrates the unique talents of every student.

It's Time to Team Up for Attendance

The Butte School District Board of Trustees recently approved a proclamation recognizing September as Attendance Awareness Month. This proclamation is part of the Butte School District's Team Up For Attendance Campaign. The purpose of the initiative is to raise public awareness about the importance of school attendance and the effects of chronic absenteeism. Improving student attendance is an essential cost-effective but critical strategy for ensuring our students are on track to learn and succeed. When students are chronically absent they are missing on average two or more days a month, or 10 percent or more of school days over the academic year. Chronic absence is a leading, early warning indicator of academic trouble and later dropout. Reducing chronic absence is critical to ensuring that all students and their families can realize their hopes and dreams for academic success and opportunity.

Increasing school attendance can be achieved when the whole community works with families and schools. All of us can make difference by helping create a positive school climate that engages students and families in learning and sets the expectation that ATTENDANCE MATTERS!! HELP US SPREAD THE MESSAGE:

- Good Attendance helps children do well in school and eventually in the workplace.** Good attendance matters for school success, starting as early as prekindergarten and throughout elementary school, and helps students stay on the path to academic success. By middle and high school, poor attendance is a leading indicator of dropout. Absences represent lost opportunities to learn in the classroom.

- Students are at academic risk if they miss 10 percent or more of the school year, or about 18 days a year.** Once too many absences occur, they can affect learning, regardless of whether absences are excused or unexcused. Sporadic, not just consecutive, absences

matter. Before you know it, just missing two or more days every month can add up to missing 10 percent of the school year. Prevent absences whenever possible. Some absences are unavoidable, for example, due to serious or a contagious illness. But some absences may be preventable by, for example, scheduling family trips during school breaks or helping families with transportation.

- Chronic absence does not just affect the students who miss school.** If too many students are chronically absent, it slows down instruction, as teacher are likely to repeat material for students who have missed too much school.

- The key to success is taking a proactive, positive, data driven, problem solving approach.**

Let's make school attendance a community priority so that all our students achieve success!!!

Butte Central Schools Focus on Academic Excellence and Preparing Students for College and Beyond... ...We are Central to YOUR Future!

Butte Central Catholic High School College Readiness Plan

- Our 4-day school week has been a huge success
- Small Class sizes are a priority in our school system
- Individualized and personal attention are key components of our program
- 100% of BC Students who apply for college are accepted
- Our graduating classes earn millions in college scholarships each year. Since 2022, our graduates have been offered \$5.2 million in college scholarships
- The Bishop Thomas Scholars Academy (9th-12th grade) and the Junior Bishop Thomas Scholars Academy (6th-8th grade) provide exciting academic enrichment opportunities to students.
- Butte Central's outstanding dual credit college program provides students with amazing opportunities to earn college credits. In recent years many BC students have graduated with over 30 college credits.
- Community service is an important component in Butte Central Catholic Schools
- Prayer and Christian values are integrated into everything we do as a school system.
- Our classrooms are equipped with state-of-the-art technology. All students in kindergarten through high school are provided with a computer device.
- Our schools strive to be a partnership between

administration, teachers, students, and parents.

- We take pride in being a community of faith committed to helping all students reach their highest potential.
- Through our Scholarship Program we are committed to helping all families attend our schools.

Prepare for College

Freshmen & Sophomores

Get familiar with the college prep curriculum if you plan to attend a four-year program in the Montana University System. Outline your plan with your counselor.

- ☐ Organize your assignments and activities using a student planner or a system that works for you.
- ☐ Get involved in extra-curricular activities.
- ☐ Find out about college prep courses. See which Advanced Placement, Running Start, Tech Prep or International Baccalaureate courses are offered at your school. If they aren't offered at your school, talk to your counselor about your options.
- ☐ Take PSAT 10 as practice for the PSAT test your junior year. (PSAT scores count for National Merit Scholar consideration in your junior year.)
- ☐ Research potential careers you might want to pursue, and postsecondary institutions where you can gain the required skills.
- ☐ Talk to your parents about your plans for after high school.
- ☐ Save for postsecondary education.

Juniors

Enroll in college prep courses. (Advanced Placement, Running Start, Tech Prep or International Baccalaureate). If they aren't offered at your school, talk to your counselor about your options.

- ☐ Register for the PSAT in the fall. (Scores count for National Merit Scholar consideration.)
- ☐ Take the SAT or ACT in the spring.
- ☐ Research careers of interest to you, and explore postsecondary institutions where you can gain the required skills.
- ☐ Begin searching for scholarships to help you pay for postsecondary education. Some deadlines come earlier than you might think, so don't delay. Use our Scholly app. Free access provided courtesy of Reach Higher Montana.
- ☐ Attend a financial aid night at your school. It's not too early to be learning about your options to pay for your education.
- ☐ Plan visits to the campuses of colleges you are interested in attending.
- ☐ Save for postsecondary education.

Seniors

Visit with your counselor to make sure you are meeting all of the requirements of the postsecondary institution you want to attend.

- ☐ Continue to take college prep courses. (Advanced Placement, Running Start, Tech

Prep or International Baccalaureate). If they aren't offered at your school, talk to your counselor about your options.

- ☐ Complete the Free Application for Federal Student Aid (FAFSA) as soon after October 1 as possible. Check with your school regarding the priority FAFSA filing date at that institution.
- ☐ If you need help filling out the FAFSA, look for a Reach Higher Montana FAFSA Help event in your community, or contact the Reach Higher Montana advisor in your area.
- ☐ Take the SAT or ACT in October or November.
- ☐ Continue to research and apply for scholarships to help you pay for school.
- ☐ Check with schools you are interested in attending regarding application and other important deadlines.
- ☐ Create a planner on which to log all important dates and deadlines.
- ☐ Attend college application nights and college fairs.
- ☐ Send high school transcripts to colleges with your initial admissions application in the fall, and send your complete transcripts after final grades and graduation status are recorded.
- ☐ Register for selective service at the post office or online. This applies to males, 18 years of age. (You can't receive financial aid if you don't register.)
- ☐ Attend financial aid nights at your school.
- ☐ Check your Student Aid Report (SAR), sent via email. The SAR is the U.S. Department of Education's summary of information you submitted on the FAFSA and provides an estimated Expected Family Contribution (EFC) and estimated Pell and loan eligibility. Make sure your colleges of choice are listed. If corrections or updates are needed, complete them as soon as possible.
- ☐ Evaluate financial aid packages offered by the schools to which you applied. Accept only the aid you need.
- ☐ Expect to hear whether you have been accepted to colleges by April 15. Compare the acceptance letters, financial aid and scholarship offers. Reply promptly to acceptance letters from colleges. Pay a non-refundable deposit to your selected college for tuition and housing for your freshman year.
- ☐ Participate in summer orientation programs for incoming freshmen.
- ☐ Save for postsecondary education and create a budget. Live like a student.

About Butte Central Catholic Schools

Mission and Philosophy

Butte Central Catholic High School Mission Statement: Through the generosity of its Catholic parishes and numerous alumni, Butte Central Catholic School serves all committed families in Butte by providing an outstanding 9-12 Catholic educational program. Accessible to all families, the BCCHS is committed to providing an excellent education in an environment of Catholic faith and moral values. BCCHS students for an exciting future by building partnerships with families, parishes, and the wider Butte community. Through academic, religious, and co-curricular programs, BCCHS strives to produce leaders in the Church and in society.

SLE #1. Christ Centered: Students will understand Christ-centered values that align with the teachings of the Catholic Church to develop as a whole person becoming an integral part of a peaceful global community.

SLE #2. Self-Directed Learners: Students will develop as independent thinkers having a deep intrinsic value of caring and respect for all cultures, particularly for those who are less fortunate, including the poor, the hungry, and those impacted by the injustice of others.

SLE #3. Global Citizens: Students will model the teachings of Jesus Christ in their daily life and acknowledge their own responsibility to be civil, to be responsible, and to contribute to the betterment of all humanity by teaching others about the promise of salvation and eternal life through belief in Christ as our Lord and Savior.

Philosophy: At Butte Central Catholic Schools, we take pride in our tradition of providing an exceptional Catholic education. Committed to faith, family spirit, and academic excellence, we aim to build a lasting legacy by nurturing students' minds and hearts in a supportive, faith-filled environment.

Academic - Be able to critically think, interpret, and elaborate well, properly use the resources provided to achieve their academic goals, gain new skills, and be able to solve complex situations.

Spiritually - Gain a deeper understanding of their faith, understand the teachings and scriptures to develop a closer relationship to God,

gain knowledge and understanding of the traditions/processes of Catholicism.

Values - become positive - contributing members of society, showcase respect, a strong work-ethic, and are charitable, gain the ability to see things with a different lens and value the different lens and value the differences among others.

School SLE's: Welcoming Exercising Mind, Body, & Spirit

Academically Excellent Respectful Environmental

Belonging Christ Center

Vision Statement

Butte Central Catholic Schools were founded in the 1880's to serve the children of Butte's Catholic miners. For over 144 years, Butte Central has thrived with a remarkable resilience and a tremendous spirit of survival. Personal attention, high expectations, strong discipline, teamwork, Christian values, and a powerful drive toward excellence speak to Butte Central's motto of pride, tradition, and commitment.

Portrait of a Graduate

BUTTE SCHOOL DISTRICT NO. 1

COMMUNICATION

Our students will excel in active listening, interpreting meaning, and expressing thoughts across verbal, non-verbal, writing and digital platforms.

EMPATHY

Our students will demonstrate awareness, sensitivity and respect towards others' feelings, opinions, experiences, and culture.

ADAPTABILITY

Our students will demonstrate flexibility by effectively adjusting to changing circumstances, environments, and demands within their educational journey and beyond.

CRITICAL THINKING

Our students will use evidence-based and logical thinking to understand big challenges and how solutions might affect other parts of the system.

RESPONSIBILITY

Our students will act with integrity, honor commitments, and accept consequences whether positive or negative.

BSD Early Literacy Targeted Intervention Program

The Butte School District is working to make early childhood a priority in our community. This program will allow us to expand our services and provide extended learning opportunities for eligible 4-year olds.

Why Is Early Literacy Intervention Important?

- Children who attend Early Childhood programs learn important skills like how to follow directions, how to get along with others, and how to pay attention.
- Children who attend a high-quality Early Literacy programs are more likely to succeed in reading and math, graduate from high school, and even earn more money as adults.
- Children who participate in Early Literacy programs are more likely to not repeat a grade.

Program Components:

- Program will follow Butte School District School Calendar.
- Offers a breakfast and school lunch.
- Aligned with the Montana Early Literacy Standards.
- Program is organized within 4 Core Domains including: Emotional/Social, Physical, Communication, Cognition.
- Curriculum is grounded in research-based understandings of child development and developmentally appropriate practices.

Program Eligibility:

- Child is not yet entering or has not completed kindergarten
- Must be 4 years of age or older on or before September 10
- Eligibility determined using the Reading PreK (PELI -- Preschool Early Literacy Indicators) Screening Assessment.

Screening and Registration:

Registration and screening will take place each spring prior to the start of the next school year. Parents will be invited to make an appointment at one of the six elementary schools to register for the program. Registration and screening dates will be announced each March.

Enrollment & Vaccinations

You need to bring the following:

- Copies of the child’s birth certificate
- Immunization records
- Parent, legal guardian, or legal custodian must be present at the time of enrollment

The below chart shows the current list of immunizations required according to the Montana Department of Public Health and Human Services (DPHHS).

The vaccines are available from your private health care provider or the Butte Silver Bow Health Department on an appointment only basis. Contact 497-5026.

If a child has not completed the minimum vaccination series required by Montana Law, a Conditional Attendance Form, No. HES 103-1B should be completed and attached to the Blue immunization Form (HES-101). If the pupil received at least one or more doses of the required vaccine, he/she can conditionally attend until the next dose is due. In order to remain in school the student must continue to receive all remaining doses as specified on the conditional form. If the student fails to complete the immunizations within the time period indicated, he/she must either qualify for or claim an exemption or be excluded immediately from school by the school administrator or the person designee.

Vaccines Required for School Attendance, Preschool -12th Grade

VACCINE	PRESCHOOL ¹	KINDERGARTEN - 12 TH GRADE
Haemophilus influenza Type B (Hib)	1 dose (given on or after the 1 st birthday, unless child is older than 59 months) ²	None Needed
Diphtheria, Tetanus, and Pertussis (DTaP, Tdap)	4 doses	4 doses (one dose must be given on or after 4 th birthday) ^{3,4} Plus 1 dose of Tdap (prior to entering 7 th grade) ⁶
Polio (IPV or OPV)	3 doses	3 doses (one dose must be given on or after 4 th birthday) ³
Measles, Mumps, and Rubella (MMR)	1 dose (dose must be given on or after 1 st birthday)	2 doses (first dose must be given on or after 1 st birthday, and spacing between doses is 4 weeks)
Varicella “chickenpox” (Var)	1 dose (dose must be given on or after 1 st birthday) ⁵	2 doses (first dose must be given on or after 1 st birthday, spacing between doses is 12 weeks for children under 13 years, and 4 weeks for those older than 13 years) ^{5,6}
