# Proudly Serving Southwest Montana since 1881

Since 1881, when five Sisters of Charity came to serve God and the people of southwest Montana, St. James has been a part of the community. Our history is woven in the very fabric of Butte, and we're proud to call it home. That's why we've worked to create a place of healing and hope for families throughout southwest Montana.

Our ability to fulfill our mission is made possible thanks to the outstanding healthcare providers, nurses and associates and to you, our friends, family and neighbors, who allow us to serve you.

# Chamber Mission

The Butte-Silver Bow Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area.

- **The People**
- **The Priorities**
- **The Resources**
- **The Service**

“Working together we can make a difference.”

## Our Vision

The Butte-Silver Bow Chamber of Commerce is an integral part of the community, offering business and economic support, travel and visitor information and resources. Our vision represents the commitment we have to the community to be the best organization to meet the growing needs.

- Continue to be an advocate for our diverse member businesses through leadership in the areas of social, civic, health and business issues.
- Become the voice for the common goals in our business community.
- Become the source of information for our community.
- Help in the implementation of the Butte Silver-Bow Business Plan.
- Actively involve the Convention & Visitors Bureau with the Butte Civic Center and other convention centers and arenas to help promote events to our area.
- Address the work/labor force issues in our community and help to develop programs to address needed areas.
- Help to form a cohesive bond between the community as a whole and Montana Technological University.
- Work in close relationship with the Economic Development Team to recruit businesses to Butte.

I am honored to serve as the president of the Butte Chamber of Commerce for the 2022 calendar year. First and foremost, I am very proud to call Butte, America my home. There is no better place on the planet to live, work and play. Butte is identified as "The Richest Hill on Earth". I believe this statement is true, not only because of our rich history in the mining industry, but also because of the amazing community we live in.

As we head into 2022, we must not forget the past two years and the troubling times and the economic havoc the pandemic has caused all over the world. With that in mind, I am very optimistic for the coming year. With Stephanie Sorini, the Executive Director of the Butte Chamber of Commerce, and the great staff behind her, I feel Butte will thrive and come out better than ever as we navigate through the pandemic.

The Butte Chamber of Commerce, is an alliance made up of individuals, both large and small businesses, and other organizations all dedicated towards growth, economic development and also the positive quality of life in the Butte area. The Butte Chamber's vision represents our commitment to strive to make each and every business member as successful as possible.

The Butte Chamber of Commerce along with its exceptional staff and outstanding board of directors, has done a fantastic job in making sure the Butte community prospers. Information about our local eateries, superb lodging accommodations and treasures such as the Berkeley Pit, World Museum of Mining, Granite Mountain Memorial and Our Lady of the Rockies is at the fingertips of the Chamber, Butte's

Convention and Visitors Bureau and the many chamber members and volunteers.

Again, I am incredibly honored to serve as president of such an amazing organization. I look forward to a wonderful year and am excited to help Stephanie and her amazing team with all they do!

Sincerely,

Mark Johnston  
Board President

I am thrilled to again be a part of this wonderful publication highlighting Butte, Montana's offerings through the eyes of the Butte Chamber of Commerce membership. This magazine is available to answer questions and to serve as a resource for our wonderful community.

Butte has continued to grow despite the pandemic, with three new medical facilities on the "flats": Nova Healthcare, St. James Healthcare and Copper City Surgery Center. We have new developments in Uptown Butte with the purchase and renovation taking place at the ExcerDance, Rudolph's, and old YMCA buildings. A new rail spur at Montana Connections, the new flight to Denver added to the Bert Mooney Airport and the CDL curriculum at Highlands College. We have seen progress with the plans for the Praxis medical training facility, Irish Times building, and reinvestment on West Park Street with new businesses, such as Beautiful Life Clothing, Dig City Supply, Montana Axe Throwing, and relocation of Heavenly Occasions. We love seeing the ideas coming forth from the Uptown Master Plan group, as they work to reshape our uptown image.

We watched the seamless change in ownership of Metals Sports Bar & Grill and Books & Books to Isle of Books. Speaking of books, a new bookstore opened its doors on Harrison Avenue, the Corner Bookstore. While there have been changes in hours and days of operation at many of our favorite eateries and businesses, we will continue to push for patron patience and kindness.

This past summer marked the second full season of the Chamber of Commerce taking over the Berkeley Pit Viewing Stand/Visitor Center and Gift Shop. The Berkeley Pit is still one of the most visited spots in Butte and the retail location had another successful year. The main Visitor Information Center, in the

Chamber of Commerce building, is another way visitors gain knowledge about area attractions, outdoor recreational opportunities, restaurants, shopping, lodging and events in the Butte area.

We are approaching the warm season and the increase in visitors and the return of our beloved festivals. We look forward to full trolley tours, and the economic impact this season provides for our community.

I am available to answer questions and visit with you on how the Chamber can make a difference in your business. It is an honor to serve you and your business and this community as the Chamber's executive director. Give me a call or an email me at [stephaniesorini@buttechamber.org](mailto:stephaniesorini@buttechamber.org).

## WHAT WE DO!

Continually working to increase our membership and the benefits we provide

Working to improve social media and help educate our members and community on the effective and free use of these marketing tools through workshops

Represented the Chamber of Commerce at Business Days at The Capital and Montana Association of Chamber Executives at their annual meetings

Served as a staff collectively on **14** community boards and committees

## HOW WE HELP!

### BUSINESS EXPOSURE & REFERRALS

With 400-plus area business members, the Chamber provides excellent exposure and credibility for our members. Every member receives a listing in our online membership directory and our annual "Report to the Community" exposing businesses to endless opportunities through modern technology.

Thousands of vacation and relocation booklets and brochures are published and given to tourists, community members, business people and the general population all of whom are potential customers.

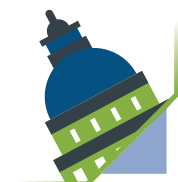

Bring in your brochures, menus or business cards to display in our "Member Rack Card" for free. Locals and visitors will pick these up during their stop at the Visitor Center, and you just might have exactly what they're looking for!

### COMMUNITY & ECONOMIC DEVELOPMENT

The Chamber meets regularly with Butte-Silver Bow leaders as part of an Economic Development team. They continue to improve the quality of life in Butte. As part of the Economic Development Team we work closely with St. James Healthcare to recruit physicians and their families to Butte.

### LEGISLATIVE ADVOCACY

The Chamber attends Business Days at the Capital in January of each year. We are very active with the Montana State Chamber of Commerce and attend the Montana Association of Chamber Executives to bring additional information back to Butte to help grow our community.

### AFFORDABLE ADVERTISING

Advertising opportunities at the Chamber are endless! You can offer store coupons or job postings on our website, include a banner advertisement with a link to your business' website, or send out a flyer in our e-newsletter.

The Butte Chamber of Commerce has the perfect option for you! Call today to reserve your space or to hear about our great specials and low rates!

### EXPOSURE

Provided thousands of Chamber members referrals on a monthly basis.

Provided city maps, directions, referrals and thousands of visitor information packets and relocation guides.

# Butte-Silver Bow's Mission

Butte-Silver Bow strives to be the best community in which to work, live and raise a family. In order to accomplish this goal, we promise to provide services to our entire community, citizens and businesses in an efficient and effective manner.

Dear friends, neighbors and visitors,  
As Chief Executive, and on behalf of the Butte-Silver Bow Council of Commissioners, I would like to thank you for your interest in Butte.

Whether you are a current resident, a vacation traveler, or looking to relocate your family or business, Butte-Silver Bow offers you the amenities of a much larger city plus the friendliness and charm of a small town. We take pride in being a warm and inviting community with an excellent quality of life, superb schools, a thriving arts community, numerous recreational opportunities, beautiful neighborhoods, and excellent shopping and dining experiences. We are very pleased you have taken the time to visit and explore our community.

Upon your arrival here, you will discover that our community has everything a visitor may want to explore, no matter the length of your stay. We are blessed with historic buildings, mine yards, first class public parks, and a world-class trail system. Our summers are filled with many festivals and community events. The Montana Folk Festival and the An Ri Ra Irish Festival headline our festivals that draw entertainers and visitors from all around the world. Butte is known as the festival city, and doesn't change when the snow flies. The five-year old SNÖFLINGA event happens on the 3rd weekend of January. It has become one of Montana's best winter festivals.

Our residents exhibit a strong work ethic. Besides our location intersecting two interstate highways I-15 & I-90, our workforce is one of the main reasons many manufacturers have recently opened or expanded facilities in our Montana Connections Industrial Park. We have a new Bert Mooney Airport terminal allowing visitors and business travelers direct connection to Southwest Montana. Butte is home to Montana Technological University. Montana Tech continually ranks as one of the best, most affordable higher education public universities in the United States. The new federal opportunity zone program continues to attract significant outside investment dollars to the historic uptown area.

Butte-Silver Bow like the rest of the world, faced the COVID-19 pandemic head on. This pandemic showcased our ability to address this emergency. Drawing on all our available resources, our local government and community continues to provide a first-rate response to this unprecedented crisis. Butte-Silver Bow will continue to work on testing, mitigation, vaccination and eradication of COVID-19. While this has been an exceedingly difficult time, our future looks bright. We are ready and eager to revitalize our local economy impacted by the pandemic as we move forward into the new year of 2022.

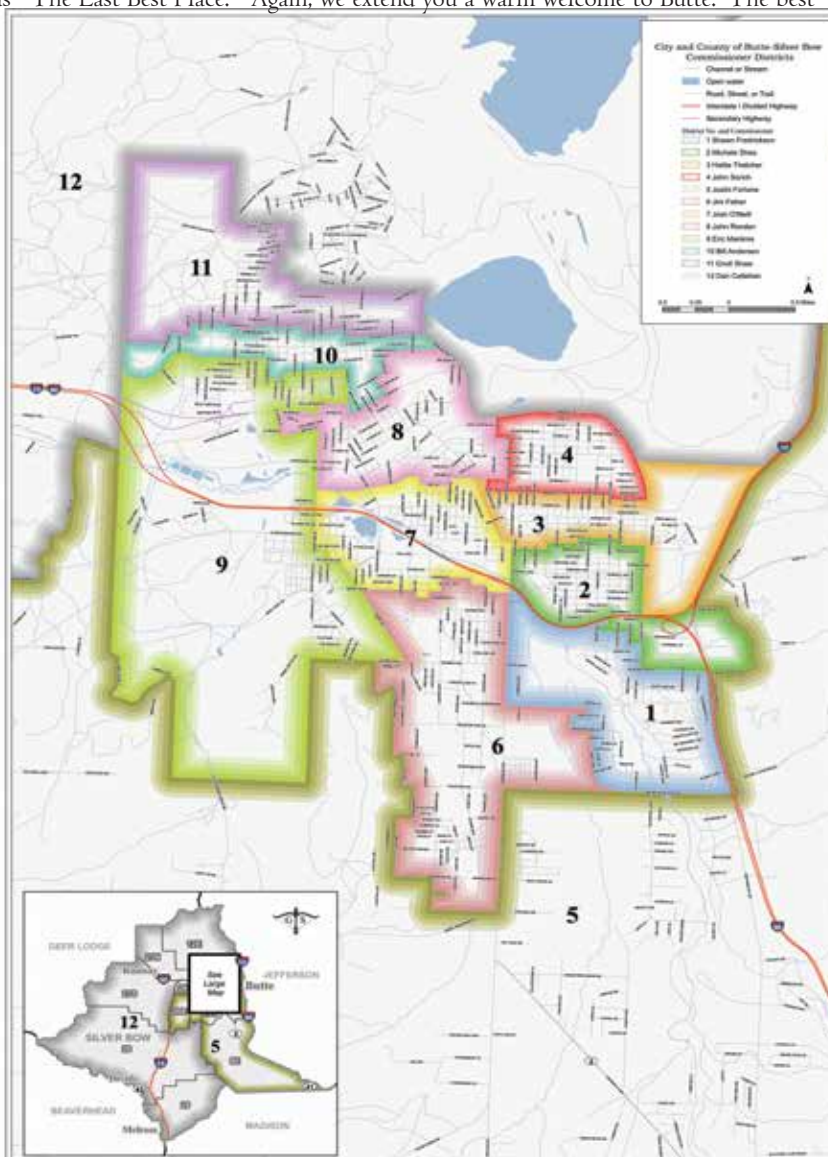

William Kittredge popularized the description of Montana as "The Last Best Place." Again, we extend you a warm welcome to Butte. The best place of the last best place.

# Community and Business Development

The Butte-Silver Bow Community and Business Development Department works in conjunction with the Butte Chamber of Commerce, Butte Local Development Corporation, Port of Montana, Headwaters RC&D and the Bert Mooney Airport in our efforts to improve the economic opportunities for our citizens and improve the community in which we all live.

One of the main tools used by the Community Development Department is Tax Increment Financing. Tax Increment Financing allows a district to capture increased incremental taxes and use the increment to address blight and infrastructure issues within the district, Butte-Silver Bow has five tax increment districts.

Urban Renewal Agency (URA) – consisting of the Uptown Business District – the URA's goal is to work with developers through loan and grant funding to reduce blight in the district. In the past five years, the URA has granted over \$1.8M, which encouraged a minimum of \$7.2M private investment. The projects range from new roofs to complete building rehab.

Harrison Avenue South Urban Renewal District (HAS) – consisting of the retail corridor along Harrison Avenue south of Interstate 90/15 to Sunset Road and the adjacent neighborhoods. This newly created district, base year of 2019, is focused on investing in public infrastructure, fostering economic growth and leveraging resources to achieve neighborhood revitalization and rehabilitation. The HAS has partnered with property owners in new construction and renovation of existing buildings.

Tax Increment Financing Industrial District #2 (TIFID #2) also known as Montana Connections Park located west of Butte. Montana Connections focuses on constructing industrial infrastructure including a 140-acre rail park and new roads and utilities for subdivision. These projects create additional parcels available for development. In 2021, the construction of 20,000 feet of track was completed, the construction of a new access road, Sugarloaf Loop was started and construction of the new Murdoch's Warehouse and Distribution center began.

South Butte Industrial Park (TEDD) – consisting of the Industrial Park around Technology Way and South Parkmont was created with a base year of 2017. The infrastructure analysis of the TEDD is almost complete. It is anticipated that additional broadband infrastructure will be required along with street and sidewalk improvements. These infrastructure upgrades will ensure the existing businesses in the district can continue to grow.

Other duties of the Community Development office include the management of the Greenway Service District. The Greenway Service District is responsible for the planning construction and management of the trail. The trail is a 26-mile corridor that will provide passive recreation opportunities between Butte and Opportunity including walking, running and bike riding. To date three trail heads and 16 miles of trail have been constructed. Through their efforts, the Greenway Service District has secured 100s of acres in Deer Lodge and Silver Bow Counties for public access and to protect the remediated and restored Silver Bow Creek corridor.

# OUTLOOK - SW MONTANA

**Aware, Inc** - A statewide nonprofit organization that offers quality, community-based support for people with mental health and/or developmental disabilities and families with children ages 0 to 8. We serve all 56 counties in Montana.

**Butte Shelter Workshop** - A haven for those with disabilities and special needs. BSW, previously known as Butte Sheltered Workshop, has played a big role in Butte providing work experience for developmentally disabled children and adults. BSW offers offices, day programs, training in wood-working and other trades, residential facilities and thrift stores.

**Community Counseling & Correctional Service** - A team of individuals dedicated to meeting the human service needs of youths and adults to promote healthy living through treatment, training, and supervision.

**Community Health Center** - Opened its doors in 1986 under the name Butte-Silver Bow Primary Healthcare Services Inc. SWMTCHC is a mission-driven private, nonprofit organization governed by a community volunteer board of directors. The clinic is partially funded through a grant through the federal government that allows it to offer discounts on services so that healthcare remains accessible and affordable. The clinic cares for more than 13,500 patients annually and employs more than 170 people in its various locations.

**Copper Ridge Nursing and Rehabilitation Center** - Providing nursing and rehabilitation services in the community since 1974. Copper Ridge currently employs over 100 people and continues to be a partner with both local and out of state healthcare providers. Our first priority is the wellness of our patients.

**Easter Seals-Goodwill** - Changing people's lives across our four-state region through job skills training, disability, health care and children's services. Every day, we create opportunities for individuals with diverse needs and backgrounds to live as independently as possible.

**Fairmont Hot Springs Resort** - Nestled in the foot of the Anaconda Pintler Wilderness; located between Glacier National Park and Yellowstone National Park. Fairmont Hot Springs Resort is one of the most complete resort destinations in Montana. The resort is popular with families, business people, conventioners and travelers from Montana, the United States and the world.

**Montana Independent Living Project** - Promoting independence for people with disabilities. mILP offers assistance, services, and information to enable people living with disabilities to live as independently as they choose.

**Montana Resources** - One of The Washington Companies, has operated in Butte since 1985, continuing the mining tradition here. Montana Resources operates an open pit copper and molybdenum mine in Butte, Montana. The operation comprises the Continental mine, crushers and a concentrator facility where tons of raw ore are processed into high-quality metal concentrates. We serve an international market for these important metals.

**St James Healthcare** - Founded in 1881 by the Sisters of Charity of Leavenworth, St. James has been known for generations for its mission of compassionate care and service to the poor. Today, that commitment is accompanied by St. James' reputation as a technological leader in Montana's healthcare industry and the largest acute-care hospital in southwest Montana. St. James is part of SCL Health, a nonprofit faith-based health system with eight hospitals, more than 150 physician clinics, and home health, hospice, mental health and safety-net services primarily in Colorado and Montana.

**Wal-Mart** - An American multinational retail corporation that operates a chain of hypermarkets (also called supercenters), discount department stores, and grocery stores from the United States, headquartered in Bentonville, Arkansas. Walmart currently has 10,593 stores and clubs in 24 countries, operating under 48 different names. The company operates under the name Walmart in the United States and Canada.

**Northwestern Energy** - For more than 100 years, NorthWestern Energy has been committed to delivering safe, reliable and innovative energy solutions. Serving gas and electric to customers in the western two-thirds of Montana and eastern South Dakota. They also have gas service in Nebraska, and serve electricity to Yellowstone National Park. They own and operate a diverse generation fleet of wind, water, natural gas and coal-fired resources and the high-voltage electric transmission system and distribution system. They also own and operate natural gas production, transmission and distribution systems.

**Town Pump** - Owns and operates over 200 gas station/convenience store, casino, hotel and car wash properties throughout Montana and Idaho. In addition, in many markets we offer on-site or standalone car wash locations with state of the art technology.

# MONTANA CONNECTIONS BUSINESS DEVELOPMENT PARK

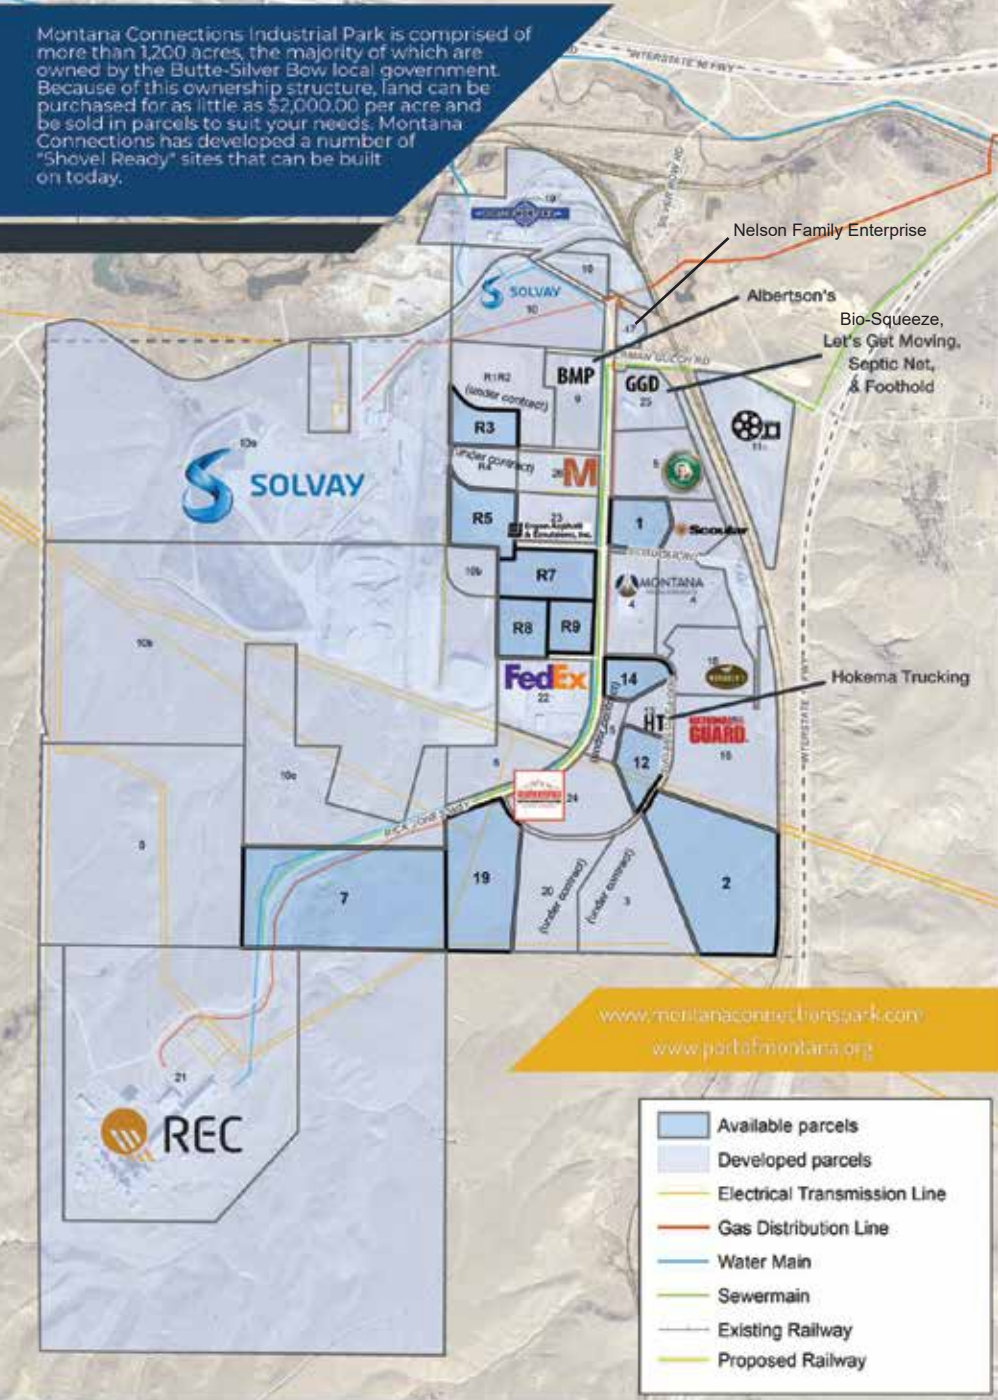

PORT OF MONTANA

## MONTANA CONNECTIONS BUSINESS DEVELOPMENT PARK (MONTANA CONNECTIONS) IS AN INDUSTRIALLY ZONED BUSINESS PARK WITH A TAX INCREMENT PROVISION

Created in 1992 after the citizens and government of Butte recognized the need for Southwest Montana to diversify its economy beyond natural resource extraction, Montana Connections has expanded Butte's global reach and helped foster economic growth throughout the region. Since its inception, Montana Connections has become home to world-class companies, such as REC silicon, FedEx Freight, and Montana Precision Products, creating over 600 local jobs supporting more than 1,500 jobs statewide!

Montana Connections Industrial Park is comprised of more than 1,200 acres, the majority of which are owned by the Butte-Silver Bow local government. Because of this ownership structure, land can be purchased for as little as \$2,000.00 per acre and be sold in parcels to suit your needs. Montana Connections has developed a number of "Shovel Ready" sites that can be built on today.

# MONTANA CONNECTIONS

**Bell-Mont Properties (BMP)** – The original location of Old Dominion the cross-docking facility is currently leased by Albertson's.

**Ergon Asphalt and Emulsions** – Manufacturers and markets liquid asphalt pavements and asphalt products. Western States Asphalt began construction of their new facility in 2019, in 2020 the new facility was purchased by Ergon Asphalt.

**FedEx Freight** – A LTL trucking company. FedEx Freight opened their facility in Montana Connections in 2010. FedEx has made two additions to the facility since the original construction was completed: a truck service center and parking and fencing expansion in 2019.

**German Gulch Development** – A partnership between the local government and a developer to develop a parcel of land that is shovel ready began in 2016. To date we have constructed 3 of the 6 buildings that were planned for the parcel with mixed ownership and uses.

- **Bio-Squeeze** – A new company to Montana Connections specializes in bio cementation applications.

- **Foothold** – Came to Montana Connections in 2021 and started in a 3,000-sf facility and have moved to an 8,000-sf space for modular housing manufacturing.

- **Let's Get Moving** – A last mile delivery carrier that moved to Montana Connections in 2020 and occupies a 12,000-sf building.

- **Septic Net** – The first tenant in the German Gulch Development. Currently located in 6,000 sf of manufacturing space. Septic Net is an innovative, patented modular septic treatment system.

**Hokema Trucking** – A trucking company that support Murdoch's.

**Montana Craft Malt** – Started construction in 2018. They are a 10,000-ton craft malting facility.

**Montana Precision Products** – Aerospace manufacturer SeaCast of Montana completed construction in partnership with Butte-Silver Bow on their facility in 2010. The original building was a 66,000-sf facility. A Joint Venture with GE was entered into creating Montana Precision Products and in 2019 SeaCast started the process of expanding the facility by another 40,000 sf.

**Murdoch's** – This location is the warehouse and distribution center for the home and ranch supply company. Murdoch's is constructing an 80,000-sf warehouse and distribution center. Completion of the facility is expected in 2022.

**National Guard Readiness Center** – A new Readiness Center is planned in Montana Connections. Construction is expected to start in 2022. This will be a replacement for the existing Readiness Center in Butte near Stodden Park.

**Nelson Family Enterprise** – A warehouse and distribution facility constructed in 2015.

**Old Dominion** – A LTL trucking company. Old Dominion has been in Montana Connections since 2009. In 2019 they moved out of a leased space and constructed their own larger building.

**Port of Montana** – A full service transloading facility, served by BNSF and UP.

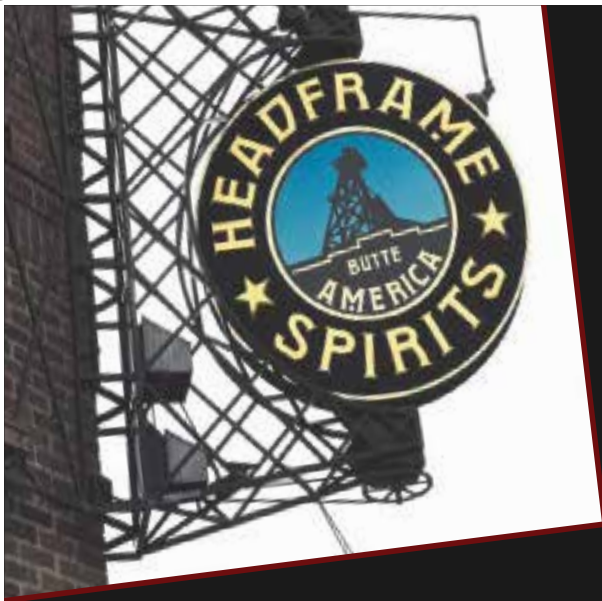

**REC Silicon** – A Polysilicon and Silane gas manufacturer. Originally, Advanced Silicon Materials Inc. (ASiMI), completed construction in 1997. ASiMI later became REC Silicon and was one of the first industrial developments in Montana Connections. Expected to start construction in 2022

**Scoular Company** – An agribusiness supply chain company that buys, sells, transports and stores grain. Scoular is one of the original businesses in the Montana Connections and is served by Union Pacific railway.

**Solvay** – A closed Phosphorus Plant currently completing clean-up activities.

**WAUSAU** – A warehouse and distribution center for the building materials supply company. WAUSAU constructed a 150,000-sf warehouse and distribution center the opened 2021.

# Montana Technological University

Montana Technological University possesses an internationally esteemed, century-old tradition of excellence in higher education. Specializing in the science, technology, engineering, and math (STEM) disciplines, Tech connects focused students to a network of people, opportunities, and experiences and empowers them to change the world. Our determined students learn in state-of-the-art facilities and perform hands-on work relevant to today's industries.

### Big Skies. Bigger Thinking.

Montana Technological University is a place of purpose, home to uncommon thinking, teaching, research, and innovation. The university embraces its living laboratory and emphasizes the value of experiential learning and community building. As Montana's Special Focus university, Montana Tech offers a world-class education in the science, technology, engineering, and math (STEM) disciplines. The university prepares graduates for careers in industry, energy, healthcare, and professional fields. What Montana Tech does matters, today more than ever.

The university in Butte, Montana, offers a wide range of potential paths. The engineering and science programs lead to careers that can change the world. The university's high-demand nursing and health fields prepare students for careers in various settings. Graduate programs extend what students know in new and exhilarating ways. And Highlands programs in all things workforce and trades can immediately make a difference in your life and others'. Montana Tech's north campus offers four-year degrees, graduate degrees, and doctoral degrees in Materials Science and Earth Science & Engineering. Many of our programs are unique to the region and are among only a few.

Highlands College is home to Montana Tech's career-ready and transfer programs that help build the workforce needed to better lives in our community, state, and beyond. From certificates and associate degrees to community education and customized training, Highlands College offers relevant hands-on professional programs that lead to tomorrow's important jobs. Highlands College serves as a premier regional center for workforce development and workforce-ready students, through entry-level, continuing education, and reskilling opportunities designed to meet industry demands. Highlands College and Montana Tech are committed to providing transformational experiences in learning, research, and service through experiential learning, mentoring, and community and industry engagement. Today, 97.3% of Highlands College graduates are employed following graduation due to the demand for the training and hands-on education that meets the workforce needs of our community, southwestern Montana, and our state and region.

The campus is home to the Montana Bureau of Mines and Geology (MBMG). Its state agency mandate is to collect and publish information on Montana's geology to promote orderly and responsible development of energy, groundwater, and mineral resources. The MBMG provides these services to the public, as well as Federal, State, and local governments. The MBMG's research faculty closely collaborate with Tech's academic faculty on research and mentoring students.

Montana Tech's commitment to research has resulted in significant growth. Over the past few years, approximately \$14 million annually has come from local, state, and national agencies and the private sector.

Research specialties emphasize natural resources engineering, materials science and engineering, energy, geosciences and water, restoration ecology and environmental engineering, and health and bioscience. Our distinctive research infrastructure includes an on-campus underground mine, the Center for Advanced Mineral Processing (CAMP) materials research center, a High-Performance Computer with 3-D visualization, a nanotechnology clean room, the new Schweitzer Engineering Laboratory Power-Systems Lab, and the MBMG. Projects involve both undergraduate and graduate students working closely with faculty.

Montana Tech's campus has undergone many recent enhancements, including new landscaping and lighting upgrades. Campus artfully blends historic architecture with new state-of-the-art living and instructional facilities in a cohesive whole. In the fall of 2019, the Student Success/Living Learning Center opened, providing an environment for students to live, learn, gather, and develop lifelong friendships. A new Natural Resource Research Center was recently constructed, featuring one of the most high-tech nanotechnology clean labs in the country and houses the brand new, state-of-the-art Schweitzer Engineering Power-Systems Lab. The Lesar Family Nursing Simulation Center opened in January 2022. This new simulation lab will allow the Sherry Lesar School of Nursing — a recognized leader in nursing education in the state — to increase the intake of students and integrate real-life simulation opportunities throughout the entire nursing curriculum. Investments have also continued within the underground mine education center, the only on-campus underground mine in the country. The Montana Technological University Foundation works to advance the campus and its strategic goals through the support of Oredigger alumni, friends, and industry, who continue to demonstrate their strong support of Tech's mission and our students. This is evidenced in record-setting fundraising totals in student scholarship, faculty, and program support. Because of these philanthropic investments, students will enjoy increased opportunities to access the life-changing opportunities a Montana Tech education provides while living and learning within modern facilities with the latest in technology and programming.

# Butte Central Catholic Schools

For over one hundred years, Catholic education has been a vital part of the Butte community. Butte Central Catholic Schools have provided over 16,000 young men and women with an outstanding education deeply rooted in the proud traditions of the Catholic faith. Throughout this century of enduring success, Butte Central has thrived with a remarkable resilience and a tremendous spirit. Personal attention, high expectations, strong discipline, Christian values, and a powerful drive toward excellence speak to Butte Central's motto of "Pride, Tradition, and Commitment."

From its humble beginnings well over a century ago to the present, Butte Central Catholic Schools have provided the youth of the Butte community with an outstanding educational experience. Today, our system features an elementary school campus located at 1100 Delaware Street and a high school campus located at 9 S. Idaho Street in Uptown Butte. In 2005, the Maroon Activities center was built in Butte's historic Eastside. The Maroon Activities Center provides the Butte Central Catholic School System with one of the finest athletic, performing arts, and meeting facilities in the State of Montana.

Central Catholic Elementary School features an outstanding pre-school, kindergarten, and 1st-8th grade program. The school also offers afterschool care program for working families. Central Elementary enjoys an atmosphere of success centered on personal attention, small class sizes, parental involvement, and a safe and secure setting. Music and art were added in 2021 to complement outstanding math, science, reading, social studies, physical education, and religion programs..

Butte Central Catholic High School provides students with one of the finest 9th-12th grade programs in Montana. Over 95% of Butte Central graduates go on to college and higher education. The graduating class of 2021 was offered 1.5 million in college scholarships, averaging to \$68,000 per student.

The growth and development of students in preschool through high school is enhanced by a philosophy, which challenges each individual to explore their talents. Opportunities for prayer, faith development, and service to others, are part of each day in Butte Central Catholic Schools. Students of all faiths are welcome to attend Butte Central. Students attend Mass each week and are encouraged to grow in faith and spirituality.

Outstanding teachers are a big part of the Central experience. All faculty members are certified by the State of Montana which requires a minimum of a bachelor's degree. Many BC teachers have earned advanced degrees.

Butte Central Catholic High Schools is accredited by the State of Montana and the National Association of Catholic Schools. In 2012, Butte Central Catholic High School and Elementary School were awarded an accreditation through the Western Catholic Education Association. This prestigious accreditation was granted after an extensive 18-month application process and an on-site visitation by a team of educators from the Western United States.

In 2016, Butte Central Catholic Schools added the Esther (Sullivan) Cote Resource Program to provide academic assistance to students with special academic needs. The program, which is staffed by a certified special education teacher, is available to students in kindergarten through high school.

In 2017, Butte Central Catholic High School introduced the Bishop Thomas Scholars Academy. This innovative program is designed to promote advance academic opportunities for students who are serious about preparing for college. The program, which is open to 9th – 12th graders, challenges students to maximize their academic potential and strengthen their high school experience. The Academy focuses on preparing students for college placement tests and to increase opportunities for college admissions and scholarships. Students enrolled in the Academy, earn exceptional ACT scores.

In addition to strong academics and school ministry programs, Butte Central has a proud and successful activities program. Seven boys and girls sports are offered along with speech and debate, band, drama, and choir. In eight of the last 10 years, Butte Central has been awarded the Northwestern Energy Academic Excellence Award for Class 'A' Schools. The award is given to the school with the highest-grade point average of students involved in extra-curricular activities.

This past fall, the Junior Bishop Thomas Scholars Academy was

added to the junior high program for 5th-8th graders. This program features exciting academic enrichment for our middle school students and a focus on advanced mathematics..

In addition, our high school has expanded out dual credit college program. Butte Central students now have the ability to earn college credits through the Montana Technological University and the Montana University System through Great Falls College- Montana State University. Over 100 college courses are available to BC students. Butte Central has a proud tradition of athletic and extra-curricular success. The BC Activities Program includes seven boys' and girls' sports, speech & debate, pep band, music, and drama. Students are encouraged to explore their talents and experience a wide variety of activities.

Thanks to the generosity of alumni and benefactors, Butte Central Schools feature state of the art technology resources. Recent grants and contributions have enabled Butte Central to create a virtual high school library and amazing computer centers at both the elementary and high school. Interactive Smartboards, classroom amplification systems, and new iPads, Chromebooks, and laptop computers have created high tech classroom settings.

As we look to the future, we are very excited about Butte Central Catholic Schools. Over four hundred students are currently enrolled in our programs, and we look forward to continued growth and success.

Openings remain in all grade levels and interested families may obtain further information by calling Central Catholic Elementary School at 406-782-4500 or Butte Central High School at 406-782-6761. Information on both schools may also be found at our website: [www.buttecentralschools.org](http://www.buttecentralschools.org).

Scholarships and new family discounts are available and Butte Central remains committed to helping families afford our programs. Families and students are encouraged to visit our schools and discover the excellence of a Butte Central education.

# St. James Healthcare

Since 1881, the physicians, providers, associates, and volunteers at St. James Healthcare have extended God's healing love in the tradition of the Sisters of Charity of Leavenworth.

St. James is part of SCL Health, a nonprofit faith-based health system with 8 hospitals in Colorado and Montana. Together, St. James Healthcare, St. Vincent Healthcare in Billings, and Holy Rosary Healthcare in Miles City represent SCL Health Montana. As part of SCL Health, St. James has direct access to best practices in health care, delivery, resources, technology, talent, and strategic capital.

St. James Healthcare is the only acute care facility in southwest Montana, and it serves as the regional medical center for seven counties (Silver Bow, Deer Lodge, Granite, Powell, Jefferson, Madison, and Beaverhead counties). In addition, the SCL Health Medical Group includes 9 clinics: SCL Health Medical Group - Montana Orthopedics, SCL Health Heart & Vascular Institute - Butte, SCL Health Medical Group - Butte, St. James Cancer Center, SCL Health Medical Group - Butte OB-Gyn, SCL Health Medical Group - Butte Urology, SCL Health Medical Group - Butte Surgical Associates, SCL Health Medical Group - Downtown, and SCL Health Medical Group - Boulder. Ranked as the largest private employer in Silver Bow County, St. James Healthcare employs more than 450 associates, alongside 100 physicians and advanced care professionals, offering 24-hour care and dozens of progressive specialty services.

## SERVICES AND EXPERTISE

**Cancer Center:** St. James Healthcare offers comprehensive, state of the art services that include

- Diagnostic Services - x-ray, pathology, scans, and blood work
- Therapeutic Services - specialty providers in medical oncology, radiation therapy, surgery, and interventional radiology
- Restorative Services - physical, speech, and occupational therapies; lymphedema management and wound care.
- Support Services - financial counseling, social work, nutrition, spiritual care, and patient/family education

The advanced cancer services in both radiation and medical oncology, our Cancer Center provides high-quality and compassionate care to patients.

**Cardiology:** Our Cardiovascular team provides patients with the highest level of cardiac care. Using state-of-the-art equipment, St. James provides both diagnostic and interventional cardiology services including cardiac catheterizations, angioplasty, coronary stenting, and all cardiac diagnostic tests. St. James also offers a nationally certified cardiac rehabilitation and medical exercise program so patients can recover and receive follow-up care close to home. We recently completed an \$8.2 million renovation of our Cath Lab.

**Orthopedics:** SCL Health Medical Group - Montana Orthopedics offers quality, innovative, patient-focused services for trauma, joint replace-

ment, foot and ankle procedures, and spine surgeries as well as sports medicine services. Our highly skilled orthopedic surgeons perform total joint replacement of the knee, hip, and shoulder and prevention, and treatment of athletic injuries, arthroscopic surgery, and physical therapy. Spine surgery includes complex trauma, scoliosis, pediatric and degenerative deformities, revision procedures, motion sparing technologies, and cervical reconstructive surgery. St. James Healthcare purchased the ExcelsiusGPS Robotic Navigation system, the most state-of-the-art minimum invasive spine fusion equipment of its kind. The system allows for improved accuracy, reduced radiation exposure, and increase efficiency during spinal surgeries. Setting St. James apart as the only healthcare facility in the region with access to this technology.

**Women's Services:** Regardless of age, women can receive all the services they need at any stage of life. From having a baby to experiencing menopause and beyond, St. James women's services staff handle it all. The experts at St. James Healthcare's Women's Services can help women determine what they need and when they need it. The new and improved St. James Family Birth Center builds on our legacy of delivering exceptional care to our patients and their families. The rooms are bright, beautiful, spacious, and modern & designed to be comfortable for the whole family. They're the perfect place for moms to rest easy and for parents to bond with their little ones after arrival.

**Surgical Services:** In addition to orthopedic surgery, St. James offers general, gastric, vascular, thoracic (chest), and urologic surgery in four, state-of-the-art surgical suites. Our skilled team of surgeons has expertise in performing abdominal, lung, chest surgeries, including aneurysms, using the latest surgical technologies, such as the da Vinci Robotic Surgical System for minimally invasive surgeries.

**Wound Healing & Hyperbaric Center:** Our team has the most advanced training using methods for treating chronic and non-healing wounds. Our multidisciplinary approach is focused on rapid healing and finding the causes of wounds. We assess, treat, and help you manage your healing process.

**Imaging and Ancillary Services:** St. James' patient care is complemented by exceptional imaging and ancillary centers. The imaging center provides the full spectrum of diagnostic capabilities using the latest technology including a 64-slice CT scanner and an on-site radiologist for immediate needs, as well as an on-site CAP-accredited laboratory, anesthesia, pharmacy, and therapy services.

# Southwest Montana Community Health Center (SWMTCHC)

The Southwest Montana Community Health Center provides integrated, comprehensive healthcare services to more than 13,500 people each year. Since 1986, the private nonprofit has delivered mission-driven healthcare to all people, regardless of their income or insurance status. The SWMTCHC offers a sliding fee schedule that allows it to adjust charges for healthcare services according to family income. In addition, SWMTCHC accepts Medicare, Medicaid, Healthy Montana Kids, and private health insurance plans. The SWMTCHC has locations in Butte, Dillon, Sheridan and Anaconda.

## Services

### Medical

The SWMTCHC provides comprehensive medical care, including physical exams and preventive care for all ages, urgent care, chronic disease management, substance abuse care, prenatal care, pediatrics and immunizations. Same day appointments for both urgent and routine care are available.

### Dental

The dental team works with patients to promote overall oral health and offers exams, cleanings, fillings, extractions, and crowns and root canals and more. An emergency dental clinic is available weekday mornings. The second and fourth Friday of each month is Free Kids Day and all children are seen free of charge. In 2021, the clinic opened a new dental clinic in Dillon at 122 E. Glendale.

### Behavioral Health

Behavioral health therapists work hand in hand with the medi-

cal team to assess and treat patients. In addition to therapy services, psychiatric services are available and care management teams can assist patients with resources and other needs.

### Pharmacy

The SWMTCHC has three full-service retail pharmacies serving both SWMTCHC patients and the public in Dillon, Sheridan and Butte. SWMTCHC patients may be eligible for discounted medications based on income. Also, our clinical pharmacists work directly with their medical providers to care for patients needing medication assistance and education at our clinic.

### Healthcare for the Homeless

SWMTCHC provides temporary medical services for homeless persons and ongoing medical care for people who are in southwest Montana. Case management is available to assist patients in finding local resources they may need.

# Neighborhoods

photo by: Steven Cordes

Butte's neighborhoods are as diverse as the residents of the city itself, each having its own sense of uniqueness and pride of ownership! Butte is generally defined as the "Uptown" and the "Flats". The uptown is north of Front Street and includes the Historic District. This area also includes a central business district as well as Butte High School, Butte Central Catholic High School and Montana Tech. The residential areas are highlighted by the lower Westside and upper Westside. These neighborhoods contain turn of the century homes along with an influence of newer construction. Most properties are on smaller lots which have been well maintained. The Westside offers good proximity to St James Healthcare and Montana Tech. The Flats is home to a variety of mid-century homes located in well established neighborhoods like Clark's Park and Floral Park. For those desirous of newer homes with a bit of acreage Blacktail Loop, Homestake Meadows, Beeftrail Ski Estates and the East Ridge provide for space, views, and custom-built homes. The outlying areas include Roosevelt Drive, Moulton Reservoir, Buxton and Elk Park which offer an added level of privacy often on larger acreage. Each neighborhood offers differing price points but overall, the market has been strong in Butte. As of the end of February there were 37 active listings with an average price of \$265,000. However, local real estate experts are optimistic moving forward as new development is coming online highlighted by the Copper Fox development. Copper Fox is located just North of Margaret Leary grade school and will include 84 residential building lots. One thing is for sure... if you're looking for variety look no further than Butte! We have everything from 100+ year old renovated Victorians to custom built modern designs. Whether you're looking for small easy to maintain yards or 20+ acre sites we have it all.

# Butte-Silver Bow Law Enforcement Department

The Butte-Silver Bow Law Enforcement Department is a professional police department and is the only law enforcement department serving the City and County of Butte-Silver Bow. The law enforcement department is the result of the consolidation of the Butte Police Department and the Silver Bow County Sheriff's Department that occurred in 1977. The law enforcement department works closely with the Montana Highway Patrol, the Montana Division of Criminal Investigation, and other state and federal law enforcement entities.

The law enforcement department is led by an elected sheriff. The current sheriff is Ed Lester, a 31-year veteran of law enforcement in Butte-Silver Bow. The sheriff also oversees the operation of the Butte-Silver Bow Emergency Dispatch Center and the Butte-Silver Bow Detention Center.

The Law Enforcement Center is located at 225 N. Alaska Street in Butte. There is a memorial to the 18 law enforcement officers who have given their lives in service to the citizens of Silver Bow County located in front of the Law Enforcement Center. The detention center is located nearby, at 155 W. Quartz Street.

The mission of the Butte-Silver Bow Law Enforcement Department is to protect life and property from criminal activity and maintain the public peace and safety by enforcing the law. Activities of the law enforcement department include arresting and detaining suspects committing or attempting to commit criminal offenses, serving legal papers, suppressing breaches of the peace, riots, or insurrection, investigation of crimes, and administration of various community relations programs.

The law enforcement department is divided into three divisions. They are: The patrol division, investigative division, and the detention center. The department also has a Special Weapons and Tactics (SWAT) team as well as a number of trained hostage negotiators.

The law enforcement department is a member of the Internet Crimes Against Children Task Force (ICAC) and has placed an investigator on the Southwest Montana Drug Task Force (SWMDTF). A canine unit has also been added to increase drug enforcement capabilities. The department also has 2 School Resource Officers (SRO's) and a Public Housing Authority Officer.

Nearly all sworn personnel, 911 Communication Officers, and Detention Officers are trained in Crisis Intervention Techniques to better interact with persons who are in crisis.

The law enforcement department currently has 53 sworn law enforcement officers, 12 dispatchers, 29 detention officers, and approximately 15 other civilian employees.

The Butte-Silver Bow Law Enforcement department responded to over 30,000 calls for service in 2021.

The men and women of the Butte-Silver Bow Law Enforcement Department are well trained professionals who are devoted to serving the citizens of Butte-Silver Bow and our visitors.

# Advantage Butte

## MISSION STATEMENT

Our purpose is to enhance the Butte Economy through promoting and supporting sporting and related events in Butte.

## BACKGROUND

Advantage Butte was founded when a group of local business leaders recognized sporting events bring millions of dollars annually into our community. Most of these events can be self-supporting. Many of the potential sponsors of these events, however, lack the resources to provide some of the initial funding to attract and promote the events or lack the resources to cover potential shortfalls. By bringing together broad-based support from throughout the community, the group can provide the financial resources to allow event sponsors to compete effectively in the state and regional market.

Advantage Butte provides economic development for Butte through the sponsorship / underwriting of sporting events in the community. The easiest way to measure the success Advantage Butte has had is the number of tournaments we have hosted. Since our organization was founded in 2004, through the spring of 2021, the number stands at over 160. The financial impact of these tournaments is just over \$44 million dollars added to our local economy.

Since Advantage Butte is a 100% volunteer organization, all money raised goes to the successful bidding and hosting of tournaments. Advantage Butte has always relied on donations from the Butte business community to create economic development.

## MEASURING IMPACT

The Montana Chamber of Commerce has established a formula to assist communities in measuring the economic impact generated by sporting events.

- Each team member is valued at \$100 per day. (avg. team is 18 players)
- Each team brings 2 fans per athlete -- the exception to this is the class C boys' basketball, the largest single basketball tournament in the state. Each fan is valued at \$100 per day.

## 2021-22 ECONOMIC IMPACT

Using these formulas, we have determined the economic impact of the events which we are supporting over the current school year:

- Montana Tech Big Sky Volleyball Challenge \$ 275,400
- Butte Central Bloctober Volleyball Classic \$ 220,800
- District 12C Boys' & Girls' Basketball \$ 227,000
- Class AA/A Boys' & Girls' State Track \$ 493,600

**Total \$1,216,800**

*Advantage Butte is dedicated to supporting events that provide our community with an excellent return on investment.*

## ADVANTAGE BUTTE 2022-2023 EVENTS/ COMMITTED/ANTICIPATED

August 2022	Montana Tech Big Sky Volleyball Challenge	Butte Civic Center
Spring 2022	Advantage Butte Volleyball Classic	Butte Civic Center
March 2023	Class AA Boys/Girls State Basketball	Butte Civic Center
2022-2023	Other Tournaments TBD	Various Locations

## QUALIFICATIONS

Advantage Butte is operated by a Board of Directors made up of representatives of local businesses which are members of the group.

<b>Chairman</b>	Rody Holman	PayneWest Insurance
<b>Vice Chair</b>	Kami Johnson	Best Western Plus Butte Plaza Inn and Dickey's BBQ
<b>Treasurer</b>	Brad Spear	Anderson Zurmuehlen
<b>Secretary</b>	Melissa Bolton	Best Western Plus Butte Plaza Inn

Advantage Butte's successes since its inception in 2004, over \$44 million dollars in economic impact to our community while hosting over 160 tournaments.

Tournament bids and contact committee is chaired by Ron Davis. Ron is owner and General Manager of KBOW and KOPR radio stations. With 39 years of experience broadcasting radio and television sports, Ron is well known in the sports community. Ron has worked with the Montana High School Association on many different areas of high school sports and brings a great understanding to bidding tournaments to Advantage Butte.

Without the tireless efforts of our board and membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments that we have supported may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, we truly believe that we have a world-class organization.

# Butte-Silver Bow Convention & Visitors Bureau (CVB)

Montana lodging properties began collecting a “bed tax” in the late 1980’s. Currently lodging properties collect an 8% bed tax from guests. This funding is broken down with 3% going to the state’s general fund, 1% to fund Montana Heritage and Historic Preservation projects. The remaining 4% is further divided down to assist in funding: MT Department of Commerce, MT Fish, Wildlife and Parks, MT Heritage Preservation and Development, Montana university system for travel research, MT Department of Commerce, Aquatic Invasive Species, MT State Parks, the Indian tourism region, 6 tourism regions and 16 Convention & Visitors Bureaus (CVB). Prior to COVID-19, Butte received on average \$125,000.

As everyone knows COVID-19 had a devastating effect on almost all businesses, the travel and tourism industry was one of the hardest impacted. Bed tax revenues for the state of Montana decreased 20% in 2020 from 2019, our travel region of Southwest Montana (SWMT) saw a decrease of 28% and Butte collections decreased by 30%. Thankfully in 2021 bed tax collections increased substantially over 2020, the state increased 71%, SWMT 76%, and Butte 71%. Two things contributed to these increases: occupancy and rate. To best illustrate, refer to the table below, Butte was fortunate to see the best occupancy in 4 years and a significant increase in average rate.

Year	Occupancy	Rate
2021	54.2%	\$117.90
2020	40.2%	\$93.46
2019	53.3%	\$98.46
2018	52.4%	\$98.24

Funding to expend bed tax dollars goes through several processes, a marketing plan is developed and approved by the local CVB board of directors and the Governor’s appointed Tourism Advisory Council. At the end of each fiscal year, an extensive audit is conducted on all bed tax expenditures. Evaluations on expenditures is completed to review the success or failures of projects. The Butte CVB traditionally spends funding on the following:

- Consumer marketing focusing mainly on online, digital, traditional and streaming television, social media platforms and print advertising.
- Administration costs to cover director salary, summer staffing for the Visitor Information Center and fulfillment of tourism information requests.
- Research projects to assess visitor expenditures and comparisons to previous years.

Other markets are coming forward allowing Butte to truly shine; paranormal tours, entertainment industry project to include films and television. The entertainment industry utilized Butte’s assets for 10 projects in 2021 with an economic impact more than \$650K.

Butte works closely with the travel region of Southwest Montana and Brand Montana (Montana Department of Commerce) continuing to be visible and ready when projects come forward to make Butte’s assets shine.

## Butte Tourism Business Improvement District (TBID)

The Butte Tourism Business Improvement District (TBID) was created in July 2011 at the request of Butte hoteliers, to build a promotional fund to increase hotel guest room sales and revenue. In June 2021 the TBID was extended to continue for another ten years with support from local hoteliers and subsequent Butte-Silver Bow Council of Commissioners. The board of trustees who oversee the TBID budget is comprised of hotel owners or designees and are appointed by the Butte-Silver Bow Chief Executive.

Butte lodging facilities will continue to collect \$1.00/occupied guest room/night from hotel guests. These funds are billed with the Butte-Silver Bow November property tax bills. From October 1, 2020, to September 30, 2021, Butte collected over \$258K. Annually a budget is produced and presented to the Butte-Silver Bow Council of Commissioners and Chief Executive for their review and approval.

The TBID accepts grant applications for promotional funding of events, tournaments, and special projects in two funding cycles; January and June, with award decisions made by the board of trustees, comprised of hoteliers in the Butte market. Grant award decisions are rendered 30 days after the final submission date.

Along with funding grant applications, the TBID works cooperatively with the Butte CVB, Southwest Montana travel region, and the Montana Office of Tourism and Business Development (MTOBD), capitalizing on advertising buys and projects; keeping with the Montana Brand to present a cohesive message for our state, region, and community.

For more information on the Convention & Visitors Bureau and Tourism Business Improvement District please contact Maria Pochervina at the Butte Chamber of Commerce 406-723-3177 or mariap@buttecvb.com.

**In the summer of 2021 the TBID took on the project of giving an identity to the tourism industry for Butte. With great excitement, BUTTE MONTANA Wildly Historic was launched with a new logo and brand standards. BUTTE MONTANA Wildly Historic depicts Butte’s attractions and recreational offerings.**

# Community Services

The Community of Butte is rich with people who truly care about the community they live, work and play in. With a highly educated workforce, Butte is ranked in the country for top entrepreneurial activity. Butte's proximity to the mountains, rivers and streams make it a highly desirable place to live and play. The people of Butte care about one another and our residents form community bonds within the city through clubs and organization, religious affiliation and recreation.

## Unlimited Outdoor Recreation

Butte is central to over 3 million acres of public land managed by the U.S. Forest Service and Bureau of Land Management to enjoy hunting, fishing at one of the many blue-ribbon rivers and streams, camping, winter sports and a variety of trail opportunities.

## Blue-Ribbon Fishing

Butte is the intersection to all of the best fishing in Southwest Montana. Whether it's summer or winter ice fishing, opportunities abound and all are within a one-hour drive of Butte! Big Hole River, Jefferson River, Beaverhead River, Madison River, Georgetown Lake, East Fork Reservoir, Flint Creek, Rock Creek, Boulder River, Clark Fork River, Warm Springs Ponds, Silver Bow Creek, Harrison Lake and the Ruby River.

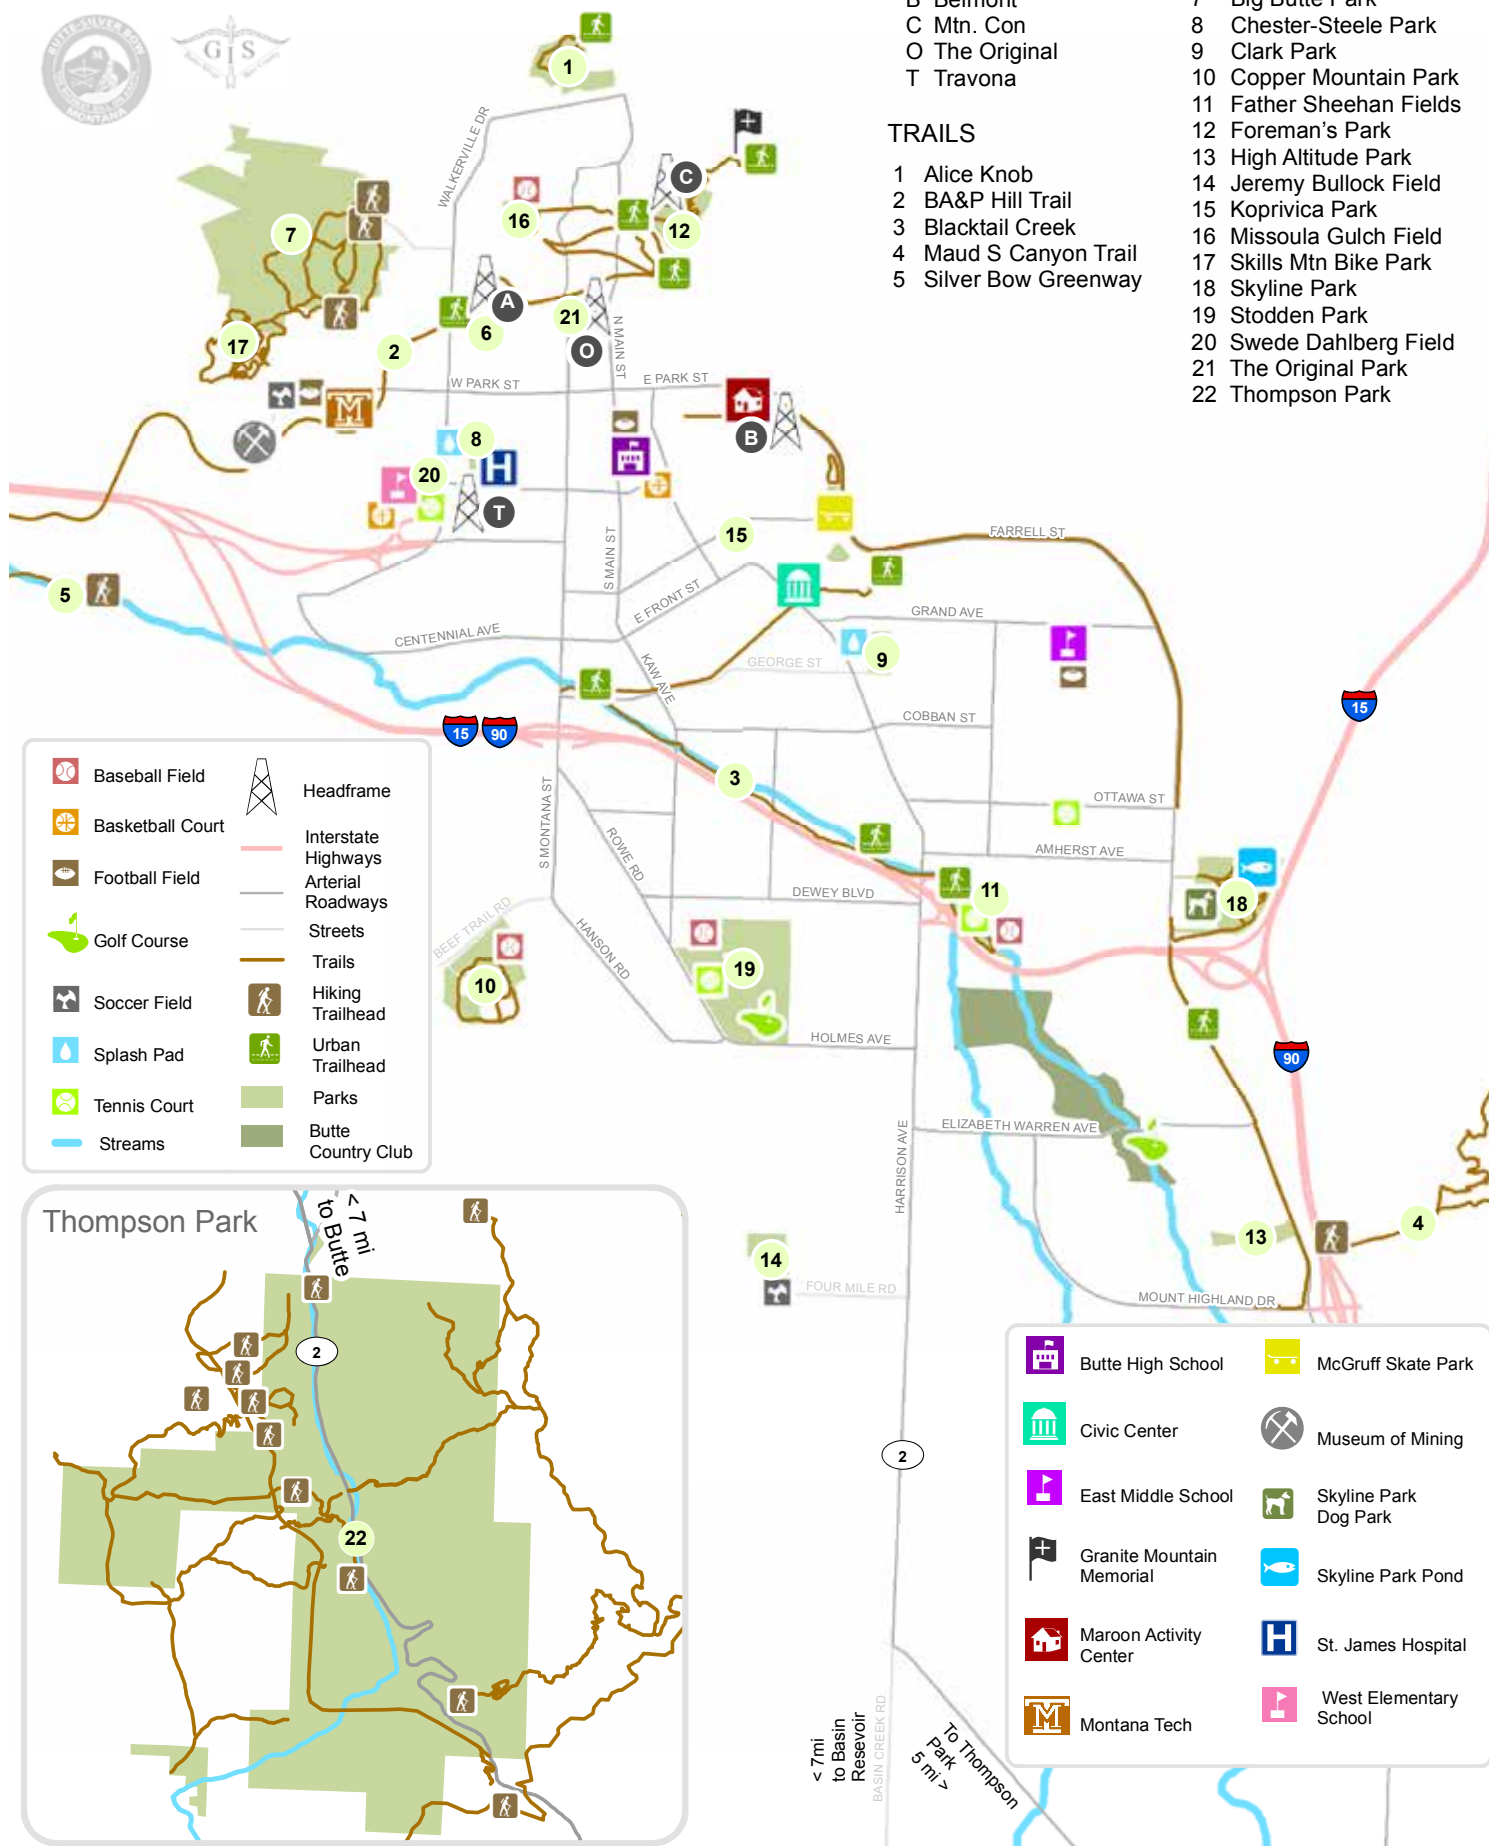

## Trails, Parks and Scenic Drives

Butte is well known as Montana's best destination where you can experience trails for any level of adventure seeker. Butte enjoys hundreds of miles for mountain bikers, hikers, horseback riders, motorized vehicle, and winter trail enthusiasts all within minutes of Butte. Thompson Park, Humbug Spires, Ringing Rocks, Whitetail-Pipestone, Copperway & Butte Heritage Park Trails, Discovery and MT Tech mountain bike parks, Anaconda-Pintler Wilderness Area, Lost Creek State Park, Pioneer Scenic Byway, Lewis and Clark Caverns and the Continental Divide National Scenic Trail are all within 60 minutes for year-long opportunities.

## OUTDOOR ADVENTURE JUST 15 MINUTES FROM BUTTE!

- The Milwaukee Road – a fun and adventurous route through the heart of the Park with beautiful vistas, cavernous tunnels and a breathtaking trestle.
- Trails – hikers, bikers and equestrians have numerous trails to explore with easy access to the Continental Divide National Scenic Trail. Look for interpretive signs to learn about the Park's history, geology, wildlife, and plants.
- Several trails are groomed for winter use.
- Picnic areas – several picnic areas are available for family outings and quiet getaways.
- Eagles Nest Disc Golf course – try your luck on the challenging 18-hole course at Sagebrush Flats.

Please follow these simple rules:

- Thompson Park is a DAY-USE facility open daily May through October. No overnight camping.
- Fires are allowed ONLY at picnic-site grills. Camp stoves and portable barbecue grills are allowed.
- Discharging firearms, arrows, or other weapons is prohibited in the Park.
- Firewood cutting is not allowed.
- Help us keep the Park clean for all visitors, place garbage in designated trash containers.
- Share the trail and respect all trail users.

# Butte 100 - July 23

photo by: Valerie Manhe

We will be celebrating the 15th Annual Butte 100 Mountain Bike Races on July 23, 2022. In 2021 with a partnership with the Forest Service and BLM we were able to grow the race from 350 racers to 500. Starting in 2007 as a small group of mostly locals, the Butte 100 has seen substantial growth in its short history. The race has recently been recognized in nationwide publications as an ultimate test of mountain biking physical and mental aptitudes. A focus of the volunteer-staffed race is continued improvement in racer experience each year. The Butte 100 is proud to be contributing to the growing awareness of Butte, Montana as a world-class recreation city.

Though this entire event is named the "Butte 100", it consists of three individual races: the 25 mile, 50 mile and 100 mile, run in conjunction and support of the other, sharing portions of course, supplies and aid stations and the start/finish area. The trails are the "Most difficult mountain bike race in the country." The race course is staffed by the "Neon Army" an army of volunteers who were honored by the Butte Local Development Corporation as "Volunteer Group of the Year for 2016".

The 100-mile racers will endeavor to complete a full figure-8 course that includes pedaling the equivalent of climbing Mt. Rainier. Only the 100s will experience the desert riches awaiting them in the BLM's Pipestone area. As the 100s are hammering the top portion of the "figure-8," the 50-milers begin the daunting southern portion of the "8." The 100s return through the start/finish area before taking on the now warmed-up southern loop.

The 50-mile course (south loop) is known for the notorious 6-mile Basin Creek Climb that looms over all racers—50s and 100s alike—halfway through the loop. The first male and female in both races to the top are rewarded with King & Queen of the Mountain honors. Those surviving this and the ensuing "8 Miles of Hell," are greeted with a silky 35-mile stretch of single-track on the USFS maintained Continental Divide Trail—the jewel in the Butte 100s crown. A downhill finish reawakens racers from their trail trance and wills them across the finish line.

The Sorini 25, which was added in 2015 was named after Dr. Peter Sorini, who raced in the 50 and 100 mile races numerous times and supported the Butte 100 since day one, gives the racers another option. This year the race will have a new course with a 5000-foot elevation gain. Dr. Peter Sorini passed away on February 8, 2016, after a

14-month battle with brain cancer.

The Butte 100 is incredibly proud to have developed one of the nation's best mountain bike race events, attracting the highest caliber of racers from across the country and Canada. More so, the race is just as proud of the positive effects the race has had on our home, including its contribution to conversations spotlighting Butte's abundant recreational opportunities.

The 50 and Sorini 25 sell out each year. To register for the race or to be a volunteer, check out their website at [www.butte100.com](http://www.butte100.com).

# Municipal Parks

photo by: Bob Lazzari

Altogether, Butte-Silver Bow's park sites total more than 450 acres of developed and undeveloped park land providing both active and passive recreation opportunities for residents of Butte-Silver Bow and the surrounding areas, supplemented by the incredible public lands and open spaces in the Butte-Silver Bow area.

There are nearly 45 developed parks and 60 miles of recreational trails (Approximately 27.5 miles paved) in Butte-Silver Bow. The parks amenities include skating rinks, cross country skiing, a skate park, tennis, basketball volleyball, and pickleball courts, a wading pool, splash pad, water park, cemetery, an all-abilities accessible playground, sports fields, 9 hole golf course, par 3 golf course, driving range and two folf courses.

Butte-Silver Bow natural areas include Thompson Park, a 3,800-acre forested park south of Butte, co-owned and co-managed by the U.S. Forest Service; Big Butte, which is 310 acres; Skyline Park, which is 60 acres; Basin Creek Reservoir, which is 42 acres; and Blacktail Creek, which is 10 acres.

Butte-Silver Bow organizes adult sports including softball, pickleball and volleyball. Partnerships with local youth organizations provide recreation opportunities including little league, football, tennis and soccer.

Thompson Park provides non-motorized trails for hiking, mountain biking, cross-country skiing, snowshoeing, and horseback riding, picnic areas and a regulation disc golf course. Skyline Park provides a children's fishing pond, off leash dog parks, all-abilities accessible playground, walking trails and a hang gliding landing site. Big Butte provides non-motorized trails for hiking and mountain biking. Stodden Park is home to Ridgewaters, Montana's newest family waterpark, Highland View Golf Course, the Spirit of Columbia Gardens Carousel, and a destination playground which is all-abilities accessible.

# Montana Folk Festival

photo by: Steven Cordes

After hibernating for two long years during the pandemic, the Montana Folk Festival is set to return to Uptown Butte for its 10th presentation this July 8, 9, and 10. After three years as the National Folk Festival from 2008-2010, this will be the 13th presentation of this much anticipated event.

The festival is a three-day celebration of traditional music, dance, arts and ethnic cuisine. Admission to all is free for all performances and exhibitions.

The festival is one of the largest free of admission outdoor events in the Northwest, attracting well over 150,000 attendees each year from throughout Montana and surrounding states and Canada.

This signature event at the beginning of the summer season has grown to become a major economic and cultural magnet for Butte and Southwest Montana.

While admission to all performances is free of charge, attendees are encouraged to consider a suggested \$20 contribution each day of the festival weekend or \$25 for families each day to keep the festival free in future years.

In 2022, the festival will include multiple stages featuring the talents of more than 200 artists presenting music and dance performances and moderated talk/demonstration sessions, a Dance Pavilion, a Family Area, a Montana Folklife Area, regional and ethnic foods, and a festival folk arts market and the First Peoples' Market that features the creative works of the region's Native American artists.

The musical lineup, when announced in the spring, will be available at the festival web site at [www.montanafolkfestival.com](http://www.montanafolkfestival.com) and on facebook at [www.facebook.com/mtfolkfest](http://www.facebook.com/mtfolkfest).

The festival will also feature the popular Montana Folklife Area with demonstrators to emphasize and interpret a selected theme that shines a light on an aspect of Montana's heritage and lifeways. In 2022 that theme is "Building a Longer Table -- The Contributions of Immigrants to the Heritage and Traditions of Montana and the West."

Each year, we focus on a theme that highlights an important aspect of Montana's heritage," said George Everett, Festival Director and Festival Executive Committee Member.

This theme will guide the activities, displays and demonstrations of the popular Montana Folklife Area and will include demonstrations and displays by a variety of Montanans who have contributed to the vitality and culture of the West.

"Meanwhile, musical performers on multiple stages will continue to

represent musical traditions from around the world that have contributed to the heritage of our nation on the six performance stages," Everett added. "The quality and excitement that fans have come to expect at the festival and the rich variety of the performers will continue. They should plan to come expecting to be amazed -- and bring their dancing shoes."

While the festival remains free of admission to all, fundraising efforts are underway and sponsors are being sought. A challenge grant is underway to match a generous \$100,000 challenge from the Dennis and Phyllis Washington Foundation and Montana Resources, major sponsors of the festival.

Anyone interested in sponsorship opportunities or contributing in any way to ensure that the festival continues in this and coming years can visit the festival website for more information or they can send tax-deductible contributions large and small to Montana Folk Festival, P.O. Box 696, Butte, MT 59703 or through the PayPalGivingFund by going to [paypal.com/us/fundraiser/charity/1876197](https://paypal.com/us/fundraiser/charity/1876197).

The Montana Folk Festival is presented by a collaborative of partners led by Mainstreet Uptown Butte in partnership with Butte-Silver Bow County. Artistic programming assistance is provided by the National Council for the Traditional Arts ([www.ncta-usa.org](http://www.ncta-usa.org))

Look for details as they develop at [www.montanafolkfestival.com](http://www.montanafolkfestival.com) or on the festival's Facebook page at [mtfolkfest](https://mtfolkfest).

# Serbian Food Festival

The Holy Trinity Orthodox Christian Church in Butte Montana is host to a Serbian Food Festival that is a Community event, open to the public, and No Entrance Fee. 10% of net proceeds go to support high school children's clubs.

It is a Community-building event designed to draw the neighborhoods together in a safe environment where one portion of our city's great heritage can be explored by means of *Taste, Touch, Sight, Sound, and Smell*.

This event includes Ethnic Dancers to watch, Music to listen to, Food & Drink to Taste & Smell, and participation in actually making contact with others when being invited to get up and Dance.

The Arts are exemplified by tours of the Butte Orthodox Christian Church with the fully Frescoed Iconographic interior, and samples of Church Chanting. This is a Jewel of the state tucked away in our corner of Montana.

**HOLY TRINITY ORTHODOX CHRISTIAN CHURCH**

The Intellect is engaged with theological introductions to concepts in the Orthodox Christian Church. It is one of the two largest churches on the planet. It is identifiably nearly over 2000 years old. And one of the fastest growing churches in the USA. And in Butte growing at nearly 25% a year for the past 10 years. This alone makes the Church an object of interest and exploration.

Fine food, fellowship, and fun in a relaxed outdoor atmosphere makes the Serbian Food Festival an invitation for everyone. Saturday August 6, 2022. Mark your calendar and make your plans to visit today.

Hope to see you there.  
Fr. Russell Radoicich Parish Priest

# An Rí Rá

The 2022 An Rí Rá Montana Irish Festival will take place on August 12 – 14th at the Original Mine Yard. The An Rí Rá has gained recognition in the Irish world as a premier event of Irish culture, music, and dance. The festival features world-class entertainers from all over the United States and Ireland as well as regional Irish performance groups and dancers. The festival, in its 19th year in Butte, will be FREE admission to the public. The An Rí Rá Executive Committee and the Montana Gaelic Cultural Society are excited to return to an event after a two year break due to the pandemic.

The festival provides a family-friendly atmosphere that has activities for all ages. There are also many cultural and educational activities that take place during the weekend. The entertainment scheduled for the festival will have performers coming from all over the world. The festival brings four to five headliner acts each year. The An Rí Rá Executive Committee will be releasing our lineup as soon as one becomes available.

The festival grounds will have food vendors, arts & crafts vendors, and a beer garden and other amenities for festival attendees. Come and take part in the most Irish weekend found anywhere in the Pacific Northwest in the most Irish city in America!

# SnöFlinga

Swedish for “snowflake,” SNÖFLINGA is a community-sponsored festival that takes place in and around Butte every January. Participants and spectators alike are encouraged to: Get Outside, Be Active, Enjoy Winter, and Celebrate Community. Easy mountain access and extensive trail systems coupled with snow, sunshine, and cold weather make the Butte area a true winter playground!

SNÖFLINGA offers FREE and low-cost events for all ages which highlight the numerous everyday winter recreation opportunities in and around Butte, Montana. Fun winter opportunities during this festival include cross-country skiing, ice skating, fat tire biking, trail running, curling, speed skating, a kid-friendly SNÖDay, hockey, Oula, and more! The SouthWestern Polar Plunge delivers another weekend highlight with wild costumes, big splashes, and fundraising for Special Olympians in the Butte, Anaconda, Dillon, and Deer Lodge areas. Watch blocks of ice come to life as ice sculptures and marvel at professional ski/snowboard films at one of our winter-specific cultural events.

# St. Patrick's Day

For more than a century, St. Patrick's Day has been one of Butte's high holidays. At the heart of the much-anticipated annual celebration is a grand parade. Sons and daughters of the Emerald Isle, as well as friends of the Irish from near and far, gather to cheer the green-tinged floats and marchers and even bagpipers as they make their way through our colorful uptown district. The Butte America Foundation (BAMF) considers it an honor to produce Butte's colorful parades and is pleased that 2022 signals the return of a full St. Patrick's street parade! Mark your calendars! March 17 at noon in uptown Butte. *For more information contact [bamf@butteamericafoundation.org](mailto:bamf@butteamericafoundation.org).*

# PARTNERS WITH YOUTH

**"SUPPORT THE Y,  
STRENGTHEN YOUR  
COMMUNITY"**

**TURN YOUR  
GIFT INTO  
THEIR  
FUTURE!**

The Y has been listening and responding to our communities' most critical needs for more than 100 years. Whether developing skills or emotional well-being, welcoming and connecting diverse populations and advocating for healthier communities, the Y fosters the care and respect all people need and deserve. At the Y, strengthening community is our cause. Our staff and volunteers are kids, parents, grandparents, neighbors and local leaders who are all personally committed to understanding what our neighborhoods need. Together we can build stronger, more inclusive communities, provide support for families and promote change overall.

# Attractions

Butte has many opportunities to explore the past all while enjoying the new developments of the future. Whether you are interested in a tour, performing arts or getting out for some fun in the sun there is something for everyone.

## Berkeley Pit

350 Shields Ave. • (406) 723-3177 • pitwatch.org

From 1955 until 1982, the Berkeley Pit produced enough copper to pave a four-lane highway, four inches thick, from Butte to Salt Lake City, Utah and 30 miles beyond. When mining operations ceased in 1982, the underground pumps were shut off, and the Berkeley Pit began filling with acidic water, heavy metals and unique microscopic lifeforms. Since September 2019 the water is being treated and discharged downstream. The Pit with its water and colorful landscape can be seen via a visitor viewing stand. Today, open pit mining continues behind the Berkeley Pit in the Continental Pit operated by Montana Resources, employing 350 people year-round. The Viewing Stand and Gift Shop are open May – mid-September.

## Butte Chamber of Commerce & Visitor Information Center

1000 George St. • (406) 723-3177 • buttechamber.org

The Chamber is Butte's outlet to everything for the visitor. Come in to get all the best information for

your visit and view: interpretive mining displays, native animal mounts, gift shop and the George F. Grant hand tied fishing flies, known for their highly detailed, hackle weaved style, a style rarely duplicated for its intricacy and complexity. The Chamber is open Monday-Friday year-round, Memorial Day through Labor Day, 7 days a week.

## Butte Mule Tours

53 W. Park St. • (406) 723-8928 • buttemulettours.com

There are two different tours available. Both start & finish at Miners Hotel. Tour I: "Prostitutes & Prohibition" includes stops at Myra/Cabbage Patch, Dumas & 51 Below Tour 2: "Gallows frames & Neighborhoods" includes all of uptown area & Walkerville along with stops at Mining Museum & Granite Mountain Memorial.

## Butte-Silver Bow Public Archives

17 W. Quartz St. • (406) 782-3280 • buttearchives.org

Learn more about Butte's mining, labor, lifestyle and family histories. The Archives occupies a historic fire hall built in 1900 and features an inviting reading room, friendly staff, exhibits, collections, photographs, public programming, small

firefighter's museum and rotating displays. A knowledgeable staff is available to assist with research on Butte's rich history. Services are available Monday-Friday from 9:00 a.m. – 5:00 p.m.

## Butte-Silver Bow Courthouse

155 W. Granite St. • (406) 497-6200 • bsb.mt.gov

Built in 1911, the rotunda walls are adorned with golden mosaic murals of personified muses; Justice, Geography, History, Philosophy and murals of Presidents Lincoln, McKinley, Washington and Wilson. Large pillars of Montana-quarried travertine draw the eye upward toward the mosaics and stained-glass dome. The impressive 1,500-pound, 28' in diameter, stained glass dome atop the rotunda was renovated in 2015. The Courthouse is open year-round, Monday-Friday, closed weekends and holidays.

## Butte Symphony

321 W. Broadway St. • (406) 723-5590 • buttesymphony.org

The Mother Lode Theatre is home to The Butte Symphony and is now in its 72nd season. The Butte Symphony has the distinction of being the first symphony in the state of Montana and the symphony is an all-volunteer musician orchestra.

## Butte Trolley

1000 George St. • (406) 723-3177 • buttechamber.org

Take an hour-and-a-half tour of Butte's best history with Butte's best historians. Tours are scheduled Memorial Day weekend through mid-September and year-round for groups via appointment. Online reservations only [www.buttechamber.org](http://www.buttechamber.org)

## The Historic Clark Chateau and Gallery

321 W. Broadway St. • (406) 565-5600 • clarkchateau.org

The Clark Chateau was constructed in 1898-1899 for Charles and Katherine Clark, oldest son of Copper King W.A. Clark. We offer engaging tours of the Chateau, led by our knowledgeable and passionate staff and community volunteers. Tour guides lead groups through the building's seemingly infinite nooks and crannies, discussing the history of Butte as seen through the windows of one of the city's most cherished architectural icons. Learn about the mysterious Clark family, and many other fascinating former inhabitants while exploring this remarkable mansion. It's a glimpse into a city unlike any other. Visit the Historic Clark Chateau: Where History Lives and Stories Grow.

## Copper King Mansion

219 W. Granite St. • (406) 782-7580 • thecopperkingmansion.com

The Mansion is a 34-room residence, built in Romanesque Revival Victorian architecture from 1884 to 1888 as residence for W.A. Clark. The home features fresco painted ceilings, elegant parquets of rare imported wood, gas and electric chandeliers, ornate hand-carved fireplaces, stairways and stained-glass windows. The mansion was added to the National Register of Historic Places in 1970. The home is operated as a year-round bed and breakfast. Guided tours are available May – September, and many times by appointment during the winter months.

## Dumas Brothel

45 E. Mercury St. • (406) 351-9922 • dumas-brothel.com

The longest running active brothel in U.S. history. It was open from 1890 until 1982. Over the years the brothel had several different owners and madams. In its early day's, women used to hang out of windows in varying states of dress, or undress in efforts to entice customers. As time progressed, this practice was stopped; heavy doors with sliding portals were installed with doormen monitoring visitors. Please check their website for open days/times.

## Granite Mountain Mine Memorial

Bernie's Way to Alexander St. • (406) 723-3177 • minememorial.org

This memorial shares the events of June 8, 1917 when 168 miners lost their lives in the largest hard rock mining disaster of all time. The site also offers the

visitor an unforgettable panoramic view of the 10,000-foot Highland Mountains, the Continental Divide and the remnants of a once booming mining industry. Open year-round.

## Holy Trinity Serbian Orthodox Church

2100 Continental Dr. • (406) 723-7889 • holytrinitybutte.org

Adorning the walls and ceilings are hand-painted frescoes depicting Scripture in color as they visually convey the word of God. Separating the altar from the nave is the hand-carved Iconostasis Screen, built in Belgrade, Serbia. Tours are available by appointment.

## Linked Adventures

(406) 498-9653 • linkedadventures.com

The outdoor enthusiast's headquarters for shuttle service to the Continental Divide Trail and other stunning terrain. Bike rentals, route and full adventure planning are available for groups and individuals looking to explore the greater Butte and surrounding southwest Montana area.

## Mai Wah Museum

17 W. Mercury St. • (406) 723-3231 • maiwah.org

Established for educational, charitable, and scientific purposes, including research and public education about the history, culture and conditions of Asian people in the Rocky Mountain West. The Society, a 501(c)(3) not-for-profit organization, collects and preserves artifacts, preserves historic buildings and sites, presents public exhibits and supports research and publication of materials of scholarly and general interest. Tours are available summer months and by appointment in the off season.

## Montana ATV Adventures

(406) 491-4417 • montana-atv-adventures.com

Take an exciting guided ride through the trails of southwest Montana's mountains. See old mining ghost towns and camps. Look at massive granite and brick mills where they separated the ore and wonder how they did it.

## Montana Tech Mineral Museum

1300 W. Park St. • (406) 496-4414 • mbmg.mtech.edu

View educational displays and spectacular minerals from Montana and around the world. Prize specimens in the Montana collection include the Rheanna's Star, an incredible smoky quartz cluster and the 27.5 oz. Highland Centennial gold nugget, both found in the Butte area. Additional exhibits include a fluorescent mineral display, and an earthquake hazards display including a live seismograph.

The museum and gift shop are open for Summer Hours: 9 to 5, seven days a week- June 15 to September 15. Winter Hours: 9 to 4 weekdays. Closed on holidays.

## Mother Lode Theatre & Orphan Girl Theatre

316 W. Park St. • (406) 723-3602 • buttearts.org

Built in 1923 by the Masons for the organization's ceremonial services, the building was later transformed into a movie house and eventually leased to 20th Century Fox. In the 1990's the Mason's donated the theatre to the local government where a group of citizens formed the non-profit corporation, The Butte Center for the Performing Arts, who took over the renovation of the facility. Today the Mother Lode Theatre is the elegant venue for The Butte Symphony, Community Concert Series, Mother Lode Series and a variety of community events, and a plethora of culturally rich shows. Tours of the theatre are available by appointment.

## National Historic Landmark District

(406) 723-3177 • visitbutte.com

One of the largest historic landmark districts in the country, Butte offers a legacy of architectural treasures that are contemporaries of the best Victorian architecture in America's great cities. # Golf

Butte is the home to two golf courses: Highland View municipal course and the Butte Country Club course.

As the name suggests, Highland View has a wonderful view of the Highland Mountains south of town. The regulation nine-hole course was built in 1939. It is a par 35. This course has two challenging par 3 holes. Small greens require accuracy and different tees are used for the back nine. It takes about two hours to play even when busy. The par 3 course was built in 1980, and has a full swing on every hole. The greens are excellent with a lot of character. It's great fun for all members of the family and a nice walk in the park.

When it comes to indoor golf, no other place compares to the recently completed Highland View Clubhouse. With two Tracman Golf Simulators, golfers can practice all aspects of the game with access to over 200 golf courses. Grab a couple pals and enjoy the game in a controlled environment and assistance from our Professional Staff. After indoor or outdoor golf relax in the Jack Crowley Jr. clubhouse or sit on the deck overlooking Butte's Highland Mountains.

The course is host the Men's City Championship in July and the Bonnie Highlanders Women Invitational in August, along with local charity fundraiser golf tournaments. Highland View is located in Butte's Stodden Park. The park entrance is off Dewey Boulevard on South Utah Avenue. The Butte Country Club is a member-owned private country club that provides its members golf, racquetball, swimming, tennis, and fine dining opportunities. The course is an 18-hole, challenging par 70. The club also provides a driving range to master technique or warm up before a round.

The Butte Country Club is located at 3400 Elizabeth Warren Ave. Both of Butte's courses offer golf lessons.

Less than 20 miles outside of Butte, there is another option for golfing at Fairmont Hot Springs Resort. Fairmont's golf course features an outstanding 6,741 yard, 18-Hole, par 72 layouts. Fairmont's "mile high, mile-long" 5th Hole is recognized as one of the most challenging among Montana golf courses. The green is a mile high and the tee box is 649 yards away, making this par 5 one of the longest holes in Montana. Fairmont's 3rd hole features Montana's largest green, a three-tiered 10,000-square-foot putting surface.

Over the last three seasons, Fairmont completed over \$2 million in renovations to the golf course. Projects included rebuilding all of the golf course's bunkers, rebuilding tee boxes and several greens, upgrading the driving range and completely replacing the irrigation system with a state-of-the-art system. Tee times can be booked online.

## Disc Golf

The Summit Valley is home to three regulation disc golf courses.

Eagles Nest Course, located in Thompson Park on the Beaverhead-Deerlodge National Forest just south of Butte, is a hilly and wooded 18-hole regulation course. The course is a marked course with tee boxes and baskets. Enjoy a long and challenging course surrounded by unbeatable scenery. The course is open May through October, but visitors can walk in throughout the year from the Montana Highway 2 parking area. Mining City Disc Golf Club organizes weekly league play and competitions.

Montana Tech disc golf course is located just west of the Natural Resources Building. The 18-hole disc golf course is located within Montana Tech's Whiskey Gulch Mountain Bike Skills Park. The course is open to the public and Montana Tech's Folf Club hosts tournaments and competitions at the course.

Copper Mountain Park is an 18-hole disc golf course, which follows the perimeter of the park and includes a putting green. Enjoy a round with great views of Butte and the 'M' hill, at a park that includes softball and baseball diamonds and public rest rooms.

# Transportation

Butte's location right at the center of the I-15 and the I-90 interchange makes the city a gateway to the rest of the state and beyond, via the highway or rail system for the transporting of goods and materials for business. As of February 2018, Butte is home to a new \$10.5 million airport terminal giving the world first-class access to the city. This is a full service airport that offers service through United Express and Delta Connection. Transportation within the city via the city's bus system, taxi services, Uber or even the sightseeing trolley car will put the heart of the city and anywhere you want to go at your fingertips.

# THE PORT OF MONTANA

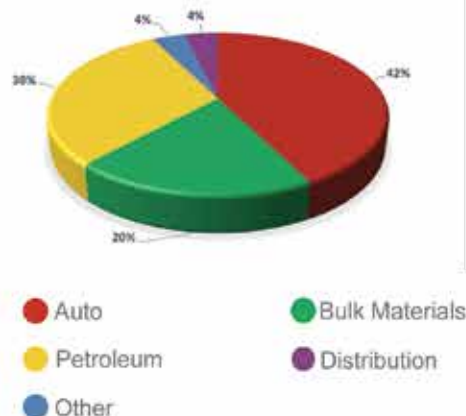

The Port of Montana is located within the Montana Connections Business Development Park, just five minutes from the I-90 and I-15 interchange and is served by two Class I railroads in Burlington Northern Santa Fe and Union Pacific. This industrial transload center leverages rail and highway access to directly benefit businesses throughout the region.

The Port offers businesses the opportunity to take advantage of the lower cost of rail transport even if they are not located on a rail siding themselves. The Port provides transloading and warehouse solutions for companies looking to ship, receive and distribute commodities or goods in Montana. These valuable services along with over 30 years of experience help save shippers time and money.

The Port transloaded 6,705 trucks and 3,054 railcars during the year. Autos were distributed throughout Montana from the Port; over 10,000 vehicles were unloaded and shipped from the facility during the year.

2021 brought great expansion to the Port of Montana. The Port of Montana in partnership with Butte-Silver Bow embarked on an \$8M rail infrastructure project. This project constructed 20,000 track feet of rail for transloading and rail operations. It will dramatically increase the rail footprint at the Port and the number of railcars that can be accommodated. Since the track construction was completed, the auto-yard has already expanded and Toyota is now transloading railcars at the Port of Montana in addition to General Motors. Additional projects are on the horizon and the Port looks forward to exciting growth for 2022.

## Take a Ride on the Trolley!

Butte's past comes alive with trolley tours offered by the Butte-Silver Bow Chamber of Commerce.

The trolley tour lasts about 2 hours and is lead by local experts on the area and our colorful history. You'll learn about Butte's rich mining and cultural history, which dates back to the middle of the 19th century. Visitors will enjoy a tour through the National Historic Landmark District including the Copper King Mansion, Dumas Brothel, World Museum of Mining, Berkeley Pit Viewing Stand, Mai Wah Museum, Clark Chateau, Montana Technological University and much more. It can be rented for special tours (Spooks and Spirits) and for weddings and conventions. Book online at [www.buttechamber.org](http://www.buttechamber.org) or call the Chamber at 406-723-3177

# Big Skies. Bigger Thinking.

**At Montana Tech, you feel something different, in the air and in the attitude.**

In the heart of the Rocky Mountains, Montana Technological University is a place of purpose, home to uncommon thinking, research, innovation, and ideas. With Montana as our living laboratory, we offer a top notch education as a leading STEM university, with strong additional programs in nursing, health, and professional fields. What we do matters, today more than ever. Our tight-knit talented community of determined doers collaborates on discoveries that improve lives. And in changing the world, our students realize their own potential, fuel their passion, and find their path.
