HIGHLAND PARK Mother of the Year, Mrs. Paul Barcelow Jr., 914 Wilder, receives congratulations from her children, Susan, 16 years old, Mike, 13, Kris, 7, and from Highland Civic Association Youth committee chairman Harold Shapira.

Mrs. Paul Barcelow, Mother of 3 Named Highland Mother of the Year

A 37-year-old Highland Park mother of three children was named 1959 Highland Park Mother of the Year today by the Highland Civic Association.

Mrs. Paul Barcelow Jr., 914 Wilder, a resident of Highland Park for nine years since moving here from Abany, New York, was chosen for the Mother of the Year Award.

Highland Sketchbook . . . Joan and Jim Abbey Of "Chicken Little"

(Editor's note: This is the 24th in a series of articles designed to acquaint our readers with members of the Highland Civic Association. Names are drawn at random from the membership roster. One SKETCH will appear in each issue of the Villager.)

Joan Abbey, wife of the late Fred Abbey, owns and operates "Chicken Little" at Cleveland and Highland Parkway with her son James. The Abbeys have been in the deep fry chicken business for over 6 years starting in La Crosse, Wisconsin with the first "Chicken Little" franchise in America. It took nearly two years to get the name patented.

In 1957 the Abbeys opened the first "Chicken Little" franchise in the Twin Cities at their present location. "Chicken Little" is a deep frying process. Mrs. Abbey stresses the importance of quality grade A chicken in the fried chicken business and insists on Grade A Arcadia chickens for the "Chicken Little" operation. Most of "Chicken Little's" business is done over the phone. The 9 deep fryers can turn out 60 orders of chicken per one half hour.

Highland Merchants Hold Dinner Dance, Monday

More than 100 members of the Highland Civic Association, guests, and other business operators in the general Highland Village shopping area will attend the Third Annual Highland Civic Association Dinner Dance at Lee's Village Inn on Monday, June 8th.

The annual dinner event will start at 6:30 p. m. and will feature Larry Fisher and his orchestra beginning at 9:30 p. m.

Corsages will be given to all the ladies and several door prizes will be distributed.

Co-chairmen for the event are Miss Elizabeth Haas and Mrs. Isabel Bryan.

Reservations for the dinner may be made by mailing a check to Joseph Driscoll, 2008 Ford Parkway, association secretary. Costs for the dinner dance is \$3 per person.

Highland Little League Opens Sunday With Fanfare and Three-Game Slate

Fair skies, lots of sunshine and balmy breezes are anxiously anticipated for Highland Little League members on their opening day, Sunday, June 7th.

Highland Sweepstakes Worth \$290 This Week

Seventeen prizes worth \$290 will be given away by Highland merchants to sweepstakes players who take advantage of the newspaper that they are now holding.

- You don't have to buy anything!
- You don't have to write any slogans!
- You don't even have to register!
- Your free sweepstakes "ticket" is the copy of the paper you are holding right now!
- Your prize will be delivered on-the-spot!

Here's all you do:
LOOK in the center margin of this paper — the space between pages 8 and 9. You'll find a number. This is your own sweepstakes number.

Don't cut it or tear it out. Take it with you and compare it with numbers posted in the stores listed below.

If your number matches one on a special Highland Villager poster, present your paper to the manager to receive your prize.

No prize numbers will be given by telephone. You must go to each store to find the winning numbers.

All prizes must be claimed within two weeks. Offers are void after 12 noon on Wednesday, June 17.

THE FOLLOWING stores have Sweepstakes prizes to be claimed by lucky Villager readers:

- Highland Drug Center
- Shapira's Gifts
- Cole's
- Highland Ben Franklin
- Cardosos
- Red Owl
- Village Bootery

Harold Theiston, athletic director of the St. Paul Athletic Club, will be the master of Ceremonies, and many dignitaries from the St. Paul area will be present, including the King and Queen of the Winter Carnival, Herb Schell and Karen Sontag, Chief of Police, William Proetz; members of the Highland Civic Ass'n principals of schools in the area and past presidents of the league.

With bands playing, and the colors presented by the American Legion, the seventh season of Highland Little League play will begin.

The Grand Parade will leave Hove's parking lot, at 12:30 p. m., for the Ford-Highland field at Cleveland and Montreal. The ceremonies will begin at 1 p. m., and the first game will begin at 1:30. The second game will begin at 3 p. m., and the third contest at 4:30. This promises to be a day of fun, food and fine baseball for all—Little League style.

Couples Club Hold Final Meeting Sunday

The Mt. Zion Couples Club will hold its election and also final meeting of the year on Sunday, at 8 p. m. in the Jr. Auditorium of the Temple, 1300 Summit. The slate to be presented is as follows: president, Gerald Savitt; secretary, Mrs. Charles Horwitz; treasurer, Richard Firestone. Also nominations from the floor will be encouraged and invited.

An original skit entitled "Guys and Guys in Disguise", written by Mrs. Gerald Ruben, will be presented. The cast includes Sanford Brody, Harvey Bream, Charles Horwitz, Arvin ZaiKaner, and Gerald Ruben.

Refreshment will be served. There will be no charge for the evening. Call Mrs. Marshall Siegel, CA. 5-3033, for reservations.

Jim Abbey, 20, a graduate of Central High School in La Crosse has been working in the "Chicken Little" operation since he was 14 years old. The Abbeys live at 931 S. Cleveland Avenue.

Fred Abbey died March 18 after a short illness.

District 5 Girl Scouts

At 7 a.m. on Saturday, the Cadette and Senior Girl Scout Troops of District 5 will meet at Minnehaha Park, Site 3, for an early morning breakfast. The Neighborhoods participating include Cooper, Corcoran, Hiawatha, Howe, Longfellow and Standish. The general arrangements for this event are under the direction of Senior Troop 387 with Mrs. Edwin Magnuson, 4141 44th Ave. S., leader. The Scouts will prepare breakfast and then assemble for an all-Troop program.

Raider Day Camp Begins Six Week Program June 22

The Raiders Camp, directed by the Christian Brothers, will open its third season of operation on June 22. The purpose of the camp is to provide boys with a summer program of organized recreation under the guidance of professional instructors. The boys will engage in a well-balanced athletic, social and cultural program designed for the development and profitable recreation of boys between the ages of 8 to 12.

Each week at least one bus trip will be made to some interesting and educational project. Plans this year include a variety of activities to keep the boys interested. The list, somewhat enlarged from previous years, includes horseback riding, fishing, miniature golf, a train ride on the Zephyr and calisthenics.

Wholesome and manly emulation among the campers is fostered by means of contests, games, skills, achievements, and personal encouragement from the brothers.

Call Cretin High School, ML 8-3858 for further information.

Trinity Church Brunch

The Womens Society of Christian Service of First Trinity Church, Marshall and Dewey, St. Paul, will have a brunch at 11 a.m. on June 11.

Check Your Child's Foot Size Often

These healthy, active youngsters will always enjoy themselves as long as wise parents check their foot growth often. Top medical research indicates that children's feet grow remarkably fast. That's why the manufacturers of Avenite soles for shoes for some 47 years urge you to check your child's shoe size regularly. Shoes that are too small can cause serious foot ailments, even deformities, that will remain through life. The chart below tells you how often to have your shoe retailer check shoe fit at your child's age.

Deaf Hear at New Prince of Peace Church; 180 Parishioners Worship in Sign Language

By RON BACIGALUPO

"And they brought unto Him one that was deaf and had an impediment in his speech, and they beseeched Him to put his hands on him." Mark, 7:32

Vicar Frank Wagenknecht, acting pastor of the Prince of Peace Lutheran church for the deaf, 205 N. Otis Ave., read the passage proudly from the Bible on his desk.

"There's no passive voice in sign language," he said "and we have no signs for words like impediment, but by speaking and signing at the same time our parishioners understand the liturgy well."

For the 180 members of the new Prince of Peace church for the deaf, the greatest book ever written is a combination of short simple sentences taught them by people like Vicar Wagenknecht.

"Have you ever seen a deaf choir sing," he asked? "The deaf sing in a sign language," he said, with special emphasis on rhythm. A deaf choir's harmony lies in their ability to perform the sign language in perfect accord. It's a beautiful thing to witness, and, I think, a very special way to give praise to God."

Vicar Wagenknecht, 24, learned the sign language at Concordia Seminary, St. Louis, and he came to the Twin Cities as a member of Missouri Synod. The Prince of

St. Catherine's Receives National Science Awards

The College of St. Catherine has received awards from the National Science Foundation. This announcement was made by Sister Mary William, CSJ, president of the college.

Sister Paul, CSJ, instructor in chemistry at the College, has been awarded a summer fellowship to attend an Institute for College Teachers in Chemistry at Indiana University. The Institute is sponsored by the National Science Foundation in co-operation with the American Chemical Society.

The teachers will study recent developments in chemistry, discuss current problems and exchange ideas on the teaching and undergraduate college chemistry.

Another grant was awarded to the College of St. Catherine Chemistry Department with the purpose of the grant to employ undergraduates in research. The students will investigate the possible mechanisms in the formation of epoxy resins.

Students participating in the program will be chosen on the basis of their past achievement in the laboratory and their general scholastic ability.

Minnesota State Bar Association Holds Annual Convention in Minneapolis

The annual convention of the Minnesota State Bar association will be held in Minneapolis June 17, 18, 19, according to Clarence O. Holten, Minneapolis, convention chairman. Approximately 1300 lawyers and 500 women guests are expected to attend the conclave, with headquarters at the Radisson hotel. The Hennepin County Bar association, of which Simon Meshbeshier, Minneapolis, is president, will be host at the three-day meeting.

Luther M. Bang, Austin, president of the Minnesota State Bar association, will preside at the business session. Although numerous entertainment features have been scheduled, the emphasis of the professional sessions will be upon the lawyer's practice itself and many of the talks will be of technical interest to the profession, Bang explained at the convention which will be held at the Radisson hotel. The Hennepin County Bar association, of which Simon Meshbeshier, Minneapolis, is president, will be host at the three-day meeting.

A principal speaker at the convention will be Ross L. Malone, of Roswell, New Mexico, president of the American Bar association. He will speak on "Professional Responsibility — Our Constant Challenge" at the Friday, June 19 luncheon, sponsored by the section of real property law of the State Bar association.

Jim S. Nutt, first secretary at the Canadian Embassy in Washington, D. C. will survey some of the important developments in international law during the past century at the Thursday, June 18 luncheon.

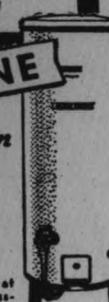

Camp Jack Butwin Registrations Begin

Parents of children ages 5 through 11 can now register their children for the Jewish Community Center's 1959 summer Day Camp. The camp is located in the beautiful Jack Butwin Memorial Park, consisting of 80 acres of wooded land, sand bottom lake, and small animal life.

Camp is available for two 4 week sessions: June 22 through July 16 and July 20 through August 13. Children can register for either one of the 4 week sessions or for the entire 8 weeks.

Fees, which are established at cost, are \$57 for a 4 week session and \$99 for the 8 weeks. However, the Center believes that any child should be allowed a camping experience, and the Center provides fee adjustments to parents unable to pay full fees. Fee adjustments can be arranged in a confidential way.

Augsburg Fund Drive Nets Half Million In First Six Months

Over a half million dollars has been received by Augsburg college in cash gifts and pledges during the first six months of its newly launched development program.

In releasing this announcement, Norman L. Nielsen, vice president for development, said 93 percent of this gift support has come from the immediate constituencies of the college.

"Of the \$546,360 received, all but \$39,500 has come from congregations and members of the Lutheran Free church, alumni, faculty, staff and present students. The balance has been from foundations, scholarships gifts, special gifts and our allocation from the Minnesota Private College fund," Nielsen explained.

Augsburg's 20-year development program envisions \$8 million in new buildings and educational development objectives. The auditorium-gymnasium, student union and first sections of two dormitories are planned during the first five-year phase.

Eugene Black To Speak At Mac Commencement

Eugene R. Black, president of the International Bank for Reconstruction and Development, Washington, D. C., will be Macalester college commencement speaker 10 a.m., Monday, June 8, in the Macalester field house.

Rev. Ralph B. Hindman, pastor of the Bryn Mawr, Pa., Presbyterian church, will give the Baccalaureate sermon for the seniors, 4 p.m., Sunday, June 7, also in the Macalester field house.

The commencement academic procession, led by the Macalester bagpipe band, will file from the Macalester library to the field house. Besides the awarding of degrees, scholarships and class prizes will also be announced at the commencement exercises.

Mr. Black currently is making a trip to the Middle East on behalf of the World Bank. He will return to the U. S. about June 1.

Macalester Receives \$960 From Science Foundation

Macalester college has just been given a grant of \$960 by the National Science Foundation for studies in tree growth and rainfall, Dr. Harvey M. Rice, Macalester president, announced. The grant is for the foundation's under-graduate research participation program.

Director of the project will be Dr. Waldo S. Glock, chairman of the Macalester Geology department, and widely known for his work on tree ring research.

The research will be carried out by David G. Smith, 2128 Berkeley Ave., Macalester junior, who is majoring in geology, under the direction of Dr. Glock.

An outstanding student in geology, Smith will be paid by the hour for his research work which will continue until September 1. Smith will accompany Dr. Glock on his annual summer expeditions to the Southwest during the next two summers.

He will work on his findings in the Macalester tree ring laboratory during the fall and spring terms.

Smith, the son of Mr. and Mrs. Donald B. Smith, is a member of the Macalester Flying Scots and one of its outstanding pilots.

Lutheran Bible Institute To Build New Campus On Golden Valley Site

Plans for a new campus in Golden Valley, Minnesota, for The Lutheran Bible Institute of Minneapolis were announced by the president of LBI, the Reverend Bern C. Opsal. The decision was made by the LBI corporation which held its meeting in the chapel of LBI's downtown location at 17th Street and Portland Avenue. After five years of careful study, planning, and prayer, this unique building program will be started sometime next August.

The architectural firm of Hamnel and Green, Inc. of St. Paul, Minnesota, is in charge of the program. The over-all plan on the 30-acre campus calls for a chapel in the center with a glass-enclosed walkway surrounding it. At each corner of the quadrangle there is a building suited to the needs of the school. The first phase of the building program, not to exceed \$1,750,000, will include buildings in the quadrangle and two dormitories.

The one building is an auditorium which is a multi-service building including a gymnasium and music department. The second building is the commons building which has within it a library, cafeteria, bookstore, and lounge. The third building is the first of two educational units which will include classrooms and office space as well as a small chapel. Two dormitories will be constructed at this time, housing 66 students each. The second phase calls for the fourth building in the quadrangle to be constructed within the next 5 years. The third phase of the over-all plan calls for a chapel to be built within the following 5 years. Additional dormitories will be built as funds are available and as the student body grows, with a total capacity on

St. Catherine's Nurse Awarded Fellowship

Miss Rita Kroska, assistant professor of nursing, at The College of St. Catherine has been awarded a National League for Nursing fellowship for post graduate study. The fellowship is sponsored by the Commonwealth Fund, who launched the program in 1955.

The fellowship seeks to assist nurses of proven ability to secure a doctoral degree in nursing or allied fields. The award will provide Miss Kroska a three year period of study leading to a Ph.D. in Anthropology.

Sparky the Seal, Casey Stengel the gorilla, Mike and Sheba the Siberian tigers, Patsy the lioness, the Kiddie Zoo and other top attractions have come to Como Park Zoo in the past five years through the help and donations of progressive citizens. Thousands of children in St. Paul and vicinity and their parents and grandparents are enjoying the zoo every week. Let's keep it that way. Your committee has made arrangements with the St. Paul Baseball club management for a Como Zoo benefit game the night of July 28.

All tickets bought in advance through the committee will accrue to the benefit of Como Zoo. Tickets purchased at the stadium box office will not count toward the Zoo Fund.

A minimum of 50 cents on each ticket sold will go to the Zoo Fund. Each box sold will bring in \$1.00 to the Zoo Fund. Our goal is a minimum of \$7,500 for the zoo.

**Lutheran Brotherhood
Insurance in Force
Passes Billion Mark**

Lutheran Brotherhood has joined the giants of the life insurance industry — those with a billion dollars or more of insurance in force.

The goal was reached by the fraternal life insurance society, which sells only to Lutherans, just 40 years and six months after the issuance of its first policy.

The "billion-dollar club" is exclusive. The April 25 issue of National Underwriter magazine lists only 77 commercial life insurance firms in the United States as having a billion dollars of insurance or more in force as of Dec. 31, 1958, of a total of 766 companies.

Lutheran Brotherhood's achievement capped a decade of growth in which its total annual sales and total insurance in force expanded by nearly four times.

In 1948, sales totaled \$43,047,438. In 1958, they amounted to \$165,686,201. Insurance in force at the close of 1948 was barely past the quarter billion mark.

**Red Owl Expanding
Into Chicago Market**

Minneapolis, Minnesota — Red Owl Stores, Inc., one of the nation's fastest-growing food chains, today announced its plans to enter the Chicago area. The announcement was made by Ford Bell, Chairman of the Board, at a meeting of the Minnesota group of the Investment Bankers Association of America in Minneapolis.

Bell stated that leases for three stores involve a one and one-half million dollar investment. They will employ approximately three hundred people, to be recruited from the Chicago area.

The stores will have a gigantic pylon displaying a Red Owl, the corporation's unique trademark. Store design is part of the function of the Red Owl architectural department.

Although new to the Chicago area, Red Owl has operated food stores in the Upper Midwest for 37 years. From a single store in Rochester, Minnesota, the firm has grown until it now operates 147 food stores and serves 349 Red Owl Agency stores in an eight-state area, including Minnesota, Wisconsin, Michigan, Iowa, North and South Dakota, Montana and Wyoming. It is the thirteenth largest food chain organization in the United States.

Important Colour News

We've written about trying hair colour for the first time. This week let's discuss another phase of hair colouring. Suppose you have tinted hair, and you're tired of the shade. Can you change to another colour easily?

What It Takes

This depends upon the type of hair colouring used, the present health of your hair. For instance, let's suppose you've had your hair bleached to a very light blonde for a long time. Can you become a golden blonde, or a lovely light ash-brownette? Yes... but your hair will require very special treatment for a proper changeover. After extensive bleaching, the ends of your hair may show slight damage. The hair close to the scalp is young and healthy and will take hair colouring quite smoothly. However, on the ends we will use a hair conditioning agent before applying a brand new shade. Then we "pack" the ends with a special professional colour formula. And before we're finished we'll retouch all your hair to insure a lovely natural colour. You will look and feel radiantly beautiful!

Why?

Does all this sound complicated? It is! Hair colouring is a specialized job... only a skilled cosmetologist is properly trained to do it well. Please don't ever attempt to change your hair colour at home. Let our experience and training keep you lovely!

For That Dramatic Touch

Suppose you'd like a streak of silver or blonde colour against dark hair. Should you have your streak put in before or after a permanent wave? Here again depend on our experts. We assure you perfect results with either method... but we prefer to add your glamorous streak after your permanent. Hair is more porous after a permanent wave. It takes colour faster and smoothly. Plan to make a date for your permanent wave this week. And we will give you a dramatic streak next week!

For your beauty service, call MI. 8-8804.

St. Paul Gallery To Prepare Exhibit

The Saint Paul Gallery and School of Art has been commissioned by the United States Information Agency to prepare an exhibit of contemporary American hand crafts, which will tour Italy, and other European countries beginning March, 1960. Seventy-five leading American craftsmen will be selected to participate in this "Contemporary Crafts" exhibit of ceramics weaving, metal, jewelry, leather, enamel, decorated fabrics, and tapestry. After extensive research in craft centers, invitations will be extended to the craftsmen chosen. In addition to the invited group, fifty other craftsmen will be drawn from the open national craft competition, fiber, clay and metal, to be held at the Saint Paul Gallery and School of Art in the fall of 1959. The Saint Paul Gallery was selected to assemble the contemporary craft exhibition because of its pioneer work in presenting fiber, clay and metal in 1951. This national craft competition has become a biennial event and an outstanding craft competition in the United States. Work from the seventy-five artist craftsmen invited to exhibit in "Contemporary Crafts" will be collected by September 15, while the deadline for entries to the national craft competition, fiber, clay and metal 1959, which is open to all American craftsmen, will be October 15, 1959. Final selection of the entries will be made by a jury of recognized craft authorities.

Letters to the Editor

Dear Miss Haas:

This is to convey our appreciation to you for your valuable assistance in telling the Red Cross story during the '59 fund campaign. Our clipping file shows that we received the strongest support in our history from the weekly newspapers in the St. Paul Chapter. The need for Red Cross services in suburban communities and sectional groups grows with the population. These activities make the chapter a year-round live news source and we will be sending you stories on this basis from week-to-week throughout the year. Our annual get-together in February is an event we look forward to and we hope you will circle the first Friday in February on your 1960 calendar as soon as you get it.

Sincerely,
Franklin E. Traux, Chairman

Young Christian Workers Schedule New Series of Mixers At Prom Ballroom

In cooperation with the organized Catholic youth groups of the Twin Cities the Young Christian Workers are adding to their social calendar of events a series of "Mixers" to be held at the Prom Ballroom. This new project is one of the most ambitious programs ever undertaken by a Catholic youth organization.

For nearly five years the Y.C.W. has conducted educational, cultural and social activities, including mixers, as a service to young Catholic adults of the Twin City area. The first Y.C.W. mixer was held in St. Paul on September 17th, 1954 with 130 young people attending the event. Through the years these mixers have enjoyed ever increasing success and attendance until now the Young Christian Workers are ready to bring these mixers to an even larger portion of young Catholic adults.

The first of these semi-monthly "mixers" will be held June 5th from 9 p. m. to 12:30 a. m. at the Prom Ballroom and are open

to all Catholic adults 18 years of age and older.

The spacious facilities of the Prom will bring together the young Catholic adults of the Twin Cities and enable them to recreate and socialize in a truly christian atmosphere. It is hoped that the youth attending these mixers will find a form of recreation that will meet their needs, hold their interest and afford them a good time.

All those attending the mixers will be asked to register so they may be informed of future mixers and other social or educational events conducted by the various groups. Furthermore, it is hoped that the registration program will be a means of obtaining needed information from young Catholic adults so closer cooperation and participation with various organized Catholic lay groups will be attained and supported.

St. Catherine's Instructor Gets Wilson Fellowship

Among the Woodrow Wilson Fellows selected for the academic year 1959-60 is Marianne S. Porter. Miss Porter graduated from Stanbrook High School, Duluth, in 1949 and from The College of St. Catherine in 1953. At St. Catherine's she received her Bachelor of Arts degree in English, and as a Fulbright Scholar, she attended the University of Bristol, England where she did independent graduate study in "19th Century English Fiction." Miss Porter is presently an instructor in the English Department of St. Catherine's.

The Woodrow Wilson Fellowship program recruits and supports promising scholars for one year of graduate study. This year's Wilson Fellows were chosen from 7,000 candidates, all nominated and all rigorously screened by committees of faculty members. Those selected will begin graduate work next fall at 80 different universities.

Miss Porter will enroll at the University of Minnesota for graduate work in "19th Century English Literature." As a Fellow, she will receive a living allowance of \$1500 plus the full cost of tuition and fees.

Boating Registration

Captain F. P. Vetterick, the Commander of the Second Coast Guard District, announced that hundreds of applications for Certificate of Award of Numbers have been received from boat owners whose boats do not require registration. This is a result of a misunderstanding as to the present regulations for numbering of vessels. Under the present laws only boats over sixteen feet in length propelled by detachable motors and boats having permanently attached motors, regardless of length, must be registered by the U. S. Coast Guard. However on April 1, 1960, under the new Federal Boating Act of 1958, all undocumented vessels on navigable waters of the United States, propelled by machinery of more than 10 horsepower (in the aggregate), regardless of length, will have to be registered.

Captain Vetterick pointed out that the large number of applications for Certificates of Award of Number for outboard motorboats of sixteen feet in length and under, are delaying the registering of vessels that must be numbered under the present laws. The boating public is urged NOT to apply for Certificates of Award of Number if their boats are sixteen feet or less length and equipped with detachable motors.

Named "Cookie," the dog was dressed as a miniature elephant.

Congress Changes Many Social Security Laws

A number of important changes were made in Federal social security benefits by the last session of Congress. According to Palmer Elder, district manager of the St. Paul social security office, one of these important changes was the elimination of the need to offset the amount of certain other benefits against social security disability benefit payments.

This change was very important to over 50,000 people who had already been found eligible under the disability provisions of the social security law, but were receiving other disability payments. These were the individuals who were receiving State Workmen's Compensation payments or a Federal payment for disability—other than compensation from the Veterans Administration for a service connected disability. Until the 1958 amendments to the law, the individual's social security disability benefit payment was reduced or, in many cases, completely offset by the amount of the other payment. The 1958 amendments to the Social Security Act eliminated this offset provision. An individual receiving State Workmen's Com-

pensation payments for disability or a Federal disability payment can also be paid his social security disability benefit payment in full for any month after July, 1958.

For information, or to file a claim for social security disability, old-age and survivors insurance benefit payments, contact your Social Security Administration district office, 406 Post Office and Custom House, St. Paul.

University Lutheran Fraternity Presents African Art Exhibit

An exhibit featuring paintings, carvings and other art work by native Africans will be on display through Friday, in the lobby and Martin Luther library of the Lutheran Brotherhood building, Minneapolis.

The exhibit is sponsored by Pi Gamma Epsilon, Lutheran fraternity at the University of Minnesota. It is open to the public without charge from 9 a. m. to 5 p. m. daily Monday through Friday.

Most items on display are for sale. Arrangements for their purchase can be made with fraternity representatives between 3 and 5 p. m. Monday, Wednesday or Friday. All proceeds go to the fraternity.

Included in the exhibit are carvings from the Belgian Congo, the Cameroons, French Equatorial Africa and Kenya colony and paintings from the Congo. The show also includes native drums, masks and weapons.

Mac Alumni Rank 10th Among Nation's Donors

Macalester college ranks tenth in the nation among 105 American coeducational colleges of over 1000 students in percentage of alumni contributions for the past year.

Macalester had a percentage of 33.7 of its alumni who were solicited contributing, as compared with a national average of 22.5 per cent. The figures are reported in a survey just made by the American Alumni Council.

Macalester is rated seventh in the nation among colleges of its kind in total voluntary support during 1957-58 with \$1,334,377 in total gifts, grants and bequests that year.

The American Alumni Council reports Macalester, with \$649,371, as third in the nation among colleges of its class in total of all alumni giving. This figure includes bequests and gifts to capital as well as annual giving. In this category Macalester college was surpassed only by Ohio Wesleyan and Pomona colleges.

WILLIAM M. DELEHANTY

This is a success story, the kind of success story a college likes to tell. It's about William Michael Delehanty, College of St. Thomas senior, who has won more scholarships than any other student in the history of the school.

Bill Delehanty's story is bound up in scholarship, especially history and foreign languages, in debate, and service to the College. And because he has made such a success of each of them he finds himself on the brink of graduate school with some \$5200 worth of scholarships literally in his hands, the renewal possibility of \$7800, and an honorary scholarship worth \$3000. They represent the highest kind of scholarships from the country's top foundations: Woodrow Wilson, Danforth, and Yale Overbrook.

Bill Delehanty's scholarship story is a good example for young people about to enter college. It begins in Montgomery, Minn. Bill is the youngest of seven children of Mr. and Mrs. James M. Delehanty. His father, now retired, ran a grain elevator and operated a 160 acre farm.

Bill's academic record at Montgomery high school was a good one. He was equally good at public speaking, and participated in school plays for all four years. He was good enough to win \$300 scholarship to the University of Minnesota where he intended to enroll, following in the footsteps of four of his brothers and a sister.

But he also caught the eye of his pastor, the Rev. Joseph Bender of Kilkenny parish, who was the seminary classmate of the new debate coach and history professor at the College of St. Thomas, the Rev. James P. Shannon, who was later to become president of the school. This was the spring of 1955. Father Shannon "just happened" to meet Bill Delehanty in the sacristy of the church one Sunday morning following Mass and the friendship was launched.

Bill Delehanty enrolled at St. Thomas the following fall. His major—history; his school activity—debate. Father Shannon made him debate secretary, a responsible task involving the correspondence for all St. Thomas debate teams and the paperwork details of sponsoring the Northwest Debate Tournament.

In his sophomore year Bill's academic record grew. To help his history concentration he plunged into foreign languages, continued in debate and in his job as debate secretary. As a junior he became what came to be known on the Tommy campus as a "mole" concentrating on studies only, eliminating all extra-curriculars. To help pay his way through school he became an assistant dean in a campus residence hall.

Satisfied that he had spent his third year profitably, he took a job in the College library and he returned to debate this year, teaming up with a classmate, Patrick Williams. They swept to a 41 won, 12 loss record. In three years Bill won over 70 per cent of his debates. Currently he holds an almost straight "A" average (grade point ratio of 3.85), can read and write, and speak French, handle Latin with ease, and has two years of Greek and one of German behind him. His record shows straight "A's" in religion, philosophy, psychology, sociology, speech, Greek, and French. He is the president of the school history club and is a member of the honor society.

City of Hope Fund Drive for Hospital Led by Highlanders

Highland Park women will have key roles in the annual drive for the City of Hope Hospital and Medical Center, to be held in the St. Paul area June 17 and 18. The campaign will include a house-to-house march by several thousands women volunteers.

Mrs. William Gulner, 1085 Bowdoin, president of the St. Paul auxiliary of City of Hope, is over-all chairman. Campaign chairman is Mrs. Edward Smoliak, 1762 Princeton.

Other members of the campaign committee include Mmes. Morton Brand, 2055 Ramlow Place, and Sheldon Pick, 700 Mt. Curve Blvd.

City of Hope is a free, non-sectarian hospital and medical center located in Duarte, Calif. The institution opened 45 years ago as a tuberculosis hospital and expanded its program until today it fights the great killer diseases of modern times, including cancer, leukemia, and heart ailments.

People of all ages from all parts of the country are patients at City of Hope. But the hospital has a particularly outstanding reputation, said Mrs. Gulner, for its work in combating leukemia, a form of cancer which is the leading killer of children up to the age of 15.

"City of Hope also has a wonderful parent participation program," she said, "which trains mothers and fathers to assist in the daily care of their stricken youngsters."

The hospital has never sent bills for its services, she pointed out. Its medical program, pioneering research and physical expansion have been sustained by community efforts.

Honorary sponsors of City of Hope include show business stars Bob Hope, Dick Powell, June Allyson, Jimmy Durante, Dean Martin, Eddie Cantor and Betty Hutton.

Among others who have endorsed the hospital and its work are former president Harry Truman, George Meany, Thomas E. Dewey, Eleanor Roosevelt, James P. O'Brien, Hugh (Wyatt) Earp, O'Brien, and former Minnesota governor Harold Stassen.

Vacation First Aid to Be Subject of Next Forum

"First Aid for Vacations" will be the subject of the next Health Center Forum to be held Tuesday, May 26, at the Group Health building, 2500 Como Avenue.

The speaker will be Robert C. Montour, Director of First Aid and Water Safety of the St. Paul Red Cross. He will demonstrate artificial respiration, show slides on safety, and explain what should be in a first aid kit and how to use it. There will be ample time allowed for questions and discussion by the audience.

The meeting, scheduled to begin at 7:45 p. m., is free to the public. Refreshments will be served. Everyone is invited to attend.

grain depot and market place for the people of that area. The community of Doyle, at times known as Terre Haute, or Mulford's Crossing, later disappeared as Kilkenny and Montgomery grew.

One of Bill's hobbies, and one that fits in well with his major field, is accumulated material about Doyle's brief existence. Someday he'll write its history. And if Bill Delehanty does it, it will be done thoroughly and it will be done well, because that's the only way he knows how to do things.

Bill is not really a "mole" as he once labeled himself. The tall, handsome senior, soft spoken, modest, but self assured, nailed down another honor last week. He, with eighteen other seniors, was nominated for the "Mr. Tommy" title at St. Thomas, and was one of the top contenders for the award made to the senior who best represents the ideals of the school.

Hamline University Cappella Choir Will Present Commencement Concert

The Hamline university a cappella choir under the direction of Robert Holliday will present its annual commencement concert on Sunday, June 7, 8 p. m. at the Hamline Methodist church, St. Paul. The concert will be the final performance of the choir for the academic year 1958-59.

Composers from the 16th century through the 20th will be represented on the program.

Classic works performed will be by the composers Viadana, Weelkes, Gabrieli, Johann Sebastian Bach, Beethoven, and Mozart. The contemporary selections will include the works of Hamline composers: Glen Glasgow, 1947 graduate of Hamline; Dorothy Harris, 1950 graduate and wife of the chairman of Hamline's department of music; and Thor-kell Sigurbjornsson, Hamline senior from Iceland. Also on the program will be "All Day I Hear" by Paul Fetter, professor of composition at the University of Minnesota and choir director at St. Anthony Park Methodist church, Minneapolis. Other contemporary composers who will be represented by their works are Pettrassi, Heiller, Hindemith, Ives, and Carter.

Appearing in their final per-

formance will be the several senior members of the choir including soprano soloist Janice Wheeler, 1058 Margaret, St. Paul, who will sing "Jesu dulcis memoria" by Pettrassi.

The concert is open to the public free of admission.

CITY PLAYGROUNDS OLYMPIC ACTIVITIES

Public Recreation Superintendent Robert A. Lobdell announces intensive training of youngsters 8 to 15 years of age, in the spring olympics which will be conducted at 38 playgrounds daily. The 1959 playground olympics are sponsored by the V.F.W. 4th District, with George Jackson, chairman, and William Lambert, one of the district supervisors in the Recreation Department, is chairman of the playground preparations.

The olympics are for both boys and girls and the events will be dashes, running broad jump, running high jump, shuttle relay and ball throwing. The training at the playgrounds will include the declaration of champions in each event and each of the classes, ages 8-9, 10-11, 12-13, and 14-15 years. The playground champions will then enter the district championships which will be held as follows: District I at Palace Center, June 11, 6 p. m. District I includes Riverview, West 7th and Highland Park areas. District II championships will be at Front Center, on June 12, 6 p. m. District II covers the North End and Midway areas of the city. District III will have its olympic championships declared June 12, 4 p. m. at Wilder playground. District III includes all recreation centers in the Bluff, Hazel Park and Payne Avenue areas.

In conjunction with the olympic events, physical fitness exercises are being taught to all youngsters on the playgrounds, and demonstrations of these exercises will also take place immediately following the olympic events at each of the districts. The city championship finals in the olympics and the mass demonstrations of physical fitness by boys and girls will be conducted June 18th, 6:30 p. m. at Norton Field, Hamline University.

The V.F.W. 4th District are furnishing all the awards for winners, and also helping to judge and conduct the events.

The grand finale at Norton Field will be in the form of a pageant when over 500 boys will execute a mass drill, followed by approximately 500 girls who will demonstrate a mass rhythmic drill. The concluding number will be group stunts and tumbling by 38 teams from the 38 playgrounds. The music for this occasion is provided by a grant from the Recording Industries Trust Funds obtained by the cooperation of Local 30, American Federation of Musicians.

The color guard from the V.F.W. will post colors to begin the festivities. The public is invited to attend. There will be no admission charge.

Commissioner Holland and Richard Clancy, District Commander, V.F.W., will be the officials in charge of the event.

Deadline for News

The next issue of the Villager will be June 18. Deadline for news and classified ads is Friday, June 12.

Pop Concert Revue Opens 23rd Season

Star-studded casts will present the 1959 Pop Musical Ice Revue performances in the Saint Paul Auditorium arena starting July 8th, sponsors of the unique cooperative entertainment project announced.

The 23rd season of the famous "Pops" will be comprised of 24 shows staged each Wednesday, Friday and Saturday evening through August 29th.

Universally popular instrumental and vocal selections will feature the musical programs and new ice-skating acts will be presented.

The Saint Paul "Pops" are acclaimed nationally as being appropriately named because of the low admission charges, the programs of popular stage and dance music and the universally popular ice shows around which the revues are built.

Orchestra directors this season will be Leo Kopp, musical director of the Saint Paul Civic Opera, and Hermann Herz, director of the Duluth, Minnesota, Symphony Orchestra.

Young Christian's Marriage Course

The Young Christian Workers (YCW) of Holy Spirit and St. Michael's Catholic Churches, will be having a joint 4 week course on the Christian aspects of dating, courtship and marriage each Sunday evening in June at 8 p. m. in the Holy Spirit school hall, corner of Randolph and Albert streets.

Young single Catholics between the ages of 18 and 30 are cordially invited to attend. There will be a different speaker each week. A nominal fee of \$5.00 per person will be charged each week. For further information please call Marilyn Hochstein, MI. 9-4022.

St. Paul Public Recreation Department Announces Plans For Day Camping

The St. Paul Public Recreation Department, Bernard T. Holland, Commissioner, announced plans for day camping for youngsters 10 to 12 years of age. Interested parents and youngsters may apply to the director in charge of the nearest public recreation center for detailed information concerning this program.

The camping program will be divided into two 5-consecutive-day periods for each recreation district in St. Paul. The dates for camping in District I, which includes Riverview, West 7th and Highland Park areas, are: first period, June 22 to June 26, inclusive; second period, July 13 to July 17, inclusive. District II, which includes the North End and Midway sections, will have the following days: first period, June 29 to July 3, inclusive; second period, July 20 to July 24, inclusive. District III, which includes the East Side, namely, Payne Avenue, Bluff and Hazel Park sections, will camp on the following days: first period, July 6 to 10, inclusive; second period, July 27 to July 31, inclusive.

Competent leadership will be provided in each instance, with a great many volunteers from each playground. The camping program will be conducted at the Wilder Camp, west of Square Lake, where 7 camping areas are provided for the Recreation Department's use, as well as a swimming beach. Mr. Donald W. Clark, 633 Palace, C.A. 5-3871, has been appointed director of the city's day camping program for the summer.

The campers will be picked up by bus at their respective playgrounds each day before eight o'clock in the morning, and will be returned from camp approximately five or five-thirty p.m. daily. Each participant will be required to pay \$5.00 for the five-day period, which will cover transportation and the noon meal for each day. Camp crafts, such as outdoor cooking, whittling, hiking and identification of trees, shrubs, birds and animals will constitute a major portion of the activities. There will be a swimming period, and it is contemplated that some fishing instructions will be given also.

International Institute

Sunday, June 14, 3-6 p. m. will be the Upper Levee Community Day at the International Institute in recognition of present and former residents of the Upper Levee. An informal program and light refreshments will be served. interested friends are invited.

POOR MORPHEUS

Insomnia sufferers of old ate raw white onions to woo the arms of Morpheus. Pity the poor husband or wife! Today we have more reliable methods of inducing sleep... sleeping pills and the tranquilizers for example. But, these medications are prescription items and should be taken only upon the advice of your physician. Check the obvious reasons for sleeplessness first—it may be caused by a lumpy mattress. Then, if the condition continues, see your doctor. If he recommends medication, we'll be glad to fill his prescription.
