Chamber Mission

The Butte-Silver Bow Chamber of Commerce is an alliance of individuals, businesses and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area.

- **The People**
- **The Priorities**
- **The Resources**
- **The Service**

"Working together we can make a difference."

photo by: Steven Cordes

It is an honor for me to serve as the President of the Butte Silver Bow Chamber of Commerce. The Chamber is a membership-based organization comprised of individuals, businesses, and other organizations dedicated to the growth, economic development and enhanced quality of life in the Butte area. We, as a community, can be proud of our Chamber's ability to promote and sustain Butte.

Our Executive Director, Stephanie Sorini, has completed her first full year leading the Chamber. Stephanie had big shoes to fill following the retirement of long time director Marko Lucich. I can report that the Chamber is in very capable hands and Stephanie has not missed a beat. She continues to build on many of Marko's successes such as the annual Chamber dinner, golf tournament, Business Card Socials, Beautify Butte, the high school basketball All-Star Classic, and many others.

Additionally, Stephanie has enhanced the Chamber's relationship with Butte's Economic Development Team, including the Butte Local Development Corporation, Butte Silver Bow local government, Bert Mooney Airport, Montana Tech and employers.

The Chamber's Visitor Center, located at the crossroads of Interstate Highways I-15 and 90, provides visitors and locals with a wealth of resources about Butte's many comforts, conveniences and pleasures. Information about our local eateries, top-notch lodging accommodations and treasures such as the Berkeley Pit, World Museum of Mining, Granite Mountain Memorial and Our Lady of the Rockies is readily available and is made possible through a collaborative effort between the Chamber, Butte's Convention and Visitor's Bureau and Chamber volunteers.

The Chamber of Commerce is often our visitors' first encounter with Butte's well known hospitality and our staff; community partners and volunteers are skilled at setting the stage for the best that Butte has to offer.

To our community, I say the Chamber is your partner; we are here to help, and we are proud to be part of the team that is shaping Butte's bright future.

Sincerely,

Bill Melvin
Chamber President

(406) 497-6400
bmelvin@bsb.mt.gov

Butte, Montana is located between Yellowstone National Park and Glacier National Park. It is a community we are proud to call our home.

It is an honor and privilege to present our 2018-2019 Annual Report to the Community to you, our valued recipient. It is our hope this booklet will present our dedicated, world-class community in an inspiring light.

The Butte Chamber of Commerce and Convention and Visitor's Bureau is located within the Visitor's Information Center at 1000 George Street. Our staff prides itself on going the extra mile for our visitors and guests. We provide information on our world-class hotels, unique dining and shopping opportunities and our wonderful attractions that allow you to experience the history of Butte or information on our backyard of hiking and biking trails. Our expansive member directory is an incredible resource for businesses that you can contact and visit so your visit to Butte is one you will never forget.

One of the many hidden treasures in Butte is our historic trolley tour. By taking a tour on Old Number 1, the trolley tour will provide you with the fastest and most colorful way to learn about Butte and see some of our amazing attractions. In about 2 hours you will see where the characters, famous folk and miners lived, worked and played. Plus, you will hear how they made Butte the lively, urban center it was and continues to be today. Our drivers are especially chosen based on their knowledge of Butte history which is presented in an entertaining manner for all ages. Reservations can be made at the Butte Chamber of Commerce at (406) 723-3177 from mid-May through September.

Butte is a community of choices for tourists, businesses and residents. More than just a simple mining town, Butte is a thriving community with new opportunities and quality livability. Just as the people of Butte are Montana's true treasures, Butte is a place to experience all Montana has to offer in a unique and elevated style.

Thank you for choosing Butte. I encourage you to take advantage of everything Butte has to offer. Please remember to choose Butte first when making your air travel arrangements, choose BTM. Let me know if we can assist you in any way.

Stephanie Sorini
Executive Director
Director of Marketing and Membership Services

2017/18 Butte-Silver Bow Chamber of Commerce Annual Report to the Community

- Actively working with the Butte Local Development Corporation and Butte-Silver Bow to attract and bring new businesses
- Hosted hospitality rooms and support at tournaments in conjunction with Advantage Butte, YMCA, the Butte Civic Center and the Maroon Activity Center
- Involved in the recruiting efforts with St. James Healthcare to assist in bringing new physicians and health care specialists to Butte
- Co-hosted 12 Chamber Business Card Socials with Chamber member businesses and organizations
- Celebrated 14 ribbon cutting ceremonies with new or remodeled Butte businesses
- Co-hosted Montana Tech tail-gate parties
- Provided over 500 new-student welcome packets to incoming Montana Tech students and provided a welcome BBQ to the students and their families
- Provided historic trolley tours to 5,224 passengers
- Welcomed over 16,705 visitors to the Chamber office and Visitors Center and 28,902 visitors to the Berkeley Pit Viewing Stand
- Welcomed over 13,694 visitors to the Chamber office and Visitors Center and 24,918 visitors to the Berkeley Pit Viewing Stand
- Top states for visitors included Washington, Oregon, California, Idaho and Arizona. Top countries included Canada, Australia, England, Germany and New Zealand
- “Beautifying” our community through the Beautify Butte Campaign in clean up efforts and distributing 150 coupons for trees to be planted and coordinated in the Adopt-a-Lot Program
- Provided over 15,000 welcome packets to local conventions
- Hosted our annual Southwest Montana High School Boys and Girls All Star Classic Basketball Tourney to raise funds to help defray our costs of hospitality rooms, as well as, honoring student athletes from Southwest Montana
- Hosted several workshops, seminars and webinars for members and non-members to keep them updated on latest technology fraud prevention and customer service standards. These included assistance for Business Clinic and Small Business Tuesday luncheons
- Distribution Center for phone directories
- Provided city maps, directions, referrals, and thousands of visitor information packets and relocation guides
- Provided thousands of Chamber members referrals on a monthly basis
- Published the Chamber’s newsletter to over 800 recipients, and added it to social media to be read by thousands of visitors year round
- Worked to improve social media and helped educate our members and community on the effective and free use of these marketing tools through workshops
- Hosted our 8th annual Chamber/Digger Golf Classic and our 2nd Annual Mining City Brewfest
- Hosted the Chamber’s Annual Dinner in October that brought together almost 700 business and community leaders
- Represented the Chamber of Commerce at Business Days at The Capital and Montana Association of Chamber Executives at their annual meetings
- Served as a staff collectively on 26 community boards and committees
- Continually worked to increase our membership and the benefits we provide

photo by: Sam Gonzales Photography

Business Exposure & Referrals

- With 400-plus area business members, the Chamber provides excellent exposure and credibility for our members. Every member receives a listing in our online membership directory and our annual "Report to the Community" exposing your business to endless opportunities through modern technology.
- Thousands of vacation and relocation booklets and brochures are published and given to tourists, community members, business people and the general population all of whom are potential customers.
- Bring in your brochures, menus or business cards to display in our "Member Rack Card" for free. Locals and visitors will pick these up during their stop at the Visitor Center, and you just might have exactly what they're looking for!

Enhanced Website Listing on the Chamber's High Traffic Website

- Your free listing on the Butte Chamber's website includes a Business Directory Listing that allows visitors to search by category, QuickLink, keyword or alphabetically.
- Your own Business Member Web page – input your business description, hours of operation, location and keywords that will identify your business when using the business directory search. Create an online brochure – this feature offers you eight photos, five bullet points and a 1,600-character description of your products/services that you can update anytime you want, as well as the ability to upload your commercials or YouTube videos.
- Extra options include job postings when you are looking for that perfect person to join your team. List your openings on the Chamber's site.
- "Email to a friend" link – visitors to your Chamber hosted web page may click a link to email your business information to a friend.
- To access this great information and FREE ADVERTISING, you'll receive a login and password to your webpage so that you have 24/7 access to your own information. You can now update your business/contact information, register for Chamber Events and even view your webpage statistics and track how many visitors are viewing your profile!

Free Profile of Your Business in a Chamber Newsletter

- New member businesses are spotlighted in "The Progress" which is sent out to nearly 800 leading area businesses and business people. "The Progress" is now available online & in color! Check it out at www.buttechamber.org.

Ribbon Cutting & Grand Opening Ceremonies

- The Chamber of Commerce, Chamber Ambassadors and other community officials welcome your new business, new location, expansion, or new ownership with a Ribbon Cutting Ceremony which is published in the Chamber's Newsletter with pictures and an article about your business.

Community & Economic Development

- The Chamber participated in the Economic Outlook on February 1, 2018. The Chamber meets regularly with Butte Silver Bow leaders as part of an Economic Development team. They continue to improve the quality of life in Butte. As part of the Economic Development Team we work closely with St. James Healthcare to recruit physicians and their families to Butte. The Chamber will be part of an Economic Development team that will travel to Cincinnati, Ohio in March of 2018 to attend a Site Selectors Guild to attract businesses to Butte.

Business Card Socials

- Chamber members are eligible to sponsor the monthly Business Card Social, which is a unique business exposure opportunity. Business people can network with each other while enjoying food and refreshments and developing new leads and valuable business contacts. Join us in staying up to date on community information and the economic development of the Butte area.

Legislative Advocacy

- The Chamber members, representing thousands of area employees, speak to our local, state and federal representatives with a strong and credible voice for businesses. Chamber staff keeps a watchful eye on legislation and advocates to elect officials on business issues impacting the regional economy, quality of life and the cost of doing business.

Affordable Advertising

- Advertising opportunities at the Chamber are endless! You can offer store coupons or job postings on our website, include a banner advertisement with a link to your business' website, or send out a flyer in our newsletter. The Butte-Silver Bow Chamber of Commerce has the perfect option for you! Call today to reserve your space or to hear about our great specials and low rates!

Beautify Butte

- Each year concerned citizens of Butte and Anaconda meet at the Butte-Silver Bow Chamber of Commerce to plan a strategy to clean up our communities. Janel Madrazo has graciously volunteered to chair this year's campaign.

Topics that were discussed at this year's meeting were media coverage, Adopt-a-Lot, recycling, Mainstreet activities, Alley Rally, NCAT "E-Waste" Days and neighborhood/organization clean-ups. Great input from all attendees at the meeting set a solid foundation for this year's campaign. The Butte-Silver Bow Urban Forest Board and the Montana State University Extension Office developed a tree planting guide to assist residents in the selection and planting of trees in our climate. Included in the guide is a voucher worth \$50 toward the purchase of a tree suitable for planting in a boulevard or visible front yard location. For further information regarding the tree planting campaign, adopting a lot or anything else that pertains to Beautifying Butte, contact the Butte Chamber of Commerce at (406) 723-3177. Always remember, KEEP IT GREEN – KEEP IT CLEAN!

Customer Service Training

- The Butte-Silver Bow Chamber of Commerce hosts with the Butte Local Development, Headwaters RC & D and the Small Business Administration workshops on helping our members grow their businesses. Our ABC Clinic will be on June 20, 2018 at the Clarion Copper King Hotel and Convention Center.

All-Star Classic

- The Butte-Silver Bow Chamber of Commerce hosted the 10th Annual "Southwest Montana All-Star Classic" at the Montana Tech HPER Complex on March 13. The HPER was filled to capacity. The boys and girls treated the fans in attendance to a thrilling evening of basketball excitement. The proceeds from this game help to defray expenses of all of the hospitality rooms for all tournaments that Butte receives during the course of the year. On behalf of the Butte Chamber of Commerce, we would like to thank Don Peoples Jr. for bringing the idea of this classic to the Chamber and helping us to recognize the outstanding basketball players from Southwest Montana.

In addition to great basketball games, the Butte High School and Butte Central High School cheer squads led the cheers. The Butte High School Band, Anaconda High School Band and the Anaconda Drum Line provided musical entertainment during the evening. The national award-winning Dynamic Dance and Tumbling Academy provided two superb halftime performances. Whenever our community comes together in this manner, it is a win-win for everyone involved.

Chamber Membership Benefits

1. Membership brings credibility to your business. You can increase positive perception among consumers and business owners when you're identified as a member of a chamber of commerce.

2. Increase your visibility in the community. As a new member of the chamber of commerce, you will be listed in the chamber newsletter, e-newsletter, on Facebook and have the opportunity to be highlighted in other chamber publications. You also can grow your business by advertising with the chamber and sponsoring events. The chamber may also promote your grand opening/ ribbon-cutting ceremony and assist with any public relations efforts.

3. Create networking opportunities. Chambers have numerous committees and serving on one of them provides numerous networking opportunities as well as professional leadership development. You can build your business while promoting developments of keen interest to local businesses and the community at large.

4. Gain a voice in government. The local chamber takes on the tough issues and opposes new regulations, taxes, fees, assessments and costs directed at small businesses. It also helps protect the principles of free enterprise and aids businesses in being treated fairly.

5. Make business contacts. The chamber's most fundamental mission is to generate more business activity for the community. The chamber initiates more business-to-business commerce and more opportunities for networking and connecting local professionals than is available through most other local organizations.

6. Receive chamber newsletters. Newsletters provide new member information, interesting information about operating a local

business, articles about the local community, a community calendar and details about up-and-coming chamber events, among other things.

7. Acquire customer referrals. Every day, your local chamber receives calls from individuals and businesses looking for potential vendors, and chamber members typically recommend chamber members.

8. Chamber events and programs. Chamber events and programs provide members with great opportunities to get to know new people and expand their prospect base. Chamber events are innovative and fun ways to help members meet potential customers, clients and vendors—and generate new business leads.

9. Promotion and publicity. With a chamber membership, you can reach potential clients through member exclusive advertising and opportunities for business-to-business advertising and publicity.

10. Access to members-only discounts and services.

The Chamber would like to thank our Platinum Sponsors

Butte Silver Bow's Mission

Butte-Silver Bow strives to be the best community in which to work, live and raise a family. In order to accomplish that goal, we promise to provide services to our entire community, citizens and businesses in an efficient and effective manner.

photo by: Sam Gonzales Photography

As Chief Executive, my mission is for our local government to seek input from businesses and residents to move Butte forward. Community enrichment and development, industry and job growth, historic preservation, environmental clean-up, economic development and improvements to infrastructure are on the forefront of keeping Butte a place to visit, play, work and live.

2018 is a year that will bring forward many great things to Butte, including a beautiful new gateway, the Bert Mooney Airport. Uptown Butte is looking forward to an exciting 2018 with the new parking garage opening, new ownership of the M&M Bar and Café, a new Mongolian grill restaurant and other upcoming projects that will begin in 2018. Butte's Superfund issues are also experiencing change in 2018 with an agreement, in principle with Butte Priority Soils and the process of public involvement being at the forefront for Butte's citizens.

Many new projects have been completed in Butte recently. 2018 will bring in many more:

- Uptown Parking Garage (completed February 2018)
- Bert Mooney Airport Renovation (completed February 2018)
- Spirit of Columbia Gardens Carousel (completion expected March 2018)
- Butte-Silver Bow Community Pool (completion expected May 2018; opening Memorial Day 2018)
- Montana Tech expansion
- Montana Malt Company
- Bitcoin Mining Operation (MSE site purchased by Burrell Group)
- New \$35 million dollar Medical Simulation Training Facility

- Praxis Center for Innovative Learning

There are many developments for the flats of Butte including a new ACE Hardware, City Brew Coffee and a Sportsman Warehouse. We will continue to work at bringing new businesses to the Butte Plaza Mall and the K-Mart property.

Butte-Silver Bow has grown to become a destination for our summer and winter festivals, miles of walking, hiking and biking trails, museums, numerous art galleries and the summer Art Walk, breweries, Headframe Spirits Distillery and many family-oriented activities and events.

I look forward to an exciting year of growth and vitality for Butte-Silver Bow in 2018!

Sincerely,

Dave Palmer

Community and Business Development

The Community and Business Development Department works in conjunction with the Butte Chamber of Commerce, Butte Local Development Corporation, Port of Montana, Headwaters and the Bert Mooney Airport in our efforts to improve the economic opportunities for our citizens and enhance the community in which we all live.

One of the main tools used by the Community Development Department is Tax Increment Financing. Tax Increment Financing allows a district to capture increased incremental taxes and use the increment to address blight and infrastructure issues within the district. Butte-Silver Bow has four tax increment districts:

- Urban Renewal Agency (URA) – consisting of the Uptown Business District – the URA's goal is to work with developers through loan and grant funding to reduce blight in the district. The URA recently completed the construction of the parking garage.
- Renovation and Rehabilitation Agency (RRA) – consisting of the East Butte area between Montana Resources and Utah Ave. The RRA started as mostly vacant properties and has seen a lot of new development over the years including Water and Environmental Technologies, CCCS and the Butte Brewery.
- Tax Increment Financing Industrial District #2 (TIFID #2) also known as Montana Connections Business Development Park consists of over 1000 acres west of Butte. Montana Connections focuses on constructing large industrial infrastructure to assist developers with construction costs. Montana Craft Malt is constructing a \$15 million facility in the Park.
- South Butte Industrial Park (TEDD). – consisting of the Industrial Park around Technology Way and South Parkmont was created with a base year of 2017. The newly appointed board is working on developing programs for the new district.

Other duties of the Community Development office include the management of the Greenway Service District. The Greenway Service District is responsible for the planning, construction and management of the trail along Silver Bow Creek. The trail is a 26 mile corridor that will provide passive recreation opportunities between Butte and Opportunity including walking, running and bike riding. To date 3 trail heads and 16 miles of trail have been constructed.

Montana Tech

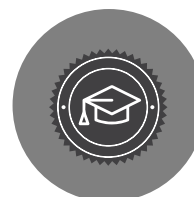

Montana Tech possesses an internationally esteemed, century-old tradition of excellence in higher education. Specializing in the science, technology, engineering, and math (STEM) disciplines, any field of study you choose at Montana Tech will lead you toward success. Our students learn in state-of-the-art facilities performing hands-on work relevant to today's industries.

Top University in Montana
for graduates earning the
highest salaries
Money, 2017

Opening in 1900 as the Montana State School of Mines, Montana Tech has a century-old reputation as one of the finest science and engineering universities in the nation. Montana Tech specializes in the areas of science, technology, engineering, math, and healthcare disciplines and has repeatedly been recognized among the top universities in America. Recently, Montana Tech was named the #1 best value engineering school in the United States.

The university offers certificate programs, associate, bachelor and master's degrees along with a PhD in Materials Science. All degree offerings derive a special emphasis from the unique setting and continued tradition of high quality that has characterized Montana Tech since its founding.

The university has a long-standing reputation for producing hard-working leaders, difference-makers, problem-solvers and healers who come from ordinary beginnings, and who go on to lead extraordinary lives. Montana Tech currently has 13,191 alumni making Montana and the world a better place for us all to live. For example, Dr. Janalee Stokken, a 2005 Montana Tech biological sciences graduate, is an Otolaryngologist (ear, nose, and throat specialist) at the famed Mayo Clinic in Rochester, MN. Stokken, who grew up in Lewistown, MT, a small ranching community, is currently ranked #2 in the nation for Ear, Nose, and Throat surgery. There's also Montana Tech alums, Bryan Larson, a native of Gillette, WY, and Chris Whitmore, from Great Falls, MT, who work for biomedical giant Stryker. Larson, a 1997 engineering science graduate, serves as Vice-President for Product Excellent, overseeing product development, quality, and regulatory for the growing division. Whitmore, a 1999 environmental engineering graduate, is the General Manager of Stryker ProCare, overseeing more than 800 Stryker technical specialists in the U.S. Teamwork, leadership, and problem-solving skills helped Larson and Whitmore find success with Stryker. Leading and problem-solving are a large part of Montana Tech 1984 petroleum engineering alumnus Ryan Lance's daily tasks. Lance is currently the chairman and chief executive officer of ConocoPhillips, the world's largest independent exploration and production company based on production and reserves.

Montana Tech is helping produce the next generation of medical professionals. Tech is one of two state-supported bachelor of science in Nursing programs in Montana. Tech's nursing students continually receive a 100% pass rate on the NCLEX-RN exam. 90% of Montana Tech students who applied to medical, dental, pharmacy, and other professional schools are accepted.

With over \$32.5 million in completed building and renovation projects over the past years and another \$25 million currently under construction, the campus blends its historical buildings with new, state-of-the-art laboratory, instructional, recreational and living facilities that enrich the student experience. Much of the work completed and in pro-

cess is in partnership with alumni, friends, and industry with over \$18 million raised by the Montana Tech Foundation toward these campus capital improvements. Our current major capital project under construction, the Student Success/Living & Learning Center, will be operational by Spring 2019. This 82,200-square-foot facility will enhance the student life experience on campus, providing an inspiring environment for students to live, learn, study, socialize and cultivate valuable leadership skills. All of these capital projects were undertaken to enhance our ability to recruit, retain and graduate more Orediggers.

Montana Tech's newest building on campus is the Natural Resources Research Center (NRRC), a three-story, 31,000-square-foot addition to the Engineering Laboratory Classroom Building. The NRRC houses research and lab space for the Petroleum, Civil and Mechanical Engineering Departments along with space for the Occupational Safety & Health Department. The building serves as a strong recruitment tool and provides state-of-the art research and laboratory space.

The campus continues to expand, as currently under construction is a Student Success/Living & Learning Center (SSC). The 25,000-square-foot facility will complete the student life experience on campus, providing an inspiring environment for students to live, dine, socialize and cultivate valuable leadership skills. The SSC will be up and running by the spring of 2019.

Research continues to grow at Montana Tech. Mary MacLaughlin in geological engineering won two grants to work with students to develop the capability of drones for geological mapping in underground mines. Funded by the National Institutes of Health, biologist Marisa Pedulla is collaborating with Rayelynn Brandl to bring the excitement of phage discovery research to high school students and teachers throughout Montana. While mechanical engineers and materials scientists Dario Prieto, Jack Skinner, and Ronda Coguill partnered through Tech's Center for Advanced Mineral, Metallurgical and Materials Processing (CAMP) with Butte-based sp2nano to prove a novel technology for advanced military body armor and other applications. Based on the progress, the company plans to start commercialization this year with a manufacturing facility in Butte. These projects and many others bring research funding to campus, so Tech faculty and students can solve problems that contribute to economic development and environmental sustainability to better the Montana communities where we live and work.

With new buildings, new program offerings, and faculty conducting real-world research, Montana Tech is the solution for the state of Montana and beyond.

For more information on Montana Tech, visit www.mtech.edu or call (800) 445-8324. Visit godiggers.com for athletics information and events.

School District #1

In a report released by GoodCall, Butte, MT was ranked #2 of the Top 100 U.S. cities for K-12 teachers to live and work. The rankings were based on school quality, affordability, job availability and amenities.

DISTRICT

- Implemented a Kindergarten Home Visit Program during the 2017-18 school year to develop even stronger relationships with families.
- Every classroom has an interactive Smartboard!
- The District has 30+ mobile computer labs. Each lab contains 30 laptop computers that can be used in any classroom through the district's wireless network.
- Started a Preschool Program this school year – made possible with a \$1 Million Preschool Grant.
- Current Superintendent developed a Public/Private partnership to build a one of a kind fiber optic network that is being featured by the US Department of Education.
- WiFi in every building.
- 100% of our teachers are Highly Qualified and 71% have advanced degrees.
- District has VOIP telecommunications network.
- 2:I student to computer ratio.
- A new website has been developed.

MIDDLE SCHOOL & HIGH SCHOOL

- East Middle School has implemented a Project Lead the Way STEM curriculum, a hands-on engaging curriculum emphasizing computer science plus design and modeling.
- Butte High School houses a totally renovated State of the Art Auditorium.
- 2016 graduating class earned \$2.5 million in scholarships.
- Added 3 comprehensive career exploration courses at Butte High School and the Butte High Career Center focusing on job related soft skills.
- Butte High is the only high school in Montana with a glass blowing studio.
- Butte High School offers 65 credits through its dual credit program with Montana Tech. Students can earn college credits while attending Butte High School. College classes offered include Engineering, College Algebra, Physics, Chemistry, College Writing, Technical Math, Welding, Construction, Business, Microsoft Excel, Web Page Fundamentals, German and Spanish. Two computer science classes will be offered beginning with the 2018-19 school year.
- Butte High School has 17 hard-wired computer labs and several mobile labs containing 30 laptops in each.
- East Middle School has 8 hard-wired computer labs and six mobile labs containing 30 laptops in each.

ELEMENTARY

- Margaret Leary Elementary was the only Montana school to receive a National Blue Ribbon for exemplary academic performance in 2015-16.

CURRICULUM

- 2016-17 Smarter Balance Assessment English Language Arts scores were among the highest of Montana's AA school districts.
- Butte School District students scored considerably higher than the Montana state average on the Smarter Balanced Assessment and the ACT assessment.
- 21st Century Grant enabled the district to offer after school & summer school programs to over 700 kids last year.
- Through SOARS Grant, a consented referral system, youth mental health first aid, PAX, MBI, MTSS, MTSS – CICO; C and C, Home visits, positive behavioral supports and a trauma informed community. As the saying goes, "IT TAKES A VILLAGE, TO RAISE A CHILD!" There is not a better, more caring, more loyal place to live than the VILLAGE of BUTTE!

BSD SOARS Accomplishments

MULTI TIERED SYSTEM OF SUPPORT

- Multi-Tiered System of Behavioral Support developed for BSD #1
- Students receiving Tier 2 supports: increased from 1.5% to 21.3%
- All interventions are evidence/research based and approved by SAMHSA (Substance Abuse and Mental Health Services Agency)
- SOARS CASE MANAGERS implementing Tier II interventions

YOUTH MENTAL HEALTH FIRST AID

- 577 adults have been trained in Youth Mental Health First Aid
- Those trained include:
- BSD Staff: Teachers/Bus Drivers/Playground Monitors; etc.
- 50 Montana Juvenile Probation Officers
- Butte Head Start Staff
- Anaconda Teachers
- Community Members
- YMHA trainings have resulted in 475 referrals to mental health services
- Of the 527 adults who have been trained, 94.9% responded that they strongly agree in their ability to now identify youth with behavioral, emotional or mental health needs.
- 50 to 75 juniors and seniors are being trained in YMHA each year
- November, 2017: 4 additional YMHA trainers have been added to Butte's Team
- Funding has been secured to have 2 people trained in Adult Mental Health First Aid; currently Butte Silver Bow has no AMHFA trainers

SIGNS OF SUICIDE PROGRAM

- 1200 students per year are being trained in the Signs of Suicide Program
- Youth suicide attempts have been reduced from 17.4% to 12.6% (past 3 years)
- Facilitated by SOARS Case Managers in grades 6, 7, 9, and 12 / Parent Nights

STUDENT INVOLVEMENT

- Formation of Youth Advisory Council
- 50 students attendance at MBI Youth Days
- Participation in national evaluation focus groups and yearly surveys
- Individual school focus groups
- "Let's Talk" - Today Show Clip

HOME VISITING PROGRAM

- Over 300 home visits took place in September
- Objective of home visit: develop relationships with parents; listen to parents' hopes and dreams for children
- Teachers had partners at each home visit (Case Managers; Counselors; Reading Coaches)
- Feedback from teachers

PROGRAMS IMPLEMENTED OR WILL BE IMPLEMENTED / TEACHER TRAININGS

- Trauma informed strategies for teachers (entire district) – Stacy York
- QPR – Question, Persuade, Refer
- PAX Good Behavior Game: K-6 Classroom Management Program
- PBIS (Positive Behavioral Intervention Supports) – Tim Lewis – MBI Teams
- MBI 2 Year Training for all 9 schools
- MBI Summer Institute (week long training) 30 to 40 teachers per summer
- Integrated Systems Framework Training
- Check In – Check Out
- Check and Connect
- Home Visit Training – Kindergarten Teachers
- Second Step Training for Elementary Counselors
- SWIS – school wide data collection system
- SSBD – Systematic Screening for Behavioral Disorders
- CISM – Critical Incident Stress Management – District Safety Team

Butte Central Catholic Schools

For over 100 years, Catholic education has been a vital part of the Butte community. Butte Central Catholic Schools have provided over 16,000 young men and women with an outstanding education deeply rooted in the proud traditions of the Catholic faith. Throughout this century of enduring success, Butte Central has thrived with a remarkable resilience and a tremendous spirit. Personal attention, high expectations, strong discipline, Christian values and a powerful drive toward excellence speak to Butte Central's motto of "Pride, Tradition and Commitment."

From its humble beginnings well over a century ago to the present, Butte Central Catholic Schools have provided the youth of the Butte community with an outstanding educational experience. Today, our system features an elementary school campus located at 1100 Delaware Street and a high school campus located at 9 S. Idaho Street in Uptown Butte. In 2005, the Maroon Activities center was built in Butte's historic Eastside. The Maroon Activities Center provides the Butte Central Catholic School System with one of the finest athletic, performing arts and meeting facilities in the State of Montana.

Central Catholic Elementary School features an outstanding preschool, kindergarten, and 1st-8th grade program. The school also offers a daycare and afterschool care program for working families. Central Elementary enjoys an atmosphere of success centered on personal attention, small class sizes, parental involvement, and a safe and secure setting.

Butte Central Catholic High School provides students with one of the finest 9th-12th grade programs in Montana. Over 95% of Butte Central graduates go on to college and higher education. Since 2002, 518 young men and women have graduated from Butte Central High School. These students have combined to earn an incredible \$20,820,000.00 in college scholarships. This amounts to a remarkable average of \$40,193 per student.

The growth and development of students in preschool through high school is enhanced by a philosophy, which challenges each individual to explore his talents. Opportunities for prayer, faith development and service to others are part of each day in Butte Central Catholic Schools. Students of all faiths are welcome to attend Butte Central.

Outstanding teachers are a big part of the Central experience. All faculty members are certified by the State of Montana which requires a minimum of a bachelor's degree. Many of our faculty members have earned advanced degrees.

Butte Central High School is accredited by the State of Montana and the National Association of Catholic Schools. In 2012, Butte Central was awarded an additional accreditation through the Western Catholic Education Association. This prestigious accreditation was granted after an extensive 18-month application process and an on-site visitation by a team of educators from the Western United States.

In 2016, Butte Central Catholic Schools added the Esther (Sullivan) Cote Resource Program to provide academic assistance to students with special academic needs. The program, which is staffed by a certified special education teacher, is available to students in kindergarten through high school.

In 2017, Butte Central Catholic High School introduced the Bishop Thomas Scholars Academy. This innovative program is designed to promote advance academic opportunities for students who are serious about preparing for college. The program, which is open to 9th - 12th graders, will challenge students to maximize their academic potential and strengthen their high school experience. The Academy will focus on preparing students for college placement tests and to increase opportunities for college admissions and scholarships.

In addition to strong academics and school ministry programs, Butte Central

has a proud and successful activities program. Eight boy's and girl's sports are offered along with speech and debate, band, drama and choir. In 7 of the last 9 years, Butte Central has been awarded the Northwestern Energy Academic Excellence Award for Class 'A' Schools. The award is given to the school with the highest grade point average of students involved in extra-curricular activities.

As we look to the future, we are very excited about Butte Central Catholic Schools. Over 400 students are currently enrolled in our programs, and we look forward to continued growth and success.

Openings remain in all grade levels and interested families may obtain further information by calling Central Catholic Elementary School at (406) 782-4500 or Butte Central High School at (406) 782-6761. Information on both schools may also be found at our website:

www.buttecentralschools.org.

Scholarships and new family discounts are available. Butte Central remains committed to helping families afford our programs.

Ramsay School

Ramsay is located 10 miles west of Butte on I-90. The school district includes Ramsay, Fairmont, German Gulch, Dawson, Rocker, Beef Trail, Silver Bow, Juniper Acres and Buxton areas.

Ramsay School serves kindergarten through eighth-grade students. Ramsay has a Special Education Program and additional support is offered in conjunction with the Butte School District #1. There are 11 teachers. The student-teacher ratio is approximately 13-1. The school also has a Counselor and a CSCT program that is contracted with AWARE. The hot lunch and breakfast program is available. There are three bus routes with bus monitors on all buses. Ramsay School has 27 employees – classified and certified.

In addition to the regular curriculum, Ramsay's 7th and 8th Grade students are taught shop, consumer education, drafting, and keyboarding. Ramsay School has a quarterly Honor Roll and has a LIFE LONG LEARNER annual award that is given to an Eighth Grade student. Ramsay participates in the BUG Program.

Several special activities in conjunction with the regular and technology curriculum are offered. These special activities include a sports program for Grades 5-8 (volleyball, basketball, and track), a swimming program (Grades K-8), skiing program (Grades 1-8), bowling (Grades 7-8), an archery program (Grades 5-8), Career Day (Grades 7-8), a JOBS program (Grades 7-8), and the Clark Fork Restoration and Watershed Program (Grades 7-8). Grades 5-8 students participate in a School Science Fair and compete in the Regional Science Fair at Montana Tech.

Ramsay School has several traditional activities – Christmas Play, Mother's Day Tea, annual trip to Yellowstone for 8th grade students and class field trips.

A five-member School Board of Trustees governs Ramsay School. PIE (Partners in Education) represents the parents of the School District.

St. James Healthcare

For the past 137 years, the physicians, providers, associates and volunteers at St. James Healthcare have extended God's healing love in the tradition of the Sisters of Charity of Leavenworth.

St. James Healthcare is the only acute care facility in southwest Montana, and it serves as the regional medical center for seven counties (Silver Bow, Deer Lodge, Granite, Powell, Jefferson, Madison and Beaverhead counties). In addition, the St. James Medical Group includes 6 clinics: St. James Heart Center; St. James Surgical Associates; St. James Rocky Mountain Clinic; St. James Cancer Center; St. James Obstetrics & Gynecology and St. James Urology. In total, there are 65 physicians on the St. James Medical Staff. Ranked as the largest private employer in Silver Bow County, St. James has a staff of 637 associates.

St. James Healthcare is part of SCL Montana, including St. Vincent Healthcare in Billings and Holy Rosary Healthcare in Miles City, and part of SCL Health, which is comprised of hospitals in Montana and Colorado. As part of SCL Health, St. James has direct access to best practices in health care, delivery, resources, technology, talent and strategic capital.

SERVICES AND EXPERTISE

Cancer Center: With advanced diagnostic cancer services in both radiation and medical oncology, our Cancer Center provides high-quality and compassionate care to patients. In 2014, a three-phase cancer center construction project began. The first phase, constructing a new radiation oncology treatment area with a new linear accelerator, resulted in a reinvestment into Butte of over \$5 million.

Cardiology: Our Cardiovascular team provides patients with the highest level of cardiac care. Using state-of-the-art equipment, St. James provides both diagnostic and interventional cardiology services including cardiac catheterizations, angioplasty, coronary stenting and all cardiac diagnostic tests. St. James also offers a nationally certified cardiac rehabilitation and medical exercise program so patients can recover and receive follow-up care close to home.

Orthopedics: Our Orthopedic Center is a collaborative effort between St. James Healthcare and Montana Orthopedics. The Center offers quality, innovative, patient-focused services for trauma, joint replacement and spine surgeries as well as sports medicine services. Our highly skilled orthopedic surgeons perform total joint replacement of the knee, hip and shoulder and prevention and treatment of athletic injuries, arthroscopic surgery and physical therapy. Spine surgery includes complex trauma, scoliosis, pediatric and degenerative deformities, revision procedures, motion sparing technologies and cervical reconstructive surgery.

Women's Services: Regardless of age, women can receive all the services they need at any stage of life. From having a baby to experiencing menopause and beyond, St. James women's services staff handle it all. The experts at St. James Healthcare's Women's Services can help women determine what they need and when they need it.

Surgical Services: In addition to orthopedic surgery, St. James offers general, vascular, thoracic (chest) and urologic surgery in four, state-of-the-art surgical suites. Our skilled team of surgeons has expertise in performing abdominal, lung, chest surgeries, including aneurysms, using the latest surgical technologies, such as the da Vinci Robotic Surgical System for minimally invasive surgeries.

Imaging and Ancillary Services: St. James' patient care is complemented by exceptional imaging and ancillary centers. The imaging center provides the full spectrum of diagnostic capabilities using the latest technology including a 64-slice CT scanner and an on-site radiologist for immediate needs, as well as an on-site CAP-accredited laboratory, anesthesia, pharmacy and therapy services.

Acadia Montana

Acadia Montana is composed of Altacare, a school and community-based mental health services program contracting with over 160 schools across Montana and a psychiatric residential treatment facility with 92 beds serving children and adolescents with behavioral, emotional and psychiatric issues. Each Altacare program employs a masters level therapist and mental health associate in each school. The facility in Butte employs 145 people and includes a child and adolescent psychiatrist, psychiatric nurse practitioners, a full time nursing staff, mental health, recreational and addiction therapists, teachers for the on-campus school and a full range of staff to meet the needs of their resident population.

Altacare works with elementary, middle and high school children throughout Montana; their residential center serves children and adolescents from throughout Montana and neighboring states. Altacare also has two Head Start programs.

Southwest Montana Community Health Center (SWMTCHC)

Southwest Montana Community Health Center has been serving southwest Montana since 1986. Healthcare is available for all people regardless of insurance status or their ability to pay. The SWMTCHC offers a sliding fee schedule that allows us to adjust charges for healthcare services according to family income. In addition, SWMTCHC accepts payment from Medicare, Medicaid, Healthy Montana Kids, and private health insurance plans. The SWMTCHC has locations in Butte, Dillon and Sheridan.

Services

Medical

The SWMTCHC provides comprehensive medical care, including physical exams and preventive care for all ages, urgent care, chronic disease management, substance abuse care, pediatrics and immunizations. We provide same day appointments for both urgent and routine care.

Dental

Our dental team works with patients to promote overall oral health, including check-ups, cleanings, x-rays, fillings and extractions. Each morning we hold a walk-in clinic for dental emergencies. The second and fourth Friday of each month is Free Kids Day and all children are seen free of charge.

Behavioral Health

Their behavioral health therapists work hand in hand with the medical team to assess and treat patients.

Pharmacy

The SWMTCHC has a full-service retail pharmacy serving both SWMTCHC patients and the public. SWMTCHC patients are eligible for discounted medications based on income. Also, clinical pharmacists work directly with their medical providers to care for patients needing medication assistance and education inside the clinic.

Healthcare for the Homeless

SWMTCHC provides temporary medical services for homeless persons and ongoing medical care for people who remain in the Butte area. Case management is available to assist patients in finding local resources they may need.

Neighborhoods

The Beeftrail area served as one of Butte's original ski areas and has since been developed into a premier residential area offering relative privacy, views of the surrounding mountain ranges, and proximity to the city of Butte. The East Ridge sits at the footstep of the Rocky Mountains and the pride of Butte - The Lady of the Rockies. The East Ridge maintains some of the best views of the city and adjacent mountain ranges. "Uptown" as its know to the natives of Butte includes one of the largest Historical Districts in the US, an eclectic mixture of retail, residential, and commercial this area offers a vibe like no other in Montana. The Country Club area is anchored by the Butte Country Club golf course that once was the site of Lake Avoca, this area includes a mixture of ranch style homes and newer construction of custom built designs. Blacktail Loop has emerged as one of the most sought after neighborhoods with its 2.5 acre sites and custom built homes, located in the city this area benefits from a country feel. Walkerville is a small community with turn of the century housing that serves as the entrance to the Moulton Reservoir area which offers custom built homes on larger acreage surrounded by beautiful stands of Aspen trees.

Butte-Silver Bow Law Enforcement Department

The Butte-Silver Bow Law Enforcement Department is a professional police department and is the only law enforcement department serving Silver Bow County. The law enforcement department is led by an elected sheriff. The current sheriff is Ed Lester, a 28 year veteran of law enforcement in Butte-Silver Bow.

The law enforcement department also oversees the operation of the Butte-Silver Bow Emergency Dispatch Center and the Butte-Silver Bow Detention Center. The Law Enforcement Center is located at 225 N. Alaska Street in Butte. The detention center is located nearby, at 155 W. Quartz Street.

The mission of the Butte-Silver Bow Law Enforcement Department is to protect life and property from criminal activity and maintain the public peace and safety by enforcing the law. Activities of the law enforcement department include arresting and detaining suspects committing or attempting to commit criminal offenses, serving legal papers, suppressing breaches of the peace, riots, or insurrection, investigation of crimes and administration of various community relations programs.

The law enforcement department is divided into three divisions. They are: The patrol division, the investigative division and the deten-

tion center. The department also has a Special Weapons and Tactics (SWAT) team as well as a number of trained hostage negotiators. The law enforcement department recently joined the Internet Crimes Against Children Task Force (ICAC) and placed an investigator on The Southwest Montana Drug Task Force (SWMDTF). A canine unit has also been added to increase drug enforcement capabilities.

The law enforcement department currently has 52 sworn law enforcement officers, 11 dispatchers, 28 detention officers and approximately 15 other civilian employees.

The Butte-Silver Bow Law Enforcement department responded to over 33,500 calls for service in 2017.

The men and women of the Butte-Silver Bow Law Enforcement Department are well trained professionals who are devoted to serving the citizens of Butte-Silver Bow.

Butte-Silver Bow Fire Department

The mission of the Butte-Silver Bow Fire Department is to provide the highest level of fire protection and emergency medical services to all of the citizens that we so proudly serve.

The members of the Butte-Silver Bow Fire Department are committed to delivering these services in the form of fire suppression, emergency rescue, fire prevention education, fire investigation, property inspection, emergency care for the sick and injured and any other function that we may be called upon to provide in an emergency.

PROGRAMS

Operations

- Emergency Medical Services Response
- Fire Response
- Rescue Response
- Hazardous Materials Response
- Child/Infant Passenger Restraint Program

Fire Marshal's Office - Fire Prevention Bureau

- Code-Related Inspections
- Plans Review
- Fire Cause-Origin Investigations
- Public Education Programs for Fire Prevention

Goals & Objectives

- Provide excellent fire, rescue and emergency medical services
- Manage department operations efficiently, so that the highest quality of service is provided to Butte-Silver Bow in the protection of life and property
- Provide quality training to ensure proficiency in all areas of responsibility
- Promote safety awareness through community education
- Provide the safest and highest quality equipment for our firefighters, which allow them to perform their duties in as safe and efficient manner as possible
- Ensure preparedness for any disaster, natural or man-made.
- Provide and maintain a safe environment for the residents and businesses in Butte-Silver Bow through a professional balance of education, engineering and enforcement

Departmental Workload Indicators for Calendar Year 2017

Total Calls for Service: 3,743

Estimated Value of Fire Loss: \$2,107,400

Number of Civilian Fire Fatalities: 0

Number of Civilian Fire Injuries: 0

Since 2003, we have had a 61% increase in call volume.

Breakdown of Types of Calls for Service:

Emergency Medical Service/Rescue Calls: 2,564

68.5% of total call volume

(These calls consist of medical emergencies, motor vehicle crashes with and without extrication, high angle rescues, confined space rescues and removal of occupants from elevators.)

(406) 497-6481

jmiller@bsb.mt.gov

co.silverbow.mt.us

Fire Calls: 176

4.7% of total call volume

(These calls consist of structure fires, wild land fires, vegetation fires, chimney fires, cooking fires, rubbish fires, vehicle fires and all other types of fires.)

False Alarms: 250

6.7% of total call volume

All Other Types of Calls: 753

20.4% of total call volume

(These calls consist of overheated equipment, hazardous materials calls, downed power lines, spills, smoke scares, citizen complaints and all other good intent calls.)

Fire Marshal's Office - Fire Prevention Bureau

Life Safety/Fire Code Inspections Performed: 687 (73% increase)

Plan Review for Subdivisions/Commercial Construction and Alarm/Sprinkler Systems: 47

Departmental Facts and Figures

Size of Response Area: 718 Square Miles

Insurance Services Office (ISO) Public Protection Classification (PPC): 4/10

Career Department consists of 38 members who operate out of two Fire Stations.

Career Suppression Staff work a 24/72 hour schedule

Career Suppression Staff is organized into four shifts - A, B, C, and D. Each Shift has a battalion chief, two captains and six firefighters assigned to it.

Career administrative staff consists of the Director of Fire Services, the Assistant Chief/Fire Marshal and a Fire Services Office Coordinator.

The Fire Department operating budget also supports two 911 Emergency Dispatcher positions.

Volunteer Departments consist of nine individual departments, Big Butte, Boulevard, Centerville, Floral Park, Home Atherton, Little Basin Creek, Race Track, Rocker and Terre Verde. Each of the nine volunteer fire departments has its own command structure and elected board of district trustees with the exception of Little Basin Creek which is categorized as a Volunteer Fire Company.

Volunteer staffing varies but typically runs in the range of 125 active volunteer firefighters.

The Fire Department budget supports 14 facilities which include the Silver Bow Fire Training Center and a fleet comprised of 32 pieces of fire apparatus and support vehicles.

Insurance Services Office (ISO) Public Protection Classification is a split classification- 4/10. Their most recent reviews and improvement of the Public Protection Classification was the result of a number of years of hard work and cooperation between a number of local government agencies.

Advantage Butte

PROJECT OVERVIEW

Advantage Butte provides Economic Development for Butte through the sponsorship/underwriting of sporting events in the community. Advantage Butte's major sources of funding are member dues, and grants Economic Development Grant money. Using these funding sources wisely, Advantage Butte has been able to bring multiple divisional and state tournaments to Butte.

2017's Economic Development Grant funding will allow Advantage Butte to assist with 5 major events: Montana Tech Big Sky Volleyball Challenge, NRA Rodeo Finals, Class AA Boys and Girls State Golf, Class AA Boys and Girls State Basketball, and Class AA State Softball.

The easiest way to measure the success Advantage Butte has had is the number of tournaments that have been hosted with Advantage Butte assistance. Since the organization began in 2004, through the spring of 2017, that number stands at over 140. The financial impact of these tournaments is just over \$37 Million dollars added to our local economy.

Since Advantage Butte is a 100% volunteer organization, all money goes to the successful bidding and hosting of tournaments. Advantage Butte has always relied on donations from the Butte business community to create Economic Development.

In 2016-2017 Advantage Butte received the continued support of 30 local business members and a non-profit donation for a combined financial contribution of \$13,000. Economic Development Grant money allows our business community to utilize their dollars further to assist in bringing more worthwhile projects into our community that we could not otherwise afford. In the highly-competitive bidding process, the Economic Development Grant money can be the difference between winning and losing a bid.

The success of Advantage Butte has been noticed around the state with communities like Billings, Great Falls, Missoula and Bozeman/Belgrade all starting up organizations modeled after ours. The competition has never been greater and the spotlight on the positive economic impact a tournament has on communities is forcing us to all get more competitive and creative to keep or increase our share of the pie.

ECONOMIC IMPACT

The Montana Chamber of Commerce has established a formula to assist communities in measuring the economic impact generated by sporting events.

- Each team member is valued at \$100 per day. (avg. team is 18 players)
- Each team brings 2 fans per athlete, the exception to this is the class C boys' basketball which is the largest single basketball tournament in the state. Each fan is valued at \$100 per day.

2017-18 Events Economic Impact

These formulas have been used to determine the economic impact of the events which Advantage Butte is supporting over the *current* school year:

• Montana Tech Big Sky Volleyball Challenge	\$275,400
• NRA Finals Rodeo	\$375,000
• State AA Golf	\$168,000
• State AA Boys and Girls State Basketball	\$460,800
• State AA State Softball	\$115,200
Total	\$1,394,400

MISSION STATEMENT

"Our purpose is to enhance the Butte Economy through promoting and supporting sporting and related events in Butte."

BACKGROUND

Advantage Butte was founded when a group of local business leaders recognized that sporting events bring millions of dollars annually into our community. Most of these events can be self-supporting. Many of the potential sponsors of these events, however, lack the resources to provide some of the initial funding to attract and promote the events or lack the resources to cover potential shortfalls. By bringing together broad-based support from throughout the community, the group can provide the financial resources to allow event sponsors to compete effectively in the state and regional market.

SCOPE

Advantage Butte Committed Events

August 2017	Montana Tech Big Sky Volleyball	Butte Civic Center
October 2017	NRA Finals Rodeo	Butte Civic Center
November 2017	Western A Divisional Volleyball	Maroon Activity Center
November 2017	YMCA Mining City Classic Swim Meet	YMCA
January 2018	YMCA Snowball Swim Meet	YMCA
February 2018	Class A Boys' and Girls' Super Divisional Basketball	Butte Civic Center
March 2018	Montana Short Course Swim Meet	YMCA
March 2018	Eastern AA Boys' and Girls' Divisional Basketball	Butte High School
March 2018	Class C Girls State Basketball	Butte Civic Center
March 2018	Class C Boys State Basketball	Butte Civic Center
May 2018	Class B State Golf	Fairmont
August 2018	Montana Tech Big Sky Volleyball	Butte Civic Center
October 2018	NRA Finals Rodeo	Butte Civic Center
October 2018	State AA Boys' and Girls' State Golf	Butte High School
March 2019	State AA Boys' and Girls' State Basketball	Butte Civic Center
May 2019	State AA Softball	Stodden Park

Advantage Butte is dedicated to supporting events that provide our community with an excellent Return on Investment.

QUALIFICATIONS

Advantage Butte is operated by a Board of Directors made up of representatives of local businesses which are members of the group.

Chairman	Rody Holman	PayneWest Insurance
Vice Chair	Kami Johnson	Butte Plaza Inn
Treasurer	Brad Spear	Anderson Zurmuehlen
Secretary	Dorea Wilmoth	Comfort Inn of Butte

Advantage Butte's successes since its inception in 2004, includes over \$34 million dollars in economic impact to our community while hosting over 140 tournaments.

Tournament bids and contact committee is chaired by Ron Davis. Ron is owner and General Manager of KBOW and KOPR radio stations. With 35 years of experience broadcasting radio and television sports, Ron is well known in the sports community. Ron has worked with the Montana High School Association on many different areas of High school sports and brings a great understanding to bidding tournaments to Advantage Butte.

Without the tireless efforts of the Board and Membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments Butte hosts may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events that are often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, Advantage Butte truly believes that they have a world-class organization.

Without the tireless efforts of our Board and Membership, financial support from Advantage Butte and the cooperation of other entities, many of the tournaments listed in this document may have ended up hosted in other Montana cities.

Advantage Butte works hand in hand with many other local entities to host events that are often dubbed the best in the state by participants, attendees, and officials. With an active membership who not only participate financially, but also with time and effort, we truly believe that we have a world-class organization.

We appreciate and thank Butte-Silver Bow for its continued participation in our efforts.

Proud Chamber Member Since 1995

Butte-Silver Bow Convention & Visitors Bureau (CVB)

Montana lodging properties collect a 7% Accommodations Tax or Bed Tax - this tax is added onto the room rate. This tax is divided down in two increments; 3% going back to the General Fund with the remaining 4% going to the Department of Commerce for tourism promotion, primarily targeting non-residents to visit our grand state. As a designated CVB, Butte receives a portion of these funds. The collections vary from year to year, but generally our CVB receives around \$90,000/year. Because these are tax dollars, there are very specific rules with how these dollars can be spent. The Butte CVB submits an annual marketing plan to be approved by the Governor's Tourism Advisory Board. At the end of the fiscal year, which runs from July 1 – June 30, each CVB is audited by the Montana Office of Tourism and Business Development.

These dollars are spent on the following:

- Director salary and summer staffing for the Visitor Information Center at the Chamber of Commerce
- Travel shows to promote our region to both domestic and international tour operators and visitors
- Advertising in the travel guides representing our travel region of Southwest Montana, Glacier Country and Yellowstone Journal
- Attraction sheet and visitor guide creation and printing
- Postage, 800#, website domains and email

Butte-Silver Bow Tourism Business Improvement District (TBID)

The Butte-Silver Bow Tourism Business Improvement District (TBID) was created in July 2011 at the request of Butte hoteliers. An assessment of \$1.00 per night per room is passed along to visitors when they stay in hotels. The annual collection is more than \$240,000. The most recent collection period saw an increase of \$17,000 over the same previous period. A budget is produced with dollars allocated to the following market segments: Leisure, Festivals, Events/Tournaments, Meetings/Groups, Special Projects, Opportunity and Administration. A board of director's reviews grant applications allocating dollars according to the number of potential guest rooms that will be occupied, time of year, and the amount of money in each market segment. There are two funding cycles where grant applications are accepted, January 1-30 and June 1-30. Grants are reviewed with awarded funds determined in February and July.

The goal of the TBID is to increase hotel occupancy through event promotion sponsorship, conference solicitation and assistance, marketing campaigns targeting the leisure market visitors. The TBID works with the Butte CVB and the Montana Office of Tourism (MTOT) cooperatively in marketing efforts, capitalizing on advertising buys in the presentation of a common message for our state and area.

The TBID has given financial support to be used for promotion of the following events: Evel Knievel Days, Montana Folk Festival, An Ri Ra, Northern Rodeo Association, Covellite International Film Festival, Snofling and basketball tournaments.

The TBID worked with the Bert Mooney Airport and The Wendt Agency to develop a marketing plan to increase boardings at the Butte airport. Funding for the marketing plan development and execution will be provided with TBID funding. A year-round leisure campaign continues promoting the offerings of the community and the surrounding area.

This year, the TBID is funding a new website, working with the Butte Economic Development Coordinating Councils' campaign "Butte. Elevated" to promote all Butte has to offer; tourism, recreation, lodging, restaurants, businesses, business development as well as showcasing the lifestyle in southwest Montana. This new site will be used in all promotional campaigns to gather more information on Butte. In addition to tourism related information, links to other sites will be included: Butte Local Development Corporation, Butte-Silver Bow, Butte Chamber of Commerce, US Forest Service, State Parks and Bureau of Land Management.

For more information on the CVB and TBID please contact Maria Pochervina at the Chamber of Commerce (406) 723-3177 or mariap@buttecvb.com.

Community Services

The Community of Butte is rich with people who truly care about the community they live, work and play in. With a highly educated workforce, Butte is ranked in the country for top entrepreneurial activity. Butte's proximity to the mountains, rivers and streams make it a highly desirable place to live and play. The people of Butte care about one another and our residents form community bonds within the city through clubs and organization, religious affiliation and recreation.

Butte Local Development Corporation

photo by: Sam Gonzales Photography

As the primary economic development organization for Butte-Silver Bow, the BLDC utilizes a multi-pronged approach to advancing the Butte economy based around the recruitment of regional or out-of-state businesses to expand their operations to Butte, growth of existing companies, and partnerships with entrepreneurs and companies of all sizes to promote job creation in our community.

The BLDC's goals are focused on growing entrepreneurship and employment opportunities, increasing population and tax base, and assisting our existing businesses to grow and compete in a global economy. We do this by providing high-quality services and programs designed to make relocation, expansion, or start-up as smooth as possible. This includes services such as, but not limited to, marketing support/consulta-

tion, networking opportunities, and financial assistance. The BLDC has an impressive portfolio of loan programs that, when coupled with business development assistance services, create a winning combination for the businesses supported. The BLDC works closely with other economic development organizations in Butte and Montana to package services specifically designed to meet your business needs.

If you would like to grow your business, locate your business in Butte, or start up a new venture, please call us at (406) 723-4349 or visit bldc.net for more information.

Butte, Montana: A world-class outdoor destination

OUTDOOR ADVENTURE JUST 15 MINUTES FROM BUTTE!

- **The Milwaukee Road** – a fun and adventurous route through the heart of the Park with beautiful vistas, cavernous tunnels and a breathtaking trestle.
- **Trails** – hikers, bikers and equestrians have numerous trails to explore with easy access to the Continental Divide National Scenic Trail. Look for interpretive signs to learn about the Park's history, geology, wildlife, and plants
- **Picnic areas** – several picnic areas are available for family outings and quiet getaways.
- **Eagles Nest Disc Golf course** – try your luck on the challenging 18-hole course at Sagebrush Flats.

Please follow these simple rules:

- Thompson Park is a **DAY-USE** facility open daily May through October. No overnight camping.
- Fires are allowed **ONLY** at picnic-site grills. Camp stoves and portable barbecue grills are allowed.
- Discharging firearms, arrows, or other weapons is prohibited in the Park.
- Firewood cutting is not allowed.
- Help us keep the Park clean for all visitors, place garbage in designated trash containers.
- Share the trail and respect all trail users.

BIKEBUTTE

Safety is a responsibility shared by all who use our streets – drivers, bicyclists, and pedestrians alike.

SHARROWS

A "sharrow" simply indicates a road that is used as an established bike route or shared space with automobiles. Often painted in the middle of the traffic lane to increase paint longevity, MT law states that bikers must always ride as near to the right side of the roadway as practicable and safe.

VS.

BIKELANES

Bicycle lanes are designated by a white stripe and a bicycle symbol to alert all road users that a portion of the road is designated for use by bicyclists only. Bike lanes enable bicyclists to travel at their preferred speed and facilitate predictable behavior between bicyclists and motorists.

CAN BIKES REALLY 'TAKE THE LANE'?

In short, yes. "Taking the lane" is essentially riding in the center of the lane. Cyclists have the lawful right to do this when (a) overtaking and passing another vehicle; (b) preparing for a left turn (c) it is necessary to avoid unsafe conditions along the right side of the roadway (including but not limited to a fixed or moving object, parked or moving vehicle, pedestrian, animal, surface hazard, or a lane that is too narrow for a bicycle and another vehicle to travel safely side by side within the lane).

SHARE THE ROAD TIPS FOR MOTORISTS

STAY ALERT A bicycle is a legal vehicle with the same rules, rights, and responsibilities as any other vehicle on the road, including the right to ride in the traffic lane.

GIVE SOME ROOM Pass a cyclist only when it is safe to do so; give at least 5 feet of space when passing.

TAKE A LOOK Look for cyclists before turning or opening your door, especially while using designated bicycle routes where cyclists will more likely be.

LAY OFF THE HORN Don't honk at cyclists unless they are in immediate danger.

PAY ATTENTION Texting while driving puts everyone in danger!

YIELD TO PEDESTRIANS Pedestrians have the right of way at all intersections, regardless if there is a marked crosswalk.

SHARE THE ROAD TIPS FOR BICYCLISTS

OBEY THE LAW A bicycle is a legal vehicle with the same rules, rights, and responsibilities as any other vehicle on the road.

RIDE ON THE RIGHT Cyclists must ride on the right side unless the road is too narrow for cars to safely pass or when there are hazards, then ride in the center of the right most lane.

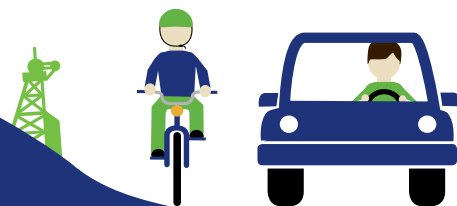

SIGNAL TURNS AND BE PREDICTABLE Bicyclists must use proper hand signals when turning or changing lanes. Be sure to let all road users know where intend to be going.

OBEY TRAFFIC SIGNS AND SIGNALS Bicyclists must follow all traffic rules, including stopping at signals and stop signs.

STAY VISIBLE bicyclists must use a front light and rear reflector or light when riding at night. Increase your visibility by wearing bright colors.

PROTECT YOUR HEAD Always wear a properly fitted helmet. Helmets reduce injuries and are proven to save lives.

Butte 100 - July 28

Starting in 2007 as a small group of mostly locals, the Butte 100 has seen substantial growth in its short history. The race has recently been recognized in nationwide publications as an ultimate test of mountain biking physical and mental aptitudes. A focus of the volunteer-staffed race is continued improvement in racer experience each year. The Butte 100 is proud to be contributing to the growing awareness of Butte, Montana as a world-class recreation city.

Though this entire event is named the “Butte 100”, it consists of three individual races: the 25 mile, 50 mile and 100 mile, run in conjunction and support of the other, sharing portions of course, supplies and aid stations and the start/finish area. The trails are the “Most difficult mountain bike race in the country” per Tinker Juarez, highly talented cyclist who has made significant impacts in the cycling disciplines of BMX Racing, Freestyle BMX and Mountain Biking. He will be back this year to race and going after his course record of just over eight hours in the 100 mile race. The race course is staffed by the “Neon Army” an army of volunteers who were awarded by the Butte Local Development Corporation as “Volunteer Group of the Year for 2016”

The 100-mile racers will endeavor to complete a full figure-8 course that includes pedaling the equivalent of climbing Mt. Rainier. Only the 100's will experience the desert riches awaiting them in the BLM's Pipestone area. As the 100's are hammering the top portion of the “figure-8,” the 50-milers begin the daunting southern portion of the “8.” The 100's return through the start/finish area before taking on the now warmed-up southern loop.

The 50-mile course (south loop) is known for the notorious 6-mile Basin Creek Climb that looms over all racers—50's and 100's alike—half-way through the loop. The first male and female in both races to the top are rewarded with King & Queen of the Mountain honors. Those surviving this and the ensuing “8 Miles of Hell,” are greeted with a silky

35-mile stretch of single-track on the USFS maintained Continental Divide Trail—the jewel in the Butte 100's crown. A downhill finish reawakens racers from their trail trance and wills them across the finish line.

The Sorini 25-Don't Stop Believing” named after Dr. Peter Sorini, who raced in the 50 and 100 mile races numerous times and supported the Butte 100 since day one gives the racers another option. This year the race will have a new course with a 5000 ft elevation gain. Dr. Peter Sorini passed away on February 8, 2016, after a 14-month battle with brain cancer.

The Butte 100 is incredibly proud to have developed one of the nation's best mountain bike race events, attracting the highest caliber of racers from across the country and Canada. More so, the race is just as proud of the positive effects the race has had on our home, including its contribution to conversations spotlighting Butte's abundant recreational opportunities.

Our 2018 Riders come from the following states.

MT - Montana 213	WY - Wyoming 4	FL - Florida 1
ID - Idaho 37	MI - Michigan 4	NY - New York 1
Canada: AB - Alberta 13	AZ - Arizona 3	OK - Oklahoma 1
WA - Washington 10	OR - Oregon 3	MA - Massachusetts 1
CO - Colorado 7	MN - Minnesota 3	GA - Georgia 1
TX - Texas 6	Canada: BC 2	TN-Tennessee 1
UT - Utah 6	VT - Vermont 1	
CA - California 6	New Zealand 1	

If you want to be a Neon Army Volunteer, please contact Linda at (406) 491-1530, or Connie at (406) 490-2773, email Lgranger@Mtech.edu or hepolacm@yahoo.com . For additional information on the race and to purchase merchandise, please go to www.butte100.com .

THE BUTTE 100

July 28, 2018

Bike the most difficult mountain bike race in the country.

100 Mile Race, 50 Mile Race
and the Sorini 25.

Race on the Continental Divide
on terrain from trails, to open
fields gravel roads and more.

Skiing/Snowboarding

When it comes to skiing in southwest Montana, the challenge is which set of skis will you strap on for the day: Cross country? Back country? Skinny skate skis? Downhill skis? Telemark skis? Alpine touring skis?

Southwest Montana offers a treasure-trove of skiing options. People lucky enough to live here go where the snow is good.

One option is the Discovery Ski Area, west of Anaconda. A family-run area, it's known for its expansive variety of terrain — from beginner (toddlers can learn here) and intermediate to the hair-raising double-black diamond runs on the famous "Back Side." And when those ferocious storms blow through, making roads slick and visibility frighteningly poor, you can bet the next day, when the sun breaks out and all is right with the world, that the deep powder skiing will be unforgettable at Discovery. And because the mountain can accommodate a crowd, you'll likely have some runs all to yourself. www.skidiscovery.com

Further south from Butte is the Maverick Mountain area, located west of Dillon, <http://skimaverick.com/> Like Discovery, it's a locally owned operation that caters to families as well as hardcore skiers. Maverick is located just off the Pioneer Mountain Scenic Byway in the Beaverhead-Deerlodge National Forest. Set in the Pioneer Mountains, Maverick boasts exceptional skiing and unparalleled views. The terrain accommodates novice and expert skiers in a relaxed environment. Both Discovery and Maverick can brag: No crowds. No attitude. Rarely are there lift lines. Wide open skiing.

Southwest Montana also features a host of cross-country ski options, from the privately operated Homestake Lodge, located atop Homestake Pass <http://www.homestakelodge.com/> to the Mount Haggin Nordic

Ski Area, south of Anaconda and west of Butte, or the Moulton Trails just a few miles north of Butte. The Mile High Nordic Ski Education Foundation maintains the Mount Haggin and Moulton Trails visit <http://milehighnordic.org>.

The Mount Haggin trails are located on Mill Creek Road (SH 274) 11 miles south of Highway 1, near Anaconda. At Mount Haggin, the foundation maintains approximately 20 km of groomed cross-country ski trails in cooperation with the Montana Department of Fish, Wildlife and Parks. Approximately 10 km are groomed for skate skiing, and 15 km are groomed for classic skiing. Ski trails can also be used as access to backcountry skiing along the Continental Divide.

The trail system is groomed once or twice per week by volunteers using snowmobiles and Yellowstone Track grooming equipment.

Please no pets on the trails here; visit the dog friendly trails at Homestake Lodge and Moulton.

Trails are also groomed at Moulton Reservoir north of Butte in cooperation with the U.S. Forest Service. The trails here are generally not groomed to the same standards as at Mount Haggin but there is excellent skiing and the trails are dog friendly.

For those who prefer to haul a backpack and put climbing skins on their telemark skis, the options for back country travel are endless in southwestern Montana, with so much public land available. However, be aware of avalanche danger and other hazards of back country exploration in winter.

A good place to get information for any outdoor adventures in southwestern Montana is the Beaverhead-Deerlodge National Forest website at <http://www.fs.usda.gov/bdnf>.

Rock Climbing

Created by a geologic explosion that resulted in the Boulder Batholith, the upheaval created lots of exposed rocks, thus making for a wealth of good rock climbing in the Butte area.

A particular favorite is in the Whitetail recreation area, east of Butte. Take Interstate 90 east toward Whitehall, and exit at the Pipestone Exit. Turn left, go under the overpass, then turn left again and follow the dirt road for several miles. You'll climb into a flat area and come to a parking area called Four Corners, which is marked by two newer latrines. Keep driving, and turn right on Forest Road 8635, which will take you to the area's famous Spire Rock. You can see Spire Rock from Four Corners — just look to the northwest.

Spire Rock is a compilation of many different climbs ranging from 5.7 to 5.11 in difficulty, with a variety of multi-pitch and sport climbing routes available. The semi-arid almost desert-like area that surrounds Spire Rock could be compared to Moab, Utah — except the soil is cream-colored, not red. The area also plays host to a variety of other recreationalists — mountain bikers, four-wheelers, motorcyclists, hikers, rockhounds and horseback riders. So be ready to share the resource.

Twenty-six miles south of Butte on Interstate 15, take exit 99 and head east up Moose Creek to the Humbug Spires trailhead. Hike four miles in to where the Highland Mountains shelter about 50 quartz monzonite spires, some of which are 600 feet tall. Novices and experts alike will find the Spires a rock climbing playground for free climbing or gear-required ascents.

You belong at the YMCA.

We are for Youth Development, Healthy Living and Social Responsibility. JOIN TODAY!

Call or stop by our Welcome Center to find out how Y programs and services can help you achieve your personal and family goals. (406) 782-1266

We're a lot more than a workout facility!

We're passionate about helping everyone pursue a healthy lifestyle in spirit, mind and body and our members get to take advantage of programs, services and our facility to help them do just that. Check out all the benefits of membership below:

Youth Sports Leagues

Help your children learn athletic and sportsmanship skills by enrolling them in any of our Youth Sports. Members receive significant discounts.

Free Personal Training Session for all New Members:

The Y wants to help you accomplish your fitness goals! Learn how to use all of the equipment in our Health & Wellness Center and receive help planning your exercise program by a Y Personal Trainer! Appointments can be made at the Welcome Center.

Aquatic Center

Come enjoy our 17,000 sf state-of-the-art Aquatic Center with regulation size 8 lane lap pool, family pool, and a hot tub.

LOCATION: 2975 Washoe Street, Butte, MT 59701

406-782-1266 • www.butteymca.com

HOURS: M-F: 5 a.m. - 9 p.m. • Sat: 8 a.m. - 6 p.m.

Sun: 12 p.m. - 6 p.m.

*Aquatic Center closes 30 minutes before listed closing hours.

*Call for Child Watch Center Hours.

After School Program:

The Y's After School Program is a fun, structured, healthy place for kids to spend their afternoons! Safe transportation from all schools is provided by the YMCA staff and by the school district! Contact the Welcome Center for more information.

Group Exercise Classes

These classes are a great way to get in shape and make new friends. Most group exercise classes are included in your membership. Attend as many classes each week as you like and design a fitness schedule that works for you. Some classes are offered seasonally so check out the current monthly schedules by stopping by the Welcome Center.

A.W.A.Y. Program

Most YMCAs have an A.W.A.Y. (Always Welcome at Ys) program, which allows members to use other Y facilities when traveling. Ys across the United States and in more than 105 countries will honor your Butte Family YMCA membership card on a limited basis. Please check at the Welcome Center for names, locations and phone numbers of the Ys using this program. You will need to have your membership card with you to use another YMCA.

Golf

Butte is the home to two golf courses: Highland View municipal course and the Butte Country Club course.

As the name suggests, Highland View has a wonderful view of the Highland Mountains south of town. The regulation nine hole course was built in 1939. It is a par 35. This course has two challenging par 3 holes, small greens require accuracy and different tees for the back nine. It takes about two hours to play even when busy. The par 3 course was built in 1980, and has a full swing on every hole. The greens are excellent with a lot of character. It's great fun for all members of the family and a nice walk in the park.

The course is host to the Memorial Tournament in May, the Men's City Championship in July and the Bonnie Highlanders Women Invitational in August, along with local charity fundraiser golf tourna-

ments. Highland View is located in Butte's Stodden Park. The park entrance is off Dewey Boulevard on South Utah Avenue.

The Butte Country Club is a member-owned private country club that provides its members golf, racquetball, swimming, tennis, and fine dining opportunities. The course is an 18-hole, challenging par 70. The club also provides a driving range to master technique or warm up before a round.

The Butte Country club is located at 3400 Elizabeth Warren Ave. Both of Butte's courses offer golf lessons.

Butte Country Club

buttecc@gmail.com
www.buttecountryclub.org

Highland View Golf Course
(406) 494-7900
co.silverbow.mt.us

Disc Golf

The Summit Valley is home to three disc golf courses.

Sagebrush Flats, located in Thompson Park on the Beaverhead-Deerlodge National Forest just south of Butte, is a hilly and wooded 18-hole technical course. The course has a combination of tone poles and home-made baskets. Enjoy a long and challenging course surrounded by unbeatable scenery.

Another disc golf course is located just west of the Natural Resources Building on the Montana Tech campus. The 18-hole disc golf course is located within Montana Tech's Whiskey Gulch Mountain Bike Skills Park. The course is open to the public, and Montana Tech's Folf Club hosts tournaments and competitions at the course.

Copper Mountain Park is also known for its 18-hole disc golf course, which follows the perimeter of the park and includes a putting green. Enjoy a round with great views of Butte and the 'M' hill, at a park that includes softball and baseball diamonds and public restrooms.

Stodden Park Pool is now Ridge Waters

Starting on Memorial Day weekend, Stodden Park will be home to Montana's newest family waterpark, Ridge Waters. This state of the art facility will feature two waterslides, Montana's longest lazy river, zero depth entry children's area with interactive play features, a diving board, rock climbing wall, swimming lanes, and more. The fun will extend out of the water as well, with rentable cabanas, ample deck and green space, and a concession stand with outdoor seating.

Municipal Parks

Altogether, Butte-Silver Bow's park sites total more than 450 acres of developed and undeveloped park land that provide both active and passive recreation opportunities for residents of Butte-Silver Bow and the surrounding areas, supplemented by the incredible public lands and open spaces in the Butte-Silver Bow area.

There are nearly 30 parks and an extensive trail system in Butte-Silver Bow, including skating rinks; a skate park; tennis, basketball, and volleyball courts; an all-abilities accessible playground and sports fields.

Butte-Silver Bow natural areas include Thompson Park, a 3,800-acre forested park south of Butte that is co-owned and co-managed by the U.S. Forest Service; Big Butte, which is 310 acres; Skyline Park, which is 60 acres; Basin Creek Reservoir, which is 42 acres; and Blacktail Creek, which is 10 acres.

Butte-Silver Bow organizes adult sports including softball and volleyball. Partnerships with local youth organizations provide recreation opportunities including little league, football, tennis, and soccer.

Thompson Park provides non-motorized trails for hiking, mountain biking, cross-country skiing, snowshoeing, and horseback riding, picnic areas and regulation disc golf course. Skyline Park provides a children's fishing pond, dog park, all-abilities accessible playground, walking trails and a hang gliding landing site. Big Butte provides non-motorized trails for hiking and mountain biking.

Summer at the YMCA

**FOR YOUTH DEVELOPMENT
FOR HEALTHY LIVING
FOR SOCIAL RESPONSIBILITY**

Summer time is a great time for kids to get up, get out and grow!

Y Summer Camp allows your children to keep moving and learning all summer long! Campers are enjoying a full day of activities including arts and crafts, active play and exciting field trips!

If it's leading a healthy lifestyle you are interested in, the Y offers that too! We have 90 hours of Group Exercise classes on land and in water, not to mention a few of the best personal trainers in town!

One of most popular attractions at the Y is access to our state-of-the-art Aquatics Center and our Y Swim Lessons!

Ask yourself, how safe is my child? Can they swim 25 yards? Can they tread water for one minute?

Did you know that Montana is among 10 states in which drowning surpasses all other causes of death of children age 14 and under? Water safety is important!

The Y's Swim Lesson Program, under the direction of Mavis Bentley, can save your child's life. Mavis brings over 30 years of experience as a master swim instructor and her goal is to teach every child in the Butte community to swim!

Freedom Fest - July 3-4

Be a part of the excitement when you come to Freedom Fest in Butte, Montana. Butte's 3rd of July fireworks celebration is the largest and most impressive in the state of Montana. The fireworks show takes place on the 3rd of July at the Big M and is sponsored by Town Pump Charitable Foundation.

KBMF 102.5 FM and Main Street Uptown Butte are sponsoring the family event at Chester Steele Park the evening of July 3rd.

For more information contact Clark Grant at (406) 491-1432 or gm@butteamericaradio.org

The Butte America Foundation coordinates the Freedom Fest Parade on the 4th of July which is the largest in the state. The parade will begin at 10 a.m. at the Civic Center and will continue down Harrison Ave to Longfellow St. This is a day of fun for the entire family!

Join the thousands of people who come to Butte to celebrate our Independence!

photo by: Steven Cordes

photo by: Steven Cordes

Montana Folk Festival - July 13-15

photo by: Sam Gonzales Photography

The Montana Folk Festival returns to Uptown Butte for its eighth presentation this July 13, 14 and 15. After three years as the National Folk Festival from 2008-2010, this will be the 11th presentation of this much anticipated and beloved event.

The festival is a three-day celebration of traditional music, dance, arts and ethnic cuisine. Admission to all is free for all performances.

The festival is one of the largest outdoor events in the Northwest, attracting well over 150,000 attendees each year from throughout Montana and surrounding states.

This signature event at the beginning of the summer season has grown to become a major economic and cultural magnet for Butte and Southwest Montana.

While admission to all performances is free of charge, attendees are encouraged to consider a suggested \$20 contribution each day of the festival weekend or \$25 for families each day to keep the festival free in future years.

In 2017, the festival will include multiple stages featuring the talents of more than 200 artists presenting music and dance performances and moderated talk/demonstration sessions, a participatory dance area, a Family Area, a Montana Folklife Area, regional and ethnic foods, and a festival folk arts market and the First Peoples' Market that features the creative works of the region's Native American artists.

The musical lineup, when announced in May, will be available at the festival web site at www.montanafolkfestival.com and on facebook at www.facebook.com/mtfolkfest.

Organizers have set the theme for the festival's Montana Folklife Area. "Each year, we focus on a theme that highlights an important aspect of Montana's heritage. For 2018, that theme is set -- "Gems and Minerals of Montana and the Mountain West," said George Everett, Festival Director and Festival Executive Committee Member

This theme will guide the activities, displays and demonstrations of the popular Montana Folklife Area and will include demonstrations and displays by a variety of Montanans who make their living in some way with precious gems and minerals.

"Attendees to the Montana Folk Festival this July can expect to see a variety of exhibits, and demonstrations of gems and minerals from the bounty of what is known for good reason as the Treasure State.

"Meanwhile, musical performers on multiple stages will continue to represent musical traditions from around the world that have contributed to the heritage of our nation on the six performance stages," Everett added. "The quality and excitement that fans have come to expect at the festival and the rich variety of the performers will continue. They should plan to come expecting to be amazed -- and bring their dancing shoes."

The festival remains free of admission to all so fundraising efforts are underway and sponsors are still being sought. A challenge grant is underway to match a generous \$100,000 challenge from the Dennis and Phyllis Washington Foundation and Montana Resources, major sponsors of the festival.

Anyone interested in sponsorship opportunities or contributing in any way to ensure that the festival continues in coming years can visit the festival website for more information or they can send tax-deductible contributions large and small to Montana Folk Festival, P.O. Box 696, Butte, MT 59703 or through a festival Gofundme.com campaign page at www.gofundme.com/2018MFF.

The Montana Folk Festival is presented by a collaborative of partners led by Mainstreet Uptown Butte in partnership with Butte-Silver Bow County. Artistic programming assistance is provided by the National Council for the Traditional Arts (www.ncta-usa.org)

Look for details as they develop at www.montanafolkfestival.com or on the festival's Facebook page at [mtfolkfest](https://www.facebook.com/mtfolkfest).

An Rí Rá - Aug. 10-12

The An Rí Rá has gained recognition in the Irish world as a premier event of Irish culture, music, and dance. The festival features world-class entertainers from all over the United States and Ireland as well as regional Irish performance groups and dancers. The festival, in its 15th year in Butte, will be FREE admission to the public.

The festival provides a family-friendly atmosphere that has activities for all ages. There are also many cultural and educational activities that take place during the weekend. The entertainment scheduled for the festival has performers coming from all over the world. This year's lineup includes Tom Sweeney, Evans & Doherty, Teada, Mad4Trad, The Prodigals, The

Trinity Irish Dancers, Dublin Gulch, and the Tiernan Irish Dancers. The festival will have a tribute to the song legacy of the legendary Tommy Makem.

The festival grounds will have food vendors, arts & crafts vendors, and a beer garden and other amenities for festival-goers. Come and take part in the most Irish weekend found anywhere in the Pacific Northwest in the most Irish city in America!

For more information, please visit our website at www.mtgaelic.org, or call (406) 498-3983.

Covellite International Film Festival - Sept. 12-16

The Covellite International Film Festival (CIFF) is a non-profit organization formed in November of 2015. CIFF hosted the first event in September 2016 with the hosting of the forth event September 12 – 16, 2018. The CIFF team is made up of award winning filmmakers, educators and managers that have a solid track history of bringing in large projects to completion. This festival brings the filmmakers to Butte, who together with local and regional audience members to enjoy workshops, panels, screenings and a closing awards ceremony. This year the festival will be adding a trade show component where industry professionals will be displaying and selling products as well as educating curious festival goers.

The Covellite International Film Festival prides itself on showcasing the character of Uptown Butte by maximizing the use of available venue space to include: Motherlode Theatre, Clark Chateau, Mountain View Music Hall, Butte Archives. Not only did screening films in multiple venues encourage festival-goers to explore existing shops and businesses between screenings, the various venues also exposed the people in attendance and visitors to our community to the spaces and resources Butte has available for future events and businesses.

The Covellite International Film Festival is designed to showcase Butte as the ideal location to tell stories. Many of the out of town filmmakers have been inspired by the architecture, aesthetic, grit and personality of Butte. This has led to two feature length films being shot in Butte within the last 12 months, each generating hotel rooms and other economic activity during production. Further, films that have taken place in Butte previously have drawn tourists to our community, and we expect the films that result from the introduction to Butte that CIFF provides will also be a draw for tourists.

The 2018 festival expects nearly 4,000 people in attendance participate in the 5 days of films, workshops, panels and parties.

SnöFlinga - Jan. 17-20

photo by: Sam Gonzales Photography

Montana's Winter Festival has arrived in Butte, MT. SNöFLINGA, the Swedish word for snowflake, is an action packed weekend to be active, get outside, and enjoy winter.

Thanks to local donations and sponsorships, SNöFLINGA provides FREE opportunities and experiences to participants of all ages and abilities.

SNöFLINGA offers a jam-packed festival weekend which runs Thursday through Sunday. We offer a chance to try ice skating on world class ice at the US High Altitude Skate Oval, cross-country ski and snowshoe on the magical Homestake Lodge trails, sled down our legendary hill at the Mt. Con Mine, try curling just like an Olympian, or demo a Fat Bike on our groomed trails ABSOLUTELY FREE! We also have a FREE Kid's Afternoon, youth 1-mile run, and youth ski/snowboard skill session to teach kids how to ride boxes and rails like a pro.

The weekend also plays host to a variety of competitive races to choose from with inexpensive entry fees and sweet prizes for winners.

Come test your legs and lungs in our Frosty 5K run/walk on our mile high paved trails which are maintained all winter by Butte Silver Bow Parks and Recreation Department.

Get your stride on in the Homestake Hustle cross country ski races.

The Homestake Hustle offers multiple race distances for youth and adults in both skate and classic disciplines.

Fly high under the lights in the Saturday evening Mini Slope Style competition where ski and snowboard riders compete for cash prizes.

The Mt. Con Mine is transformed into a winter wonderland, complete with live music, food and beverage options, a bonfire, and heated tents.

We also include two extreme skiing/snowboarding movie premieres of the latest Teton Gravity Research films.

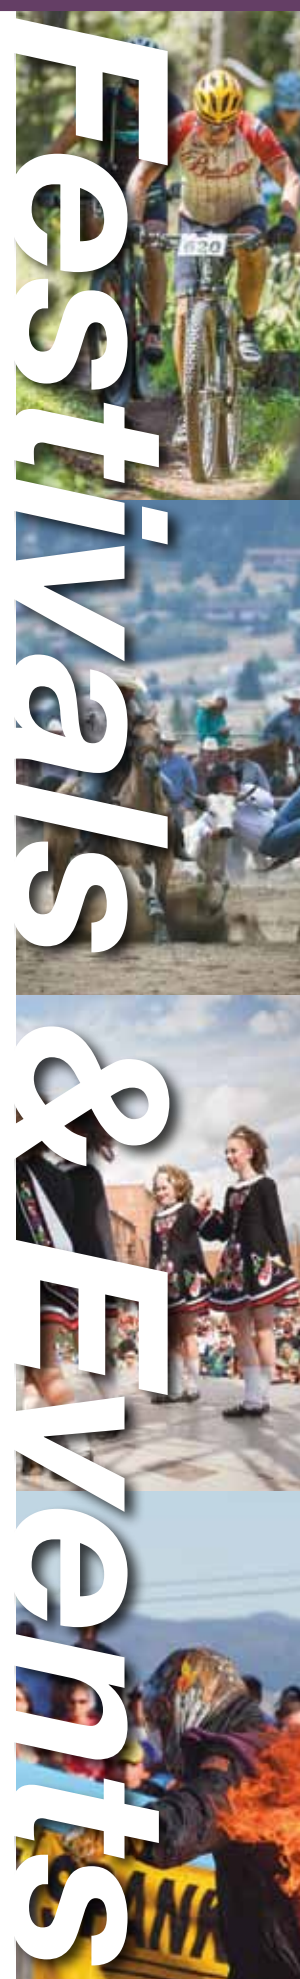

The Special Olympics Montana Polar Plunge also joined our list of events for the first time in 2018. Participants tested their polar bear level by jumping into frigid pool water at the Mt. Con Mine to raise money for a great cause.

Join us NEXT YEAR in Butte, MT to be active, get outside, and enjoy winter!!

For more information visit our website: www.snoflinga.org.

Transportation

Butte, located right at the center of the I-15 and the I-90 interchange makes the city a gateway to the rest of the state and beyond, via the highway or rail system for the transporting of goods and materials for business. As of February 2018, Butte is home to a new \$10.5 million airport terminal giving the world first class access to the city. Transportation within the city via the city's bus system, taxi services, Uber or even the site-seeing trolley car will put the heart of the city and anywhere you want to go at your fingertips.

THE PORT OF MONTANA

The Port of Montana is located within the Montana Connections Business Development Park, just five minutes from the I-90 and I-15 interchange. This industrial transload center leverages rail and highway access to directly benefit businesses throughout the region. Established in 1986, the Port of Montana has been assisting economic development in the transportation industry and expanding transportation and distribution options for businesses shipping into, through, and out of Montana.

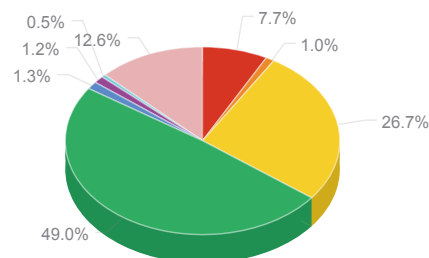

The Port offers businesses the opportunity to take advantage of the low cost of rail transport even if they are not located on a rail siding themselves. The Port offers transload and storage services for a wide variety of commodities, including bulk liquids, fuels, dry bulk, pipe, steel, building materials and automobiles.

Throughout the year, the Port maintained its services to local importers, allowing them to defer, or in some cases, eliminate custom duties all together through utilization of the Port's FTZ General Purpose Warehouse. These valuable services enable Montana industries to compete in world markets.

THE PORT OF MONTANA OFFERS DISTRIBUTION SERVICES CONNECTING YOUR BUSINESS TO AREAS ALL AROUND THE GLOBE!

WHAT PRODUCTS HAS THE PORT OF MONTANA HANDLED?

- Bulk Liquids
- Fertilizer
- Asphalt
- Automotive
- Sand
- Lumber
- Steel/Pipe
- Other

HOW MUCH PRODUCT HAS THE PORT OF MONTANA TRANSLOADED?

Transporting more than one million tons of product across the world led to:

3,043 RAILCARS TRANSLOADED

4,233 TRUCKS TRANSLOADED

Bert Mooney has Changed!

Introducing the New Bert Mooney Terminal

The new 40,633 square foot, \$10.5 Million Bert Mooney Passenger Terminal is open and ready to greet visitors to Butte, America.

The old 1962 chalet-style terminal was well used and ready for a much needed facelift and upgrade. The new terminal designed as a modern representation of Butte's underground mining era, with aspects of a "Mining Town" throughout the building is a great tribute to Butte roots coupled with much needed upgrades to make travel to Butte more convenient and accessible. These upgrades include approach visibility from three miles to a half-mile to help reduce cancelled and delayed flights due to weather. The upgrade includes more space, restrooms both in the lobby and through security as well as food and drinks available both to the general public as well as on the security side as well.

As an added bonus, Bert Mooney is the only Montana airport with free parking.

SOME FEATURES INCLUDE:

- Wood Features
- Industrial Steel Gates
- Gallus Frame
- North Wall Windows
- Mixed Material Rock and Precious Metals Art Case
- Columbia Garden Inspired Columns
- Mine Timbers
- Custom Wraparound Stained Glass Wall
- Captured Mountain Views
- Copper Roof
- Patterned Etched Glass Walls
- Skylights
- Interior Mine Exit
- Public and Hold Room Concessions
- Peek-A-Boo Partition Wall Near Baggage Claim
- Exterior Porch Reminiscent of the City's Historical Homes

Butte Trolley
1000 George St.,
(406) 723-3177 or (800) 735-6814

The fastest and most colorful way to learn about Butte is a Trolley Tour. In about two hours, you'll see where the characters, famous folk, miners and scoundrels lived and worked. Plus, you'll hear how they made Butte the lively, urban center it was. Drivers are especially chosen because of their knowledge of Butte history and folklore, which is presented in an entertaining manner. Sight seeing tour includes a variety of sites including but not limited to our National Land-mark Historic District, the Charles W. Clark Chateau, Victorian neighborhoods, the Copper King Mansion, the Dumas Brothel Museum, The World Museum of Mining, and the Mai Wah Museum, old Chinatown and a tour right through Mt Tech's campus. The only stop is at the Berkeley Pit Viewing Stand. The tours begin and end at the Butte Chamber of Commerce, Visitor Information Center. The hours, Memorial Day to Labor Day, are Monday through Saturday 10 a.m., 12:30 p.m., 3 p.m. and Sunday 10 a.m. and 12:30 p.m. Prices: Adults \$17, Seniors 65+ \$15, Students 12-17 \$12, Children 4-11 \$8, Age 3 and under are free.
