# Proudly Serving Southwest Montana since 1881

Since 1881, when five Sisters of Charity came to serve God and the people of southwest Montana, St. James has been a part of the community. Our history is woven in the very fabric of Butte, and we're proud to call it home. That's why we've worked to create a place of healing and hope for families throughout southwest Montana.

Our ability to fulfill our mission is made possible thanks to the outstanding healthcare providers, nurses and associates and to you, our friends, family and neighbors, who allow us to serve you.

# Chamber Mission

The Butte-Silver Bow Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area.

- **The People**
- **The Priorities**
- **The Resources**
- **The Service**

"Working together we can make a difference."

## Our Vision

The Butte-Silver Bow Chamber of Commerce is an integral part of the community, offering business and economic support, travel and visitor information and resources. Our vision represents the commitment we have to the community to be the best organization to meet the growing needs.

- Continue to be an advocate for our diverse member businesses through leadership in the areas of social, civic, health and business issues.
- Become the voice for the common goals in our business community.
- Become the source of information for our community.
- Help in the implementation of the Butte Silver-Bow Business Plan.
- Actively involve the Convention & Visitor's Bureau with the Butte Civic Center and other convention centers and arenas to help promote events to our area.
- Address the work/labor force issues in our community and help to develop programs to address needed areas.
- Help to form a cohesive bond between the community as a whole and Montana Technological University.
- Work in close relationship with the Economic Development Team to recruit businesses to Butte. A partnership with Buxton to recruit retail to our community.

As I stated last year, I am honored and humbled to serve as President of the Butte Chamber of Commerce, and I could not be prouder to serve a second term as Board President! I am optimistic as we turn the page and head into 2021. 2020 was a year that we will never forget and will be forever recorded in the history of our great country. As a business community, we tend to evaluate and mitigate risk daily, but the COVID pandemic of 2020 was a risk that we were not prepared for and ultimately blindsided us very quickly. We saw firsthand how the pandemic wreaked havoc on our economy in many sectors as well as a spike in unemployment. As I reflect on the events of 2020, I am inspired by the many ways our community came together and addressed these difficult challenges. I am very proud of the effort that our Chamber put forward to help our entire community. The Chamber worked through these unprecedented times to provide information regarding assistance programs from both federal and state agencies; partnered to provide 6 seniors from Butte High and Butte Central with money to spend at local businesses; partnered to select and honor 10 local heroes (essential workers who have served the community in extraordinary ways); and took on the task of operating the Berkeley Pit viewing stand. These were a few of the many tasks the Chamber successfully completed. The Chamber is often times the point of first contact for visitors and always does a tremendous job in making a great first impression!

The Butte Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area. I am certainly honored to work with the dedicated staff of the Chamber as well as the many volunteers and all current

board of directors. The mission of the Chamber is no easy task, but with hard work, perseverance and the passion of all involved, I have no doubt we will continue to make Butte the best place to live, work and play!

I look forward to a great year and I am excited to help Stephanie Sorini and her team with all they do! Together, we will persevere and come back stronger than ever!

Sincerely,

John Winston  
Board President

This year's 2021-22 Annual Report to the Community is one our team is extremely proud of. This report showcases the outstanding entities making our community known as "The Richest Hill on Earth." Our wealth doesn't come from minerals, metals or money, but the people.

2020 had many challenges across our nation, but our community came together to help one another survive. We were definitely "Stronger Together" as we all "Believed in Butte" during these challenging times.

We continue to work closely with our community partners to move Butte forward. I take great pride in my job by helping our businesses and local organizations become a better place to live, work and play.

Butte has many hidden gems, miles of walking, hiking and biking trails. We have have 13 trailheads leading to the Continental Divide Trail allowing one to enjoy everything our backyard has to offer. We have world-class fishing, hunting, historical landmarks and architecture, first class lodging and amazing culinary experiences. We have retail stores offering unique gifts, clothing and antiques.

After a day out exploring, stop by one of our breweries or the distillery.

We have attractions not found in any other Montana city. Our Chamber's own, "Old #1 Trolley Tours" offer the fastest and most colorful way to learn about Butte. You can take a spin on the "Spirit of the Columbia Gardens Carousel", walk back in time on an "Underground Mining Tour" or a day of fun in Stodden Park at RidgeWaters and a destination playground. Of course a trip to Butte isn't complete without a tour at "Our Lady of The Rockies."

Butte is growing and it is exciting to see the hard work from community leaders. We all continue to roll up our sleeves to make Butte a better place to live, work and play. Please stop by our Visitor Information Center so our staff can assist you in making the most out of your time in Butte. If you're a resident stop by so we can help you explore and find the gems in our city you've been missing.

I look forward to sharing Butte, America with you and your family.

# Butte-Silver Bow's Mission

Butte-Silver Bow strives to be the best community in which to work, live and raise a family. In order to accomplish this goal, we promise to provide services to our entire community, citizens and businesses in an efficient and effective manner.

Dear friends, neighbors and visitors,  
As Chief Executive, and on behalf of the Butte-Silver Bow Council of Commissioners, I would like to thank you for your interest in Butte.

Whether you are a current resident, a vacation traveler, or looking to relocate your family or business, Butte-Silver Bow offers you the amenities of a much larger city plus the friendliness and charm of a small town. We take pride in being a warm and inviting community with an excellent quality of life, superb schools, a thriving arts community, numerous recreational opportunities, beautiful neighborhoods, and excellent shopping and dining experiences. We are very pleased you have taken the time to visit and explore our community.

Upon your arrival here, you will discover that our community has everything a visitor may want to explore, no matter the length of your stay. We are blessed with historic buildings, mine yards, first class public parks, and a world-class trail system. Our summers are filled with many festivals and community events. The Montana Folk Festival and the An Ri Ra Irish Festival headline our festivals that draw entertainers and visitors from all around the world. Butte is known as the festival city, and doesn't change when the snow flies. The five-year old SnoFlinga event happens on the 3rd weekend of January. It has become one of Montana's best winter festivals.

Our residents exhibit a strong work ethic. Besides our location intersecting two interstate highways I-15 & I-90, our workforce is one of the main reasons many manufacturers have recently opened or expanded facilities in our Montana Connections Industrial Park. We have a new Bert Mooney Airport terminal allowing visitors and business travelers direct connection to Southwest Montana. Butte is home to Montana Technological University. Montana Tech continually ranks as one of the best, most affordable higher education public universities in the United States. The new federal opportunity zone program continues to attract significant outside investment dollars to the historic uptown area.

Butte-Silver Bow like the rest of the world, faced the COVID-19 pandemic head on. This pandemic showcased our ability to address this emergency. Drawing on all our available resources, our local government and community continues to provide a first-rate response to this unprecedented crisis. Butte-Silver Bow will continue to work on testing, mitigation, vaccination and eradication of COVID-19. While this has been an exceedingly difficult time, our future is looks bright. We are ready and eager to revitalize our local economy impacted by the pandemic as we hope to fully reopen our community in 2021.

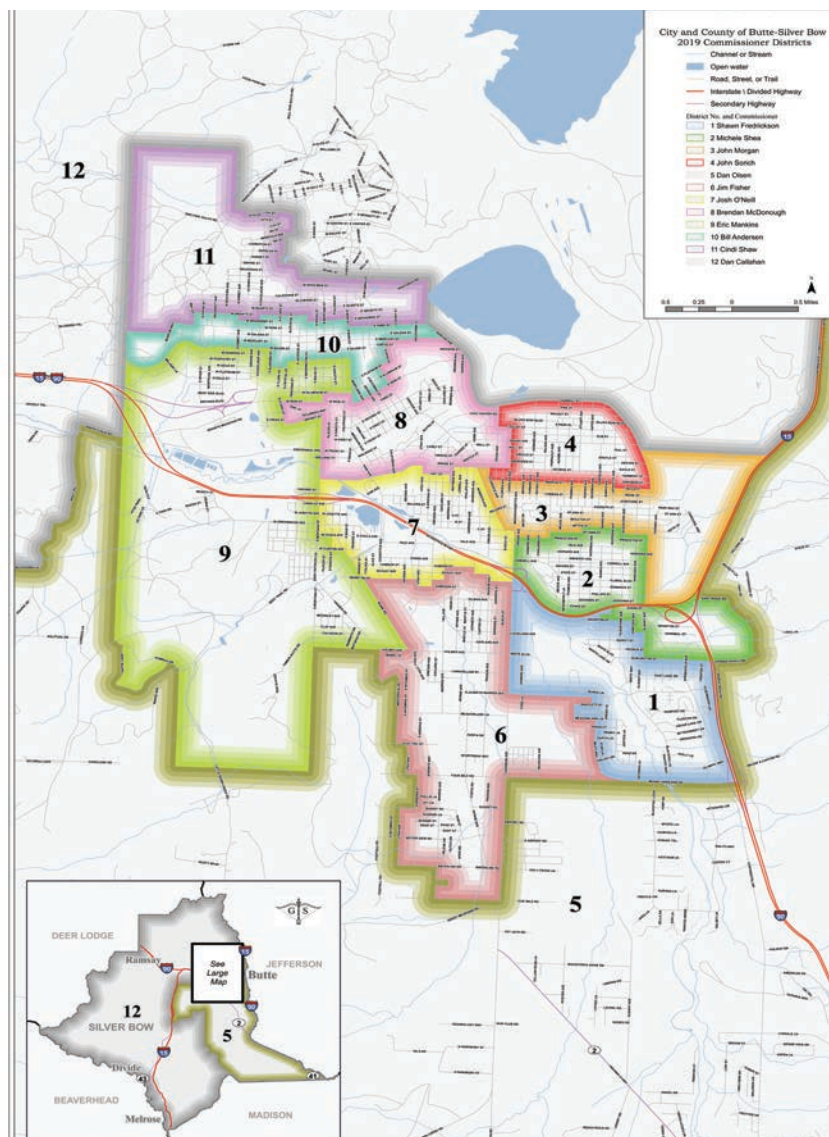

William Kittredge popularized the description of Montana as "The Last Best Place." Again, we extend you a warm welcome to Butte. The best place of the last best place.

# Community and Business Development

The Butte-Silver Bow Community and Business Development Department works in conjunction with the Butte Chamber of Commerce, Butte Local Development Corporation, Port of Montana, Headwaters RC&D and the Bert Mooney Airport in our efforts to improve the economic opportunities for our citizens and improve the community in which we all live.

One of the main tools used by the Community Development Department is Tax Increment Financing. Tax Increment Financing allows a district to capture increased incremental taxes and use the increment to address blight and infrastructure issues within the district. Butte-Silver Bow has five tax increment districts.

Urban Renewal Agency (URA) – consisting of the Uptown Business District – the URA's goal is to work with developers through loan and grant funding to reduce blight in the district. In the past six years, the URA has granted over \$1.7M, which encouraged a minimum of \$7.1M private investment. The projects range from new roofs to complete building rehab.

Renovation and Rehabilitation Agency (RRA) – consisting of the east Butte area between Montana Resources and Utah Ave. The RRA started as a mostly vacant properties and has seen a lot of new development over the years. The RRA is currently working to rehabilitate the Columbia Gardens Water Tower and surrounding grounds located north of the Belmont Senior Citizen Center.

Harrison Avenue South Urban Renewal District (HAS) – consisting of the retail corridor along Harrison Avenue south of Interstate 90/15 to Sunset Road and the adjacent neighborhoods. This newly created district, base year of 2019, is focused on investing in public infrastructure, fostering economic growth and leveraging resources to achieve neighborhood revitalization and rehabilitation. The HAS is currently partnering with property owners in the construction of a 16,000 sq ft medical clinic.

Tax Increment Financing Industrial District #2 (TIFID #2) also known as Montana Connections Park located west of Butte. Montana Connections focuses on constructing industrial infrastructure including a 140-acre rail park and new roads and utilities for subdivision. These projects create additional parcels available for development. In 2020, Ergon Asphalt and WAUSAU completed construction of their production and warehouse developments, respectively.

South Butte Industrial Park (TEDD) – consisting of the Industrial Park around Technology Way and South Parkmont was created with a base year of 2017. The TEDD Board undertook an infrastructure analysis project for the district to inform infrastructure projects in the future.

Other duties of the Community Development office include the management of the Greenway Service District. The Greenway Service District is responsible for the planning construction and management of the trail. The trail is a 26-mile corridor that will provide passive recreation opportunities between Butte and Opportunity including walking, running and bike riding. To date three trail heads and 16 miles of trail have been constructed.

# Montana Technological University

Montana Technological University possesses an internationally esteemed, century-old tradition of excellence in higher education. Specializing in the science, technology, engineering, and math (STEM) disciplines, Tech connects focused students to a network of people, opportunities, and experiences and empowers them to change the world. Our determined students learn in state-of-the-art facilities and perform hands-on work relevant to today's industries.

In 1900, the Montana State School of Mines opened its doors to 39 students pursuing mining or electrical engineering degrees. Today, over 2,300 students pursue their education here at Montana Tech — the only special focus university in Montana.

Montana Tech's north campus offers four-year degrees, graduate degrees, and several doctoral degrees. Many of our engineering programs are unique to the region and are among only a few in the country. Montana Tech is one of ten universities offering a BS degree in metallurgical engineering, one of fourteen offering a BS degree in mining engineering, and one of twenty offering a BS in petroleum engineering. Montana Tech also provides more traditional engineering programs, including mechanical, civil, electrical, and environmental engineering.

The university's south campus, Highlands College, is a comprehensive two-year college embedded within Montana Tech. Highlands offers associate degrees, certificate programs, continuing education, and customized training. Highlands graduates can enter the workforce immediately or earn credits that may transfer to a four-year degree program.

Our campus is home to the Montana Bureau of Mines and Geology (MBMG). Its state agency mandate is to collect and publish information on Montana's geology to promote orderly and responsible development of Montana's energy, groundwater, and mineral resources. The MBMG provides these services to the public and a variety of constituents within the private sector, as well as federal, state, and local governments. The MBMG's research faculty closely collaborates with Tech's academic faculty on research and mentoring graduate students.

Montana Tech's commitment to research has resulted in significant growth. Over the past few years, approximately \$13 million annually has come from local, state, and national agencies and the private sector. Research specialties emphasize natural resources engineering, materials science and engineering, energy, geosciences and water, restoration ecology and environmental engineering, and health and bioscience. Our distinctive research infrastructure includes an on-campus underground mine, the Center for Advanced Mineral Processing (CAMP) materials research center, a High-Performance Computer with 3-D visualization, a nanotechnology clean room, the new Schweitzer Engineering Laboratory Power-Systems Lab, and the MBMG. Projects involve both undergraduate and graduate students working closely with faculty.

The Montana Tech campus has undergone many recent developments. With over \$36 million in recently completed building and renovation

projects and another \$11 million under design or in the planning stage, our campus blends historic architecture with new state-of-the-art living and instructional facilities. In the fall of 2019, the Student Success/Living Learning Center opened, providing an ideal environment for students to live, learn, gather, and develop lifelong friendships. A new Natural Resource Research Center was recently constructed, featuring one of the most high-tech nanotechnology clean labs in the country and houses the Schweitzer Engineering Power-Systems Lab. A Nursing Simulation Lab is also under design, which will allow the Nursing department — a recognized leader in education in the state — to increase the intake of students and integrate real-life simulation opportunities throughout the entire nursing curriculum. Investments have also continued on the underground mine education center, the only on-campus underground mine in the country. Recently, Montana Tech and the Montana Tech Foundation completed a \$40 million campaign. The campaign contributed significantly to improve Tech's campus infrastructure through capital projects while adding \$12 million in new scholarships, including \$7.6 million in new endowed scholarships, \$2 million in investments in our faculty, and \$5 million in our programs. Oredigger alumni and friends continued to demonstrate their strong support of Tech's mission and our students in 2020, leading to increased opportunities to access the life-changing opportunities a Montana Tech education provides.

**2021** East Middle School Renovations

The core purpose of the Butte School District is to provide students with the essential skills and knowledge to be successful in life. We do this by:

- Providing a positive, supportive and safe environment
- Teaching fundamental subjects while also equipping students with problem-solving skills to solve real social issues in a multicultural environment
- Encouraging lifelong learning
- Effectively incorporating technology into all aspects of our curriculum
- Emphasizing the importance of responsibility, integrity, citizenship, and participation in our democratic process

#### OUR DISTRICT:

- PASSED \$35 Million Safe Schools Bond to improve the interiors and exteriors of East Middle School and the Butte elementary schools
- 100% of our teachers are highly qualified and 70% have advanced degrees
- BSD implementation of its laptop program began during the 2020-2021 school year. The district will be providing 1:1 ratio for all students in grades 3-12.
- The Butte School Districts Reopening plan began in the Fall of 2020 offering in person instruction 5 days a week. Parents also had an opportunity to opt in for remote learning during this unprecedented year.
- Butte School District launched its remote learning platform using Microsoft TEAMS for all students K-12.
- Butte School District has implemented a comprehensive multi-tiered system of support and also offers afterschool and summer academic and enrichment programs for our K-12 students.
- Safety cameras were installed on all school buses to enhance the safety of all students and drivers.
- Butte School District "Shoes for the Sole" has provided over 1100 pairs of shoes, socks and boots to students in need.
- Bulldog Outfitters Store opened up for Butte High Students which offers an upscale shopping experience where students can go to shop for clothes and personal hygiene products at no charge.
- Butte School District increased nursing staff to serve K-12 students.
- Butte School District partnered with the Butte-Silver Bow Archives to provide a Butte History online program for all 5th grade students.
- Parents have access to "HERE COMES THE BUS" app showing real time location of bus on a map and gives arrival times at home and school.
- Butte School District has successfully implemented trauma-informed and restorative practices and policies.
- Over the past five years there has been a 23% decrease in suspensions and expulsions and a 31% decrease in the number of students who were bullied.
- 2020 graduation class received over \$3.5 million dollars in scholarships.
- Butte High School offers 65 dual credit courses.
- Over 200 of Butte High School's student athletes earned Academic All-Conference Honors.

#### OUR SCHOOLS:

Butte High School provides a progressive educational environment offering world-class college-prep academics and award winning vocational and fine arts programs, in combination with integrated approach that affords students opportunities for participation in both extracurricular

activities and community service projects. Butte High School students graduate ready to enter higher learning institutes, or with skills taking them from the classroom to the world of work.

East Middle School plays a significant role in the lives of all Butte School District students as it is not only the line between elementary and high school, but it is here during these years where adolescents begin to build a repertoire of cognitive and interpersonal skills. East Middle School is organized using the team concept model providing for smaller learning community utilizing an interdisciplinary approach to instruction. East Middle School offers a comprehensive curriculum that includes core classes along with exploratory classes including art, chorus, band, orchestra, health enhancement, FACS, STEM, career and technical education and foreign language courses.

The curriculum in the K-6 elementary schools centers around the Montana Office of Public Instruction Content Standards and ensuring mastery of skills in reading, language arts, mathematics, science, social studies, and health enhancement. Art, general music, band, and library technology instruction are provided to all K-6 students by highly qualified instructional specialists. Afterschool and Summer Programs provide students an opportunity to participate in a variety of enrichment activities including: reading, math, recreational and sports programs, Native American Studies, robotics, cooking and art.

#### OUR COMMUNITY:

Butte School District is fortunate to have extremely active community and parent involvement programs. Over 50 senior and retired volunteers work in our schools on a daily basis and partnerships with community agencies and organizations allow our District an opportunity to provide a plethora of programs including but not limited to: Food Bank (Weekend Back program), Big Brothers and Sisters (Student Mentor Program), Butte Educational Foundation (Supporting Teachers and classrooms), Montana Technological University (College student volunteer Program) and Adopt-a-cop (School Safety Program).

# Butte Central Catholic Schools

For over 100 years, Catholic education has been a vital part of the Butte community. Butte Central Catholic Schools have provided over 16,000 young men and women with an outstanding education deeply rooted in the proud traditions of the Catholic faith. For many years of enduring success, Butte Central has thrived with a remarkable resilience and a tremendous spirit. Personal attention, high expectations, strong discipline, Christian values, and a powerful drive toward excellence speak to Butte Central's motto of "Pride, Tradition and Commitment."

From its humble beginnings, well over a century ago to the present, Butte Central Catholic Schools have provided the youth of Butte community with an outstanding educational experience. Today, our system features an elementary school campus located at 1100 Delaware Street and high school campus located at 9 S. Idaho Street in Uptown Butte. In 2005, the Maroon Activities Center was built in Butte's historic Eastside. The Maroon Activities Center provides the Butte Central Catholic School System with one of the finest athletic, performing arts, and meeting facilities in the State of Montana.

Central Catholic Elementary School features an outstanding preschool, kindergarten, and 1st-8th grade program. The school also offers a daycare and afterschool care program for working families. Central Elementary enjoys an atmosphere of success centered on personal attention, small class sizes, parental involvement and a safe and secure setting.

Butte Central Catholic High School provides students with one of the finest 9th-12th grade programs in Montana. Over 95% of Butte Central graduates go on to college and higher education. The graduating classes of 2020 was offered \$2.4 million in college scholarships, averaging to \$68,000 per student.

The growth and development of students in preschool through high school is enhanced by a philosophy, challenging each individual to explore their talents. Opportunities for prayer, faith development and service to others are a part of each day in Butte Central Catholic Schools. Students of all faiths are welcome to attend Butte Central Catholic Schools.

Outstanding teachers are a big part of the Central experience. All faculty members are certified by the State of Montana, requiring a minimum of a bachelor's degree. Many BC members have earned advanced degrees.

Butte Central High School is accredited by the National Association of Catholic Schools. In 2012, Butte Central was awarded an additional accreditation through the Western Catholic Education Association. This prestigious accreditation was granted after an extensive 18-month application process and an on-site visitation by a team of educators from the Western United States. Butte Central Catholic High School is also accredited by the State of Montana.

In 2016, Butte Central Catholic Schools added the Esther (Sullivan) Cote Resource Program to provide academic assistance to students with special academic needs. The program is staffed by a certified special education teacher and is available to students in kindergarten through high school.

In 2017, Butte Central Catholic High School introduced the Bishop Thomas Scholars Academy. This innovative program is designed to promote advanced academic opportunities for students who are serious about preparing for college. The program is open to 9th – 12th graders and challenges students to maximize their academic potential and strengthen their high school experience. The Academy will focus on preparing students for college placement tests, and to increase opportunities for college admissions and scholarships. Students enrolled in the Academy, have, earned exceptional ACT scores.

This past fall, the Junior Bishop Thomas Scholars Academy was added to the junior high program for 5th – 8th graders. This program features exciting academic enrichment for our middle school students.

In addition, our high school has expanded out dual credit college program. Butte Central students now have the ability to earn college credits through the Montana Technological University Jump Start Program, Montana Tech On-line Program, and Great Falls College-Montana State University. Multiple college credit courses are offered to BC students. Butte Central has a proud tradition of athletic and extracurricular success.

The BC Activities Program includes seven boys and girls sports, speech & debate, pep band, music, and drama. Students are encouraged to explore their talents and experience a wide variety of activities.

BC Families and students are encouraged to visit our schools and discover the excellence of a Butte Central education.

# St. James Healthcare

Since 1881, the physicians, providers, associates, and volunteers at St. James Healthcare have extended God's healing love in the tradition of the Sisters of Charity of Leavenworth.

St. James Healthcare is the only acute care facility in southwest Montana, and it serves as the regional medical center for seven counties (Silver Bow, Deer Lodge, Granite, Powell, Jefferson, Madison and Beaverhead counties). In addition, the St. James Medical Group includes 7 clinics: SCL Health Heart & Vascular Institute - Butte; SCL Health Medical Group - Butte; St. James Cancer Center; SCL Health Medical Group - Butte OB-Gyn, and SCL Health Medical Group - Butte Urology. Ranked as the largest private employer in Silver Bow County, St. James Healthcare employs more than 450 associates, alongside 100 physicians and advanced care professionals, offering 24-hour care and dozens of progressive specialty services.

St. James is part of SCL Health, a nonprofit faith-based health system with 8 hospitals in Colorado and Montana. Together, St. James Healthcare, St. Vincent Healthcare in Billings, and Holy Rosary Healthcare in Miles City, represent SCL Health Montana. As part of SCL Health, St. James has direct access to best practices in health care, delivery, resources, technology, talent, and strategic capital.

## SERVICES AND EXPERTISE

**Cancer Center:** St. James Healthcare offers comprehensive, state-of-the-art services that include

- Diagnostic Services - x-ray, pathology, scans and blood work
- Therapeutic Services - specialty providers in medical oncology, radiation therapy, surgery and interventional radiology
- Restorative Services - physical, speech and occupational therapies; lymphedema management and wound care.
- Support Services - financial counseling, social work, nutrition, spiritual care and patient/family education

The advanced cancer services in both radiation and medical oncology our Cancer Center provides high-quality and compassionate care to patients.

**Cardiology:** Our Cardiovascular team provides patients with the highest level of cardiac care. Using state-of-the-art equipment, St. James provides both diagnostic and interventional cardiology services including cardiac catheterizations, angioplasty, coronary stenting and all cardiac diagnostic tests. St. James also offers a nationally certified cardiac rehabilitation and medical exercise program so patients can recover and receive follow-up care close to home. Additionally, an expansion to our Cath Lab is underway with the \$8.2 million renovations on track to be completed in 2021.

**Orthopedics:** SCL Health Medical Group - Montana Orthopedics offers quality, innovative, patient-focused services for trauma, joint replacement, and spine surgeries as well as sports medicine services. Our

highly skilled orthopedic surgeons perform total joint replacement of the knee, hip, and shoulder and prevention, and treatment of athletic injuries, arthroscopic surgery, and physical therapy. Spine surgery includes complex trauma, scoliosis, pediatric and degenerative deformities, revision procedures, motion sparing technologies, and cervical reconstructive surgery. St. James Healthcare purchased the ExcelsiusGPS Robotic Navigation system, the most state-of-the-art minimum invasive spine fusion equipment of its kind. The system allows for improved accuracy, reduced radiation exposure, and increase efficiency during spinal surgeries. Setting St. James apart as the only healthcare facility in the region with access to this technology.

**Women's Services:** Regardless of age, women can receive all the services they need at any stage of life. From having a baby to experiencing menopause and beyond, St. James women's services staff handle it all. The experts at St. James Healthcare's Women's Services can help women determine what they need and when they need it. The new and improved St. James Family Birth Center builds on our legacy of delivering exceptional care to our patients and their families. The rooms are bright, beautiful, spacious, and modern & designed to be comfortable for the whole family. They're the perfect place for moms to rest easy and for parents to bond with their little ones after arrival.

**Surgical Services:** In addition to orthopedic surgery, St. James offers general, vascular, thoracic (chest) and urologic surgery in four, state-of-the-art surgical suites. Our skilled team of surgeons has expertise in performing abdominal, lung, chest surgeries, including aneurysms, using the latest surgical technologies, such as the da Vinci Robotic Surgical System for minimally invasive surgeries.

**Wound Healing & Hyperbaric Center:** Our team has the most advanced training using methods for treating chronic and non-healing wounds. Our multidisciplinary approach is focused on rapid healing and finding the causes of wounds. We assess, treat and help you manage your healing process.

**Imaging and Ancillary Services:** St. James' patient care is complemented by exceptional imaging and ancillary centers. The imaging center provides the full spectrum of diagnostic capabilities using the latest technology including a 64-slice CT scanner and an on-site radiologist for immediate needs, as well as an on-site CAP-accredited laboratory, anesthesia, pharmacy and therapy services.

# Southwest Montana Community Health Center (SWMTCHC)

The Southwest Montana Community Health Center provides integrated, comprehensive healthcare services to more than 13,500 people each year. Since 1986, the private nonprofit has delivered mission-driven healthcare to all people, regardless of their income or insurance status. The SWMTCHC offers a sliding fee schedule that allows it to adjust charges for healthcare services according to family income. In addition, SWMTCHC accepts Medicare, Medicaid, Healthy Montana Kids, and private health insurance plans. The SWMTCHC has locations in Butte, Dillon, Sheridan and Anaconda.

## Services

### Medical

The SWMTCHC provides comprehensive medical care, including physical exams and preventive care for all ages, urgent care, chronic disease management, substance abuse care, prenatal care, pediatrics and immunizations. Same day appointments for both urgent and routine care are available.

### Dental

The dental team works with patients to promote overall oral health and offers exams, cleanings, fillings, extractions, and crowns and root canals and more. An emergency dental clinic is available weekday mornings. The second and fourth Friday of each month is Free Kids Day and all children are seen free of charge.

### Behavioral Health

Behavioral health therapists work hand in hand with the medical team to assess and treat patients. In addition to therapy services,

psychiatric services are available and care management teams can assist patients with resources and other needs.

### Pharmacy

The SWMTCHC has three full-service retail pharmacies serving both SWMTCHC patients and the public in Dillon, Sheridan and Butte. SWMTCHC patients may be eligible for discounted medications based on income. Also, our clinical pharmacists work directly with their medical providers to care for patients needing medication assistance and education at our clinic.

### Healthcare for the Homeless

SWMTCHC provides temporary medical services for homeless persons and ongoing medical care for people who remain in the Butte area. Case management is available to assist patients in finding local resources they may need.

The 2020-2021 Butte real estate market has been exceptionally strong. The entire state of Montana is experiencing a healthy real estate market, and this holds true across most of the Nation.

The onset of a world pandemic in 2020 required closures of businesses, social distancing and several other associated regulations and restrictions. These regulations and restrictions could have tumbled the real estate market in Montana and across the nation. Fortunately, these times had quite the opposite effect on our local real estate market. Montana has become incredibly attractive to out of state buyers looking to relocate here. Residential, Commercial, Multi-Family, Condominiums, Townhomes, Recreational and Land are all property categories currently in demand. In Butte we are also seeing an increase in developers looking to renovate older historic buildings and develop new uses for these properties. Many of these buyers are 1031 Exchange Investors who are selling their properties in other areas and re-investing in Butte. We also are seeing an increase of out of state buyers wanting to relocate to Montana to live and others wanting to purchase recreational properties to enjoy throughout the year.

Many of our buyers already live in Butte and are looking to purchase their first home or upscale to a larger home. The low mortgage interest rates are another driving force for buyers wanting to live the American Dream of Homeownership. All price ranges, all sizes of homes and all neighborhoods are seeing a demand. Affordability is also key in the demand for real estate in Butte. Even though the Butte market has experienced an increase in price of real property, Butte is still more affordable than many other markets in Montana.

The only downside to our real estate market is the shortage of inventory to accommodate the number of buyers. Our local inventory is extremely low, and other markets in Montana are also experiencing a low real estate inventory.

New Construction projects are in demand and are incredibly attractive to buyers in our local market. Whether it be a single-family home project or a townhome project, they sell quickly.

Fortunately, Butte will be seeing a few new residential developments in the near future, and we are very thankful to these investors who will be investing in our local community.

Our rental market is also strong in Butte, there continues to be a shortage of newly updated apartments and single-family homes to rent.

# Butte-Silver Bow Law Enforcement Department

The Butte-Silver Bow Law Enforcement Department is a professional police department and is the only law enforcement department serving the City and County of Butte-Silver Bow. The law enforcement department is the result of the consolidation of the Butte Police Department and the Silver Bow County Sheriff's Department that occurred in 1977. The law enforcement department is led by an elected sheriff. The current sheriff is Ed Lester, a 31-year veteran of law enforcement in Butte-Silver Bow.

The law enforcement department also oversees the operation of the Butte-Silver Bow Emergency Dispatch Center and the Butte-Silver Bow Detention Center. The Law Enforcement Center is located at 225 N. Alaska Street in Butte. The detention center is located nearby, at 155 W. Quartz Street.

The mission of the Butte-Silver Bow Law Enforcement Department is to protect life and property from criminal activity and maintain the public peace and safety by enforcing the law. Activities of the law enforcement department include arresting and detaining suspects committing or attempting to commit criminal offenses, serving legal papers, suppressing breaches of the peace, riots, or insurrection, investigation of crimes, and administration of various community relations programs.

The law enforcement department is divided into three divisions. They are: The patrol division, investigative division, and the detention center.

The department also has a Special Weapons and Tactics (SWAT) team as well as a number of trained hostage negotiators.

The law enforcement department recently joined the Internet Crimes Against Children Task Force (ICAC) and placed an investigator on the Southwest Montana Drug Task Force (SWMDTF). A canine unit has also been added to increase drug enforcement capabilities. The department also has 2 School Resource Officers (SRO's) and a Public Housing Authority officer.

Nearly all sworn personnel, 911 Communication Officers, and Detention Officers are trained in Crisis Intervention Techniques in order to interact with persons who are in crisis situations.

The law enforcement department currently has 52 sworn law enforcement officers, 12 dispatchers, 29 detention officers, and approximately 15 other civilian employees.

The Butte-Silver Bow Law Enforcement department responded to nearly 31,000 calls for service in 2020.

The men and women of the Butte-Silver Bow Law Enforcement Department are well trained professionals who are devoted to serving the citizens of Butte-Silver Bow.

# Advantage Butte

## MISSION STATEMENT

Our purpose is to enhance the Butte Economy through promoting and supporting sporting and related events in Butte.

## BACKGROUND

Advantage Butte was founded when a group of local business leaders recognized sporting events bring millions of dollars annually into our community. Most of these events can be self-supporting. Many of the potential sponsors of these events, however, lack the resources to provide some of the initial funding to attract and promote the events or lack the resources to cover potential shortfalls. By bringing together broad-based support from throughout the community, the group can provide the financial resources to allow event sponsors to compete effectively in the state and regional market.

Advantage Butte provides economic development for Butte through the sponsorship / underwriting of sporting events in the community. The easiest way to measure the success Advantage Butte has had is the number of tournaments we have hosted. Since our organization was founded in 2004, through the spring of 2019, the number stands at over 160. The financial impact of these tournaments is just over \$43 million dollars added to our local economy.

Since Advantage Butte is a 100% volunteer organization, all money raised goes to the successful bidding and hosting of tournaments. Advantage Butte has always relied on donations from the Butte business community to create economic development.

## MEASURING IMPACT

The Montana Chamber of Commerce has established a formula to assist communities in measuring the economic impact generated by sporting events.

- Each team member is valued at \$100 per day. (avg. team is 18 players)
- Each team brings 2 fans per athlete -- the exception to this is the class C boys' basketball, the largest single basketball tournament in the state. Each fan is valued at \$100 per day.

## 2019-20 ECONOMIC IMPACT

Using these formulas, we have determined the economic impact of the events which we are supporting over the current school year:

• Montana Tech Big Sky Volleyball Challenge	\$ 275,400
• Special Olympics State Basketball	\$ 632,100
• Jim Street Mining City Duals	\$ 260,000
• District 12C Boys' & Girls' Basketball	\$ 227,000
• State Class B Boys' and Girls' State Basketball	\$ 450,000

**Total \$1,844,500**

Due to COVID-19, the 2020 events were canceled. We are anticipating the 2021 events to hold as well as the 2022 events.

*Advantage Butte is dedicated to supporting events that provide our community with an excellent return on investment.*

## QUALIFICATIONS

Advantage Butte is operated by a Board of Directors made up of representatives of local businesses which are members of the group.

<b>Chairman</b>	<b>Rody Holman</b>	<b>PayneWest Insurance</b>
<b>Vice Chair</b>	<b>Kami Johnson</b>	<b>Best Western Plus Butte Plaza Inn and Dickey's BBQ</b>
<b>Treasurer</b>	<b>Brad Spear</b>	<b>Anderson Zurmuehlen</b>
<b>Secretary</b>	<b>Melissa Bolton</b>	<b>Best Western Plus Butte Plaza Inn</b>

Advantage Butte's successes since its inception in 2004, over \$43 million dollars in economic impact to our community while hosting over 160 tournaments.

Tournament bids and contact committee is chaired by Ron Davis. Ron is owner and General Manager of KBOW and KOPR radio stations. With 39 years of experience broadcasting radio and television sports, Ron is well known in the sports community. Ron has worked with the Montana High School Association on many different areas of high school sports and brings a great understanding to bidding tournaments to Advantage Butte.

Without the tireless efforts of our board and membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments that we have supported may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, we truly believe that we have a world-class organization.

# Butte-Silver Bow Convention & Visitors Bureau (CVB)

Montana lodging properties began collecting a "bed tax" in the late 1980s, with the sole purpose of promoting our great state to non-resident travelers. Montana statewide collections have risen from \$4.8 million in 1988 to \$36.3 million in 2019, with Butte collections rising from \$266,000 in 1988 to \$1.1 million in 2019.

Increases in "bed tax" collections were due to the success of promotional campaigns, as well as in guest room rates, occupancy and increases in the bed tax percentage over the years. On top of the promotional dollars, an additional 4 percent is collected with 75 percent going to the General Fund and 25 percent going to a special revenue fund for the Montana Heritage Center and historic preservation.

Butte has a designated CVB, meaning we receive a portion of the collected promotional funds. The amount of money Butte receives has been steadily increasing to about \$125,000 annually. Then COVID 19 hit, taking a toll on the lodging industry, like so many other industries. The amount of bed tax promotional dollars for this year has been projected at \$85,000. Because these are tax dollars there are specific Regulations & Procedures pertaining to how these dollars can be spent. An Annual Marketing Plan is prepared and presented to the Governor's Tourism Advisory Council for their input and subsequent approval. At the end of each fiscal year, July 1 – June 30, each CVB and travel region is audited by the Compliance Specialist at the Montana Office of Tourism and Business

Development (MTOBD) as well as a legislative audit.

With bed tax dollars projected at \$85,000 and some additional monies not used in the previous year the Butte CVB will be promoting tourism in the following ways:

- Administration costs to cover director salary, summer staffing for the Visitor Information Center at the Chamber of Commerce, and fulfillment of tourism information requests.
- Consumer marketing in print, online, digital, television and social platforms.
- Research projects to assess visitor expenditures and comparisons to previous years.

In 2020 the Butte CVB received \$185,000 from the Cares Act for the Montana Aware Campaign, promoting safe travel to local residents and non-residents who will be in the Butte community. These dollars were spent on social media, online/digital, broadcast and streaming television services, streaming radio, and print advertising. The Montana Aware Campaign occurred over the last quarter in 2020 where the analytics showed great successes across all media formats. A final report will be submitted to the State of Montana for review and acceptance.

For more information on bed tax collections, Regulations & Procedures and MTOBD/Commerce Tourism grants, go to: [www.marketmt.com](http://www.marketmt.com).

## Butte Tourism Business Improvement District (TBID)

The Butte Tourism Business Improvement District (TBID) was created in July 2011 at the request of Butte hoteliers, to build a promotional fund to increase hotel guest room sales and revenue. Butte lodging facilities collect \$1.00/occupied guest room/night from hotel guests. These funds are billed with the Butte-Silver Bow November property tax bills. From October 1, 2019 to September 30, 2020, Butte collected just over \$220K. Annually a budget is produced and presented to the Butte-Silver Bow Council of Commissioners and Chief Executive for their review and approval.

The TBID accepts grant applications for promotional funding of events, tournaments, and special projects in two funding cycles; January and June, with award decisions made by the board of trustees,

comprised of hoteliers in the Butte market. Grant award decisions are rendered 30 days after the final submission date.

Along with funding grant applications, the TBID works cooperatively with the Butte CVB, Southwest Montana travel region, and the Montana Office of Tourism and Business Development (MTOBD), capitalizing on advertising buys and projects; keeping with the Montana Brand to present a cohesive message for our state, region, and community.

For more information on the Convention & Visitors Bureau and Tourism Business Improvement District please contact Maria Pochervina at the Butte Chamber of Commerce 406-723-3177 or [maria.pochervina@buttecvb.com](mailto:maria.pochervina@buttecvb.com).

# Community Services

The Community of Butte is rich with people who truly care about the community they live, work and play in. With a highly educated workforce, Butte is ranked in the country for top entrepreneurial activity. Butte's proximity to the mountains, rivers and streams make it a highly desirable place to live and play. The people of Butte care about one another and our residents form community bonds within the city through clubs and organization, religious affiliation and recreation.

BUTTE-SILVER BOW

[www.bldc.net](http://www.bldc.net)

## ABOUT THE BUTTE LOCAL DEVELOPMENT CORPORATION

The BLDC is focused on growing entrepreneurship and employment opportunities, increasing population and tax base, and assisting our existing businesses to grow and compete in a global economy. We do this by providing high-quality services and programs designed to make relocation, expansion, or start-up as smooth as possible. The BLDC has an impressive portfolio of loan programs that, when coupled with business development assistance services, create a winning combination for businesses. The BLDC works closely with Butte's and Montana's other economic development organizations to package services specifically to meet your business needs. The Butte Local Development Corporation, working with our members and partners, have helped create or retain over 4,591 jobs!

### HOW WE HELP

**The BLDC will work with the public and private sector to provide or coordinate business start-up, retention, expansion and recruitment services including technical assistance as required.**

**The BLDC owns and operates its own Revolving Loan Fund, which is an excellent financing option available for Butte businesses. The purpose of the BLDC's loan program is to encourage and accelerate quality job creation, as well as retention and recruitment of businesses and workforce to Butte-Silver Bow.**

### BUSINESS ASSISTANCE

Whether your business is small or large, the Butte Local Development Corporation is eager to assist your business, so please contact us to learn why Butte is the ideal location for your company.

#### REAL ESTATE ASSISTANCE:

The BLDC can assist you in finding the right location, building or land for your business. Our team of professionals can provide:

- Information regarding available buildings and space (industrial & office properties)
- Information regarding available land, rates, and values
- Assistance with incentive districts, financial assistance programs, and environmental assessments

### FINANCING ASSISTANCE:

The professionals at the BLDC can provide your company with information regarding financing assistance available for any aspect of your business including:

- Business acquisitions, construction, conversion, enlargement, repair, modernization, or development costs
- Purchasing and/or development of land, easements, rights-of-way, buildings, facilities, leases, or essential materials
- Purchasing of equipment, leasehold improvements, machinery, or supplies
- Transportation services
- Start-up costs and working capital
- Expansion or addition of new services
- May be used as an incentive to recruit new business to the area

## Unlimited Outdoor Recreation

Butte is central to over 3 million acres of public land managed by the U.S. Forest Service and Bureau of Land Management to enjoy hunting, fishing at one of the many blue-ribbon rivers and streams, camping, winter sports and a variety of trail opportunities.

## Blue-Ribbon Fishing

Butte is the intersection to all of the best fishing in Southwest Montana. Whether it's summer or winter ice fishing, opportunities abound and all are within a one-hour drive of Butte! Big Hole River, Jefferson River, Beaverhead River, Madison River, Georgetown Lake, East Fork Reservoir, Flint Creek, Rock Creek, Boulder River, Clark Fork River, Warm Springs Ponds, Silver Bow Creek, Harrison Lake and the Ruby River.

## Trails, Parks and Scenic Drives

Butte is well known as Montana's best destination where you can experience trails for any level of adventure seeker. Butte enjoys hundreds of miles for mountain bikers, hikers, horseback riders, motorized vehicle, and winter trail enthusiasts all within minutes of Butte. Thompson Park, Humbug Spires, Ringing Rocks, Whitetail-Pipestone, Copperway & Butte Heritage Park Trails, Discovery and MT Tech mountain bike parks, Anaconda-Pintler Wilderness Area, Lost Creek State Park, Pioneer Scenic Byway, Lewis and Clark Caverns and the Continental Divide National Scenic Trail are all within 60 minutes for year-long opportunities.

## Highlands Cycling Club

The mission of the Highlands Cycling Club is to connect the cycling community to trails across Southwest Montana. The club organizes and contributes many hours of trail clearing efforts throughout the year and grooms 14 miles of trails in Thompson Park for winter fat biking opportunities. They are involved with SnoFlinga snow bike (fat bike) race. The club sponsors four group rides during the year.

The Copper Sprockets Youth Cycling Club welcomes riders in grades 6-12 from Butte and Anaconda to ride with the team. The team rides and races in the Montana Cycling League. The team philosophy is to get kids on bikes and have fun. The central goal is for students to develop a strong body, mind and character through mountain biking. There are no tryouts; everyone rides no matter their ability and skill level. The Copper Sprockets compete in cross-country style racing. Racing is optional and not required to join the team. Student athletes

practice with the club during the summer. For more information contact Gary Wyss at [wyssl@aol.com](mailto:wyssl@aol.com).

Ask not what your bike club can do for you, ask what you can do for your biking community! For more information check out Highlands Cycling-Bike Butte on Facebook.

Friends of Thompson Park is dedicated to stewardship of, access to, education and conservation of, and support for year-round recreation to Thompson Park on the Beaverhead-Deerlodge NF and Butte-Silver Bow. The group trains volunteers on how to maintain and construct trails in Thompson Park for biking, hiking and horseback riding in conjunction with local youth and adults. # Butte 100 - July 24

photo provided by: Stephanie Sorini, Butte 100

We will be celebrating the 15th Annual Butte 100 Mountain Bike Races on July 24, 2021. Unfortunately due to Covid we were not able to host the 2020 race. We are excited to come back stronger and better in 2021. Starting in 2007 as a small group of mostly locals, the Butte 100 has seen substantial growth in its short history. The race has recently been recognized in nationwide publications as an ultimate test of mountain biking physical and mental aptitudes. A focus of the volunteer-staffed race is continued improvement in racer experience each year. The Butte 100 is proud to be contributing to the growing awareness of Butte, Montana as a world-class recreation city.

Though this entire event is named the "Butte 100", it consists of three individual races: the 25 mile, 50 mile and 100 mile, run in conjunction and support of the other, sharing portions of course, supplies and aid stations and the start/finish area. The trails are the "Most difficult mountain bike race in the country." The race course is staffed by the "Neon Army" an army of volunteers who were honored by the Butte Local Development Corporation as "Volunteer Group of the Year for 2016".

The 100-mile racers will endeavor to complete a full figure-8 course that includes pedaling the equivalent of climbing Mt. Rainier. Only the 100s will experience the desert riches awaiting them in the BLM's Pipestone area. As the 100s are hammering the top portion of the "figure-8," the 50-milers begin the daunting southern portion of the "8." The 100s return through the start/finish area before taking on the now warmed-up southern loop.

The 50-mile course (south loop) is known for the notorious 6-mile Basin Creek Climb that looms over all racers—50s and 100s alike—half-way through the loop. The first male and female in both races to the top are rewarded with King & Queen of the Mountain honors. Those surviving this and the ensuing "8 Miles of Hell," are greeted with a silky 35-mile stretch of single-track on the USFS maintained Continental Divide Trail—the jewel in the Butte 100s crown. A downhill finish reawakens racers from their trail trance and wills them across the finish line.

The Sorini 25, which was added in 2015 was named after Dr. Peter Sorini, who raced in the 50 and 100 mile races numerous times and supported the Butte 100 since day one, gives the racers another option. This year the race will have a new course with a 5000-foot elevation gain. Dr. Peter Sorini passed away on February 8, 2016, after a

14-month battle with brain cancer.

The Butte 100 is incredibly proud to have developed one of the nation's best mountain bike race events, attracting the highest caliber of racers from across the country and Canada. More so, the race is just as proud of the positive effects the race has had on our home, including its contribution to conversations spotlighting Butte's abundant recreational opportunities.

The 50 and Sorini 25 sell out each year. To register for the race or to be a volunteer, check out their website at [www.butte100.com](http://www.butte100.com).

# Winter Trails and Fun

When it comes to winter adventures in southwest Montana, the challenge is what to do — skiing, snowmobiling or fat-tire bicycling. With so many options for skiing you can choose which set of skis you strap on for the day: Cross country? Back country? Skinny skate skis? Downhill skis? Telemark skis? Alpine touring skis?

Southwest Montana offers a treasure-trove of skiing options. People lucky enough to live here go where the snow is good. Southwest Montana boasts two downhill ski areas for the family and those wanting challenging slopes that are uncrowded and offer incredible vistas.

Discovery Ski Area, west of Anaconda is a family-run area, known for its expansive variety of terrain — from beginner and intermediate to the hair-raising double-black diamond runs on the famous “Back Side.” When the snow comes through the area you can bet the next day, when the sun breaks out and all is right with the world, that the deep powder skiing will be unforgettable at Discovery and because the mountain can accommodate a crowd, you’ll likely have some runs all to yourself. [www.skidiscovery.com](http://www.skidiscovery.com). Discovery Ski Area is open 7 days a week from 9:30 – 4 pm. If some in your crowd would rather cross country ski, the Echo Lake Trails are situated adjacent to Discovery Ski Area and offer over 30 km of wooded adventure, and groomed trails for classic and skate ski, dogs are also welcome. These Forest Service trails are maintained by the Echo Lake Trails Association. Maps and information about ELTA can be accessed at [www.echolaketrails.org](http://www.echolaketrails.org).

Further south from Butte is the Maverick Mountain area, located west of Dillon, [skimaverick.com](http://skimaverick.com). Like Discovery, it’s a locally owned operation that caters to families as well as hardcore skiers. Maverick is located just off the Pioneer Mountain Scenic Byway in the Beaverhead-Deerlodge National Forest. Set in the Pioneer Mountains, Maverick boasts exceptional skiing and unparalleled views. The terrain accommodates novice and expert skiers in a relaxed environment. Both Discovery and Maverick can brag: No crowds. No attitude. Rarely are there lift lines. Wide open skiing.

Southwest Montana also features a host of private and public cross country ski options. Homestake Lodge, located minutes from Butte, atop Homestake Pass on the continental divide offers 35 km of high quality skate and classic ski trails, some of which are lit for night skiing. Rent a cabin or yurt for a weekend getaway or relax in the spacious lodge with a cup of soup or hot chocolate. Visit [www.homestakelodge.com](http://www.homestakelodge.com) for more information.

The Mile High Nordic Ski Education Foundation partners with the state of Montana and Beaverhead-Deerlodge National Forest to groom trails at Mount Haggin and Moulton Ski Area. The Mount Haggin trails are located on Mill Creek Road (SH 274) 11 miles south of Highway 1, near Anaconda. At Mount Haggin, the foundation maintains approximately 33 km of groomed cross-country ski trails in cooperation with the Montana Department of Fish, Wildlife and Parks. Approximately 10 km are groomed for skate skiing, and 15 km are groomed for classic skiing. Ski trails can also be used as access to backcountry skiing and telemarking

along the Continental Divide. Please no pets on the trails here.

Trails at Moulton Reservoir five (5) miles north of Butte are named after mine sites (e.g. Neversweat, Orphan Girl) and wind through forested areas. 14 km of trails are intermittently groomed for skate and classic skiing, dogs are welcome. Visit [www.milehighnordic.org](http://www.milehighnordic.org) for information and maps for Mount Haggin and Moulton.

For those who prefer to haul a backpack and put climbing skins on their telemark skis, the options for back country travel are endless in southwestern Montana, with so much public land available.

If snowmobiling is your winter adventures there are hundreds of miles of groomed snowmobile trails for family fun and off-trail adventure all within an hour of Butte. Enjoy the Pioneer Scenic Byway by snowmobile south of Wise River and stop in at the family-owned Elkhorn Hot Springs. Georgetown Lake provides hours of family fun located an hour from Butte between Anaconda and Philipsburg on MT Highway 1. Just north of Butte over 50 miles of groomed trails are waiting to take you across the continental divide in several places. For more information on trails visit [www.stateparks.mt.gov](http://www.stateparks.mt.gov) or [www.mtrecmaps.com](http://www.mtrecmaps.com).

However, be aware of avalanche danger and other hazards of back country exploration in winter. Check [www.mtavalanche.org](http://www.mtavalanche.org) or [www.mis-soulaavalanche.org](http://www.mis-soulaavalanche.org) for current conditions.

For those who can’t give up mountain biking when the snow arrives Thompson Park, in the Beaverhead-Deerlodge National Forest and Butte-Silver Bow County located 10 miles south of Butte, offers 14 miles of groomed trails including the Milwaukee Rail Trail that travels through two tunnels and a trestle to access the continental divide at Pipestone Pass. Another 12 miles is great for snowshoeing or hiking on mostly packed trails. Visit <http://co.silverbow.mt.us/454/Trails-Outdoor-Recreation> for information on this and other local trails open for winter hiking and snowshoeing.

A good place to get information for any outdoor adventures in southwestern Montana is the Beaverhead-Deerlodge National Forest website at [www.fs.usda.gov/bdnf](http://www.fs.usda.gov/bdnf).

In addition to the many winter adventures available on public lands, there are many activities available in Butte. Butte-Silver Bow Parks and Recreation manages several ice rinks for skating fun.

If hockey is the sport you want to participate in, The Copper City Kings youth hockey program provides an opportunity for youth to learn the fundamentals of the exciting game of ice hockey and continue to develop those skills through the experience of playing the game of hockey on Copper City Kings’ age specific teams against other local programs and/or in a league. Check out their website at [www.coppercitykings.org](http://www.coppercitykings.org) for more information.

Butte High Altitude Skating Center, originally built as an Olympic Training Center has a 400m skating oval is open for family skating and lessons. Former Olympic skater David Silk is active with operation of the center. [davidwsilk@hotmail.com](mailto:davidwsilk@hotmail.com)

The geologic explosion that resulted in the Boulder Batholith, created lots of exposed rocks, thus making for a wealth of good rock climbing in the Butte area.

A particular favorite is in the Whitetail recreation area, east of Butte. Take Interstate 90 east toward Whitehall, and exit at the Pipestone Exit. Turn left, go under the overpass, then turn left again and follow the gravel road for approximately five (5) miles. Turn right on Forest Road 8635, which will take you to the area’s famous Spire Rock. You can see Spire Rock from Four Corners — just look to the northwest.

Spire Rock is a compilation of many different climbs ranging from 5.7 to 5.11 in difficulty, with a variety of multi-pitch and sport climbing routes available. The semi-arid almost desert-like area that surrounds Spire Rock could be compared to Moab, Utah — except the soil is cream-colored, not red. The area also plays host to a variety of other recreationalists — mountain bikers, four-wheelers, motorcyclists, hikers, rockhounds and horseback riders. So be ready to share the resource. <https://www.mountainproject.com/area/108200493/spire-rock>

26 miles south of Butte on Interstate 15, take exit 99 and drive three miles east up Moose Creek to the Humbug Spires trailhead. Hike four miles in to where the Highland Mountains shelter about 50 quartz monzonite spires, some of which are 600 feet tall. Novices and experts alike will find the Spires a rock climbing playground for free climbing or gear-required ascents. <https://www.mountainproject.com/area/106938732/humbug-spires>

# Municipal Parks

photo by: Meagan Thompson

Altogether, Butte-Silver Bow's park sites total more than 450 acres of developed and undeveloped park land providing both active and passive recreation opportunities for residents of Butte-Silver Bow and the surrounding areas, supplemented by the incredible public lands and open spaces in the Butte-Silver Bow area.

There are nearly 45 developed parks and 60 miles of recreational trails (Approximately 27.5 miles paved) in Butte-Silver Bow. The parks amenities include skating rinks, cross country skiing, a skate park, tennis, basketball volleyball, and pickleball courts, a wading pool, splash pad, water park, cemetery, an all-abilities accessible playground, sports fields, 9 hole golf course, par 3 golf course, driving range and two folf courses.

Butte-Silver Bow natural areas include Thompson Park, a 3,800-acre forested park south of Butte, co-owned and co-managed by the U.S. Forest Service; Big Butte, which is 310 acres; Skyline Park, which is 60 acres; Basin Creek Reservoir, which is 42 acres; and Blacktail Creek, which is 10 acres.

Butte-Silver Bow organizes adult sports including softball, pickleball and volleyball. Partnerships with local youth organizations provide recreation opportunities including little league, football, tennis and soccer.

Thompson Park provides non-motorized trails for hiking, mountain biking, cross-country skiing, snowshoeing, and horseback riding, picnic areas and a regulation disc golf course. Skyline Park provides a children's fishing pond, off leash dog parks, all-abilities accessible playground, walking trails and a hang gliding landing site. Big Butte provides non-motorized trails for hiking and mountain biking. Stodden Park is home to Ridgewaters, Montana's newest family waterpark, Highland View Golf Course, the Spirit of Columbia Gardens Carousel, and a destination playground which is all-abilities accessible.

# Festivals

One of Butte's many nicknames, "The Festival City" comes from the thousands of visitors who flock to Butte July – September, and now even January, to enjoy the many musicians, performers and acts coming from around the globe to Butte, America. You will find some of the best entertainment you could hope for at one of the local festivals.

# Freedom Fest

Since our earliest days as a burgeoning mining camp, parades have provided the citizens of Butte with grand opportunities for celebrating the unity and diversity of our unique city. The Fourth of July parades and extravagant fireworks displays, in particular, have consistently drawn crowds from not only the Butte population, but a wide swath of other Montana communities. The Butte America Foundation (BAmF) and its subsidiary, KBMF 102.5 FM, are honored to bear the responsibility for producing Butte's Fourth of July Freedom Fest parades and look forward to continuing to bring the people of Butte together in this boisterous annual civic celebration.

In recognition of the constraints imposed by Covid-19, BAmF is working closely with BSB County Health to determine when the people of Butte might once again line our streets with cheering crowds.

# Montana Folk Festival

photos provided by: George Everett

Due to the ongoing threats posed to us all by the spread of COVID-19, the 2021 Montana Folk Festival has been postponed until health officials can assure public safety with larger events.

The decision was made considering the guidelines for public gatherings set by federal, state and local authorities and from growing concerns for the health and welfare of our friends, neighbors, and community.

The Montana Folk Festival is a regional festival and through our wide-reaching marketing, we invite attendees from surrounding states and Canada and across the globe.

The Montana Folk Festival began during the Great Recession in 2008 and we are proud to have weathered that national emergency but this pandemic dwarfs that challenge.

Mainstreet Uptown Butte, the lead non-profit that has organized the festival for the past 12 years is proud that this would have been the 13th presentation of the festival in Butte, Montana.

Most of our volunteers and service providers are employers or employees of Southwest Montana businesses, and we are keenly aware of the economic impact our event has on our local economy. While canceling or delaying the festival will reduce financial opportunities for area businesses and citizens, we believe the health and safety of everyone take precedence and this is the right decision at this time.

Until a vaccine becomes widely distributed, wearing masks and physical distancing is one of the only effective weapons we have against the spread of the coronavirus. Unfortunately, it is the antithesis of our primary goal when we present this festival — to bring people together from far and wide for three days of collective joy.

Our love and gratitude go out to the thousands who have continued to join us each summer in Butte. Your health and safety are at the heart of the process to decide to postpone this year's event. For all who were making plans to join us in Butte in July, we hope that you will join us again when we are able to return.

The Montana Folk Festival Executive Committee and our partners with the Butte-Silver Bow County government share a deep appreciation for all who continue to support us. While we hibernate the event, we hope that everyone will use the downtime to reflect on the meaning and outcomes of this event for our community and to Montana and we will get busy planning a bigger and better festival for the summer in 2022.

We look forward to seeing you in Butte in 2022! Until then, stay tuned on our Facebook page (mtfolkfest) and web site (www.montanafolkfestival.com) and stay healthy!

# An Ri Rá

The 2021 An Rí Rá Montana Irish Festival will take place on August 13 – 15th at the Original Mine Yard. The An Rí Rá Executive Committee is in the preliminary stages of planning the event with the uncertainties of the Covid pandemic in mind. The Montana Gaelic Cultural Society will be working with all pertinent agencies to have the An Rí Rá Montana Irish Festival if we have the go ahead and clearance to do so.

The An Rí Rá has gained recognition in the Irish world as a premier event of Irish culture, music, and dance. The festival features world-class entertainers from all over the United States and Ireland as well as regional Irish performance groups and dancers. The festival, in its 19th year in Butte, will be FREE admission to the public.

The festival provides a family-friendly atmosphere that has activities for all ages. There are also many cultural and educational activities that take place during the weekend. The entertainment scheduled for the festival will have performers coming from all over the world. The festival brings four to five headliner acts each year. The An Rí Rá Executive Committee will be releasing our lineup as soon as one becomes available.

The festival grounds will have food vendors, arts & crafts vendors, and a beer garden and other amenities for festival-goers. Come and take part in the most Irish weekend found anywhere in the Pacific Northwest in the most Irish city in America!

# SnöFlinga

Swedish for "Snowflake," SNÖFLINGA is a free, community - sponsored festival that takes place in and around Butte during the winter months. The three-day event is executed by the Butte Community Fitness Foundation (BCFF) and supported by generous community sponsors, and an army of dedicated volunteers.

The short-term intended goals for SNÖFLINGA participants are simple, yet profound:

Get Outside. Be Active. Enjoy Winter. Celebrate Community.

The sixth SNÖFLINGA, January 20-23rd 2022 will once again highlight the numerous every day winter recreation opportunities in and around Butte, Montana. This includes cross-country skiing, ice skating, fat tire biking, trail running, curling, speed skating, hockey, and more.

This year, SNÖFLINGA has revamped its Kids Day of Winter Fun to include a new venue (Stodden Park), new activities, and new ways to be active. SNÖFLINGA introduced Butte to the sport of ice climbing through a demonstration at the Original. We have continued our partnership with the Southwest Montana Polar Plunge and are proud to support their efforts to raise money and awareness for Special Olympics.

We have a variety of opportunities for sponsorships for local and national organizations. Your generous, tax-deductible contribution will help SNÖFLINGA continue as a FREE, positive, community-centered festival emphasizing healthy recreation, fun, fitness, and community.

Join us NEXT WINTER in Butte, MT to be active, get outside, enjoy winter, and celebrate community!!

# St. Patrick's Day

Few cities in America can boast St. Patrick's Day celebrations that are as full of cheery pomp and green-tinged fun as Butte, Montana. For more than a century, every March 17 the people of Butte, along with friends of the Irish from all around, have gathered to celebrate St. Patrick's Day. The Butte America Foundation (BAMF) is proud to be the producer of the always entertaining St. Patrick's Day parade. BAMF is working closely with Butte-Silver Bow County Health officials to determine when the citizens of Butte and beyond might once again celebrate on the streets of Butte. # Attractions

Butte has many opportunities to explore the past all while enjoying the new developments of the future. Whether you are interested in a tour, performing arts or getting out for some fun in the sun there is something for everyone.

## Butte Chamber of Commerce & Visitor Information Center

1000 George St. • (406) 723-3177 • buttechamber.org

The Chamber is Butte's outlet to everything for the visitor. Come in to get all the best information for your visit and view: interpretive mining displays, native animal mounts, gift shop and the George F. Grant hand tied fishing flies, known for their highly detailed, hackle weaved style, a style rarely duplicated for its intricacy and complexity. The Chamber is open Monday-Friday year-round, Memorial Day through Labor Day, 7 days a week.

## Butte Mule Tours

53 W. Park St. • (406) 723-8928 • buttemulettours.com

There are two different tours available. Both start & finish at Miners Hotel. Tour 1: "Prostitutes & Prohibition" includes stops at Myra/Cabbage Patch, Dumas & 51 Below Tour 2: "Gallows frames & Neighborhoods" includes all of uptown area & Walkerville along with stops at Mining Museum & Granite Mountain Memorial.

## Butte Trolley

1000 George St. • (406) 723-3177 • buttechamber.org  
Take an hour-and-a-half tour of Butte's best history with Butte's best historians. Tours

are scheduled Memorial Day weekend through mid-September and year-round for groups via appointment. Reservations are strongly suggested.

## Berkeley Pit

350 Shields Ave. • (406) 490-8206 • pitwatch.org

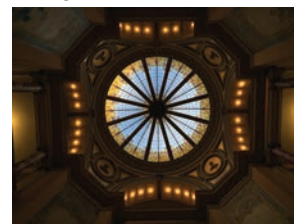

From 1955 until 1982, the Berkeley Pit produced enough copper to pave a four-lane highway, four inches thick, from Butte to Salt Lake City, Utah and 30 miles beyond. When mining operations ceased in 1982, the underground pumps were shut off, and the Berkeley Pit began filling with acidic water, heavy metals and unique microscopic lifeforms. Since September 2019 the water is being treated and discharged downstream. The Pit with its water and colorful landscape can be seen via a visitor viewing stand. Today, open pit mining continues behind the Berkeley Pit in the Continental Pit operated by Montana Resources, employing 350 people year-round. The Viewing Stand and Gift Shop are open May – mid-September.

## Butte-Silver Bow Courthouse

155 W. Granite St. • (406) 497-6200 • bsb.mt.gov

Built in 1911, the rotunda walls are adorned with golden mosaic murals of personified muses; Justice, Geography, History, Philosophy and murals of Presidents Lincoln, McKinley, Washington and Wilson. Large pillars of Montana-quarried travertine draw the eye upward toward the mosaics and stained-glass dome. The impressive 1,500-pound, 28' in diameter, stained glass dome atop the rotunda was renovated in 2015. The Courthouse is open year-round, Monday-Friday, closed weekends and holidays.

## Butte-Silver Bow Public Archives

17 W. Quartz St. • (406) 782-3280 • buttearchives.org

Learn more about Butte's mining, labor, lifestyle and family histories. The Archives occupies a historic fire hall built in 1900 and features an inviting reading room, friendly staff, exhibits, collections, photographs, public programming, small firefighter's museum and rotating displays. A knowledgeable staff is available to assist with research on Butte's rich history. Services are available Monday-Friday from 9:00 a.m. – 5:00 p.m.

## Clark Chateau

321 W. Broadway St. • (406) 565-5600  
clarkchateaubutte.wordpress.com

The Clark Chateau was constructed in 1898-1899 for Charles and Katherine Clark, oldest son of Copper King W.A. Clark. We offer engaging tours of the Chateau, led by our knowledgeable and passionate staff and community volunteers. Tour guides lead groups through the building's seemingly infinite nooks and crannies, discussing the history of Butte as seen through the windows of one of the city's most cherished architectural icons. Learn about the mysterious Clark family, and many other fascinating former inhabitants while exploring this remarkable mansion. It's a glimpse into a city unlike any other. Visit the Historic Clark Chateau: Where History Lives and Stories Grow.

## Copper King Mansion

219 W. Granite St. • (406) 782-7580 • thecopperkingmansion.com

The Mansion is a 34-room residence, built in Romanesque Revival Victorian architecture from 1884 to 1888 as residence for W.A. Clark. The home features fresco painted ceilings, elegant parquets of rare imported wood, gas and electric chandeliers, ornate hand-carved fireplaces, stairways and stained-glass windows. The mansion was added to the National Register of Historic Places in 1970. The home is operated as a year-round bed and breakfast. Guided tours are available May – September, and many times by appointment during the winter months.

## Dumas Brothel

45 E. Mercury St. • (406) 351-9922 • dumas-brothel.com

The longest running active brothel in U.S. history. It was open from 1890 until 1982. Over the years the brothel had several different owners and madams. In its early day's, women used to hang out of windows in varying states of dress, or undress in efforts to entice customers. As time progressed, this practice was stopped; heavy doors with sliding portals were installed with doormen monitoring visitors. Please check their web-site for open days/times.

## Granite Mountain Mine Memorial

Bernie's Way to Alexander St. • (406) 723-3177 • minememorial.org

This memorial shares the events of June 8, 1917 when 168 miners lost their lives in the largest hard rock mining disaster of all time. The site also offers the visitor an unforgettable panoramic view of the 10,000-foot Highland Mountains, the Continental Divide and the remnants of a once booming mining industry. Open year-round.

## Holy Trinity Serbian Orthodox Church

2100 Continental Dr. • (406) 723-7889 • holytrinitybutte.org

Adorning the walls and ceilings are hand-painted frescoes depicting Scripture in color as they visually convey the word of God. Separating the altar from the nave is the hand-carved Iconostasis Screen, built in Belgrade, Serbia. Tours are available by appointment.

## Linked Adventures

(406) 498-9653 • linkedadventures.com

The outdoor enthusiast's headquarters for shuttle service to the Continental Divide Trail and other stunning terrain. Bike rentals, route and full adventure planning are available for groups and individuals looking to explore the greater Butte and surrounding southwest Montana area.

## Mai Wah Museum

17 W. Mercury St. • (406) 723-3231 • maiwah.org

Established for educational, charitable, and scientific purposes, including research and public education about the history, culture and conditions of Asian people in the Rocky Mountain West. The Society, a 501(c)(3) not-for-profit organization, collects and preserves artifacts, preserves historic buildings and sites, presents public exhibits and supports research and publication of materials of scholarly and general interest. Tours are available summer months and by appointment in the off season.

## Montana ATV Adventures

(406) 491-4417 • montana-atv-adventures-.com

Take an exciting guided ride through the trails of southwest Montana's mountains. See old mining ghost towns and camps. Look at massive granite and brick mills where they separated the ore and wonder how they did it.

## Montana Tech Mineral Museum

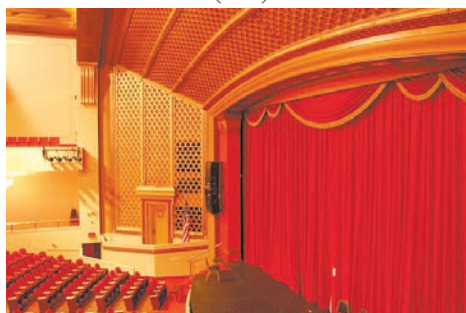

1300 W. Park St. • (406) 496-4414 • mbmg.mtech.edu

View educational displays and spectacular minerals from Montana and around the world. Prize specimens in the Montana collection include the Rheanna's Star, an incredible smoky quartz cluster and the 27.5 oz. Highland Centennial gold nugget, both found in the Butte area. Additional exhibits include a fluorescent mineral display, and an earthquake hazards display including a live seismograph. ## Mother Lode Theatre & Orphan Girl Theatre

316 W. Park St. • (406) 723-3602 • buttearts.org

Built in 1923 by the Masons for the organization's ceremonial services, the building was later transformed into a movie house and eventually leased to 20th Century Fox. In the 1990's the Masons donated the theatre to the local government where a group of citizens formed the non-profit corporation, The Butte Center for the Performing Arts, who took over the renovation of the facility. Today the Mother Lode Theatre is the elegant venue for The Butte Symphony, Community Concert Series, Mother Lode Series and a variety of community events, and a plethora of culturally rich shows. Tours of the theatre are available by appointment.

## National Historic Landmark District

# Golf

Butte is the home to two golf courses: Highland View municipal course and the Butte Country Club course.

As the name suggests, Highland View has a wonderful view of the Highland Mountains south of town. The regulation nine-hole course was built in 1939. It is a par 35. This course has two challenging par 3 holes, small greens require accuracy and different tees for the back nine. It takes about two hours to play even when busy. The par 3 course was built in 1980, and has a full swing on every hole. The greens are excellent with a lot of character. It's great fun for all members of the family and a nice walk in the park.

When it comes to indoor golf, no other place compares to the recently completed Highland View Clubhouse. With two Tracman Golf Simulators, golfers can practice all aspects of the game with access to over 200 golf courses. Grab a couple pals and enjoy the game in a controlled environment and assistance from our Professional Staff. After indoor or outdoor golf relax in the Jack Crowley Jr. clubhouse or sit on the deck overlooking Butte's Highland Mountains.

The course is host the Men's City Championship in July and the Bonnie Highlanders Women Invitational in August, along with local charity fundraiser golf tournaments. Highland View is located in Butte's Stodden Park. The park entrance is off Dewey Boulevard on South Utah Avenue. The Butte Country Club is a member-owned private country club that provides its members golf, racquetball, swimming, tennis, and fine dining opportunities. The course is an 18-hole, challenging par 70. The club also provides a driving range to master technique or warm up before a round.

The Butte Country Club is located at 3400 Elizabeth Warren Ave. Both of Butte's courses offer golf lessons.

Fairmont's golf course features an outstanding 6,741 yard, 18-Hole, par 72 layouts. Fairmont's "mile high, mile-long" 5th Hole is recognized as one of the most challenging among Montana golf courses. The green is a mile high and the tee box is 649 yards away, making this par 5 one of the longest holes in Montana. Fairmont's 3rd hole features Montana's largest green, a three-tiered 10,000-square-foot putting surface.

Over the last three seasons, Fairmont completed over \$2 million in renovations to the golf course. Projects included rebuilding all of the golf course's bunkers, rebuilding tee boxes and several greens, upgrading the driving range and completely replacing the irrigation system with a state-of-the-art system. Tee times can be booked online.

# Disc Golf

The Summit Valley is home to three regulation disc golf courses.

Eagles Nest Course, located in Thompson Park on the Beaverhead-Deerlodge National Forest just south of Butte, is a hilly and wooded 18-hole regulation course. The course is a marked course with tee boxes and baskets. Enjoy a long and challenging course surrounded by unbeatable scenery. The course is open May through October, but visitors can walk in throughout the year from the Montana Highway 2 parking area. Mining City Disc Golf Club organizes weekly league play and competitions.

Montana Tech disc golf course is located just west of the Natural Resources Building. The 18-hole disc golf course is located within Montana Tech's Whiskey Gulch Mountain Bike Skills Park. The course is open to the public and Montana Tech's Folf Club hosts tournaments and competitions at the course.

Copper Mountain Park is an 18-hole disc golf course, which follows the perimeter of the park and includes a putting green. Enjoy a round with great views of Butte and the 'M' hill, at a park that includes softball and baseball diamonds and public rest rooms.

# Community Impact through the YMCA

**FOR YOUTH DEVELOPMENT  
FOR HEALTHY LIVING  
FOR SOCIAL RESPONSIBILITY**

- At the Y, no child, family, or adult is turned away for inability to pay. Last year, your Y provided direct financial assistance and program subsidies. 5,642 individuals in the Butte area participated in Y.
- Youth development comes in all shapes and sizes whether it be summer camp, after school, sports, or learning to swim. Over 5,000 kids participated in our youth programs in a safe place and learning life skills that will benefit them and their community throughout their life. 38% of our members are Butte children.
- Seniors are important members of our community. 20% of our members are seniors with over 330 participating in our chronic disease prevention program.
- Volunteers and community partners make it possible for the Y to carry out its mission to make Butte area families strong. Last year, 631 volunteers spent 6,812 hours finding joy helping others. 47 supportive agency partners collaborative with the Y providing opportunities to people within the community.
- 89% of our budget is spent on programs and services we provide to our community.

# Transportation

Butte's location right at the center of the I-15 and the I-90 interchange makes the city a gateway to the rest of the state and beyond, via the highway or rail system for the transporting of goods and materials for business. As of February 2018, Butte is home to a new \$10.5 million airport terminal giving the world first-class access to the city. Transportation within the city via the city's bus system, taxi services, Uber or even the sightseeing trolley car will put the heart of the city and anywhere you want to go at your fingertips.

**PORT OF MONTANA**

Connecting Rail and Road

# THE PORT OF MONTANA

The Port of Montana is located within the Montana Connections Business Development Park, just five minutes from the I-90 and I-15 interchange and is served by two Class I railroads in Burlington Northern Santa Fe and Union Pacific. This industrial transload center leverages rail and highway access to directly benefit businesses throughout the region.

The Port offers businesses the opportunity to take advantage of the lower cost of rail transport even if they are not located on a rail siding themselves. The Port provides transloading and warehouse solutions for companies looking to ship, receive and distribute commodities or goods in Montana. These valuable services along with over 30 years of experience help save shippers time and money.

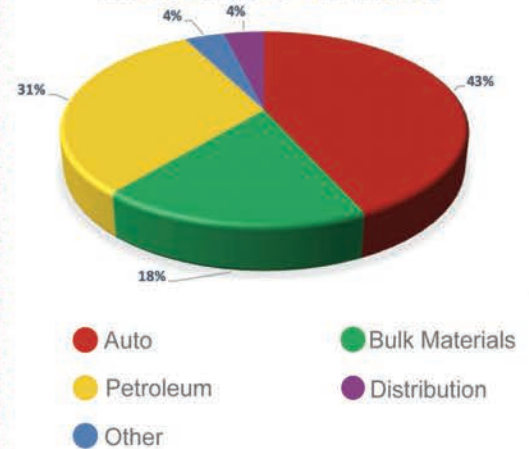

The Port transloaded 5,650 trucks and 2,346 railcars during the year. Autos were distributed throughout Montana from the Port; over 10,000 vehicles were unloaded and shipped from the facility during the year.

The Port will be expanding their rail foot print in 2021 by adding an additional 4,800 of track feet of rail. This will provide additional transloading tracks to meet customer demands as well as allow for additional growth.

**MONTANA**  
TECHNOLOGICAL UNIVERSITY

**At Montana Tech, you feel something different, in the air and in the attitude.**

In the heart of the Rocky Mountains, Montana Technological University is a place of purpose, home to uncommon thinking, research, innovation, and ideas. With Montana as our living laboratory, we offer a top notch education as a leading STEM university, with strong additional programs in nursing, health, and professional fields. What we do matters, today more than ever. Our tight-knit talented community of determined doers collaborates on discoveries that improve lives. And in changing the world, our students realize their own potential, fuel their passion, and find their path.
