Davenport North judged best in three sports for sportsmanship in MAC/Rotary competition

Davenport North captured three first-place awards for best sportsmanship in fall and winter sports in the Mississippi Athletic Conference. **Davenport West** captured two first-place awards, and **Clinton, Assumption, Bettendorf** and **Muscatine** each captured one.

The winners will receive awards sponsored by area Rotary clubs on April 9 at 7:00 p.m. at the spring coaches' and athletic directors' meeting at Davenport West High School.

Five schools tied for first place in volleyball sportsmanship, all with perfect 1.00 scores from game officials who rate the conduct of coaches, players and spectators. **Bettendorf** and **North** are repeat winners, **North** for the third consecutive year. **Assumption, West** and **Muscatine** were also first-place winners. The average rating for all 10 conference schools for volleyball sportsmanship was the incredibly low score of 1.04.

In football, **Davenport North** narrowly edged Pleasant Valley and North Scott to take first place. The Wildcats last won first-place for football sportsmanship in 2010. The average rating for all schools for football sportsmanship was 1.31.

Davenport West returned to the winners' circle for boys' basketball, capturing first place for the third time in six years. The Falcons' rating of 1.16 edged second- and third-place winners, Bettendorf and North Scott. The average rating for all schools was 1.44.

In wrestling, **Clinton** took first place with a near-perfect score of 1.02, edging second-place Muscatine and third-place Burlington, and ending a three-year run of first-place awards in wrestling won by Davenport Central. The average rating for all schools was 1.11.

The third first-place award won by **Davenport North** was in girls' basketball. The Wildcats' rating of 1.17 edged second-place Davenport West and third-place Burlington. The average score was 1.43.

With three sports completed (football, basketball and wrestling), North Scott holds a slim edge over Bettendorf for first place for the overall award for boys' sports, pending the ratings for boys' soccer and baseball.

With two girls' sports completed (volleyball, basketball), Davenport North holds a slim edge over Davenport West for first place for the overall award, pending the ratings for girls' soccer and softball.

The ratings are turned in after each contest by game officials with scores for the conduct of athletes, coaches and fans on the following scale: 1) Outstanding, all positive happenings; 2) Above average, desirable sports climate; 3) Acceptable, mostly positive but not perfect; 4) Needs improvement, some minor negatives; and 5) Unacceptable for high school sports.

Overall, sportsmanship ratings are good. Mike Botts, commissioner of officials, said the competition has improved sportsmanship in the MAC. "Ratings have been consistently outstanding in all sports and those responsible are to be commended. We especially thank the Rotary clubs for their sponsorship of the awards. They have made a positive impact on sportsmanship in our league."

Rotary project coordinator Bill Tubbs added: "Game officials, who are closest to the action, tell us each year that the awards make a difference. The Rotary clubs of the Mississippi Athletic Conference are delighted to sponsor this program and thank the game officials and athletic directors for their involvement and support."

The awards – banners for display in gymnasiums – are sponsored by the Rotary clubs of Bettendorf, Burlington, Clinton, Davenport, Iowa Quad Cities, Muscatine and North Scott.

Awards have been presented annually since 1999 in nine sports: volleyball, football, boys' and girls' basketball, wrestling, boys' and girls' soccer, baseball and softball, plus overall awards for boys' and girls' sports.
