12◂ BOYS' STATE SOCCER TOURNEY

Goalie Bajardi capped off a sterling season with some outstanding saves in the state tournament. "I'd say he was an A-plus for the year," Turner said. "Without him, we never would have come close to state."

"We had a couple of good looks near the end of the (Winona) game," Turner said. "We just ran out of time. But I'm proud of our guys for getting as far as they did this year."

The Raiders placed four players on the all-tournament team – Roedler, Hafenbrack, Henry Stangler and senior left back-left wing Eddie Stangler.

As for the Minutemen, they went into the state semifinals with some impressive assets of their own. Junior forward Andrew Whittington amassed 13 goals and 19 assists on the year. Sophomore goalie Simon Okstad-Gardella had a stingy 0.80 goals-against average and a .923 save ratio. Sophomore center back David Bryan proved himself a performer under pressure as the season progressed. Ditto for sophomore goalie William Burns and Oskar Gibson-Downie, who emerged with some big assists for Central. Senior forward Isaac Iwoszkowiec was an imposing complement to Whittington up front.

The Minutemen got off to a good start against Maple Grove. Sophomore forward-midfielder Oskar Gibson-Downie scored the first goal of the game. Whittington got the game-winner in the shootout, and Burns helped secure the 2-1 victory as the goalie in the 4-2 shootout.

However, Edina was a team on a mission in the semifinals, and the Hornets served notice that they were not going to give Central any notion that they could pull off an upset.

Whittington scored the lone Central goal against Duluth-East, and Coach Gubara was more than happy with Whittington's consistency this season. "He's one of our best players, and I"m happy he's coming back next year," said the coach.

Gubara said he was also happy with the way his squad rebounded after the one-sided loss to Edina. Against Duluth-East, "we dominated from minute zero to minute 70," the coach said. "For a young squad like ours to get all the way to the third-place game in state is a very good accomplishment."

Central's Bryan and Isaac Iwoszkowiec were named to the all-tournament team.

12◂ THE WRIGHT CALL

"We needed to loosen up a bit," he said.

The Cadets also needed to tighten up a defense that had allowed 99 points in their previous three games. And so they did, stifling the Warriors' offense. The closest Two Rivers got to the end zone all day was the Cadets' 20-yard line.

Cadets QB Grant Keeley got the scoring going with a second-quarter TD strike to Max Cercioglu. Running back Ian Turnbow took over from there, rushing 21 times for 129 yards and three touchdowns. STA moved the ball so methodically on offense that the Warriors had just two offensive possessions in the second quarter and only one in the third.

"We've had a lot of things go wrong this year," Walch said after the game, thinking about a slew of injuries on defense and the fact that Keeley had to step in when starting QB Tristan Karl was banged up in the middle of the year.

With the win over the Warriors, STA advanced to the section title game for the 10th year in a row, earning a return trip to Hastings where the top-seeded Raiders had beaten them in October.

Things didn't go so well for the Cadets this time either. Cadet QB Grant Keeley threw for 219 yards and a TD, and thunder-footed kicker Toren Piltingsrud booted a pair of field goals, but Hastings running back Zachary Shetek showed why he was a top recruit for the University of Minnesota with a 309-yard, four-touchdown performance to lead the Raiders of Hastings to a 29-13 decision.

A GIANT IN TENNIS ... AT 5-FOOT-1

Minnehaha Academy girls' tennis coach Jose Williamson describes his standout Chloe Alley as standing "4 feet, 13 inches tall." The senior joined an elite group of athletes when she won her third straight State Class A singles title on October 30. Alley said she is 5-foot-1½. No matter how she measures up, she swung a mighty racket in rolling through four opponents to become the first player in nearly a quarter century to achieve a third straight state singles crown. (The last singles player to do it was Saint Paul Academy's Gina Suh, who won five straight state titles from 1989-93. Fellow Spartan Kim Gregerson won four in a row from 1985-88.)

Alley lost just five games in her four matches. As of now, she is undecided on a college for next year, saying she is looking for a school where she can get a great education in addition to playing tennis. That could be music to the ears of several schools in our area.

PREP RUNNERS EARN RIBBONS AT STATE MEET

Nova Academy sophomore Isabel Pass came within a whisker of winning the Minnesota State High School Class A Cross Country Championship at Majestic Oaks Golf Course November 7. Pass's time of 17:26.1 for the 5,000-meter course was just 0:0.9 behind winner Margaret Duffy of Saint John's Prep.

On the boys' side, Two Rivers' junior Max Molinaro placed third in the Class AAA meet with a time of 15:14.8. Patrick O'Keefe, a senior at Nova, finished fourth in the Class A meet. Nova also placed fourth in the team competition.

Emmett Morse, a Minnehaha Academy ninth-grader, placed ninth in the boys' Class AA meet. In the team competition, Saint Paul Academy placed 13th in the girls' Class AA meet and Highland Park finished 16th in the boys' Class AAA meet.
