A NOTE FROM THE DIRECTOR

Dear Friends, Neighbors and Visitors,

Butte-Silver Bow offers recreational opportunities unlike anywhere else! This parks and recreation guide was built for those near and far from the Mining City to guide them to recreational opportunities in Butte and southwest Montana.

With a couple of previous years being slow with festivals, events and public activities, Butte had some joy and excitement when many of them returned in 2022. Now, 2023 everything is expected to be back in full-swing with even more opportunities to come to Butte.

Butte can participate in the two big well-known festivals, Montana Folk Festival and An Ri Ra Irish Festival. These festivals have a major impact on Butte's economy and gathers people from near and far to enjoy music and culture in our rich city. After a successful debut in 2022, Lunch in the Park will return again and is expected to be even bigger this year. The community will have the opportunity to come together every week throughout the summer to enjoy food, music and more. Another

successful event that will be coming back for a second year is Uptown Hoops. This basketball tournament in uptown Butte will have kids and adults playing in the streets in our rich historical district in uptown Butte. With so many things happening this year, Butte is sure to have an event you and your family will enjoy.

Butte is also returning many of its summer activities for the youth in our community to help get them out and involved this summer with fun and educational programs. Kids of Butte can participate in the Skyhawks Sports Academy, R.O.C.K.I.E.S., Summer Camps at the YMCA, Public Library events and also numerous sports camps.

Butte-Silver Bow offers recreational activities all year round, during every season, and for every kind of person. Every community member or visitor will be able to find something to enjoy in our rich city. From the many outdoor trails for hiking, biking, ATV riding, skiing and snowmobiling that offer an abundance of beautiful views, to the many lakes and rivers for the fishing enthusiasts, these are just a few of the opportunities you will find in Butte-Silver Bow.

If staying inside the city limits is more for you, Butte-Silver Bow has many in-town activities as well. Come check out the newly built Highland View Clubhouse with two Trackman Golf Simulators. Golfers can practice all aspects of the game with access to over 100 golf courses and then relax in the clubhouse. The kids can also enjoy the many parks we have through our beautiful town at the newly renovated Stodden Park that features a new playground and equipment, Ridge Waters Water Park, Spirit of Columbia Gardens Carousel and more!

Butte-Silver Bow has something for everyone! Come out and enjoy everything the Mining City has to offer and get out explore this wonderful place we call home.

Sincerely,
Bob Lazzari
Butte-Silver Bow Parks and Recreation Director

BUTTE ARBORIST

Butte-Silver Bow Parks and Recreation New City Arborist Trevor Peterson

Butte-Silver Bow Parks & Recreation Urban Forestry's mission is to manage and ensure urban forest infrastructure for current and future generations. Our urban forest consists of 3,300 street trees, 3,800 park trees (excluding

Thompson Park), and innumerable private property trees. Parks and Recreation is involved in managing or regulating all of these trees to differing degrees—creating and implementing the city's Urban Forest Management Plan, fostering community tree awareness and stewardship, developing tree policies and programs, monitoring and assessing the urban forest, documenting all trees in the Tree Inventory, and responding to tree emergencies.

Butte-Silver Bow was awarded the 2021 DNRC Montana Urban Forest Innovation Award. This grant will fund a \$10,000 Urban Forestry project which will be spent on an Edible Food Forest at Basin Creek Park. It will consist of apple, plum, cherry, and pear species that will grow well in Butte's climate. The BSB Arborist will notify the public when fruit is ready to harvest and will be available to the public free of charge.

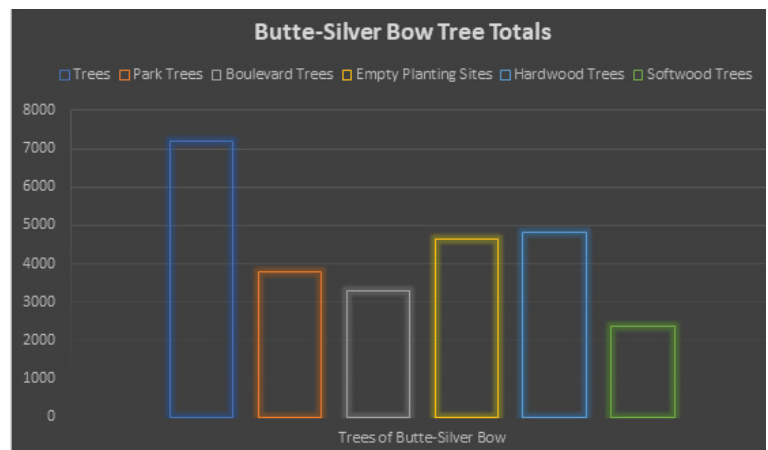

Trevor Peterson • 406-497-6576 • tpeterson@bsb.mt.gov

Trees Have Value

A tree not only holds monetary worth by providing numerous environmental benefits, but also contributes to one's mental and physical health. A few of the key benefits of trees are:

Improved property values, Lowered heating and cooling costs, Improved water quality, Improved air quality, Long term carbon storage, and Improved human health.

In the last three years, there have been many successful Urban Forestry projects that were funded through grants offered by the Montana Department of Natural Resources (DNRC). Father Sheehan Park had 27 dead or dying cottonwoods removed and then replaced with many different species. Copper Mountain Sports Park had many struggling trees which were replaced with diverse and hardy species, including trees on the west side of the park to help with wind in the future. In 2021, only two Montana communities were awarded the DNRC Innovation Grant, Butte-Silver Bow being one of them. The money was used to build an Edible Food Forest at Basin Creek Park. This year, grant funds will be used to plant new trees on Harrison Ave.

MINE YARDS

ORIGINAL MINEYARD

Butte-Silver Bow Parks and Recreation maintains two former mine yards, The Original and Foreman's Park at the Mountain Con. **406-497-6571**.

MOUNTAIN CON & FOREMAN'S PARK

Photo by Steven Cordes

Originally the site of the former mine foreman's house, Foreman's Park is built on the remediated ground of the historic Mountain Con mine yard. It features sweeping views of Butte's Summit Valley, the East Ridge, the Highlands Range, and the surrounding Anaconda-Pintler, Pioneer and Flint ranges. It also extends by two miles the paved Copperway and Butte, Anaconda & Pacific trails that snake through Uptown and the West Side from Montana Tech to the Granite Mountain Memorial further north. The Mountain Con is an easily identifiable landmark - it is the mine headframe that bears the slogan 'Mile High, Mile Deep' at its base, referring to Butte's elevation above sea level and the depth of the Mountain Con Mine itself.

Park amenities include a pavilion, rest rooms, picnic tables and benches, interpretive signs, barbecue grills and more. Historical features in the project area were preserved and interpreted through signage. The pavilion at the Mountain Con is available for rent. Go to butteparksandrec.com or **406-497-6571**.

The walking trails and park can be accessed via parking lots at these locations:

- On Wyoming Street, a block north of Woolman Street.
- On Pacific Street— turn east off of Main.
- On Center Street — turn east off of Main.

Photo by: Tracy Thornton

The Original Mine Yard is one of Butte's signature historically preserved mining yards. The yard is home to a headframe (also called a "gallus" or "gallows" frame) that was used to lower men and mining equipment down into the mine and lift up Butte's gift to the United States: copper. The hoist house on site still houses the enormous gears that operated the lift to carry men and minerals up and down the shaft.

The Original Mine Yard has found new life as the world-class event location for the Montana Folk Festival, the An Ri Ra Irish Festival and BBBS Rhythm & Brews.

From the grassy lawn of the Original yard, watch world-famous musicians saw at their violins or pluck banjos during the Folk Festival. Enjoy the fast-kicking Irish step dancers during An Ri Ra.

The Original Mine Yard means entertainment in a city known for its original personality. If you are interested hosting an event at the Original Mine Yard, call **406-497-6571**.

HIGHLAND VIEW CLUB HOUSE

Trackman Golf Simulators at Highland View Golf Course. Photo by Mark Fisher

With the gracious donation from the Dennis and Phyllis Washington Foundation and Montana Resources. Butte-Silver Bow was able to build the new 5,300 sq.ft Highland View Club House. BSB reached out to the citizens of Butte to help in the naming of the new facility and with an overwhelming response, the final decision was the Jack Crowley Jr Club House. Jack Crowley was a long time Pro at Highland View and was a full time BSB employee.

Highland View has two Trackman Golf Simulators at a cost of \$25 per hour.

BUTTE-SILVER BOW ANIMAL SHELTER

Photo by Meagan Thompson

Summer is the perfect time of year to enjoy the outdoors with your pets! The Butte-Silver Bow Animal Services Department has a few reminders to ensure you, your pet's, and the community's safety.

All dogs residing in Butte-Silver Bow are required to have a current rabies vaccination and county dog license. Licenses are sold at the Animal Shelter and rabies vaccinations can be given by your local veterinarian.

Butte-Silver Bow requires that all dogs be secured on a leash when out for a walk within the BSB fire district. There are trail systems throughout Butte that offer safe and scenic paths that can be enjoyed with your pups as long as they are secured on a leash.

However, if you would like to enjoy some off leash time with your dog, Skyline Park offers several secure "off leash" areas within the park. Please keep your dog leashed at the park until you are securely in the off leash area. Thompson Park is another beautiful space that allows dogs to be off leash under supervision. As for the other parks in Butte, dogs are not permitted to be in these parks.

Last, if you are attending the festivals in town, remember dogs are not allowed at these events, so please leave them home where they are comfortable and safe.

If you have any questions or concerns regarding animals, please contact the Butte-Silver Bow Animal Services Department at **406-497-6525**.

Thank you for keeping your pets safe and happy. Hope you have a great summer!

RUNNING CLUBS

Photo by: Meagan Thompson

The P & M Runners are a loosely organized group of avid runners of all ages. The group maintains an e-mail list with more than 100 members, who receive updates on local races and group run opportunities. The group runs are generally on Tuesday evenings and Saturday mornings. Distances and terrain vary as the group incorporates trails and roads. The events the club hosts are organized entirely by volunteers, and the proceeds are returned to the Butte area trail system and various not for profit agencies.

The P and M Runners are pivotal in organizing the Wulfman's Continental Divide National Scenic Trail 14k trail race. The 14 “Butte-iful” kilometers are run along the CDNST between Montana's Homestake and Pipestone passes in Beaverhead-Deerlodge National Forest.

This race along that route celebrates the trail and the memory of one of its greatest local proponents – the late John Wulf, “the Wulfman,” who was the godfather of Butte's Piss and Moan Runners. The race is run on Summer Solstice Saturday, the anniversary of the Wulfman's last group run. Race proceeds are used to help build and improve trails in Southwest Montana. This year's race is Saturday, June 17, 2023. Other events include the Wulfman's Frigid Digger Run held in February. For more information, visit buttepissandmoanrunners.com or contact the club on Facebook.

WORLD MUSEUM OF MINING

The World Museum of Mining was founded in 1963. Butte experienced a century of hard-rock mining and earned the reputation of being home to one of the world's most productive copper mines of all time. The Museum exists to preserve the enduring history of Butte and the legacy of its rich mining and cultural heritage.

The World Museum of Mining is one of the few museums in the world located on an actual mine yard, the Orphan Girl Mine. With 50 exhibit buildings, countless artifacts, and 66 primary exhibits in the mine yard.

By walking the streets of Hell Roarin' Gulch and venturing to the depths of the Orphan Girl Mine, you can almost see the miner's blackened faces and hear their exhausted sighs at the conclusion of the work day!
