Photography CONTEST

Do you have an image that encapsulates the best of Harnett County - its scenery, its people, its food - its heart? We're looking for the best photo of Harnett for the front of our Best of Harnett magazine - that quintessential image that shows Harnett in its best light.

1. Vertical pictures work better.
2. Offset the image some not in the center. (need room on the sides for text.)
3. Needs to be a large photo with no cropping.
