## Proudly Serving Southwest Montana since 1881

Since 1881, when five Sisters of Charity came to serve God and the people of southwest Montana, St. James Hospital has been a part of the community. Our history is woven in the very fabric of Butte, and we're proud to call it home. That's why we've worked to create a place of healing and hope for families throughout southwest Montana.

Our ability to fulfill our mission is made possible thanks to the outstanding caregivers, and to you, our friends, family, and neighbors, who allow us to serve you.

# Chamber Mission

The Butte-Silver Bow Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area.

- **The People**
- **The Priorities**
- **The Resources**
- **The Service**

“Working together we can make a difference.”

## Our Vision

The Butte-Silver Bow Chamber of Commerce is an integral part of the community, offering business and economic support, travel and visitor information and resources. Our vision represents the commitment we have to the community to be the best organization to meet the growing needs.

- Continue to be an advocate for our diverse member businesses through leadership in the areas of social, civic, health and business issues.
- Become the voice for the common goals in our business community.
- Become the source of information for our community.
- Help in the implementation of the Butte Silver Bow Business Plan.
- Actively involve the Convention & Visitors Bureau with the Butte Civic Center and other convention centers and arenas to help promote events to our area.
- Address the work/labor force issues in our community and help to develop programs to address needed areas.
- Help to form a cohesive bond between the community as a whole and Montana Technological University.
- Work in close relationship with the Economic Development Team to recruit businesses to Butte.

Dear Members of the Butte-Silver Bow Chamber of Commerce,

I am grateful for the opportunity to serve as president. Having been an active member of our community for many years I've witnessed the remarkable resilience and potential within our local businesses.

I was born in Butte, graduated from Montana Tech and Montana State University and I am proud to call Butte home. In my professional journey, I am building a sustainable business helping people and small business reach their financial dreams. This experience has instilled in me a profound belief in the power of collaboration and strategic initiatives to drive economic success.

My vision for our term is rooted in unity and community engagement. Together, we will leverage our diverse skills and experiences to create a thriving business environment. I am committed to fostering a culture of inclusivity, innovation and sustainable growth.

Let's embark on this journey together, working hand in hand to overcome challenges, celebrate successes and build a future where every business in Butte-Silver Bow flourishes.

Sincerely,

Bill Daily  
Board President  
Butte Chamber of Commerce

(406) 565-4027  
williamdaily@edwardjones.com

As we reflect on the past year and present this year's Annual Report to you, we extend out heartfelt gratitude to each of you. Your unwavering support and commitment have been the driving force behind our successes at the Chamber and in our community. Together, we have achieved remarkable milestones, and we look forward to continuing this journey with your continued support of the Butte-Silver Bow Chamber of Commerce.

We are excited with the great vibes that are felt throughout Butte with the continued economic growth. Our Economic Development team continues to work extremely hard to bring businesses to Butte and to help our existing businesses. This past year we saw record numbers of locals and visitors enjoying our trolley tours and Butte attractions. Over 15,000 visitors requested information on Butte and Southwest Montana.

We continue to be a resource to you and your business and encourage you to take advantage of these opportunities to help grow your business. Join us for a ribbon cutting as we welcome new businesses, or a Business After Hours to learn about our many businesses and support those that support our community. Our Annual Dinner in September is a wonderful opportunity to network with community leaders and business owners.

If you are looking to spend a few hours in Butte, or a few days, please stop by our Visitor Information Center or our Berkeley Pit Viewing Stand and let us help you create a memorable experience in Butte America.

Please continue to support our local businesses by shopping, dining and staying local.

# Butte-Silver Bow's Mission

Butte-Silver Bow strives to be the best community in which to work, live and raise a family. In order to accomplish this goal, we promise to provide services to our entire community, citizens and businesses in an efficient and effective manner.

Welcome to Butte America!

As Chief Executive of Butte-Silver Bow, I am thrilled to work alongside the Butte Chamber of Commerce. Butte proudly embraces its identity as “The Richest Hill on Earth,” offering the warmth of a small town combined with the opportunities of a larger city. Our diverse community caters to various lifestyles, whether you’re a college student, visitor, prospective resident, business owner or current resident. Butte provides year-round festivals, outdoor recreation in both summer and winter, shopping, fine dining, excellent public and private school systems and state-of-the-art healthcare facilities. Travel is made convenient with Bert Mooney Airport and our free Copper City Connection buses operate throughout town.

Our residents showcase a strong work ethic and Butte’s robust workforce is home to outstanding companies like REC Silicon, Montana Resources, Town Pump, Northwestern Energy, FedEx Ground and Freight, Murdoch’s Distribution Center, Montana Precision Products/SeaCast, Resodyn and many others.

For educational pursuits, Montana Technological University (Montana Tech) and Highlands College in Butte stand as Montana’s Premier STEM University, offering a range of degree programs from auto mechanics to petroleum engineering. Montana Tech has also been recognized as the #1 Nursing program in the state of Montana.

Butte is home to the largest National Historic District in the United States and served as the filming location for the recent Yellowstone prequel series, “1923.” Known as the Festival City, we’re thrilled to announce our festivals had record-breaking attendance in 2023 and all will return in 2024. From the Mai Wah Chinese New Year Event to the St. Patrick’s Day parade, Butte hosts diverse events like The Butte Freedom Fest, Montana Folk Festival, An Ri Ra Celtic Festival, SNöFLINGA and the weekly summer concert series, Music on Main. With its rich history in gold, silver and copper, Butte continues to be the heart of Montana, drawing people in with its allure. As John Steinbeck expressed, “I am in love with Montana.” In Butte, you’ll fall in love with a community that offers a true authentic experience in a state that boasts the “Last Best Place.”

Sincerely,  
J.P. Gallagher, Chief Executive

# Montana Technological University

Montana Technological University possesses an internationally esteemed, century-old tradition of excellence in higher education. Specializing in the science, technology, engineering and math (STEM) disciplines, Tech connects focused students to a network of people, opportunities, and experiences and empowers them to change the world. Our determined students learn in state-of-the-art facilities and perform hands-on work relevant to today's industries.

Montana Technological University  
*Big Skies. Bigger Thinking.*

Montana Technological University is a place of purpose, home to uncommon thinking, teaching, research and innovation. The university embraces its living laboratory and emphasizes experiential learning and community building. As Montana's special focus university, Montana Tech offers a world-class education in the science, technology, engineering and math (STEM) disciplines. The university prepares graduates for careers in business, engineering, energy, healthcare and professional fields. What Montana Tech does matters today more than ever.

The university is perched high on the hillside above Butte, and is an iconic piece of the city's historic skyline. The 100-acre main campus offers access to the local trail system, a mountain bike skills course and is located in a recreational paradise with snow-capped mountains, blue-ribbon rivers and millions of acres of public lands in every direction.

In addition to finding their place on the hiking trails, Montana Tech students are committed to finding their career path. Tech's north campus offers bachelor's, master's and doctoral degrees. The university's high-demand degrees prepare students for careers in various settings. The university's Highlands College is home to career-ready and transfer programs that help build the workforce needed to better lives in our community, state and beyond. From certificates and associate degrees to community education and customized training, Highlands College offers relevant hands-on professional programs that lead to tomorrow's vital jobs. Highlands College is a premier regional center for workforce development and workforce-ready students through entry-level, continuing education and reskilling opportunities designed to meet industry demands. Highlands College and Montana Tech are committed to providing transformational experiences in learning, research and service through experiential learning, mentoring and community and industry engagement. Highlands College graduates meet the workforce needs of our community, southwestern Montana and our state and region.

The Montana Tech campus artfully blends historic architecture with state-of-the-art facilities. The Lesar Family Nursing Simulation Center allows nursing students to use real-life simulation opportunities throughout the nursing curriculum. The Student Success/Living Learning Center provides an environment for students to live, learn, gather and develop lifelong friendships. The university houses one of the country's most high-tech nanotechnology clean labs and a state-of-the-art Hitachi HT7820 scanning/transmission electron microscope. The addition of the microscope is significant for research regionally, as it is one of the most advanced in Montana. Another unique feature on campus is the Underground Mine Education Center (UMEC), a hands-on, interdisciplinary educational space consisting of the former Orphan Boy and Orphan Girl Mines located immediately west of campus. It is the nation's only on-campus underground mining facility, and is home to courses for mining engineering, geological engineering, environmental engineering, metallurgical engineering and occupational safety and health. It also serves as a research facility. Montana Tech also houses the state's only SAP Next-Gen Lab, which offers students access to a number of System Applications and Products in Data Processing (SAP) proprietary software programs that perform data analytics and export graphics that give business professionals easily digestible information to make decisions easier. The university offers students a variety of extracurricular opportunities and clubs and organizations to be a part of. Montana Tech students are determined doers. The university has produced ten Goldwater Scholars and five Honorable Mention Scholars. The award is the most prestigious undergraduate scholarship awarded in America's natural sciences, mathematics and engineering.

Montana Tech's commitment to research has resulted in significant growth. Over the past few years, approximately \$18 million annually has come from local, state and national agencies and the private sector. Research specialties emphasize natural resources engineering, advanced materials design & manufacturing, biomedical science & biotechnology, rare earth elements, geosciences and water, restoration ecology, environmental engineering and health and bioscience. Our distinctive research infrastructure includes the Center for Advanced Mineral Processing (CAMP) materials research center, the Center for Environmental Remediation and Assessment (CERA), state-of-the art Schweitzer Engineering Laboratory Power-Systems Labs and the Montana Bureau of Mines and Geology. Projects involve both undergraduate and graduate students working closely with faculty.

Montana Tech is a member of the National Association of Intercollegiate Athletics (NAIA) and the Frontier Conference offering basketball, cross-country, football, golf, track and field and volleyball. The Orediggers are the reigning recipient of the Bandy Memorial All-Sports Trophy presented to the conference institution that has accumulated the most points based on its regular season league finish.

The campus is home to the Montana Bureau of Mines and Geology (MBMG), which collects and publishes information on Montana's geology to promote the orderly and responsible development of energy, groundwater, and mineral resources. The MBMG provides these services to the public, as well as federal, state and local governments. The MBMG's research faculty closely collaborate with Tech's academic faculty on research and mentoring students. One component of the MBMG is the Mineral Museum. The finest examples of rock and mineral occurrences from Montana, the world, and even outer space, are on display for the general public to examine and enjoy at no cost. The museum showcases many specimens on display, a gift shop, and several exhibits describing Montana's geology, earthquake activity and local mining history.

The Montana Tech Foundation is dedicated to advancing our students, programs, and campus through the investment of Oredigger alumni, friends, and industry. Philanthropic gifts positively impact student scholarships, faculty and program support, and innovative campus initiatives. This generosity allows more students access to the life-changing opportunities a Montana Tech education provides while living and learning within state-of-the-art facilities with the latest technology and programming led by dedicated faculty. # Butte Central Catholic Schools

For over one hundred years, Catholic education has been a vital part of the Butte community. Butte Central Catholic Schools have provided over 16,000 young men and women with an outstanding education deeply rooted in the proud traditions of the Catholic faith. Throughout this century of enduring success, Butte Central has thrived with a remarkable resilience and a tremendous spirit. Personal attention, high expectations, strong discipline, Christian values, and a powerful drive toward excellence speak to Butte Central's motto of "Pride, Tradition, and Commitment."

From its humble beginnings well over a century ago to the present, Butte Central Catholic Schools have provided the youth of the Butte community with an outstanding educational experience. Today, our system features an elementary school campus located at 1100 Delaware Street and a high school campus located at 9 S. Idaho Street in Uptown Butte. In 2005, the Maroon Activities center was built in Butte's historic Eastside. The Maroon Activities Center provides the Butte Central Catholic School System with one of the finest athletic, performing arts, and meeting facilities in the State of Montana.

Central Catholic Elementary School features an outstanding preschool, kindergarten and 1st-8th grade program. The school also offers afterschool care program for working families. Central Elementary enjoys an atmosphere of success centered on personal attention, small class sizes, parental involvement and a safe and secure setting. Music and art were added in 2021 to complement outstanding math, science, reading, social studies, physical education and religion programs.

Butte Central Catholic High School provides students with one of the finest 9th-12th grade programs in Montana. Over 95% of Butte Central graduates go on to college and higher education. The graduating class of 2023 was offered 2.3 million in college scholarships, averaging \$88,000 per student.

The growth and development of students in preschool through high school is enhanced by a philosophy, which challenges each individual to explore their talents. Opportunities for prayer, faith development and service to others, are part of each day in Butte Central Catholic Schools. Students of all faiths are welcome to attend Butte Central. Students attend Mass each week and are encouraged to grow in faith and spirituality.

Outstanding teachers are a big part of the Central experience. All faculty members are certified by the State of Montana which requires a minimum of a bachelor's degree. Many BC teachers have earned advanced degrees.

Butte Central Catholic High Schools is accredited by the State of Montana and the National Association of Catholic Schools. In 2012, Butte Central Catholic High School and Elementary School were awarded an accreditation through the Western Catholic Education Association. This prestigious accreditation was granted after an extensive 18-month application process and an on-site visitation by a team of educators from the Western United States.

In 2016, Butte Central Catholic Schools added the Esther (Sullivan) Cote Resource Program to provide academic assistance to students with special academic needs. The program, which is staffed by a certified special education teacher, is available to students in kindergarten through high school.

In 2017, Butte Central Catholic High School introduced the Bishop Thomas Scholars Academy. This innovative program is designed to promote advance academic opportunities for students who are serious about preparing for college. The program, which is open to 9th – 12th graders, challenges students to maximize their academic potential and strengthen their high school experience. The Academy focuses on preparing students for college placement tests and to increase opportunities for college admissions and scholarships. Students enrolled in the Academy earn exceptional ACT scores.

In addition to strong academics and school ministry programs, Butte Central has a proud and successful activities program. Eight boys' and girls' sports are offered along with speech and debate, band, drama and choir. Students are encouraged to explore their talents and experience a wide variety of activities.

In 2022, the Junior Bishop Thomas Scholars Academy was added to the junior high program for 5th-8th graders. This program features exciting academic enrichment for our middle school students and a

focus on advanced mathematics.

In addition, our high school has expanded our dual credit college program. Butte Central students now have the ability to earn college credits through the Montana Technological University and the Montana University System through Great Falls College- Montana State University. Over 100 college courses are available to BC students.

Thanks to the generosity of alumni and benefactors, Butte Central Schools feature state of the art technology resources. Recent grants and contributions have enabled Butte Central to create a virtual high school library and amazing computer centers at both the elementary and high school. Interactive Smartboards, classroom amplification systems, and new iPads, Chromebooks, and laptop computers have created high tech classroom settings.

As we look to the future, we are very excited about Butte Central Catholic Schools. Over four hundred students are currently enrolled in our programs, and we look forward to continued growth and success.

Openings remain in all grade levels and interested families may obtain further information by calling Central Catholic Elementary School or Butte Central High School. Information on both schools may also be found at our website: [www.buttecentralschools.org](http://www.buttecentralschools.org).

Scholarships and new family discounts are available and Butte Central remains committed to helping families afford our programs. Families and students are encouraged to visit our schools and discover the excellence of a Butte Central education.

# Intermountain Health St. James Hospital

Since 1881, the physicians, providers, associates, and volunteers at St. James Hospital have extended God's healing love in the tradition of the Sisters of Charity of Leavenworth.

Intermountain Health St. James Hospital is the only acute care facility in southwest Montana, and it serves as the regional medical center for seven counties (Silver Bow, Deer Lodge, Granite, Powell, Jefferson, Madison and Beaverhead counties). In addition, Intermountain Health Butte includes ten clinics specializing in cardiology, gastroenterology, general surgery, internal medicine, pediatrics, primary care, OB-Gyn, oncology, orthopedics, and urology. Ranked as the largest private employer in Silver Bow County, St. James Hospital employs more than 450 caregivers, alongside 100 physicians and advanced care professionals, offering 24-hour care and dozens of progressive specialty services.

Intermountain Health is a nonprofit health system with 33 hospitals, 385 clinics, with some 3,800 employed physicians and advance practice providers in Colorado, Idaho, Kansas, Montana, Nevada, Utah and Wyoming. Together, St. James Hospital, St. Vincent Regional Hospital in Billings and Holy Rosary Hospital in Miles City, represent Intermountain Health Montana.

## SERVICES AND EXPERTISE

**Cancer Center:** St. James Healthcare offers comprehensive, state of the art services that include:

- Diagnostic Services - x-ray, pathology, scans and blood work
- Therapeutic Services - specialty providers in medical oncology, radiation therapy, surgery and interventional radiology
- Restorative Services - physical, speech and occupational therapies; lymphedema management and wound care
- Support Services - financial counseling, social work, nutrition, spiritual care and patient/family education

The advanced cancer services in both radiation and medical oncology, the St. James Cancer Center, provides high-quality and compassionate care to patients.

**Cardiology:** The Cardiovascular team provides patients with the highest level of cardiac care. Using state-of-the-art equipment, St. James provides both diagnostic and interventional cardiology services including cardiac catheterizations, angioplasty, coronary stenting and all cardiac diagnostic tests. St. James also offers a nationally certified cardiac rehabilitation and medical exercise program so patients can recover and receive follow-up care close to home. Additionally, the construction of the Helmsley Charitable Trust Cardiovascular and Imaging Center was completed in 2020.

**Orthopedics:** The orthopedics team offers quality, innovative, patient-focused services for trauma, joint replacement and sports medicine services. The highly skilled orthopedic surgeons perform total joint replacement of the knee, hip and shoulder. Along with prevention and treatment of

athletic injuries, arthroscopic surgery and physical therapy. Spine surgery includes complex trauma, scoliosis, pediatric and degenerative deformities, revision procedures, motion sparing technologies and cervical reconstructive surgery.

**Women's Services:** Regardless of age, women can receive all the services they need at any stage of life. From having a baby to experiencing menopause and beyond. The Women's Services experts can help women determine what they need and when they need it. The new and improved St. James Family Birth Center builds on our legacy of delivering exceptional care to our patients and their families. The rooms are bright, beautiful, spacious and modern and designed to be comfortable for the whole family. They're the perfect place for moms to rest easy and for parents to bond with their little ones after arrival.

The Women's Services team at St. James is the largest in the region and provides access to annual exams, family planning, postpartum care, menopause & post-menopause care and gynecological cancer care.

**Surgical Services:** In addition to orthopedic surgery, St. James offers general, vascular, thoracic (chest) and urologic surgery in four, state-of-the-art surgical suites. The surgeons have expertise in performing abdominal, lung, chest surgeries, including aneurysms, using the latest surgical technologies, such as the da Vinci Robotic Surgical System for minimally invasive surgeries.

**Wound Healing & Hyperbaric Center:** The St. James team has the most advanced training using methods for treating chronic and non-healing wounds. The multidisciplinary approach is focused on rapid healing and finding the causes of wounds. They assess, treat and help you manage your healing process.

**Imaging and Ancillary Services:** St. James' patient care is complemented by exceptional imaging and ancillary centers. The imaging center provides the full spectrum of diagnostic capabilities using the latest technology including a 64-slice CT scanner and an on-site radiologist for immediate needs, as well as an on-site CAP-accredited laboratory, anesthesia, pharmacy and therapy services.

# Southwest Montana Community Health Center (SWMTCHC)

Southwest Montana Community Health Center provides integrated, comprehensive healthcare services to more than 13,500 people each year. Since 1986, the private nonprofit has delivered mission driven healthcare to all people, regardless of their income or insurance status. The SWMTCHC offers a sliding fee schedule that allows it to adjust charges for healthcare services according to family income. In addition, SWMTCHC accepts Medicare, Medicaid, Healthy Montana Kids and private health insurance plans. SWMTCHC consistently ranks as one of the top healthcare centers in the state for its patient outcome and quality metrics for the services provided. SWMTCHC has locations in Butte, Dillon, and Anaconda.

## Services

### Medical

SWMTCHC provides comprehensive medical care, including physical exams and preventive care for all ages, urgent care, chronic disease management, substance abuse care, prenatal care, pediatrics and immunizations. Same day appointments for both urgent and routine care are available.

### Dental

The dental team works with patients to promote overall oral health and offers exams, cleanings, fillings, extractions, crowns and root canals and more. An emergency dental clinic is available weekday mornings. The second and fourth Friday of each month is Free Kids Day and all children are seen free of charge. In 2021, the clinic opened a new dental clinic in Dillon at 122 E. Glendale.

### Behavioral Health

Behavioral health therapists work hand in hand with the medical team to assess and treat patients. In addition to therapy services, psychiatric services are available and care management teams can assist patients with resources and other needs.

### Pharmacy

SWMTCHC has two full-service retail pharmacies serving both SWMTCHC patients and the public in Dillon and Butte. SWMTCHC patients may be eligible for discounted medications based on income. Also, our clinical pharmacists work directly with the medical providers and offer patients medication management, assistance with obtaining medication, and comprehensive education at our clinic.

### Healthcare for the Homeless

SWMTCHC provides temporary medical services for homeless persons and ongoing medical care for people who are in southwest Montana. Case management is available to assist patients in finding local resources they may need.

# Neighborhoods

photo by: Steven Cordes

Butte’s neighborhoods are as diverse as the residents of the city itself, each having its own sense of uniqueness and pride of ownership! Butte is generally defined as the “Uptown” and the “Flats”. The uptown is north of Front Street and includes the Historic District. This area also includes a central business district as well as Butte High School, Butte Central Catholic High School and Montana Tech. The residential areas are highlighted by the lower Westside and upper Westside. These neighborhoods contain turn of the century homes along with an influence of newer construction. Most properties are on smaller lots which have been well maintained. The Westside offers good proximity to St James Healthcare, now part of Intermountain Health and Montana Tech. The Flats is home to a variety of mid-century homes located in well-established neighborhoods like Clark Park, Floral Park and the Butte Country Club, which also features one of Butte’s two golf courses. For those desirous of newer homes with a bit of acreage, Blacktail Loop, Homestake Meadows, Beef Trail Ski Estates and the East Ridge provide for space, views and custom-built homes. The outlying areas include Roosevelt Drive, Moulton Reservoir, Buxton and Elk Park which offer an added level of privacy often on larger acreage. Each neighborhood offers differing price points but overall, the market has been strong in Butte. Local real estate experts are optimistic moving forward as new development is coming online highlighted by the Copper Fox development. Copper Fox is located just north of Margaret Leary Elementary School and includes 83 residential building lots. One thing is for sure... if you’re looking for variety look no further than Butte! We have everything from 100+ year old renovated Victorians to custom built modern designs. Whether you’re looking for small easy to maintain yards or 20+ acre sites we have it all.

# Butte-Silver Bow Law Enforcement Department

The mission of the Butte-Silver Bow Law Enforcement Department is to protect life and property from criminal activity and maintain the public peace and safety by enforcing the law. Activities of the law enforcement department include arresting and detaining suspects committing or attempting to commit criminal offenses, serving legal papers, suppressing breaches of the peace, riots, or insurrection, investigation of crimes and administration of various community relations programs.

The Butte-Silver Bow Law Enforcement Department is a professional police department and is the only law enforcement department serving the City and County of Butte-Silver Bow. The law enforcement department is the result of the consolidation of the Butte Police Department and the Silver Bow County Sheriff's Department that occurred in 1977. Butte Law Enforcement works closely with the Montana Highway Patrol, the Montana Division of Criminal Investigation and other state and federal law enforcement entities.

Butte-Silver Bow Law Enforcement is led by an elected sheriff. The current sheriff is Ed Lester, a 34-year veteran of law enforcement in Butte-Silver Bow. The sheriff also oversees the operation of the Butte-Silver Bow Emergency Dispatch Center and the Butte-Silver Bow Detention Center.

The Law Enforcement Center is located at 225 N. Alaska Street in Butte. There is a memorial to the 18 law enforcement officers who have given their lives in service to the citizens of Silver Bow County located in front of the Law Enforcement Center. The detention center is located nearby, at 155 W. Quartz Street.

The law enforcement department is divided into three divisions. They are: The patrol division, investigative division, and the detention center. The department also has a Special Weapons and Tactics (SWAT) team as well as a number of trained hostage negotiators.

Butte Law Enforcement is part of the Internet Crimes Against Children Task Force (ICAC) and has placed an investigator on the Southwest Montana Drug Task Force (SWMDTF). A canine unit has also been added to increase drug enforcement capabilities. The department also has 2 School Resource Officers (SRO's) and a Public Housing Authority Officer.

Nearly all sworn personnel, 911 Communication Officers and Detention Officers are trained in Crisis Intervention Techniques to better interact with persons who are in crisis.

The law enforcement department currently has 53 sworn law enforcement officers, 12 dispatchers, 29 detention officers and approximately 15 other civilian employees.

The Butte-Silver Bow Law Enforcement department responded to over 31,000 calls for service and made over 2000 arrests in 2023.

The men and women of the Butte-Silver Bow Law Enforcement Department are well trained professionals who are devoted to serving the citizens of Butte-Silver Bow and our visitors.

# Advantage Butte

## MISSION STATEMENT

Our purpose is to enhance the Butte Economy through promoting and supporting sporting and related events in Butte.

## BACKGROUND

Advantage Butte was founded when a group of local business leaders recognized sporting events bring millions of dollars annually into our community. Most of these events can be self-supporting. Many of the potential sponsors of these events, however, lack the resources to provide some of the initial funding to attract and promote the events or lack the resources to cover potential shortfalls. By bringing together broad-based support from throughout the community, the group can provide the financial resources to allow event sponsors to compete effectively in the state and regional market.

Advantage Butte provides economic development for Butte through the sponsorship / underwriting of sporting events in the community. The easiest way to measure the success Advantage Butte has had is the number of tournaments we have hosted. Since our organization was founded in 2004, through the spring of 2023, the number stands at over 165. The financial impact of these tournaments is just over \$45.7 million dollars added to our local economy.

Since Advantage Butte is a 100% volunteer organization, all money raised goes to the successful bidding and hosting of tournaments. Advantage Butte has always relied on donations from the Butte business community to create economic development.

## MEASURING IMPACT

The Montana Chamber of Commerce has established a formula to assist communities in measuring the economic impact generated by sporting events.

- Each team member is valued at \$100 per day. (avg. team is 18 players)
- Each team brings two fans per athlete -- the exception to this is the class C boys' basketball, the largest single basketball tournament in the state. Each fan is valued at \$100 per day.

## 2023-24 ECONOMIC IMPACT

Using these formulas, we have determined the economic impact of the events which we are supporting over the current school year:

- Montana Tech Big Sky Volleyball Challenge \$ 250,000
- Butte Central Bloctober Volleyball Classic \$ 300,000
- Western AA Divisional Volleyball \$ 90,000
- Class A Wrestling Duals \$ 225,000
- Western Class A Divisional Boys'/Girls' Basketball \$ 300,000
- Western AA Divisional Boys'/Girls' Basketball \$ 250,000

**Total \$1,415,000**

*Advantage Butte is dedicated to supporting events that provide our community with an excellent return on investment.*

## QUALIFICATIONS

Advantage Butte is operated by a Board of Directors made up of representatives of local businesses which are members of the group.

<b>Chairman</b>	<b>Rody Holman</b>	<b>Marsh McLennan Agency</b> (Formerly, PayneWest Insurance)
<b>Vice Chair</b>	<b>Kami Johnson</b>	<b>Best Western Plus Butte Plaza Inn and Dickey's BBQ</b>
<b>Treasurer</b>	<b>Brad Spear</b>	<b>Pinion, LLC</b>
<b>Secretary</b>	<b>Melissa Bolton</b>	<b>Best Western Plus Butte Plaza Inn</b>

Advantage Butte's successes since its inception in 2004, over \$45.7 million dollars in economic impact to our community while hosting over 165 tournaments.

Tournament bids and contact committee is chaired by Ron Davis. Ron the owner and General Manager of KBOW and KOPR radio stations. With 40 years of experience broadcasting radio and television sports, Ron is well known in the sports community. Ron has worked with the Montana High School Association on many different areas of high school sports and brings a great understanding to bidding tournaments to Advantage Butte.

Without the tireless efforts of our board and membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments that we have supported may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, we truly believe that we have a world-class organization.

# Butte-Silver Bow Convention & Visitors Bureau (CVB)

The Butte CVB and TBID utilize funds collected from the lodging industry to promote Butte’s tourism assets to visitors with the goal of keeping people in the community longer, spending money in restaurants, retail, attractions and overnights. Promotion is primarily done through targeted digital, online and social media platforms. Butte works closely with the larger entities of BrandMT (Montana Department of Commerce) and the travel region Visit Southwest Montana in joint venture programs allowing promotional dollars to go further.

The Butte CVB is funded through the 8% “bed tax” collected by lodging properties; hotels, campgrounds and short-term rentals (Airbnb and VRBO). The “bed tax” is divided down with 3% going to Montana state general fund, 1% to fund Montana Heritage and Historic Preservation projects. The remaining 4% is further divided down to assist in funding: MT Department of Commerce (including the Montana Film Commission), MT Fish, Wildlife and Parks, MT Heritage Preservation and Development, Montana university system for travel research, MT Department of Commerce, Aquatic Invasive Species, MT State Parks, Indian tourism region, six tourism regions and 17 Convention & Visitors Bureaus (CVB). The Butte CVB’s had a projected budget of \$192K for promotional purposes.

An annual marketing plan is developed approval given by the Governor’s appointed Tourism Advisory Council. At the end of each fiscal year, an extensive audit is conducted on all bed tax expenditures followed by an evaluation on expenditures.

Besides promotion, bed tax dollars are spent to support administrative expenses, and research to assess where visitors originate, where they go, and how their funds are expended.

Butte has benefited greatly from the entertainment industry with the filming of “1923” in the community in 2022. Butte will continue to pursue additional projects in the entertainment industry to include film, television, commercials and photo shoots. Another niche market for Butte is paranormal tourism. Butte’s assets are perfect for tours targeting this interesting niche market.

# Butte Tourism Business Improvement District (TBID)

The Butte Tourism Business Improvement District (TBID) was created in July 2011 at the request of Butte hoteliers, to build a promotional fund to increase hotel guest room sales and revenue. In June 2021 the TBID was extended for another ten years. A board of trustees oversees the TBID budget and expenditures is comprised of hotel owners or designees, they are appointed by the Butte-Silver Bow Chief Executive and approved by the Butte-Silver Bow Council of Commissioners.

Butte lodging facilities collect \$1.00/occupied guest room/night from hotel guests. The collected funds vary between \$250K-\$280K annually. The TBID accepts grant applications for promotional funding of events, tournaments, and special projects in two funding cycles; January and June, with award decisions made by the board of trustees in February and July. Additionally, the TBID spends funds on promotional campaigns, and administrative costs associated with carrying out the work for the organization.

For more information on the Convention & Visitors Bureau and Tourism Business Improvement District please contact the Butte Chamber of Commerce 406-723-3177.

# Community Services

The Community of Butte is rich with people who truly care about the community they live, work and play in. With a highly educated workforce, Butte is ranked in the country for top entrepreneurial activity. Butte's proximity to the mountains, rivers and streams make it a highly desirable place to live and play. The people of Butte care about one another and our residents form community bonds within the city through clubs and organization, religious affiliation and recreation.

## Unlimited Outdoor Recreation

Butte is central to over three million acres of public land managed by the U.S. Forest Service and Bureau of Land Management to enjoy hunting, fishing at one of the many blue-ribbon rivers and streams, camping, winter sports and a variety of trail opportunities.

## Blue-Ribbon Fishing

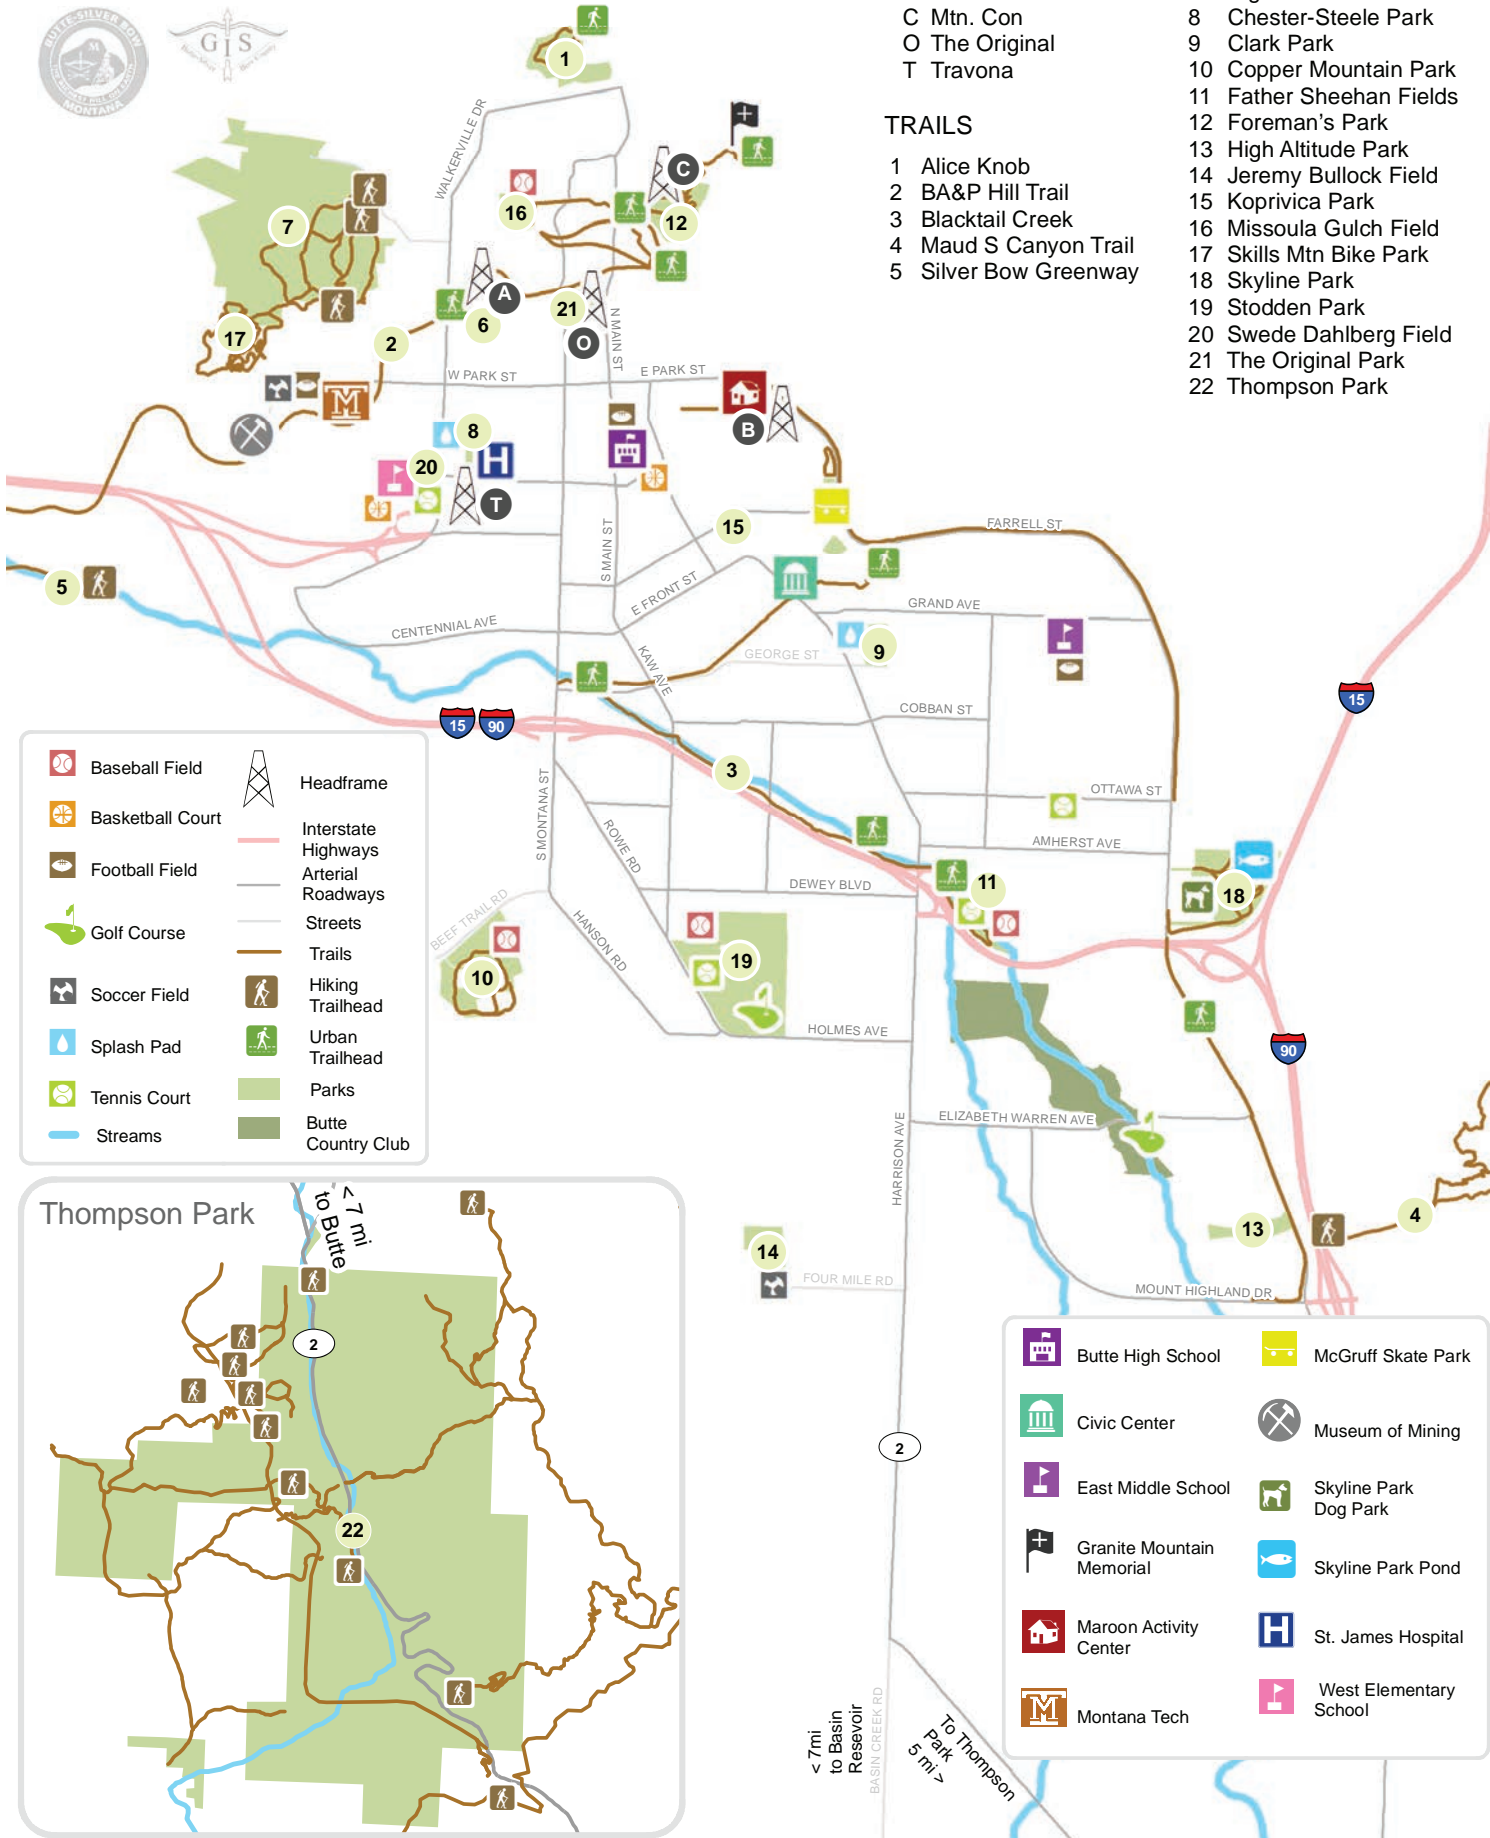

Butte is the intersection to all of the best fishing in Southwest Montana. Whether it's summer or winter ice fishing, opportunities abound and all are within a one-hour drive of Butte! Big Hole River, Jefferson River, Beaverhead River, Madison River, Georgetown Lake, East Fork Reservoir, Flint Creek, Rock Creek, Boulder River, Clark Fork River, Warm Springs Ponds, Silver Bow Creek, Harrison Lake and the Ruby River.

## Trails, Parks and Scenic Drives

Butte is well known as Montana's best destination where you can experience trails for any level of adventure seeker. Butte enjoys hundreds of miles for mountain bikers, hikers, horseback riders, motorized vehicle and winter trail enthusiasts all within minutes of Butte. Thompson Park, Humbug Spires, Ringing Rocks, Whitetail-Pipestone, Copperway & Butte Heritage Park Trails, Discovery and MT Tech mountain bike parks, Anaconda-Pintler Wilderness Area, Lost Creek State Park, Pioneer Scenic Byway, Lewis and Clark Caverns and the Continental Divide National Scenic Trail are all within 60 minutes for year-long opportunities.

# Enjoy Butte's outdoor spaces.

## OUTDOOR ADVENTURE JUST 15 MINUTES FROM BUTTE!

- The Milwaukee Road – a fun and adventurous route through the heart of the Park with beautiful vistas, cavernous tunnels and a breathtaking trestle.
- Trails – hikers, bikers and equestrians have numerous trails to explore with easy access to the Continental Divide National Scenic Trail. Look for interpretive signs to learn about the Park’s history, geology, wildlife, and plants.
- Several trails are groomed for winter use.
- Picnic areas – several picnic areas are available for family outings and quiet getaways.
- Eagles Nest Disc Golf course – try your luck on the challenging 18-hole course at Sagebrush Flats.

Please follow these simple rules:

- Thompson Park is a DAY-USE facility open daily May through October. No overnight camping.
- Fires are allowed ONLY at picnic-site grills. Camp stoves and portable barbecue grills are allowed.
- Discharging firearms, arrows, or other weapons is prohibited in the Park.
- Firewood cutting is not allowed.
- Help us keep the Park clean for all visitors, place garbage in designated trash containers.
- Share the trail and respect all trail users.

# Butte 100 - July 20

photo by: Valerie Manne-Digital Spark Creative

We will be celebrating the 18th Annual Butte 100 Mountain Bike Races on July 20, 2024. Starting in 2007 as a small group of mostly locals, the Butte 100 has seen substantial growth in its short history. The race has recently been recognized in nationwide publications as an ultimate test of mountain biking physical and mental aptitudes. A focus of the volunteer-staffed race is continued improvement in racer experience each year. The Butte 100 is proud to be contributing to the growing awareness of Butte, Montana as a world-class recreation city.

Though this entire event is named the “Butte 100”, it consists of three individual races: the 25 mile, 50 mile and 100 mile, run in conjunction and support of the other, sharing portions of course, supplies and aid stations and the start/finish area.

The 100-mile racers will endeavor to complete a full figure-8 course that includes pedaling the equivalent of climbing Mt. Rainier. Only the 100’s will experience the desert riches awaiting them in the BLM’s Pipestone area. As the 100s are hammering the top portion of the “figure-8,” the 50-milers begin the daunting southern portion of the “8.” The 100’s return through the start/finish area before taking on the now warmed-up southern loop.

The 50-mile course (south loop) is known for the notorious 6-mile Basin Creek Climb that looms over all racers—50s and 100s alike—half-way through the loop. Those surviving this and the ensuing “8 Miles of Hell,” are greeted with a silky 35-mile stretch of single-track on the USFS maintained Continental Divide Trail—the jewel in the Butte 100s crown. A downhill finish reawakens racers from their trail trance and wills them across the finish line.

The Sorini 25, which was added in 2015 was named after Dr. Peter Sorini, who raced in the 50 and 100 mile races numerous times and

supported the Butte 100 since day one. The Sorini 25 has a new course which racers love. Dr. Peter Sorini passed away on February 8, 2016, after a 14-month battle with brain cancer.

The Butte 100 is incredibly proud to have developed one of the nation’s best mountain bike race events, attracting the highest caliber of racers from across the country and Canada. More so, the race is just as proud of the positive effects the race has had on our community, including its contribution to conversations spotlighting Butte’s abundant recreational opportunities. We welcome spectators to come out and cheer these racers on. The start/finish is a great way to connect with our racers, sponsors and volunteers. There is music, food and cold beer.

To register for the race or to be a volunteer, check out their website at [www.butte100.com](http://www.butte100.com). or contact Stephanie Sorini at (406) 490-7632 [StephanieSorini@butte100.com](mailto:StephanieSorini@butte100.com)

# Municipal Parks

photo by: Meagan Thompson

Altogether, Butte-Silver Bow's park sites total more than 450 acres of developed and undeveloped park land providing both active and passive recreation opportunities for residents of Butte-Silver Bow and the surrounding areas, supplemented by the incredible public lands and open spaces in the Butte-Silver Bow area.

There are nearly 45 developed parks and 60 miles of recreational trails (approximately 27.5 miles paved) in Butte-Silver Bow. The parks amenities include skating rinks, cross country skiing, a skate park, tennis, basketball volleyball, and pickleball courts, a wading pool, splash pad, water park, cemetery, an all-abilities accessible playground, sports fields, 9-hole golf course, par 3 golf course, driving range and two folf courses. The Highland View Golf Course also offers two year-round indoor golf simulators, and full-service restaurant and a bar with beer and wine available.

Butte-Silver Bow natural areas include Thompson Park, a 3,800-acre forested park south of Butte, co-owned and co-managed by the U.S. Forest Service; Big Butte is 310 acres; Skyline Park is 60 acres; Basin

Creek Reservoir is 42 acres; and Blacktail Creek is 10 acres. Butte-Silver Bow organizes adult sports including softball, pickleball and volleyball. Partnerships with local youth organizations provide recreation opportunities including little league, football, tennis, soccer and ice skating.

Thompson Park provides non-motorized day-use trails for hiking, mountain biking, cross-country skiing, snowshoeing, and horseback riding, picnic areas and a regulation disc golf course. Skyline Park provides a children's fishing pond, off leash dog parks, all-abilities accessible playground, walking trails and a hang gliding landing site. Big Butte provides non-motorized trails for hiking and mountain biking. Stodden Park is home to Ridge Waters, Montana's newest family waterpark, Highland View Golf Course, the Spirit of Columbia Gardens Carousel and a destination playground which is all abilities accessible.

# Freedom Fest

For more than a century, Butte's Fourth of July celebrations have attracted visitors from around the globe. Butte America Foundation (BAMF) is honored to present the 2024 4th of July Parade, which promises to be Butte's biggest and baddest to date. The parade begins at 10am at the Civic Center and travels south on Harrison Avenue to Elizabeth Warren Avenue. At dusk the night before, on July 3, one and all are invited to watch the Town Pump Fireworks extravaganza at BAMF's Big Bang Fireworks Viewing Party on Chester Field at the foot of Intermountain Health St. James Hospital.

# Montana Folk Festival

The Montana Folk Festival is set to return to Uptown Butte for its 12th presentation this July 12, 13, and 14. After three years as the National Folk Festival from 2008-2010, this will be the 15th presentation of this much anticipated and widely acclaimed event.

The festival is a three-day celebration of traditional music, dance, arts and ethnic cuisine. Thanks to the generosity of our sponsors and attendees who make contributions on the site, admission to all is free for all performances and exhibitions.

The festival is one of the largest free of admission outdoor events in the Northwest, attracting well over 150,000 attendees each year from throughout Montana and surrounding states and Canada.

This signature event at the beginning of the summer season has grown to become a major economic and cultural magnet for Butte and Southwest Montana.

While admission to all performances is free of charge, attendees are encouraged to consider a suggested \$20 contribution each day of the festival weekend or \$25 for families each day to keep the festival free in future years.

In 2024, the festival will include multiple stages featuring the talents of more than 200 artists presenting music and dance performances and moderated talk/demonstration sessions, a Dance Pavilion, a Family Area, a Montana Folklife Area, regional and ethnic foods, a festival folk arts market and the First Peoples' Market that features the creative works of the region's Native American artists.

The musical lineup, when announced in the spring, will be available at the festival web site at [www.montanafolkfestival.com](http://www.montanafolkfestival.com) and on facebook at [www.facebook.com/mtfolkfest](http://www.facebook.com/mtfolkfest).

The festival will also feature the popular Montana Folklife Area with demonstrators to emphasize and interpret a selected theme that shines a light on an aspect of Montana's heritage and lifeways.

"Each year, we focus on a theme that highlights an important aspect of Montana's heritage," said George Everett, Festival Director and Festival Executive Committee Member.

The theme when selected later in the Spring will guide the activities, displays and demonstrations of the popular Montana Folklife Area and will include demonstrations and displays by a variety of Montanans who have contributed to the vitality and culture of the West.

"Meanwhile, musical performers on multiple stages will continue to represent musical traditions from around the world that have contributed to the heritage of our nation on the six performance stages," Everett added. "The quality and excitement that fans have come to expect at the festival and the rich variety of the performers will continue. Attendees should come expecting to be amazed -- and bring their dancing shoes."

While the festival remains free of admission to all, fundraising efforts are underway and sponsors are being sought. A challenge grant is underway to match a generous \$100,000 challenge from the Dennis and Phyllis Washington Foundation and Montana Resources, major sponsors of the festival.

Anyone interested in sponsorship opportunities or contributing in any way to ensure that the festival continues in this and coming years can visit the festival website for more information or they can send tax-deductible contributions large and small to Montana Folk Festival, P.O. Box 696, Butte, MT 59703 or through the PayPalGivingFund by going to [paypal.com/us/fundraiser/charity/1876197](http://paypal.com/us/fundraiser/charity/1876197).

The Montana Folk Festival is presented by a collaborative of partners led by Mainstreet Uptown Butte in partnership with Butte-Silver Bow County. Artistic programming assistance is provided by the National Council for the Traditional Arts ([www.ncta-usa.org](http://www.ncta-usa.org))

# An Rí Rá

The 2024 An Rí Rá Montana Irish Festival will take place on August 9th – 11th at the Original Mine Yard. The An Rí Rá has gained recognition in the Irish world as a premier event of Irish culture, music and dance. The festival features world-class entertainers from all over the United States and Ireland as well as regional Irish performance groups and dancers. The festival reaches a major milestone this year as we will celebrate the 20th annual An Rí Rá in Butte. The An Rí Rá Executive Committee and the Montana Gaelic Cultural Society are excited to showcase the world's best Irish music and dance, lectures, workshops and activities.

The festival provides a family-friendly atmosphere that has activities for all ages. There are also many cultural and educational activities that take place during the weekend. The entertainment scheduled for the festival will have performers coming from all over the world, and the festival brings four to five headliner acts each year. The An Rí Rá Executive Committee will be releasing our lineup as soon as one becomes available.

The festival grounds will have food vendors, arts & crafts vendors and a beer garden and other amenities for festival attendees. Come and take part in the most prominent Irish festival in the western United States.

# St. Patrick's Day

St. Patrick's Day has always been one of Butte's high holidays. At the heart of the annual celebration is the much-anticipated Grand Parade. Sons and daughters of the Emerald Isle, along with friends of the Irish from near and far, line the streets, cheering on the green-tinged floats, rocking bands, happy marchers and natty bagpipers as they wend their

way through Butte's historic Uptown district. Presented by the Butte America Foundation (BAmF), the 2024 parade will begin at noon on Sunday, March 17.

# Attractions

Butte has many opportunities to explore the past all while enjoying the new developments of the future. Whether you are interested in a tour, performing arts or getting out for some fun in the sun there is something for everyone.

## Berkeley Pit

350 Shields Ave. • (406) 723-3177 • pitwatch.org

From 1955 until 1982, the Berkeley Pit produced enough copper to pave a four-lane highway, four inches thick, from Butte to Salt Lake City, Utah and 30 miles beyond. When mining operations ceased in 1982, the underground pumps were shut off, and the Berkeley Pit began filling with acidic water, heavy metals and unique microscopic lifeforms. Since September 2019 the water is being treated and discharged downstream. The Pit with its water and colorful landscape can be seen via a visitor viewing stand. Today, open pit mining continues behind the Berkeley Pit in the Continental Pit operated by Montana Resources, employing 350 people year-round. The Viewing Stand and Gift Shop are open May – mid-September.

## Butte Chamber of Commerce & Visitor Information Center

1000 George St. • (406) 723-3177 • buttechamber.org

The Chamber is Butte's outlet to everything for the visitor. Come in to get all the best information for your visit and view: interpretive mining displays, native animal mounts, gift shop

and the George F. Grant hand tied fishing flies, known for their highly detailed, hackle weaved style, a style rarely duplicated for its intricacy and complexity. The Chamber is open Monday-Friday year-round, Memorial Day through Labor Day, 7 days a week.

## Butte Mule Tours

116 W. Park St. • (406) 560-4989 • buttemuletoours.com

Tour through portions of Butte in a 6-person, enclosed Kawasaki ATV. Tour 1: "Red Light District" includes stops at Myra/Cabbage Patch, Dumas Brothel. Tour 2: "Gallows frames & Neighborhoods" includes all of the gallows frames, uptown area and Walkerville along with stops at Mining Museum and Granite Mountain Memorial. Tour 3: "Dumas Brothel", a tour of the longest running brothel in America. Reservations required, available in warm season.

# Golf

Butte is the home to two golf courses: Highland View municipal course and the Butte Country Club course.

As the name suggests, Highland View has a wonderful view of the Highland Mountains south of town. The regulation nine-hole course was built in 1939. It is a par 35. This course has two challenging par 3 holes. Small greens require accuracy and different tees are used for the back nine. It takes about two hours to play even when busy. The par 3 course was built in 1980, and has a full swing on every hole. The greens are excellent with a lot of character. It's great fun for all members of the family and a nice walk in the park.

When it comes to indoor golf, no other place compares to the recently completed Highland View Clubhouse. With two Trackman Golf Simulators, golfers can practice all aspects of the game with access to over 200 golf courses. Grab a couple pals and enjoy the game in a controlled environment and assistance from our professional staff. After indoor or outdoor golf relax in the Jack Crowley Jr. clubhouse or sit on the deck overlooking Butte's Highland Mountains. The Back 9 Sports Bar and Grille is now open in the clubhouse.

The course is host the Men's City Championship in July and the Bonnie Highlanders Women Invitational in August, along with local charity fundraiser golf tournaments. Highland View is located in Butte's Stodden Park. The park entrance is off Dewey Boulevard on South Utah Avenue. The Butte Country Club is a member-owned private country club that provides its members golf, racquetball, swimming, simulation golf and fine dining opportunities. The course is an 18-hole, challenging par 70. The club also provides a driving range to master technique or warm up before a round.

The Butte Country Club is located at 3400 Elizabeth Warren Ave. Both of Butte's courses offer golf lessons.

Less than 20 miles outside of Butte, there is another option for golfing at Fairmont Hot Springs Resort. Fairmont's golf course features an outstanding 6,741 yard, 18-Hole, par 72 layouts. Fairmont's "mile high, mile-long" 5th Hole is recognized as one of the most challenging among Montana golf courses. The green is a mile high and the tee box is 649 yards away, making this par 5 one of the longest holes in Montana. Fairmont's 3rd hole features Montana's largest green, a three-tiered 10,000-square-foot putting surface.

Over the last three seasons, Fairmont completed over \$2 million in renovations to the golf course. Projects included rebuilding all of the golf course's bunkers, rebuilding tee boxes and several greens, upgrading the driving range and completely replacing the irrigation system with a state-of-the-art system. Tee times can be booked online.

# Disc Golf

The Summit Valley is home to three regulation disc golf courses. Eagles Nest Course, located in Thompson Park on the Beaverhead-Deerlodge National Forest just south of Butte, is a hilly and wooded 18-hole regulation course. The course is a marked course with tee boxes and baskets. Enjoy a long and challenging course surrounded by unbeatable scenery. The course is open May through October, but visitors can walk in throughout the year from the Montana Highway 2 parking area. Mining City Disc Golf Club organizes weekly league play and competitions.

Montana Tech disc golf course is located just west of the Natural Resources Building. The 18-hole disc golf course is located within Montana Tech's Whiskey Gulch Mountain Bike Skills Park. The course is open to the public and Montana Tech's Folf Club hosts tournaments and competitions at the course.

Copper Mountain Park is an 18-hole disc golf course, which follows the perimeter of the park and includes a putting green. Enjoy a round with great views of Butte and the 'M' hill, at a park that includes softball and baseball diamonds and public rest rooms.

# Transportation

Butte's location right at the center of the I-15 and the I-90 interchange makes the city a gateway to the rest of the state and beyond, via the highway or rail system for the transporting of goods and materials for business. As of February 2018, Butte is home to a new \$10.5 million airport terminal giving the world first-class access to the city. The Bert Mooney Airport is a full service airport offering service through Delta Connection. Transportation within the city via the city's bus system, taxi services, Uber or even the sightseeing trolley car will put the heart of the city and anywhere you want to go at your fingertips.

Photo by: Steven Cordes

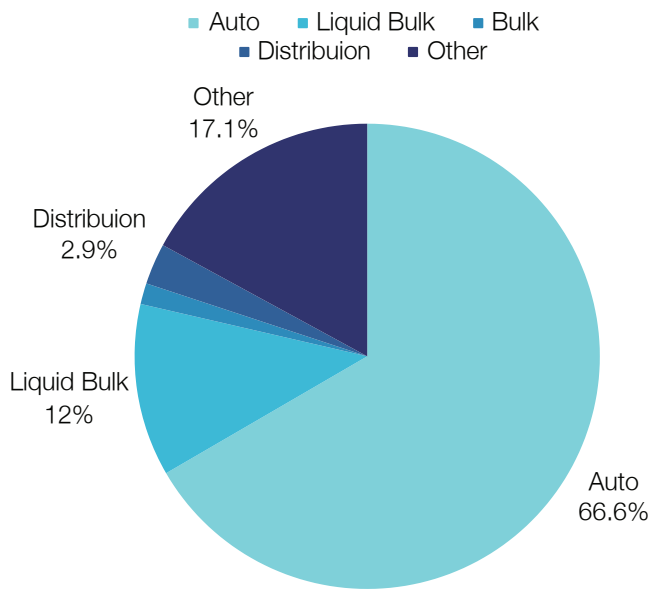

The Port of Montana is located within the Montana Connections Business Development Park, just minutes from the I-90 and I-15 interchange and is served by two Class 1 railroads, the Burlington Northern Santa Fe and Union Pacific. This industrial transload center leverages rail and highway access to directly benefit businesses throughout the region.

The Port offers the businesses opportunity to take advantage of the lower cost of rail transport even if they are not located on a rail siding themselves. The Port provides transloading and warehouse solutions for companies looking to ship, receive and distribute commodities or goods in Montana. These valuable services along with over 30 years of experience help save shippers time and money.

The Port continued to grow in 2023. Over 5,000 rail cars moved through the Port of Montana during the year. The Port transloaded over 3967 trucks and over 16,000 vehicles were unloaded and shipped from the facility during the year.

# About the Project

Renowned folk artist and TV personality, Eric Dowdle, has been commissioned by the Butte-Silver Bow Chamber of Commerce in partnership with the Butte Local Development Corporation and Headwaters RC&D to create an original painting of Butte, America. This painting will be inspired by real people and places and will provide a unique glimpse into the life and landscape of Butte, America.

The artwork will be available to purchase as framed canvas prints and will be converted into a jigsaw puzzle that will be available to purchase from the Butte-Silver Bow Chamber of Commerce.

Dowdle's puzzles and prints are sold around the world and are some of the top selling items in retail businesses.

Business and Individual sponsorships are available! Sponsors receive canvas prints or premium laser-cut wooden puzzles in recognition of financial support of this project.

# Support us at any level

All sponsors will receive recognition on promotional materials during the unveiling event and on social media throughout the year.
