71 YEARS OF SERVICE

**Looking back on the
years gone by,
we couldn't have
done what
we have done
without our donors
and volunteers.**

**Though their
efforts we could
never repay,
we have this
one thing to say:
They have made all
the difference
in every way!
United Way of Butte
and Anaconda**

MISSION STATEMENT

United Way improves lives by mobilizing the caring power of communities to advance the common good

VALUES

United Way of Butte and Anaconda's fundamental values include:

Integrity, Impact, Diversity, Leadership and Volunteerism

VISION STATEMENT

To be a leader and catalyst for community change in the business of caring for others

2021 United Way:

Why do people give to United Way of Butte and Anaconda?

I'm not sure with all that occurred these past 18 months if we have a clear understanding of what transpired the world over. We did move forward though!

This year our office encountered an unusual activity. It was our move from Glacier Bank to the Butte Plaza Mall. Notification of Glacier Bank's remodel and that our office space would be eliminated was given in December and we moved on February 17th. Give-aways, throw-aways, shredding and consolidation became our world for 2½ months. It was the first time I drove a U-Haul truck. It is our plan to move back to Glacier Bank upon completion of the remodel.

The need for support from our donors continued to be sought. This year United Way of Butte of Anaconda continued to rely on donations from businesses, their employees, foundations and individual donors. By the end of January our financial situation looked much better compared to the previous year. In February the Board of Directors voted to allow the granting of allocations for 2021-2022. In March ten

agencies submitted applications for funding. In April the Board voted to allocate \$60,000 for fiscal year 2021-2022. The agencies made presentations in May for 12 programs, four in Anaconda and eight in Butte. This was the first year, during my tenure, that all agencies received what they requested.

Our community events would not be a success without the many volunteers that come forward each year. We were able to have two of our community events this year. Our *Day of Caring* was held in June. Volunteers picked up garbage behind the Butte Plaza Mall, the K-Mart building and along the creek behind the Best Western Hotel. Thirteen employees from Glacier Bank, Opportunity Bank, the Butte 4-C's and Pioneer Technical Services helped collect 37 bags of paper, blankets, food cartons, pop cans and discarded yard debris. In August we had our *Dress a Child* event. Fifty-seven volunteers shopped for ninety-nine school age children from Butte, Anaconda, Deer Lodge, and Whitehall. Each child received \$100 of new

clothing and backpacks filled with school supplies, courtesy of the Salvation Army, to begin their new school year.

Like many other organizations United Way and our partner agencies have taken a look at our diversity and have analyzed our constituent numbers to determine if we are inclusive. The following pages describe the agencies we plan on funding with your help. They plan on providing their programs to 1,751 children/youth, 1,045 young adults/adults and 549 seniors. Of these 3,345 participants, 22.5% are disabled; 48.3% are female with 51.7% male; 86.08% are white, 3.96% are Native American, 3.17% are Hispanic, 1.51% are Black, .062% are Asian and 4.66% indicated two or more races or chose not to indicate. We focus on our communities and this enables us to achieve our mission, vision and values.

On May 1, 2021, Girl Scouts of Montana and Wyoming held a tree planting event at their camp property, Camp Castle Rock, near Butte. Nearly 80 participants planted 140 trees around the property in conjunction with the Girl Scout Tree Promise program, where Girl Scouts around the nation have pledged to plant 5 million trees over the next five years. Rangers from the US Forest Service were in attendance to educate girls on the importance of conservation and how to properly plant and care for trees.

Day of Caring

Each year, United Way of Butte and Anaconda organizes a Day of Caring in which volunteers provide “sweat equity” to help others. This event totally depends on volunteers of all ages to get things done.

We have assisted individual homeowners in 2016; assisted other local non-profits projects in 2017 and 2019; and cleaned up public areas where trash was strewn about in 2021.

“If our hopes of building a better and safer world are to become more than wishful thinking, we will need the engagement of volunteers more than ever.” — Kofi Annan

Dress a Child

Dress a Child Event

The families that seek assistance for their children, during our Dress a Child event, have two things in common. One, these families exist at or below the poverty level, and two, they want their children to begin school dressed just like their classmates.

This event usually has each volunteer “shopping buddy” go shopping with a child and assist them with their choice of clothing.

Due to COVID-19 our volunteers, the last two years, purchased clothing for the youths based on written information provided by the families. Clothing was then picked up by the families at our office.
