Chamber Mission

The Butte-Silver Bow Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area.

- **The People**
- **The Priorities**
- **The Resources**
- **The Service**

“Working together we can make a difference.”

Our Vision

The Butte-Silver Bow Chamber of Commerce is an integral part of the community, offering business and economic support, travel and visitor information and resources. Our vision represents the commitment we have to the community to be the best organization to meet the growing needs.

- Continue to be an advocate for our diverse member businesses through leadership in the areas of social, civic, health and business issues.
- Become the voice for the common goals in our business community.
- Become the source of information for our community.
- Help in the implementation of the Butte Silver-Bow Business Plan.
- Actively involve the Convention & Visitor’s Bureau with The Butte Civic Center and other convention centers and arenas to help promote events to our area.
- Address the work/labor force issues in our community and help to develop programs to address needed areas.
- Help to form a cohesive bond between the community as a whole and Montana Tech.
- Work in close relationship with the Economic Development Team to recruit businesses to Butte. A partnership with Buxton to recruit retail to our community.

I am honored and humbled to serve as President of the Butte Chamber of Commerce. As a Butte native, I feel fortunate to be able to work and raise my family in this incredible town. Our community is a special place and we must work together to make it the very best it can be. The health and vibrancy of our community is directly correlated to all of our success!

The Butte Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area. I am certainly honored to work with the dedicated staff of the chamber as well as the many volunteers and all of the current board of directors. The mission of the chamber is no easy task, but with hard work, perseverance and the passion of all involved, I have no doubt that we will continue to make Butte the best place to live, work and play.

As a community, we are proud of our rich history; we are diligent in shaping today for a better tomorrow with future generations in mind; we are resilient and determined to make Butte the "Richest Hill on Earth."

I look forward to a great year and I am excited to help Stephanie Sorini and her team with all that they do!

Sincerely,

John Winston
Board President

The presentation of the 20-21 Chamber Report to the Community is the highlight of the year. This report showcases the outstanding entities that make our community known as "The Richest Hill on Earth." Our wealth doesn't come from minerals, metals or money but rather, the people.

I am honored to be surrounded by individuals that are at the center of why Butte is the best place to live, work and play! The people are the #1 resource of every business or organization and the reason Butte is larger than our actual size. The heart of my job is to help our most valuable resources be a success; from our business community to our local organizations, we work side by side with our fellow community partners to move Butte forward.

In addition to the people, Butte is full of many hidden gems...miles of walking, hiking and biking trails, world class fishing and hunting, unique culinary cuisine, historical landmarks and architecture, lodging experiences that make up more than a good night's sleep, unique gifts found in retailers through the city, microbrews and distilled spirits that will make you wanting more and of course local experiences that will take you back in time and give you something you can't find in any other Montana city. From a ride on the Chamber's very own "Old #1 Trolley" to a spin on the "Spirit of the Columbia Gardens Carousel" to a walk back in time on an "Under Ground Mining Tour" or a day of fun in Stodden Park at "Ridgewater's" and a "Destination Playground" you won't find offerings like this anywhere else but Butte.

We are proud of our people, our city, our history and all the things that define Butte. As we start a new decade, we are humbled at the work that has been done but ready to roll our sleeves up at every challenge in front of us to continue to define and sculpt our community to make it even better than it is today. In

Butte, we have a way of getting things done! The foundation and history of Butte is engrained in hard work, challenge and determination and that same foundation is what we continue to build on every day.

Whether you are a resident or a visitor, I hope you treasure everything we have to offer. And as we say here...Tap'er Light and enjoy Butte America!

you eight photos, five bullet points and a 1,600-character description of your products/services that you can update anytime you want, as well as the ability to upload your commercials or YouTube videos. Extra options include job postings when you are looking for that perfect person to join your team. List your openings on the Chamber's website.

"Email to a friend" link – visitors on your Chamber hosted web page may click a link to email your business information to a friend.

To access this great information and FREE ADVERTISING, you'll receive a login and password to your webpage so that you have 24/7 access to your own information. You can now update your business/contact information, register for Chamber Events and even view your webpage statistics and track how many visitors are viewing your profile!

COMMUNITY & ECONOMIC DEVELOPMENT

The Chamber participated in the BBER Economic Outlook Seminar on February 6, 2020. The Chamber meets regularly with Butte Silver Bow leaders as part of an Economic Development team. They continue to improve the quality of life in Butte. As part of the Economic Development Team we work closely with St. James Healthcare to recruit physicians and their families to Butte.

LEGISLATIVE ADVOCACY

The Chamber attends Business Days at the Capital in January of each year. We are very active with the Montana State Chamber of Commerce and attend the Montana Association of Chamber Executives to bring additional information back to Butte to help grow our community.

AFFORDABLE ADVERTISING

Advertising opportunities at the Chamber are endless! You can offer store coupons or job postings on our website, include a banner advertisement with a link to your business' website, or send out a flyer in our e-newsletter.

Butte-Silver Bow's Mission

Butte-Silver Bow strives to be the best community in which to work, live and raise a family. In order to accomplish that goal, we promise to provide services to our entire community, citizens and businesses in an efficient and effective manner.

As Chief Executive, my mission is for our local government to seek input from businesses and residents to move Butte forward. Community enrichment and development, industry and job growth, historic preservation, environmental cleanup, economic development and improvements to infrastructure are on the forefront of keeping Butte a place to visit, play, work and live.

In 2020, Superfund will dominate Butte's landscape as the Consent Decree will be signed and the clean-up process will continue. The start of the restoration of the Silver Bow Creek corridor will bring a new lease on life in areas of Butte for its residents and visitors.

Butte's community pool, Ridgewaters, The Spirit of Columbia Gardens Carousel and remodel of Stodden Park will bring summer-long excitement for Butte's youth and families. Visiting Our Lady of the Rockies atop the East Ridge, the underground tour of the Mining Museum and walking tours of Uptown Butte can bring Butte's history to life!

Many new projects have been completed and running, as well as new ones to begin:

- Veterans Home Opening 2020
- Butte-Silver Bow County Shops Construction
- Montana Connections Park (over \$30 million in construction)
- Montana Craft Malt Plant
- New Ace Hardware
- Praxis Medical Center (currently raising funds for this project)
- Montana Production Studios (40 East Broadway Street)
- FCR Call Center
- Continually striving for new retail by working with the Buxton Corporation
- Harrison Avenue South Urban Renewal District begins
- WAUSAU Supply Co.

Butte-Silver Bow has grown to become a destination for our summer and winter festivals, miles of walking, hiking and biking trails, fishing, museums, numerous art galleries and the summer Art Walk, breweries, Headframe Spirits Distillery and many family-orientated activities and events. All of these make Butte the best place in Montana to live, work and play.

I look forward to an exciting year of growth and vitality for Butte-Silver Bow in 2020!

Community and Business Development

The Community and Business Development Department works in conjunction with the Butte Chamber of Commerce, Butte Local Development Corporation, Port of Montana, Headwaters RC&D and the Bert Mooney Airport in our efforts to improve the economic opportunities for our citizens and improve the community in which we all live.

One of the main tools used by the Community Development Department is Tax Increment Financing. Tax Increment Financing allows a district to capture increased incremental taxes and use the increment to address blight and infrastructure issues within the district. Butte-Silver Bow has four tax increment districts:

- Urban Renewal Agency (URA) – consisting of the Uptown Business District. The URA's goal is to work with developers through loan and grant funding to reduce blight in the district. In the past 5 years, the URA has granted over \$800k, which encouraged a minimum of \$3.5 M private investment. The projects range from new signage to complete building rehab for commercial and residential properties.
- Renovation and Rehabilitation Agency (RRA) – consisting of the east Butte area between Montana Resources and Utah Ave. The RRA started as a mostly vacant properties and has seen a lot of new development over the years. In 2019, the RRA granted funds for the construction for the new MarCom, LLC lab.
- Tax Increment Financing Industrial District #2 (TIFID #2) also known as Montana Connections Business Development Park consists of over 1000 acres west of Butte. Montana Connections focuses on constructing large industrial infrastructure to assist developers with construction costs. 2019 was a great year for Montana Connections with the continued construction of Montana Craft Malt, start of construction on the Western States Asphalt plant, expansion of Montana Precision Products, expansion and relocation of Old Dominion and completion of the Butte-Silver Bow spec building for manufacturing and/or distribution/warehousing. And 2020 will be another great year with the start of construction of rail spurs and two new potential distribution projects.
- South Butte Industrial Park (TEDD) – consisting of the Industrial Park around Technology Way and South Parkmont was created with a base year of 2017. The TEDD Board has decided to invest in an infrastructure analysis project to determine how future increment should be invested in the area.
- Harrison Avenue South (HAS) – consisting of the Harrison Avenue corridor from Sampson Street to Sunset Road was created with a base year of 2019. This District is intended to create a more robust neighborhood featuring mixed uses and a thriving commercial center.

Other duties of the Community Development office include the management of the Greenway Service District. The Greenway Service District is responsible for the planning, construction and management of the trail. The trail is a 26 mile corridor that will provide passive recreation opportunities between Butte and Opportunity including walking, running and bike riding. To date 3 trail heads and 16 miles of trail have been constructed. In 2019, the announcement of the Great American Rail-Trail project, a 3,700-mile connecting the country across 12 states and the District of Columbia connected the Silver Bow Creek Greenway to this greater, emerging trail system. Existing trails along the route already comprise over 1900 miles of trail.

Montana Tech

Montana Tech possesses an internationally esteemed, century-old tradition of excellence in higher education. Specializing in the science, technology, engineering, and math (STEM) disciplines, any field of study you choose at Montana Tech will lead you toward success. Our students learn in state-of-the-art facilities performing hands-on work relevant to today's industries.

In 1900, the Montana State School of Mines opened its doors to 39 students pursuing a mining or electrical engineering degree. Today, Montana Technological University specializes in the areas of science, technology, engineering, and math (STEM) disciplines.

Montana Tech's north campus offers four-year degrees, graduate degrees, and a doctoral degree in Materials Science. Many of Montana Tech's engineering programs are unique to the region and are among only a few in the country. For example, Montana Tech is one of ten universities offering a BS degree in metallurgical engineering, one of nineteen that offer a BS degree in mining engineering, and one of only twenty that offer a BS in petroleum engineering. Montana Tech also provides more traditional engineering programs, including mechanical, civil, electrical and environmental engineering. The university's south campus, Highlands College, is a comprehensive two-year college embedded within Montana Tech. Highlands offers associate degrees and certificate programs, continuing education, and customized training. Highlands College allows graduates to enter the workforce immediately, or earn credits that may transfer to a 4-year degree program.

Also, Montana Tech offers non-engineering degree and certificate programs in interdisciplinary arts and sciences, cybersecurity and a certificate in pre-apprenticeship lineman. A number of Montana Tech's non-engineering programs have specialized accreditation/certification from entities such as the American Chemical Society (ACS) and The Commission on Collegiate Nursing Education (CCNE).

The campus is home to the Montana Bureau of Mines and Geology (MBMG) whose state agency mandate is to collect and publish information on Montana's geology to promote orderly and responsible development of Montana's energy, groundwater and mineral resources. The MBMG provides these services to the public and a variety of constituents within the private sector, as well as federal, state and local governments. The MBMG's research faculty also closely collaborate with the academic faculty on research and in the mentoring of graduate students.

Montana Tech's commitment to research has resulted in significant growth over the past few years to exceed \$12.5 million annually from local, state, and national agencies and the private sector. Research specialties emphasize natural resources engineering, materials science and engineering, energy, geosciences and water, restoration ecology and envi-

ronmental engineering, health and bioscience. The distinctive research infrastructure includes an on-campus underground mine; the Center for Advanced Mineral, Metallurgical, and Materials Processing; a High-Performance Computer with 3-D visualization; and the Montana Bureau of Mines and Geology. Projects involve undergraduates and graduate students working closely with faculty.

With over \$36 million in recently completed building and renovation projects and another \$3 million under design, the Montana Tech campus blends historic architecture with new state-of-the-art living and instructional facilities. In the fall of 2019, the new Student Success Center/Living Learning Center opened, providing an ideal environment for students to live, learn, gather and develop lifelong friendships. A new Natural Resource Research Center was recently constructed, which features one of the most high-tech nanotechnology clean labs in the country and will soon house the Schweitzer Engineering Power-Systems Lab. A Nursing Simulation Lab is also under design, which will allow the Nursing department, a recognized leader in education in the state, to increase the intake of students along with integrating real-life simulation opportunities throughout the entire nursing curriculum. Investments have also continued on the underground mine education center, which is the only on-campus underground mine in the country. In 2019, Montana Tech and the Montana Tech Foundation completed a \$40 million campaign. The campaign contributed significantly to improve Tech's campus infrastructure through capital projects while adding \$12 million in new scholarships, including \$7.6 million in new endowed scholarships, \$2 million in investments in our faculty and \$5 million in our programs.

School District #1

Butte School District has a rich academic tradition that serves as a symbol of unchanged purpose, a dedication to excellence, and is a tribute to the spirit of our Butte community.

WATCH US GROW

The core purpose of the Butte School District is to provide students with the essential skills and knowledge to be successful in life. We do this by:

- Providing a positive, supportive and safe environment
- Teaching fundamental subjects while also equipping students with problem solving skills to solve real social issues in a multi-cultural environment
- Encouraging lifelong learning;
- Effectively incorporating technology into all aspects of our curriculum
- Emphasizing the importance of responsibility, integrity, citizenship, and participation in our democratic process

OUR DISTRICT:

- PASSED \$35 Million Safe Schools Bond to improve the interiors and exteriors of East Middle School and the Butte elementary schools
- 100% of our teachers are highly qualified and 71% have advanced degrees
- Butte School District has received over \$5 million dollars in grants to implement a comprehensive multi-tiered system of supports, expand preschool services and offer afterschool and summer academic and enrichment programs for our K-12 students.
- Safety cameras were installed on all school buses to enhance the safety of all students and drivers.
- Butte School District “Shoes for the Sole” has provided over 1000 pairs of shoes, socks and boots to students in need.
- Parents have access to “HERE COMES THE BUS” app that shows real time location of bus on a map and gives arrival times at home and school.
- Butte School District has successfully implemented trauma-informed and restorative practices and policies.
- Trained over 732 employees and community members in Youth Mental Health First Aide and Adverse Childhood Events (ACES)
- Over the past 5 Years there has been a 23% decrease in suspensions and expulsions and a 31% decrease in the number of students who were bullied.
- 2019 graduation class received over \$2.5 dollars in scholarships.
- Butte High School offers 65 dual credit courses.
- 203 of Butte High School’s student athletes earned Academic All-Conference Honors.

OUR SCHOOLS:

Butte High School provides a progressive educational environment that offers world-class college-prep academics and award winning vocational and fine arts programs, in combination with integrated approach that affords students opportunities for participation in both extracurricular activities and community service projects. Butte High School students graduate ready to enter higher learning institutes, or with skills that take them from the classroom to the world of work.

East Middle School plays a significant role in the lives of all Butte School District students as it is not only the line between elementary and high school, but it is here during these years where adolescents begin to build a repertoire of cognitive and interpersonal skills. East Middle School is organized using the team concept model which provides for smaller learning community utilizing an interdisciplinary approach to instruction. East Middle School offers a comprehensive curriculum that includes core classes along with exploratory classes including art, chorus,

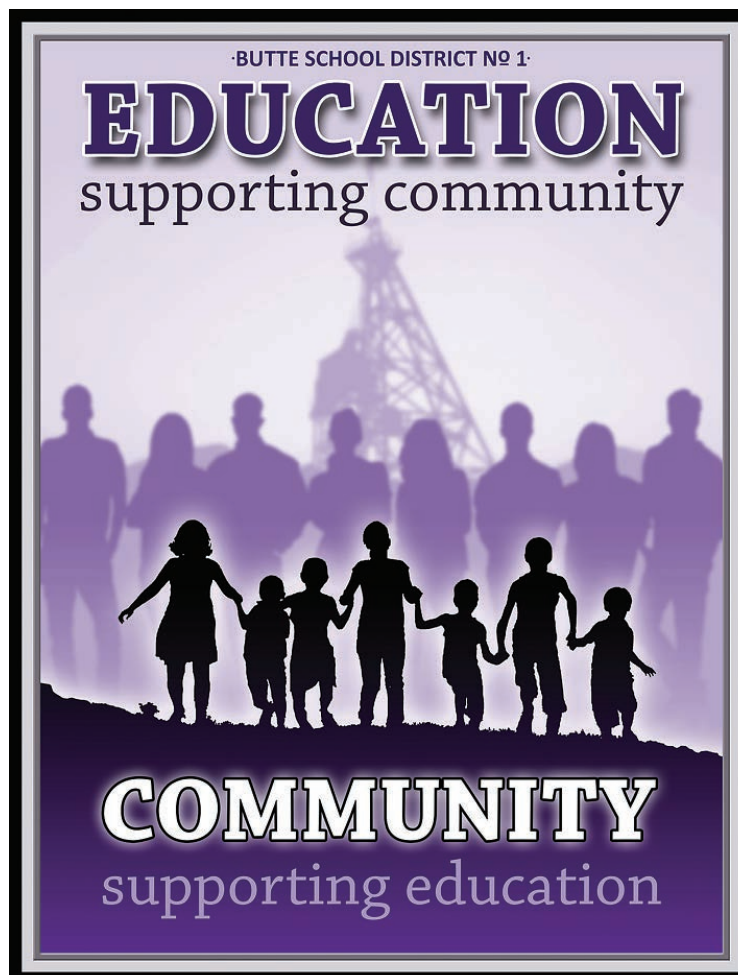

band, orchestra, health enhancement, FACS, STEM, career and technical education and foreign language courses.

The curriculum in the K-6 elementary schools centers around the Montana Office of Public Instruction Content Standards and ensuring mastery of skills in reading, language arts, mathematics, science, social studies, and health enhancement. Art, general music, band, and library technology instruction are provided to all K-6 students by highly qualified instructional specialists. Afterschool and Summer Programs provide students an opportunity to participate in a variety of enrichment activities including; reading, math, recreational and sports programs, Native American Studies, robotics, cooking and art.

OUR COMMUNITY:

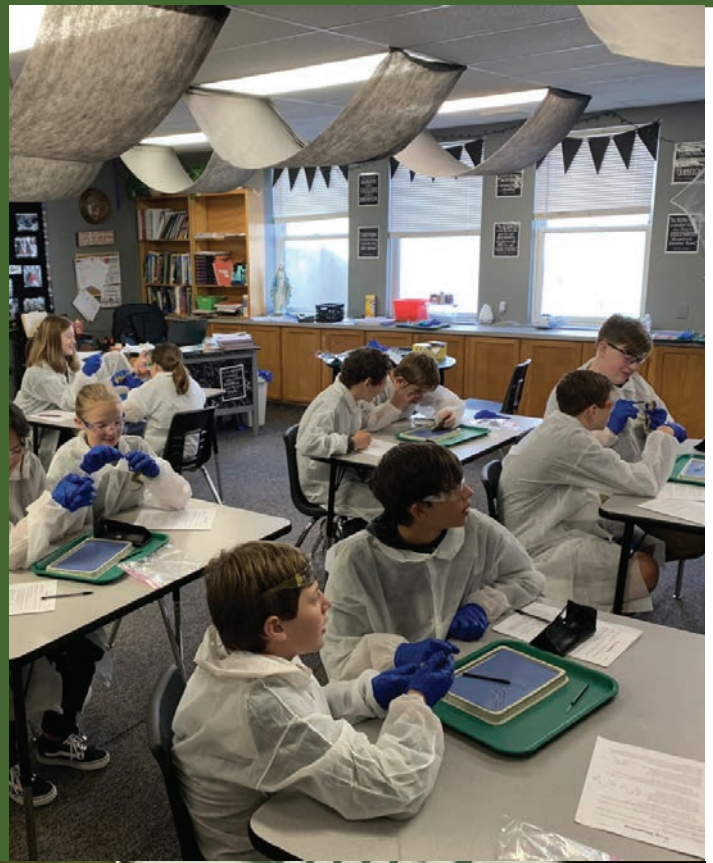

Butte School District is fortunate to have extremely active community and parent involvement programs. Over 50 senior and retired volunteers work in our schools on a daily basis and partnerships with community agencies and organizations allow our District an opportunity to provide a plethora of programs including but not limited to: Food Bank (Weekend Back program), Big Brothers and Sisters (Student Mentor Program), Butte Educational Foundation (Supporting Teachers and classrooms), Mt. Tech (College student volunteer Program) and Adopt-a-cop (School Safety Program).

Butte Central Catholic Schools

For over 100 years, Catholic education has been a vital part of the Butte community. Butte Central Catholic Schools have provided over 16,000 young men and women with an outstanding education deeply rooted in the proud traditions of the Catholic faith. For many years of enduring success, Butte Central has thrived with a remarkable resilience and a tremendous spirit. Personal attention, high expectations, strong discipline, Christian values, and a powerful drive toward excellence speak to Butte Central's motto of "Pride, Tradition and Commitment."

From its humble beginnings, well over a century ago to the present, Butte Central Catholic Schools have provided the youth of Butte community with an outstanding educational experience. Today, our system features an elementary school campus located at 1100 Delaware Street and high school campus located at 9 S. Idaho Street in Uptown Butte. In 2005, the Maroon Activities Center was built in Butte's historic Eastside. The Maroon Activities Center provides the Butte Central Catholic School System with one of the finest athletic, performing arts and meeting facilities in the State of Montana.

Central Catholic Elementary School features an outstanding pre-school, kindergarten and 1st-8th grade program. The school also offers a daycare and afterschool care program for working families. Central Elementary enjoys an atmosphere of success centered on personal attention, small class sizes, parental involvement and a safe and secure setting.

Butte Central Catholic High School provides students with one of the finest 9th-12th grade programs in Montana. Over 95% of Butte Central graduates go on to college and higher education. Since 2002, 553 young men and women have graduated from Butte Central High School. The graduating classes of 2018 and 2019 earned a combined total of \$2.6 million in college scholarships, averaging to \$44,067 per student.

The growth and development of students in preschool through high school is enhanced by philosophy, which challenges each individual to explore their talents. Opportunities for prayer, faith development and service to others are a part of each day in Butte Central Catholic Schools. Students of all faiths are welcome to attend Butte Central Catholic Schools.

Outstanding teachers are a big part of the Central experience. All faculty members are certified by the State of Montana which requires a minimum of a bachelor's degree. Many BC members have earned advanced degrees.

Butte Central High School is accredited by the National Association of Catholic Schools. In 2012, Butte Central was awarded an additional accreditation through the Western Catholic Education Association. This prestigious accreditation was granted after an extensive 18-month application process and an on-site visitation by a team of educators from the Western United States.

In 2016, Butte Central Catholic Schools added the Esther (Sullivan) Cote Resource Program to provide academic assistance to students with special academic needs. The program, which is staffed by a certified special education teacher, is available to students in kindergarten through high school.

In 2017, Butte Central Catholic High School introduced the Bishop Thomas Scholars Academy. This innovative program is designed to promote advanced academic opportunities for students who are serious about preparing for college. The program, which is open to 9th – 12th graders, will challenge students to maximize their academic potential and strengthen their high school experience. The Academy will focus on preparing students for college placement tests, and to increase opportunities for college admissions and scholarships. Students enrolled in the Academy, in its first year, earned exceptional ACT scores and renewed impressive scholarship opportunities.

This past fall, the Junior Bishop Thomas Scholars Academy was added to the junior high program for 5th – 8th graders. This program features exciting academic enrichment for our middle school students.

In addition, our high school has expanded out dual credit college program. Butte Central students now have the ability to earn college credits through the Montana Tech Jump Start Program. Multiple college credit courses are offered to BC students.

St. James Healthcare

Since 1881, the physicians, providers, associates, and volunteers at St. James Healthcare have extended God's healing love in the tradition of the Sisters of Charity of Leavenworth.

St. James Healthcare is the only acute care facility in southwest Montana, and it serves as the regional medical center for seven counties (Silver Bow, Deer Lodge, Granite, Powell, Jefferson, Madison and Beaverhead counties). In addition, the St. James Medical Group includes 7 clinics: SCL Health Heart & Vascular Institute - Butte; SCL Health Medical Group - Butte; St. James Cancer Center; SCL Health Medical Group - Butte OB-Gyn, and SCL Health Medical Group - Butte Urology. Ranked as the largest private employer in Silver Bow County, St. James Healthcare employs more than 450 associates, alongside 100 physicians and advanced care professionals, offering 24-hour care and dozens of progressive specialty services.

St. James is part of SCL Health, a nonprofit faith-based health system with 8 hospitals in Colorado and Montana. Together, St. James Healthcare, St. Vincent Healthcare in Billings and Holy Rosary Healthcare in Miles City, represent SCL Health Montana. As part of SCL Health, St. James has direct access to best practices in health care, delivery, resources, technology, talent and strategic capital.

SERVICES AND EXPERTISE

Cancer Center: St. James Healthcare offers comprehensive, state of the art services that include

- Diagnostic Services - x-ray, pathology, scans and blood work
- Therapeutic Services - specialty providers in medical oncology, radiation therapy, surgery and interventional radiology
- Restorative Services - physical, speech and occupational therapies; lymphedema management and wound care.
- Support Services - financial counseling, social work, nutrition, spiritual care and patient/family education

The advanced cancer services in both radiation and medical oncology our Cancer Center provides high-quality and compassionate care to patients.

Cardiology: Our Cardiovascular team provides patients with the highest level of cardiac care. Using state-of-the-art equipment, St. James provides both diagnostic and interventional cardiology services including cardiac catheterizations, angioplasty, coronary stenting and all cardiac diagnostic tests. St. James also offers a nationally certified cardiac rehabilitation and medical exercise program so patients can recover and receive follow-up care close to home. Additionally, an expansion to our Cath Lab is underway with the \$8.2 million renovations on track to be completed in 2020.

Orthopedics: Our Orthopedic Center is a collaborative effort between St. James Healthcare and Montana Orthopedics. The Center offers quality, innovative, patient-focused services for trauma, joint replacement and spine surgeries as well as sports medicine services. Our highly skilled

orthopedic surgeons perform total joint replacement of the knee, hip and shoulder and prevention, and treatment of athletic injuries, arthroscopic surgery and physical therapy. Spine surgery includes complex trauma, scoliosis, pediatric and degenerative deformities, revision procedures, motion sparing technologies and cervical reconstructive surgery. St. James Healthcare purchased the Excelsius GPS Robotic Navigation system, the most state of the art minimum invasive spine fusion equipment of its kind. The system allows for improved accuracy, reduced radiation exposure, and increased efficiency during spinal surgeries setting St. James apart as the only healthcare facility in the region with access to this technology.

Women's Services: Regardless of age, women can receive all the services they need at any stage of life. From having a baby to experiencing menopause and beyond, St. James women's services staff handle it all. The experts at St. James Healthcare's Women's Services can help women determine what they need and when they need it. The new and improved St. James Family Birth Center builds on our legacy of delivering exceptional care to our patients and their families. The rooms are bright, beautiful, spacious and modern and designed to be comfortable for the whole family. They're the perfect place for moms to rest easy and for parents to bond with their little ones after arrival.

Surgical Services: In addition to orthopedic surgery, St. James offers general, vascular, thoracic (chest) and urologic surgery in four, state-of-the-art surgical suites. Our skilled team of surgeons has expertise in performing abdominal, lung, chest surgeries, including aneurysms, using the latest surgical technologies, such as the da Vinci Robotic Surgical System for minimally invasive surgeries.

Wound Healing & Hyperbaric Center: Our team has the most advanced training using methods for treating chronic and non-healing wounds. Our multidisciplinary approach is focused on rapid healing and finding the causes of wounds. We assess, treat and help you manage your healing process.

Imaging and Ancillary Services: St. James' patient care is complemented by exceptional imaging and ancillary centers. The imaging center provides the full spectrum of diagnostic capabilities using the latest technology including a 64-slice CT scanner and an on-site radiologist for immediate needs, as well as an on-site CAP-accredited laboratory, anesthesia, pharmacy and therapy services.

Southwest Montana Community Health Center (SWMTCHC)

Southwest Montana Community Health Center has been serving southwest Montana since 1986. Healthcare is available for all people regardless of insurance status or their ability to pay. The SWMTCHC offers a sliding fee schedule that allows us to adjust charges for healthcare services according to family income. In addition, SWMTCHC accepts payment from Medicare, Medicaid, Healthy Montana Kids, and private health insurance plans. The SWMTCHC has locations in Butte, Dillon, Sheridan and Anaconda.

Services

Medical

The SWMTCHC provides comprehensive medical care, including physical exams and preventive care for all ages, urgent care, chronic disease management, substance abuse care, pediatrics and immunizations. Same day appointments for both urgent and routine care.

Dental

The dental team works with patients to promote overall oral health, including check-ups, cleanings, x-rays, fillings and extractions. Each weekday morning a walk-in clinic for dental emergencies is available. The second and fourth Friday of each month is Free Kids Day and all children are seen free of charge.

Behavioral Health

Behavioral health therapists work hand in hand with the medical team to assess and treat patients.

Pharmacy

The SWMTCHC has a full-service retail pharmacy serving both SWMTCHC patients and the public. SWMTCHC patients are eligible for discounted medications based on income. Also, clinical pharmacists work directly with their medical providers to care for patients needing medication assistance and education inside the clinic.

Healthcare for the Homeless

SWMTCHC provides temporary medical services for homeless persons and ongoing medical care for people who remain in the Butte area. Case management is available to assist patients in finding local resources they may need.

The Beef Trail area served as one of Butte's original ski areas and has since been developed into a premier residential area offering relative privacy, views of the surrounding mountain ranges, and proximity to the city of Butte.

The East Ridge sits at the footstep of the Rocky Mountains and the pride of Butte... the Lady of the Rockies. The East Ridge maintains some of the best views of the city and adjacent mountain ranges.

"Uptown" as it's known to the natives of Butte includes one of the largest Historical Districts in the US... an eclectic mixture of retail, residential, and commercial this area offers a vibe like no other in Montana.

The Country Club area is anchored by the Butte Country Club golf course that once was the site of Lake Avoca... this area includes a mixture of ranch style homes and newer construction of custom-built designs.

Blacktail Loop has emerged as one of the most sought-after neighborhoods with its 2.5 acre sites and custom built homes... located in the city, this area benefits from a country feel.

Walkerville is a small community with turn of the century housing that serves as the entrance to the Moulton Reservoir area, which offers custom-built homes on larger acreage surrounded by beautiful stands of aspen trees.

Butte-Silver Bow Law Enforcement Department

The Butte-Silver Bow Law Enforcement Department is a professional police department and is the only law enforcement department serving The City and County of Butte-Silver Bow. The law enforcement department is the result of the consolidation of the Butte Police Department and the Silver Bow County Sheriff's Department that occurred in 1977. The law enforcement department is led by an elected sheriff. The current sheriff is Ed Lester, a 30-year veteran of law enforcement in Butte-Silver Bow.

The law enforcement department also oversees the operation of the Butte-Silver Bow Emergency Dispatch Center and the Butte-Silver Bow Detention Center. The Law Enforcement Center is located at 225 N. Alaska Street in Butte. The detention center is located nearby, at 155 W. Quartz Street.

The mission of the Butte-Silver Bow Law Enforcement Department is to protect life and property from criminal activity and maintain the public peace and safety by enforcing the law. Activities of the law enforcement department include arresting and detaining suspects committing or attempting to commit criminal offenses, serving legal papers, suppressing breaches of the peace, riots, or insurrection, investigation of crimes and administration of various community relations programs.

The law enforcement department is divided into three divisions.

They are: The patrol division, the investigative division and the detention center. The department also has a Special Weapons and Tactics (SWAT) team as well as a number of trained hostage negotiators. The law enforcement department recently joined the Internet Crimes Against Children Task Force (ICAC) and placed an investigator on The Southwest Montana Drug Task Force (SWMDTF). A canine unit has also been added to increase drug enforcement capabilities. The department also has 2 School Resource Officers and a Public Housing Authority officer.

Nearly all sworn personnel, 911 Communication Officers and Detention Officers are trained in Crisis Intervention Techniques in order to interact with persons who are in crisis situations.

The law enforcement department currently has 52 sworn law enforcement officers, 12 dispatchers, 29 detention officers and approximately 15 other civilian employees.

The Butte-Silver Bow Law Enforcement department responded to over 32,000 calls for service in 2019.

The men and women of the Butte-Silver Bow Law Enforcement Department are well trained professionals who are devoted to serving the citizens of Butte-Silver Bow.

Butte-Silver Bow Fire Department

The mission of the Butte-Silver Bow Fire Department is to provide the highest level of fire protection and emergency medical services to all of the citizens that we so proudly serve.

The members of the Butte-Silver Bow Fire Department are committed to delivering these services in the form of fire suppression, emergency rescue, fire prevention education, fire investigation, property inspection, emergency care for the sick and injured and any other function that we may be called upon to provide in an emergency.

Career Department consists of 39 members who operate out of two fire stations.

Career suppression staff work a 24/72 hour schedule

Career suppression staff is organized into four shifts - A, B, C, and D. Each

Shift has a battalion chief, two captains and six firefighters assigned to it.

Career administrative staff consists of the Director of Fire Services, the Assistant Chief/Fire Marshal and a Fire Services Office Coordinator.

The Fire Department operating budget also supports two 911 Emergency Dispatcher positions.

Volunteer Departments consist of nine individual departments, Big Butte, Boulevard, Centerville, Floral Park, Home Atherton, Little Basin Creek, Race Track, Rocker and Terre Verde. Each of the nine volunteer fire departments has its own command structure and elected board of district trustees with the exception of Little Basin Creek which is categorized as a volunteer fire company.

Volunteer staffing varies but typically runs in the range of 125 active volunteer firefighters.

The Fire Department budget supports 14 facilities which include the Silver Bow Fire Training Center and a fleet comprised of 33 pieces of fire apparatus and support vehicles.

Insurance Services Office (ISO) Public Protection Classification is a split classification- 4/10. Their most recent reviews and improvement of the Public Protection Classification was the result of several years of hard work and cooperation between several local government agencies.

Advantage Butte

MISSION STATEMENT

Our purpose is to enhance the Butte Economy through promoting and supporting sporting and related events in Butte.

BACKGROUND

Advantage Butte was founded when a group of local business leaders recognized that sporting events bring millions of dollars annually into our community. Most of these events can be self-supporting. Many of the potential sponsors of these events, however, lack the resources to provide some of the initial funding to attract and promote the events or lack the resources to cover potential shortfalls. By bringing together broad-based support from throughout the community, the group can provide the financial resources to allow event sponsors to compete effectively in the state and regional market.

Advantage Butte provides Economic Development for Butte through the sponsorship / underwriting of sporting events in the community. The easiest way to measure the success Advantage Butte has had is the number of tournaments we have hosted. Since our organization was founded in 2004, through the spring of 2019, that number stands at over 160. The financial impact of these tournaments is just over \$43 Million dollars added to our local economy.

Since Advantage Butte is a 100% volunteer organization, all money raised goes to the successful bidding and hosting of tournaments. Advantage Butte has always relied on donations from the Butte business community to create Economic Development.

MEASURING IMPACT

The Montana Chamber of Commerce has established a formula to assist communities in measuring the economic impact generated by sporting events.

- Each team member is valued at \$100 per day. (avg. team is 18 players)
- Each team brings 2 fans per athlete -- the exception to this is the class C boys' basketball which is the largest single basketball tournament in the state. Each fan is valued at \$100 per day.

2019-20 ECONOMIC IMPACT

Using these formulas, we have determined the economic impact of the events which we are supporting over the current school year:

• Montana Tech Big Sky Volleyball Challenge	\$ 275,400
• Special Olympics State Basketball	\$ 632,100
• Jim Street Mining City Duals	\$ 260,000
• District 12C Boys' & Girls' Basketball	\$ 227,000
• State Class B Boys' and Girls' State Basketball	\$ 450,000
Total	\$1,844,500

Advantage Butte is dedicated to supporting events that provide our community with an excellent return on investment.

QUALIFICATIONS

Advantage Butte is operated by a Board of Directors made up of representatives of local businesses which are members of the group.

Chairman	Rody Holman	PayneWest Insurance
Vice Chair	Kami Johnson	Butte Plaza Inn
Treasurer	Brad Spear	Anderson Zurmuehlen
Secretary	Dorea Wilmoth	Town Pump Corporate

Advantage Butte's successes since its inception in 2004, over \$43 million dollars in economic impact to our community while hosting over 160 tournaments.

Tournament bids and contact committee is chaired by Ron Davis. Ron is owner and General Manager of KBOW and KOPR radio stations. With 39 years of experience broadcasting radio and television sports, Ron is well known in the sports community. Ron has worked with the Montana High School Association on many different areas of high school sports and brings a great understanding to bidding tournaments to Advantage Butte.

Without the tireless efforts of our board and membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments that we have supported may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events that are often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, we truly believe that we have a world-class organization.

Butte-Silver Bow Convention & Visitors Bureau (CVB)

Montana lodging properties began collecting a “bed tax” in the late 1980s, with the sole purpose of promoting our great state to non-resident travelers. Montana statewide collections have risen from \$4.8M in 1988 to \$33.3M in 2018, Butte collections have risen from \$266K in 1988 to \$1.1M in 2019. The increase in “bed tax” collections is due to the success of promotional campaigns, as well as in guest room rates and occupancy over the years. On top of the promotional dollars; an additional 3% is collected and put toward the General Fund. Beginning in January 2020 an increase to 4% will be collected for the General Fund.

Butte has a designated CVB, meaning we receive a portion of the collected promotional funds. The amount of money Butte receives is roughly \$125,000 annually. Because these are tax dollars there are specific rules and regulations pertaining to how these dollars can be spent. An annual marketing plan is prepared and presented to the Governor’s Tourism Advisory Council for their input and subsequent approval. At the end of each fiscal year, July 1 – June 30, each CVB and travel region is audited by the Compliance Specialist at the Montana Office of Tourism and Business Development (MTOBD).

Here is an overview of some of the Butte CVB expenditures for FY18-19:

- Director salary and summer staffing for the Visitor Information Center at the Chamber of Commerce: \$38,000
- Attendance at consumer travel shows and tradeshows promoting our region to tour operators and individuals who have a link to the historic and outdoor recreational opportunities in the Butte area: \$16,000
- Advertising in travel guides: Southwest Montana, Glacier Country and the Yellowstone Journal: \$12,000
- Creation and printing of Visitor Guide and other pieces for distribution: \$12,000
- Festival sponsorships: \$5,000
- Attendance at mandatory functions: \$1,200
- Digital & online promotion: \$60,000
- Payment of postage for sending visitor information, 800#, website domains and email: \$900

For more information on CVB dollars, approved expenditures, rules and regulations and MTOBD/Commerce tourism grants, go to: www.marketmt.com. For information on approved research projects funded with bed tax dollars, please go to: www.itrr.umt.edu.

Butte-Silver Bow Tourism Business Improvement District (TBID)

The Butte-Silver Bow Tourism Business Improvement District (TBID) was created in July 2011 at the request of Butte hoteliers, to build a promotional fund to increase hotel guest room sales and revenue. Butte lodging facilities collect \$1.00/occupied guest room/night from hotel guests. These funds are billed with the Butte-Silver Bow November property tax bills. From October 1, 2018 to September 30, 2019, Butte collected just over \$250,000. Annually a budget is produced and presented to the Butte-Silver Bow Council of Commissioners and Chief Executive for their review and approval.

TBID dollars are allocated to the following areas:

- Festival Sponsorship
- Events & Tournament Sponsorships
- Meetings & Group Market to promote our convention facilities and offerings to groups looking to visit Butte
- Special Projects (an example is the campaign with the Bert Mooney Airport)
- Administration salary and operating expenses

The TBID accepts grant applications for funding events, tournaments and projects. Grant applications are reviewed and scored according to guidelines set forth in the grant application process. The TBID operates under two funding cycles; application submittals are accepted

from January 1 – 30, and again June 1-30. The TBID board meets in February and July to review and determine grant awards.

Along with funding grant applications, the TBID works cooperatively with the Butte CVB, Southwest Montana travel region, and the Montana Office of Tourism and Business Development (MTOBD), capitalizing on advertising buys and projects; keeping with the Montana Brand to present a cohesive message for our state and area.

The TBID funded the following projects and events in 2019: Montana Folk Festival, Copper City Cross Fit Hypoxia, Stodden Park/Ridge Waters promotion, tournaments and events at the Butte Civic Center and Maroon Activities Center, Mother Lode Theatre website, conference assistance and the new website Butteelevated.com. The TBID put aside \$200,000 toward the needed minimum revenue guarantee to bring in additional air service into the Bert Mooney airport.

This year the TBID will again work with the CVB on a year-round campaign, promoting area activities, attractions, events, outdoor recreational opportunities expanding the website.

For more information on the CVB and TBID please contact Maria Pochervina at the Butte-Silver Bow Chamber of Commerce 406-723-3177 or mariap@buttecvb.com.

Now is the time to invest in Butte!

JOE WILLAUER, BLDC EXECUTIVE DIRECTOR,

There's an energy in Butte invigorating, strengthening, and inspiring innovation and entrepreneurship. We have a strong sense of culture and place focused on the importance of protecting and advancing our community and local businesses. The Butte Local Development Corporation (BLDC) is proud to be Butte-Silver Bow County's official public/private organization for economic development. Our mission is to lead our community in building a stronger and more diverse economy. We use a multi-pronged approach to advancing the Butte economy. This includes the recruitment of businesses to expand their operations to Butte, growth of existing companies, and partnerships with entrepreneurs and companies of all sizes to ensure that the future of Butte is bright.

- Through the work of the BLDC staff, businesses such as Montana Precision Products and First Call Resolutions were awarded BSTF Job Creation grants, creating over 150 jobs since 2018. Funds are awarded through two programs at the Department of Commerce: the Big Sky Economic Development Trust Fund (BSTF) and the Primary Sector Workforce Training Grant (WTG). The competitive reimbursement grant programs work in concert to create and train for good-paying jobs and have led to significant investment in our community.
- Thanks to the grant writing efforts of the BLDC and funding assistance from our community partners we have entered into a contract with Buxton Solutions, a national retail consultant. We will begin working with their organization to help our community understand who our best customers are, identify our best potential opportunities for retailers to locate in Butte and grow this important sector of our economy.
- The Fly Butte Initiative is a community-wide effort to secure additional flights to and from Butte, Montana. The initiative is led by a sub-committee that includes members from the BLDC, Headwaters RC&D, Butte Chamber of Commerce, Butte Convention & Visitors Bureau, City-County of Butte-Silver Bow, Butte Tourism Business Improvement District. The fundraising campaign has begun receiving commitments from businesses around the community as well as a match from the TBID to assist in a Minimum Flight Guarantee (MRG.)
- Through our partnership with Headwaters RC&D, Butte has been awarded a regional Food and Ag Development Center. This program provides technical services to value-added ag businesses such as Montana Craft Malt, and will expand the success Butte has had with manufacturing.

50 YEARS & THE BEST IS YET TO COME...

Recreation

Butte Silver Bow is a gateway to everything outdoors. From the trail system with endless possibilities for walking, biking and hiking to the rivers and streams just waiting to be discovered, you will find the possibilities are waiting right here within the city limits and our backyard.

Unlimited Outdoor Recreation

Butte is central to over 3 million acres of public land managed by the U.S. Forest Service and Bureau of Land Management to enjoy hunting, fishing at one of the many blue-ribbon rivers and streams, camping, winter sports and a variety of trail opportunities.

Unlimited Nearby Fishing Access

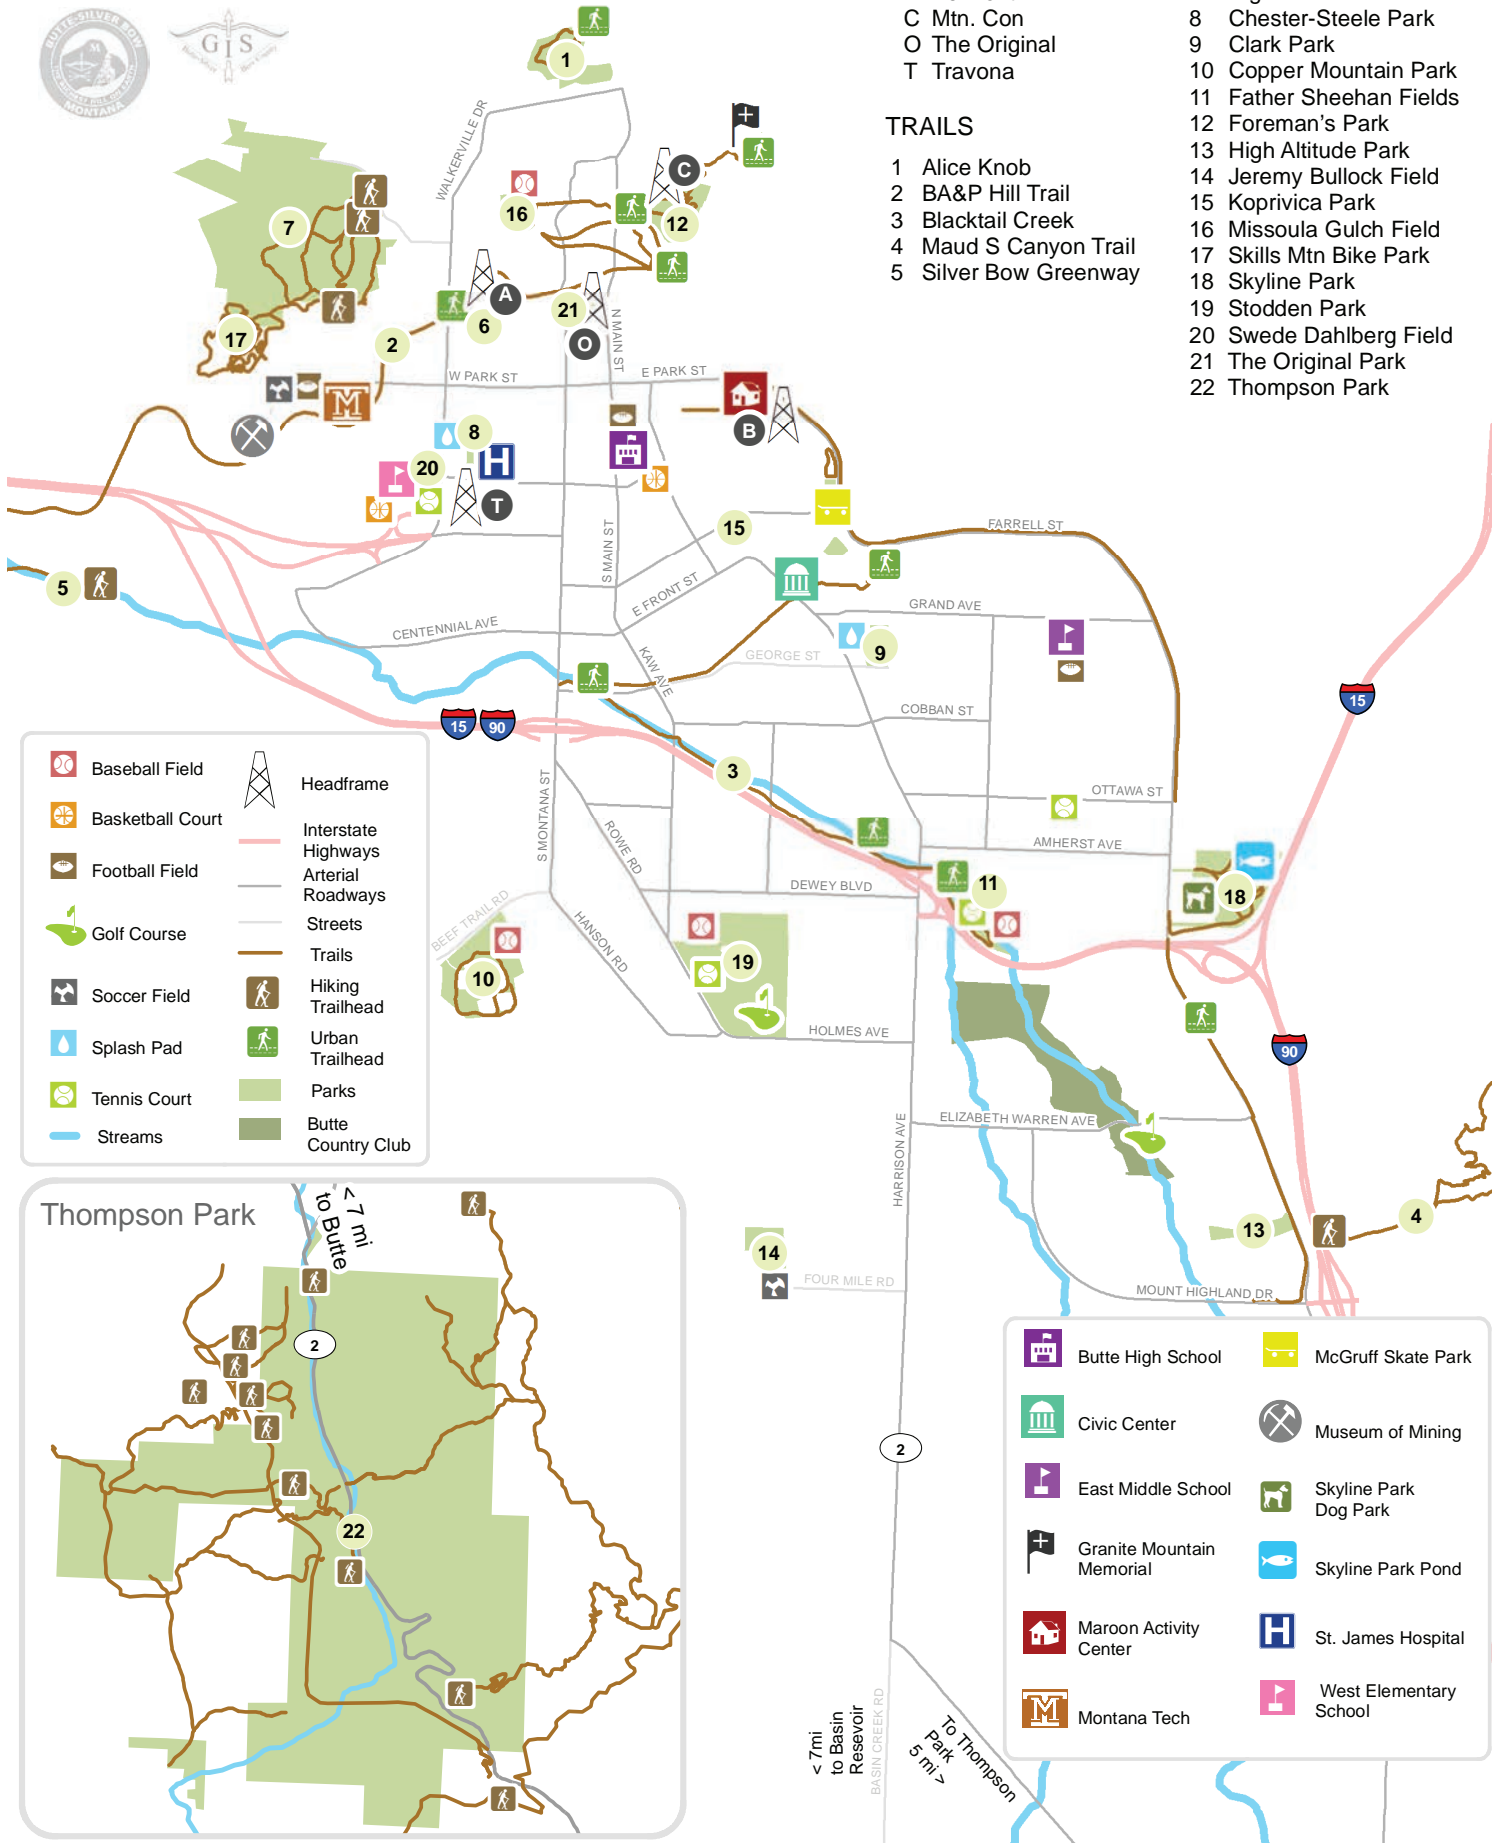

Butte is the intersection to all of the best fishing in Southwest Montana. The following is a list of great fishing opportunities and all are within a one-hour drive of Butte! Big Hole River, Jefferson River, Beaverhead River, Madison River, Georgetown Lake, East Fork Reservoir, Flint Creek, Rock Creek, Boulder River, Clark Fork River, Warm Springs Ponds, Silver Bow Creek, Harrison Lake and the Ruby River.

Trails, Parks and Scenic Drives

Butte is well known as Montana's best destination where you can experience trails for any level of adventure seeker. A huge variety of trails for mountain bikers, hikers, horseback riders, motorized vehicle and winter trail enthusiasts are within minutes of Butte. Thompson Park, Humbug Spires, Ringing Rocks, Whitetail-Pipestone, Copperway and Butte Heritage Park Trails, Discovery and MT Tech mountain bike parks, Anaconda-Pintler Wilderness Area, Lost Creek State Park, Pioneer Scenic Byway, Lewis and Clark Caverns and the Continental Divide National Scenic Trail are all within 60 minutes for year-long opportunities.

Enjoy Butte's outdoor spaces.

OUTDOOR ADVENTURE JUST 15 MINUTES FROM BUTTE!

- The Milwaukee Road – a fun and adventurous route through the heart of the Park with beautiful vistas, cavernous tunnels and a breathtaking trestle.
- Trails – hikers, bikers and equestrians have numerous trails to explore with easy access to the Continental Divide National Scenic Trail. Look for interpretive signs to learn about the Park’s history, geology, wildlife, and plants.
- Several trails are groomed for winter use.
- Picnic areas – several picnic areas are available for family outings and quiet getaways.
- Eagles Nest Disc Golf course – try your luck on the challenging 18-hole course at Sagebrush Flats.

Please follow these simple rules:

- Thompson Park is a DAY-USE facility open daily May through October. No overnight camping.
- Fires are allowed ONLY at picnic-site grills. Camp stoves and portable barbecue grills are allowed.
- Discharging firearms, arrows, or other weapons is prohibited in the Park.
- Firewood cutting is not allowed.
- Help us keep the Park clean for all visitors, place garbage in designated trash containers.
- Share the trail and respect all trail users.

Highlands Cycling Club

The mission of the Highlands Cycling Club is connecting the cycling community and trails across Southwest Montana. In 2019, we helped add six to eight miles of new trail in Thompson Park.

From beginners to advanced riders we assist in a variety of ways. We conduct beginner riding clinics as well as we are building a youth club and skills clinic.

Our youth team is the Copper Sprockets. If you would like to get involved, please contact Contact Gary Wyss at wysl@aol.com.

Copper Sprockets Youth Cycling Club

The Copper Sprockets team welcomes riders in grades 6-12 from Butte and Anaconda to ride with the team. The team rides and races in the Montana Cycling League (www.montanamtb.org). Our team philosophy is to get kids on bikes and have fun. Our central goal is for students to develop a strong body, mind and character through mountain biking.

There are no tryouts. Everyone rides no matter his/her ability and skill level. Racing is optional and not required to join the team.

The Copper Sprockets compete in cross-country style racing, based on National Interscholastic Cycling League standards (www.nationalmtb.org) in the fall. Student-athletes will practice with us in the summer and can compete in other fall sports at their own discretion.

We put on four group rides including a Halloween Ride. The club organizes and helps contribute to many hours of trail clearing efforts through the year including groomed 6 miles of winter trails for fat bike riding. We were also involved in organizing the 2019 & 2020 SNÖFLINGA snow bike (fat bike) race.

In addition to the above, the Highlands Cycling Club helped secure a grant to pay for new Thompson Park fliers and grooming efforts for fat bike trails.

Ask not what your bike club can do for you, ask what you can do for your biking community! For more information, please see us at Highlands Cycling-Bike Butte on Facebook.

Butte 100 - July 25

Starting in 2007 as a small group of mostly locals, the Butte 100 has seen substantial growth in its short history. The race has recently been recognized in nationwide publications as an ultimate test of mountain biking physical and mental aptitudes. A focus of the volunteer-staffed race is continued improvement in racer experience each year. The Butte 100 is proud to be contributing to the growing awareness of Butte, Montana as a world-class recreation city.

Though this entire event is named the “Butte 100”, it consists of three individual races: the 25 mile, 50 mile and 100 mile, run in conjunction and support of the other, sharing portions of course, supplies and aid stations and the start/finish area. The trails are the “Most difficult mountain bike race in the country. The race course is staffed by the “Neon Army” an army of volunteers who were honored by the Butte Local Development Corporation as “Volunteer Group of the Year for 2016”.

The 100-mile racers will endeavor to complete a full figure-8 course that includes pedaling the equivalent of climbing Mt. Rainier. Only the 100s will experience the desert riches awaiting them in the BLM’s Pipestone area. As the 100s are hammering the top portion of the “figure-8,” the 50-milers begin the daunting southern portion of the “8.” The 100s return through the start/finish area before taking on the now warmed-up southern loop.

The 50-mile course (south loop) is known for the notorious 6-mile Basin Creek Climb that looms over all racers—50s and 100s alike—half-way through the loop. The first male and female in both races to the top are rewarded with King & Queen of the Mountain honors. Those surviving this and the ensuing “8 Miles of Hell,” are greeted with a silky 35-mile stretch of single-track on the USFS maintained Continental Divide Trail—the jewel in the Butte 100s crown. A downhill finish reawakens racers from their trail trance and wills them across the finish line.

The Sorini 25, which was added in 2015 was named after Dr. Peter Sorini, who raced in the 50 and 100 mile races numerous times and supported the Butte 100 since day one, gives the racers another option. This year the race will have a new course with a 5000-foot elevation gain. Dr. Peter Sorini passed away on February 8, 2016, after a 14-month battle with brain cancer.

The Butte 100 is incredibly proud to have developed one of the nation’s best mountain bike race events, attracting the highest caliber of

racers from across the country and Canada. More so, the race is just as proud of the positive effects the race has had on our home, including its contribution to conversations spotlighting Butte’s abundant recreational opportunities.

The 50 and Sorini 25 sell out each year. To register for the race or to be a volunteer, check out their website at www.butte100.com.

Winter Trails and Fun

When it comes to winter adventures in southwest Montana, the challenge is what to do – skiing, snowmobiling or fat-tire bicycling. With so many options for skiing you can choose which set of skis you strap on for the day: Cross country? Back country? Skinny skate skis? Downhill skis? Telemark skis? Alpine touring skis?

Southwest Montana offers a treasure-trove of skiing options. People lucky enough to live here go where the snow is good. Southwest Montana boasts two downhill ski areas for the family and those wanting challenging slopes that are uncrowded and offer incredible vistas.

Discovery Ski Area, west of Anaconda is a family-run area, known for its expansive variety of terrain — from beginner and intermediate to the hair-raising double-black diamond runs on the famous “Back Side.” In the Beaverhead-Deerlodge National Forest. When the snow comes through the area you can bet the next day, when the sun breaks out and all is right with the world, that the deep powder skiing will be unforgettable at Discovery and because the mountain can accommodate a crowd, you’ll likely have some runs all to yourself. www.skidiscovery.com. Discovery Ski Area is open 7 days a week from 9:30 – 4 pm. If some in your crowd would rather cross country ski, the Echo Lake Trails are situated adjacent to Discovery Ski Area and offer 14 km of wooded adventure, and groomed trails for classic and skate ski, dogs are also welcome. These Forest Service trails are maintained by the Echo Lake Trails Association. Maps and information about ELTA can be accessed at www.echolaketrails.org.

Further south from Butte is the Maverick Mountain area, located west of Dillon, skimaverick.com/Like Discovery, it’s a locally owned operation that caters to families as well as hardcore skiers. Maverick is located just off the Pioneer Mountain Scenic Byway in the Beaverhead-Deerlodge National Forest. Set in the Pioneer Mountains, Maverick boasts exceptional skiing and unparalleled views. The terrain accommodates novice and expert skiers in a relaxed environment. Both Discovery and Maverick can brag: No crowds. No attitude. Rarely are there lift lines. Wide open skiing.

Southwest Montana also features a host of private and public cross country ski options. Homestake Lodge, located minutes from Butte, atop Homestake Pass on the continental divide offers 35 km of high quality skate and classic ski trails, some of which are lit for night skiing. Rent a cabin or yurt for a weekend getaway or relax in the spacious lodge with a cup of soup or hot chocolate. Visit www.homestakelodge.com for more information.

The Mile High Nordic Ski Education Foundation partners with the state of Montana and Beaverhead-Deerlodge National Forest to groom trails at Mount Haggin and Moulton Ski Area. The Mount Haggin trails are located on Mill Creek Road (SH 274) 11 miles south of Highway I, near Anaconda. At Mount Haggin, the foundation maintains approximately 33 km of groomed cross-country ski trails in cooperation with the Montana Department of Fish, Wildlife and Parks. Approximately 10 km are groomed for skate skiing, and 15 km are groomed for classic skiing.

Ski trails can also be used as access to backcountry skiing and telemarking along the Continental Divide. Please no pets on the trails here.

Trails at Moulton Reservoir five (5) miles north of Butte are named after mine sites (e.g. Neversweat, Orphan Girl) and wind through forested areas. 14 km of trails are intermittently groomed for skate and classic skiing, dogs are welcome. Visit www.milehighnordic.org for information and maps for Mount Haggin and Moulton.

For those who prefer to haul a backpack and put climbing skins on their telemark skis, the options for back country travel are endless in southwestern Montana, with so much public land available.

If snowmobiling is your winter adventures there are hundreds of miles of groomed snowmobile trails for family fun and off-trail adventure all within an hour of Butte. Enjoy the Pioneer Scenic Byway by snowmobile south of Wise River and stop in at the family-owned Elkhorn Hot Springs. Georgetown Lake provides hours of family fun located an hour from Butte between Anaconda and Philipsburg on MT Highway I. Just north of Butte over 50 miles of groomed trails are waiting to take you across the continental divide in several places. For more information on trails visit www.stateparks.mt.gov or www.mtrecmaps.com.

However, be aware of avalanche danger and other hazards of back country exploration in winter. Check www.mtavalanche.org or www.mis-soulaavalanche.org for current conditions.

For those who can’t give up mountain biking when the snow arrives Thompson Park, in the Beaverhead-Deerlodge National Forest and Butte-Silver Bow County located 10 miles south of Butte, offers 14 miles of groomed trails including the Milwaukee Rail Trail that travels through two tunnels and a trestle to access the continental divide at Pipestone Pass. Another 12 miles is great for snowshoeing or hiking on mostly packed trails. Visit <http://co.silverbow.mt.us/454/Trails-Outdoor-Recreation> for information on this and other local trails open for winter hiking and snowshoeing.

A good place to get information for any outdoor adventures in southwestern Montana is the Beaverhead-Deerlodge National Forest website at www.fs.usda.gov/bdnf.

In addition to the many winter adventures available on public lands, there are many activities available in Butte. Butte-Silver Bow Parks and Recreation manages several ice rinks for skating fun.

If hockey is the sport you want to participate in, The Copper City Kings youth hockey program provides an opportunity for youth to learn the fundamentals of the exciting game of ice hockey and continue to develop those skills through the experience of playing the game of hockey on Copper City Kings’ age specific teams against other local programs and/or in a league. Check out their website at www.coppercitykings.org for more information.

Butte High Altitude Skating Center, originally built as an Olympic Training Center has a 400m skating oval is open for family skating and lessons. Former Olympic skater David Silk is active with operation of the center. davidwsilk@hotmail.com

Created by a geologic explosion that resulted in the Boulder Batholith, the upheaval created lots of exposed rocks, thus making for a wealth of good rock climbing in the Butte area.

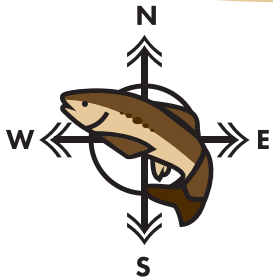

A particular favorite is in the Whitetail recreation area, east of Butte. Take Interstate 90 east toward Whitehall, and exit at the Pipestone Exit. Turn left, go under the overpass, then turn left again and follow the gravel road for approximately five (5) miles. Turn right on Forest Road 8635, which will take you to the area’s famous Spire Rock. You can see Spire Rock from Four Corners — just look to the northwest.

Spire Rock is a compilation of many different climbs ranging from 5.7 to 5.11 in difficulty, with a variety of multi-pitch and sport climbing routes available. The semi-arid almost desert-like area that surrounds Spire Rock could be compared to Moab, Utah — except the soil is cream-colored, not red. The area also plays host to a variety of other recreationalists — mountain bikers, four-wheelers, motorcyclists, hikers, rockhounds and horseback riders. So be ready to share the resource. <https://www.mountainproject.com/area/108200493/spire-rock>

26 miles south of Butte on Interstate 15, take exit 99 and drive three miles east up Moose Creek to the Humbug Spires trailhead. Hike four miles in to where the Highland Mountains shelter about 50 quartz monzonite spires, some of which are 600 feet tall. Novices and experts alike will find the Spires a rock climbing playground for free climbing or gear-required ascents. <https://www.mountainproject.com/area/106938732/humbug-spires>

Festivals

One of Butte's many nicknames, "The Festival City" comes from the thousands of visitors who flock to Butte July – September, and now even January, to enjoy the many musicians, performers and acts that come from around the globe to Butte, America. You will find some of the best entertainment you could hope for at one of the local festivals.

Covellite International Film Festival - June 18-21

The Covellite Theatre, built in 1896 and located in Butte Montana, is a non-profit theatre and arts space. The theatre has seating for 250 people, and a downstairs lobby bar equipped with Beer & Wine, and it's own screen and stage with seating for about 75 people. With an updated sound system and heating system, as well as local and regional tap beers the Covellite Theatre is quickly becoming a favorite stop for musicians and their fans. With all the recent improvements and upgrades the Covellite Theatre has increased its average number of events annually. As word gets out, the Covellite Theatre wishes to bring quality music, art and entertainment to Butte for years to come!

The Covellite International Film Festival (CIFF) is a non-profit event formed in November of 2015. CIFF hosted the first event in September 2016. For the Fourth annual Covellite International Film Festival dates will be June 18th through the 21st. The CIFF team is made up of award winning filmmakers, educators and managers that have a solid track history of bringing in large projects to completion. This festival brings the filmmakers to Butte, who together with local and regional audience members enjoy workshops, panels, screenings, after parties and a closing night awards ceremony.

The Covellite International Film Festival prides itself on showcas-

ing the character of Uptown Butte by maximizing the use of available venue space to include: the Covellite Theatre, the Copper Bowl Ballroom located in the historic Finlen Hotel, across the street at the beautiful Thornton Building Ballroom, and weather permitting an outdoor screening at the Original Mine Yard. Holding film screenings in multiple venues encourages festival-goers to explore existing shops and businesses between screenings, the various venues also exposed the people in attendance and visitors to our community to the spaces and resources Butte has available for future events and businesses.

The Covellite International Film Festival is designed to showcase Butte as the ideal location to tell stories. Many of the out of town filmmakers have been inspired by the architecture, aesthetic, grit and personality of Butte. This has led to two feature length films being shot in Butte, each generating hotel rooms and other economic activity during production. Further, films that have taken place in Butte previously have drawn tourists to our community, and we expect the films that result from the introduction to Butte that CIFF provides will also be a draw for tourists. The 2020 festival expects nearly 5,000 people in attendance and participating in the 4 days of films, workshops, panels and parties.

Freedom Fest - July 3-4

Be apart of the excitement when you come to Freedom Fest in Butte, Montana. Butte's 3rd of July fireworks celebration is the largest and most impressive in the state of Montana. The fireworks show takes place on the 3rd of July at the Big M and is sponsored by Town Pump Charitable Foundation.

KBMF 102.5FM, a project of the Butte America Foundation, is sponsoring the family event at Chester Steele Park the evening of July 3rd. For more information contact Clark Grant at (406) 491-1432 or gm@butteamericaradio.org.

The Butte America Foundation coordinates the Freedom Fest Parade on the 4th of July which is the largest in the state. The parade will begin at 10 a.m. at the Civic Center and will continue

down Harrison Ave to Longfellow St. This is a day of fun for the entire family! Join the thousands of people who come to Butte to celebrate our Independence! To register for the parade visit butteamericafoundation.org or contact Parade Director Matt Boyle at 406.498.3549 or mjboyle14@gmail.com.

Montana Folk Festival - July 10-12

The Montana Folk Festival returns to Uptown Butte for its tenth presentation this July 10, 11 and 12. Including three years as the National Folk Festival from 2008-2010, this will be the 13th presentation of this much-anticipated event. The festival is a three-day celebration of traditional music, dance, arts and ethnic cuisine. Admission is free of admission for all performances.

The festival is one of the largest free-admission outdoor events in the Northwest, attracting well over 150,000 attendees each year from throughout Montana and surrounding states. This signature event at the beginning of the summer season has grown to become a major economic and cultural magnet for Butte and Southwest Montana.

While admission to all performances is free, attendees are encouraged to consider a suggested \$20 contribution each day of the festival weekend or \$25 for families each day to keep the festival free in this and future years.

In 2020, the festival will include multiple stages featuring the talents of more than 200 artists presenting music and dance performances and moderated talk/demonstration sessions, a Dance Pavilion, a Family Area, a Montana Folklife Area, regional and ethnic foods, and a festival folk arts market and the First Peoples' Market that features the works of the region's Native American artists.

The musical lineup, when announced in the spring, will be available at the festival web site at www.montanafolkfestival.com and on facebook at www.facebook.com/mtfolkfest.

The festival will also feature the popular Montana Folklife Area with demonstrators to emphasize and interpret a selected theme that shines a light on an aspect of Montana's heritage and lifeways. In 2020 that theme selected is "Building a Longer Table – Celebrating the Contributions and Pathways of Immigrants to Montana and the West."

"Each year, we focus on a theme that highlights an important aspect of Montana's heritage," said George Everett, Festival Director and Festival Executive Committee Member.

This theme guides the activities, displays and demonstrations of the popular Montana Folklife Area and will include demonstrations and displays by and about immigrants who have contributed to the vitality and culture of Montana and the West.

"Meanwhile, musical performers on multiple stages will continue to represent musical traditions from around the world that have contributed to the heritage of our nation on the six performance stages," Everett added.

"The quality and excitement that fans have come to expect at the festival and the rich variety of the performers will continue."

While the festival remains free of admission to all, fundraising efforts are underway and sponsors are being sought. A challenge grant is underway to match a generous \$100,000 challenge from the Dennis and Phyllis Washington Foundation and Montana Resources, major sponsors of the festival.

Anyone interested in sponsorship opportunities or contributing in any way to ensure that the festival continues in this and coming years can visit the festival website for more information or they can send tax-deductible contributions large and small to Montana Folk Festival, P.O. Box 696, Butte, MT 59703 or through a festival Gofundme campaign page at www.gofundme.com/MFF20.

The Montana Folk Festival is presented by a collaborative of partners led by Mainstreet Uptown Butte in partnership with Butte-Silver Bow County. Artistic programming assistance is provided by the National Council for the Traditional Arts (www.ncta-usa.org).

Look for details as they develop at www.montanafolkfestival.com or on the festival's Facebook page @ [mtfolkfest](https://www.facebook.com/mtfolkfest).

An Ri Rá - Aug. 14-16

The 2020 An Ri Rá Montana Irish Festival will take place on August 14 – 16th at the Original Mine Yard. The An Ri Rá has gained recognition in the Irish world as a premier event of Irish culture, music, and dance. The festival features world-class entertainers from all over the United States and Ireland as well as regional Irish performance groups and dancers. The festival, in its 18th year in Butte, will be FREE admission to the public.

The festival provides a family-friendly atmosphere that has activities for all ages. There are also many cultural and educational activities that take place during the weekend. The entertainment scheduled for the festival will have performers coming from all over the world. The festival brings four to five headliner acts each year. The An Ri Ra Executive Committee will be releasing their lineup in March for the August festival.

The festival grounds will have food vendors, arts & crafts vendors, and a beer garden and other amenities for festival-goers. Come and take part in the most Irish weekend found anywhere in the Pacific Northwest in the most Irish city in America!

Serbian Food Festival - August 8

Holy Trinity Serbian Orthodox Church is holding the 3rd Annual Food Festival August 8, 2020 on the church campus located at 2100 Continental Drive in Butte, MT.

This food festival is free entry and features traditional Serbian food such as (Lamb), Cicvara (Polenta), Kobasica, Prignitza, (small sugar donut) Sarma (cabbage roll) and of course the famous sweet bread Povitica along with Cheese and Apple Pitas – which are the Serbian version of Strudel. Food and drinks are individually priced so that festival goers can choose to taste the savoy foods they choose.

In this day of food, fellowship and fun we will have Serbian dancers and traditional Serbian Music. Church Tours to view the lovely fresco biblical paintings will also be conducted throughout the day.

Please join us once again to celebrate a unique part of Butte's rich ethnic history.

SnöFlinga - Jan. 21-24, 2021

Swedish for “Snowflake,” SNÖFLINGA is a free, community - sponsored festival that takes place in and around Butte during the winter months. The three-day event is executed by the Butte Community Fitness Foundation (BCFF) and supported by generous community sponsors, and an army of dedicated volunteers.

The short-term intended goals for SNÖFLINGA participants are simple, yet profound:

Get Outside. Be Active. Enjoy Winter. Celebrate Community.

The sixth SNÖFLINGA, January 21-24th 2021 will once again highlight the numerous every day winter recreation opportunities in and around Butte, Montana. This includes cross-country skiing, ice skating, fat tire biking, trail running, curling, speed skating, hockey, and more.

This year, SNÖFLINGA has revamped its Kids Day of Winter Fun to include a new venue (Stodden Park), new activities, and new ways to be active. SNÖFLINGA introduced Butte to the sport of ice climbing through a demonstration at the Original. We have continued our partnership with the Southwest Montana Polar Plunge and are proud to support their efforts to raise money and awareness for Special Olympics.

We have a variety of opportunities for sponsorships for local and national organizations. Your generous, tax-deductible contribution will help SNÖFLINGA continue as a FREE, positive, community-centered festival emphasizing healthy recreation, fun, fitness, and community .

Join us NEXT WINTER in Butte, MT to be active, get outside, enjoy winter, and celebrate community!!

Attractions

Butte has many opportunities to explore the past all while enjoying the new developments of the future. Whether you are interested in a tour, performing arts or getting out for some fun in the sun there is something for everyone.

Butte Chamber of Commerce

1000 George St. • (406) 723-3177 • buttechamber.org

The Chamber is Butte's outlet to everything for the visitor. Come in to get all the best information for your visit and view: interpretive mining displays, native animal mounts, gift shop and the George F. Grant hand tied fishing flies, known for their highly detailed, hackle weaved style, a style rarely duplicated for its intricacy and complexity. The Chamber is open Monday-Friday year-round, Memorial Day through Labor Day, 7 days a week.

Butte Trolley

1000 George St. • (406) 723-3177 • buttechamber.org

Take an hour and a half tour of Butte's best history with Butte's best historians. Tours are scheduled Memorial Day weekend through mid-September and year-round for groups via appointment. Reservations are strongly suggested.

Berkeley Pit

350 Shields Ave. • (406) 490-8206 • pitwatch.org

From 1955 until 1982, the Berkeley Pit produced enough copper to pave a four-lane highway, four inches thick, from Butte to Salt Lake City, Utah and 30 miles beyond. When mining operations ceased in 1982, the underground pumps were shut off, and the Berkeley Pit began filling with acidic water, heavy metals and unique microscopic lifeforms. Beginning in September 2019 the water is being treated and discharged downstream. The Pit with its water and colorful landscape can be seen via a visitor viewing stand.

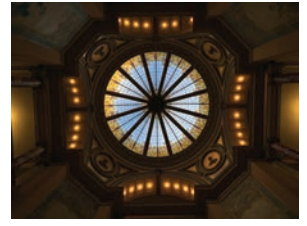

Today, open pit mining continues behind the Berkeley Pit in the Continental Pit operated by Montana Resources, employing 350 people year-round. The Viewing Stand and Gift Shop are open May – Mid-September.

Butte-Silver Bow Courthouse

155 W. Granite St. • (406) 497-6200 • bsb.mt.gov

Built in 1911, the rotunda walls are adorned with golden mosaic murals of personified muses; Justice, Geography, History, Philosophy and murals of Presidents Lincoln, McKinley, Washington and Wilson. Large pillars of Montana-quarried travertine draw the eye upward toward the mosaics and stained-glass dome. The impressive 1,500-pound, 28' in diameter, stained glass dome atop the rotunda was renovated in 2015. The Courthouse is open year-round, Monday-Friday, closed weekends and holidays.

Butte-Silver Bow Public Archives

17 W. Quartz St. • (406) 782-3280 • buttearchives.org

Learn more about Butte's mining, labor, lifestyle and family histories. The Archives occupies a historic fire hall built in 1900 and features an inviting reading room, friendly staff, exhibits, collections, photographs, public programming, small firefighter's museum and rotating displays. A knowledgeable staff is available to assist with research on Butte's rich history. Services are available Monday-Friday from 9:00 a.m. – 5:00 p.m.

Clark Chateau

321 W. Broadway St. • (406) 565-5600
clarkchateaubutte.wordpress.com

The Clark Chateau was constructed in 1898-1899 for Charles and Katherine Clark, oldest son of Copper King W.A. Clark. We offer engaging tours of the Chateau, led by our knowledgeable and passionate staff and community volunteers. Tour guides lead groups through the building's seemingly infinite nooks and crannies, discussing the history of Butte as seen through the windows of one of the city's most cherished architectural icons. Learn about the mysterious Clark family, and many other fascinating former inhabitants while exploring this remarkable mansion. It's a glimpse into a city unlike any other. Visit the Historic Clark Chateau: Where History Lives and Stories Grow.

Copper King Mansion

219 W. Granite St. • (406) 782-7580 • thecopperkingmansion.com

The Mansion is a 34-room residence, built in Romanesque Revival Victorian architecture from 1884 to 1888 as residence for W.A. Clark. The home features fresco painted ceilings, elegant parquets of rare imported wood, gas and electric chandeliers, ornate hand-carved fireplaces, stairways and stained-glass windows. The mansion was added to the National Register of Historic Places in 1970. The home is operated as a year-round bed and breakfast. Guided tours are available May – September, and many times by appointment during the winter months.

Dumas Brothel

45 E. Mercury St. • (406) 351-9922 • dumas-brothel.com

The longest running active brothel in U.S. history. It was open from 1890 until 1982. Over the years the brothel had several different owners and madams. In its early day's, women used to hang out of windows in varying states of dress, or undress in efforts to entice customers. As time progressed, this practice was stopped; heavy doors with sliding portals were installed with doormen monitoring visitors. Please check their website for open days/times.

Granite Mountain Mine Memorial

Bernie's Way to Alexander St. • (406) 723-3177 • minememorial.org

This memorial shares the events of June 8, 1917 when 168 miners lost their lives in the largest hard rock mining disaster of all time. The site also offers the visitor an unforgettable panoramic view of the 10,000-foot Highland Mountains, the Continental Divide and the remnants of a once booming mining industry. Open year-round.

Holy Trinity Serbian Orthodox Church

2100 Continental Dr. • (406) 723-7889 • holytrinitybutte.org

Adorning the walls and ceilings are hand-painted frescoes depicting Scripture in color as they visually convey the word of God. Separating the altar from the nave is the hand-carved Iconostasis Screen, built in Belgrade, Serbia. Tours are available by appointment.

Linked Adventures

(406) 498-9653 • linkedadventures.com

The outdoor enthusiast's headquarters for shuttle service to the Continental Divide Trail and other stunning terrain. Bike rentals, route and full adventure planning are available for groups and individuals looking to explore the greater Butte and surrounding southwest Montana area.

Mai Wah Museum

17 W. Mercury St. • (406) 723-3231 • maiwah.org

Established for educational, charitable, and scientific purposes, including research and public education about the history, culture and conditions of Asian people in the Rocky Mountain West. The Society, a 501(c)(3) not-for-profit organization, collects and preserves artifacts, preserves historic buildings and sites, presents public exhibits and supports research and publication of materials of scholarly and general interest. Tours are available summer months and by appointment in the off season.

Montana ATV Adventures

(406) 491-4417 • montana-atv-adventures-.com

Take an exciting guided ride through the trails of southwest Montana's mountains. See old mining ghost towns and camps. Look at massive granite and brick mills where they separated the ore and wonder how they did it.

Montana Tech Mineral Museum

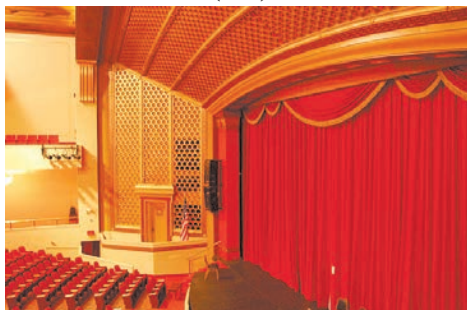

1300 W. Park St. • (406) 496-4414 • mbmg.mtech.edu

View educational displays and spectacular minerals from Montana and around the world. Prize specimens in the Montana collection include the Rheanna's Star, an incredible smoky quartz cluster and the 27.5 oz. Highland Centennial gold nugget, both found in the Butte area. Additional exhibits include a fluorescent mineral display, and an earthquake hazards display including a live seismograph. The museum and gift shop are open for Summer Hours: 9 to 5, seven days a week- June 15 to September 15. Winter Hours: 9 to 4 weekdays. Closed on holidays.

Mother Lode Theatre & Orphan Girl Theatre

316 W. Park St. • (406) 723-3602 • buttearts.org

Built in 1923 by the Masons for the organization's ceremonial services, the building was later transformed into a movie house and eventually leased to 20th Century Fox. In the 1990's the Mason's donated the theatre to the local government where a group of citizens formed the non-profit corporation, The Butte Center for the Performing Arts, who took over the renovation of the facility. Today the Mother Lode Theatre is the elegant venue for The Butte Symphony, Community Concert Series, Mother Lode Series and a variety of community events, and a plethora of culturally rich shows. Tours of the theatre are available by appointment.

National Historic Landmark District

(406) 723-3177 • visitbutte.com

One of the largest historic landmark districts in the country, Butte offers a legacy of architectural treasures that are contemporaries of the best Victorian architecture in America's great cities. The Uptown is filled with well-preserved examples of early 20th century architecture. Take a walk and read the history of Butte's buildings on the National Historic Landmark plaques. A map of the district is available at the Butte Archives and the Butte Chamber of Commerce.

Old Butte Historical Adventures

117 N. Main St. • (406) 498-3424 • buttetours.info

Golf

Butte is the home to two golf courses: Highland View municipal course and the Butte Country Club course.

As the name suggests, Highland View has a wonderful view of the Highland Mountains south of town. The regulation nine-hole course was built in 1939. It is a par 35. This course has two challenging par 3 holes, small greens require accuracy and different tees for the back nine. It takes about two hours to play even when busy. The par 3 course was built in 1980, and has a full swing on every hole. The greens are excellent with a lot of character. It's great fun for all members of the family and a nice walk in the park.

The course is host to the Memorial Tournament in May, the Men's City Championship in July and the Bonnie Highlanders Women Invitational in August, along with local charity fundraiser golf tournaments. Highland View is located in Butte's Stodden Park. The park entrance is off Dewey Boulevard on South Utah Avenue.

The Butte Country Club is a member-owned private country club that provides its members golf, racquetball, swimming, tennis, and fine dining opportunities. The course is an 18-hole, challenging par 70. The club also provides a driving range to master technique or warm up before a round.

The Butte Country Club is located at 3400 Elizabeth Warren Ave. Both of Butte's courses offer golf lessons.

Fairmont's golf course features an outstanding 6,741 yard, 18-Hole, par 72 layouts. Fairmont's "mile high, mile-long" 5th Hole is recognized as one of the most challenging among Montana golf courses. The green is a mile high and the tee box is 649 yards away, making this par 5 one of the longest holes in Montana. Fairmont's 3rd hole features Montana's largest green, a three-tiered 10,000-square-foot putting surface.

Over the last three seasons, Fairmont completed over \$2 million in renovations to the golf course. Projects included rebuilding all of the golf course's bunkers, rebuilding tee boxes and several greens, upgrading the driving range and completely replacing the irrigation system with a state-of-the-art system. Tee times can be booked online.

Disc Golf

The Summit Valley is home to three regulation disc golf courses. Eagles Nest Course, located in Thompson Park on the Beaverhead-Deerlodge National Forest just south of Butte, is a hilly and wooded 18-hole regulation course. The course is a marked course with tee boxes and baskets. Enjoy a long and challenging course surrounded by unbeatable scenery. The course is open May through October, but visitors can walk in throughout the year from the Montana Highway 2 parking area. Mining City Disc Golf Club organizes weekly league play and competitions.

Montana Tech disc golf course is located just west of the Natural Resources Building. The 18-hole disc golf course is located within Montana Tech's Whiskey Gulch Mountain Bike Skills Park. The course is open to the public and Montana Tech's Folf Club hosts tournaments and competitions at the course.

Copper Mountain Park is an 18-hole disc golf course, which follows the perimeter of the park and includes a putting green. Enjoy a round with great views of Butte and the 'M' hill, at a park that includes softball and baseball diamonds and public rest rooms.

THE PORT OF MONTANA

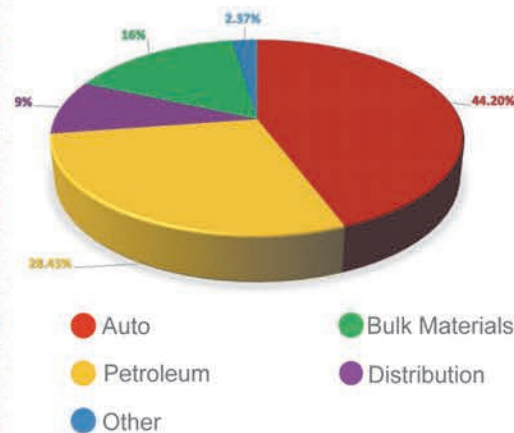

The Port of Montana is located within the Montana Connections Business Development Park, just five minutes from the I-90 and I-15 interchange and is served by two Class I railroads in Burlington Northern Santa Fe and Union Pacific. This industrial transload center leverages rail and highway access to directly benefit businesses throughout the region.

The Port offers businesses the opportunity to take advantage of the lower cost of rail transport even if they are not located on a rail siding themselves. The Port provides transloading and warehouse solutions for companies looking to ship, receive and distribute commodities or goods in Montana. These valuable services along with over 30 years of experience help save shippers time and money.

The Port transloaded 5,628 trucks and 2,849 railcars during the year. A large number of automobiles were distributed across Montana; over 11,000 vehicles were unloaded and shipped from the facility in 2019.

The Port continued to see an increase in demand for bulk products. In order to accommodate the increase in volume, the Port is planning to expand its transloading tracks in the Spring of 2020. This expansion will meet current customer demands as well as allow for future growth..

Bert Mooney has Changed!

Introducing the New Bert Mooney Terminal

The new 40,633 square foot, \$10.5 Million Bert Mooney Passenger Terminal is open and ready to greet visitors to Butte, America.

The old 1962 chalet-style terminal was well used and ready for a much needed facelift and upgrade. The new terminal designed as a modern representation of Butte's underground mining era, with aspects of a "Mining Town" throughout the building is a great tribute to Butte roots coupled with much needed upgrades to make travel to Butte more convenient and accessible. These upgrades include approach visibility from three miles to a half-mile to help reduce cancelled and delayed flights due to weather. The upgrade includes more space, restrooms both in the lobby and through security as well as food and drinks available both to the general public as well as on the security side as well.

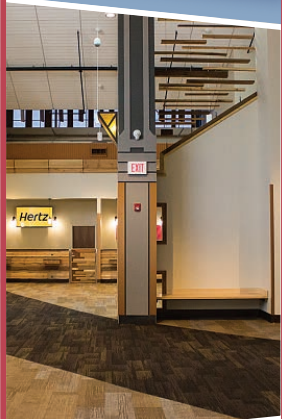

As an added bonus, Bert Mooney is the only Montana airport with free parking.

SOME FEATURES INCLUDE:

- Wood Features
- Mine Timbers
- Interior Mine Exit
- Industrial Steel Gates
- Custom Wraparound Stained Glass Wall
- Public and Hold Room Concessions
- Gallus Frame
- Captured Mountain Views
- Peek-A-Boo Partition Wall Near Baggage Claim
- North Wall Windows
- Copper Roof
- Exterior Porch Reminiscent of the City's Historical Homes
- Mixed Material Rock and Precious Metals Art Case
- Patterned Etched Glass Walls
- Columbia Garden Inspired Columns
- Skylights
