His expression says it all. Like the wind in his hair, Aaron Curtis flies for the finish line in the 50-yard dash—one of seven track and field events held as part of last Friday's 1978 East Metro Games and Special Olympics at O'Shaughnessy Stadium. Aaron, a special student at Randolph Heights Elementary School, was one of more than 1,000 mentally and physically handicapped persons who competed in the day's events. (More photos inside.)

Pulitzer winners in journalism to speak at Macalester May 10

Eleven 1978 Pulitzer Prize winners in journalism will visit Macalester College on Wednesday and Thursday, May 10-11, for the annual World Press Institute Forum.

The WPI, which is celebrating its 17th anniversary this year, is headquartered at Mac. A private, non-profit organization sponsored by American corporations and foundations, the WPI selects outstanding young journalists from throughout the world each year to participate in a nine-month program of intensive American studies, internships and travel.

The 1978 WPI Forum will be the only time this year's

Pulitzer Prize winners in journalism will be brought together at the same time in the same place. As part of the two-day event, they will tell the stories behind the stories that made them Pulitzer winners at 7:00 p.m. Wednesday, May 10 in the Weyerhaeuser Chapel at Macalester.

On Thursday, May 11 Leonard Marks, a member of the World Press Freedom Committee, will give the forum's keynote address on "Press Freedom in Third World Countries." His talk will begin at 11:00 a.m. in the chapel.

Both events are open to the public free of charge.

Minnesota Regional Theatre Feast to open Friday at Frey and Edyth Bush Theatres

If you've been wondering what's happening today in theatre in the Twin Cities area, the Minnesota Regional Theatre Feast, which opens this Friday in Frey Theatre at the College of St. Catherine and in Chimera's Educational Center at the Edyth Bush Theatre, 690 S. Cleveland Ave., will more than satisfy your curiosity. It will provide you with the rare opportunity to see some of the most exciting theatre currently being presented in this part of the country, paractically in your own backyard.

Usually outside the limelight of the big name Twin City theatres, the participants in the Regional Theatre Feast are all relatively small groups of theatre artists that are seeking their own alternatives to commercial or large repertory fare. The companies and individual artists involved are those whose experimentation and seriousness of purpose have helped the Twin Cities to be recognized as one of the best theatre regions outside of New York City.

The festival will offer 12 performances and 11 workshops between its opening at 7:00 p.m. this Friday, May 12 and its close after the final performance on Sunday evening, May 14. Each evening will conclude

with an open forum to discuss the productions presented during the course of the day. Larry Devine, drama critic for the Detroit Free Press and chairman of the executive committee of the American Theatre Critics Association, will serve as guest critic for the discussions.

The schedule of performances is as follows:

Friday, May 12

The Palace Theatre presents *Palace Stew*, a montage of scenes from its most recent works; 7:00 p.m. at the Edyth Bush.

At the Foot of the Mountain presents *The Story of a Mother*, a celebration of the mother-daughter relationship; 8:45 p.m. at Frey Theatre.

Leslie Ferris presents *Route Through Venice*, the English premiere of French director/playwright Andre Benedetto's latest work; 10:45 p.m. at the Edyth Bush.

Saturday, May 13

The Performing Arts Learning Center presents *Friday*, the story of a budding theatre company's attempt to become self-sufficient; Chimera's Educational Center presents *The Wise People of Gotham*, a participatory drama for children developed through

improvisation from an old English folk tale; 1:00 p.m. at the Edyth Bush.

Provisional Theatre presents *Inching Through the Everglades*, a guest performance by this Los Angeles theatre troupe which looks at private people behind their public masks; 3:30 p.m. at Frey Theatre.

Circle of the Witch presents *Visions/Revisions*, a collective exploration of land and those who have made it corrupt; 7:00 p.m. at the Edyth Bush.

Performers Ensemble presents *Song of Crow*, an adaptation of Ted Hughes' collection of poems about survival in the face of death, guilt and fear; 9:00 p.m. at Frey Theatre.

Sunday, May 14

The Playwrights' Lab presents *Minnesota Moon*, the story of two high school friends who get together for some laughs, a few beers, and a final good-bye; 1:00 p.m. at Frey Theatre.

Powderhorn Park Puppet Theatre presents *Minneapolis Histerical Society Review*, a look at the City of Lakes through the eyes of animals, plants and people who were here first; 3:30 p.m. at Frey Theatre.

Penumbra Theatre Company presents *Heartland, Louisiana*, a look at the productive and counter-

productive evolutions of two societies—one black, one white; 6:30 p.m. at the Edyth Bush.

Illusion Theatre presents *Orlando, Orlando*, a full-length mime musical adapted from Virginia Woolf's novel, *Orlando*; 9:00 p.m. at Frey Theatre.

Elven workshops will also be offered during the three-day festival. They include: Mime I; Animal Essences and Character Exploration; Active Acting; Arts in the Classroom; Kalarippayatt, Martial Art; Creating Dance Scores; Stage Combat; Playmaking; Creative Follow-up; Improvisational Puppetry; Poetry; The Drama of Sound; and Staged Readings. Workshop admission is \$1.00 per session or \$3.00 for the entire series.

Tickets for all 12 performances are \$15.00, \$12.00 for students and senior citizens, and are available only at the Walker Art Center ticket desk. Individual performance tickets are \$3.00, \$2.00 for students and senior citizens, and will be available at the door or at the theatre festival office, located in Room 206 of the Speech Building at the College of St. Catherine (690-6680) during the course of the festival.

Arizona physician speaks at CST on right-to-life issues

Carolyn Gerster, M.D., an Arizona physician and Chairman of the Board of the National Right to Life Committee, will speak on "Choices for the Future" at 7:30 p.m. Wednesday, May 10 in Foley Theatre on the campus of the College of St. Thomas.

Sponsored by the Human Life Alliance of Minnesota, Dr. Gerster's talk is open to the public. A \$2.00 donation (\$1.00 for students and senior citizens) is suggested.

Dr. Gerster, a specialist in internal medicine and cardio-pulmonary diseases, has long been associated with the right-to-life movement. She has participated in numerous national television and radio debates and has testified before various state legislatures, including Minnesota's just this year.

Horace Mann kids get in the act—These 5th and 6th graders from Horace Mann Elementary School will perform alongside professional actors in chimera Educational Center's upcoming production of "The Wise People of Gotham" at 2:15 p.m. this Saturday, May 13. A new play based on an old English folk tale, "Gotham" invites kids from the audience to join those on stage in outsmarting a greedy old king. Pictured above with Chimera actors Evelyn Weymouth and Colleen Kelly as they marvel at the wall their imaginations have wrought are, left to right: Kelly Radermacher, Dannette Williams, Brian Lipschultz, Terry Johnson, Craig Williams, John Gladitsch, Robbie Dennett and John Olson. Tickets for the show are \$2.00; \$1.00 for children under 12.

Thirty-five area college students honored by St. Paul Jaycees

The Saint Paul Jaycees and sponsoring businesses and organizations recently honored 35 students from seven local colleges at a reception and dinner at the Midland Hills Country Club.

The students, who represent the top of their graduating classes, are as follows: Harley S. Cahen, Nancy L. Gieseler, Barbara J. Shaten, Constance J. Smith and Frank Metz Underkuffler from Macalester College; James P. Maney, Mark R. Koller, Kevin M. Busch, Kevin P. Murphy, and David P. Kraker from the College of St. Thomas; Mary Jo Sturm, Teresa Hennes, Mary Catherine McReavy, Maureen Eileen Duffy and Elizabeth Guernsey from the College of St. Catherine; Val R. Jensen, Martha J. Gorham, Suzanne C. Dustrude, Lawrence H. Merwin, and Nancy A.

Johnson from Hamline University; Jo Beld, Brent Bostrom, Mark Carlson, William Fraatz, and Karen Melander from Bethel College; James Wilson, Kathleen Remund, Lynne Nelson, Linda Voetberg and Alice Sinclair from Concordia College; and Cheryl L. Grasmoen, Daniel P. O'Keefe, John W. Lundquist, Carol T. Skluzacek and Dennis J. Trooien from William Mitchell College of Law.

The Master of Ceremonies for the banquet was William J. Hickey, president of H.M. Smyth Company, Inc. The main speaker was Frank Hammond of Briggs and Morgan who is the 1977-78 Jaycee Boss of the year.

Fraser to address Hamline graduates

United States Congressman Donald Fraser will give the commencement address at the joint graduation exercises of the Hamline University College of Liberal Arts and the School of Law.

The ceremony will be held on the lawn of Bush Memorial Library at 2:30 p.m. Sunday, May 21. The university will award honorary degrees to Fraser and Rozanne Ridgway, U.S. ambassador to Finland. In case of rain the proceedings will be held in Norton Field House on the campus.

Baccalaureate ceremonies will begin at 11:00 a.m. in the Hamline United Methodist Church, 1514 Englewood Ave.

Mass offered at CST in memory of William Caine

A special Mass will be offered at 7:00 p.m. Thursday, May 11 in the College of St. Thomas chapel in memory of William A. Caine, the college's foreign languages professor who died in January.

Rev. Msgr. Terrence J. Murphy, St. Thomas president, will be celebrant and homilist at the Mass.

Friends, former students, and colleagues of Professor Caine are invited to assist at the Mass and attend a reception following it in the Faculty Residence lounge.

A "William A. Caine Memorial for the Support of Foreign Language Instruction" has been established at St. Thomas. Contributors may send memorials to P.O. Box 4079, College of St. Thomas, St. Paul, MN 55105.

Area students gain regional honors in annual science fair

Fifteen students from St. Gregory's School, 1668 Montreal Ave., won honors in the Twin City Regional Science and Mathematics Fair which was held recently at Macalester College. This annual competition is open to 7th through 12th grade students from public and private schools throughout the area.

Lisa Meagher, 8th grade, was awarded a purple ribbon in the regional competition for her research paper on Solar Energy. She then entered her paper in the State Science Fair where she won a second place red ribbon.

In the regional fair, Mark Schwartz, 7th grade, was a blue ribbon winner, and Justine Teachworth, Paul Lunzer, and Joseph Skach were awarded red ribbons.

Green ribbons went to Patti Long, Teri Finn, Gerry Cadle, Mike Umphress, Rick Countryman, Patty McNellis, Anne Simonet, Linda Gerber, Mary Jo Hamlin and John Cadle.

The projects were developed under the supervision of David Weber, Science and Mathematics instructor at St. Gregory's School.

Rossman appointed to vice president's post at Macalester

Dr. Jack E. Rossman, professor of psychology at Macalester College, has been appointed Acting Vice President for Academic Affairs. According to Macalester president John B. Davis, Jr., Dr. Rossman will take over the responsibilities previously held by John Linnell who died April 11.

Dr. Rossman has been a member of the Macalester faculty since 1964, and formerly served as Macalester's Director of Research and Planning. He is currently Director of the school's Summer Session.

A committee will be appointed in the Fall of 1978 to conduct a national search for a new Vice President for Academic Affairs at Macalester.

Jambor
sold mine!

Don't Underestimate the Buyer

by Len Jambor

In the arena of real estate, there are two parties to every transaction—a buyer and seller. Some sellers have the mistaken impression that they are at a financial advantage when negotiating DIRECTLY with a prospective buyer. Unfortunately, they couldn't be more mistaken.

Never underestimate the hard financial bargaining ability of the average buyer. Spend one day in the field with any Realtor, negotiating and handling offers and counter-offers and you'll appreciate what I'm saying. Frankly, if the typical buyer knows you are not selling

through a Realtor, right off the bat he'll expect you to deduct the commission for HIS benefit before you even START serious negotiations.

Remember, there is only ONE commission that can be saved... a saving that could conceivably be realized by either buyer or seller. Our experience indicates it is usually the buyer who saves.

And then you're on your own—possibly at a great disadvantage—in the intricate areas of financing, negotiating and protecting yourself from all sorts of do-it-yourself pitfalls.

You've got a lot invested in your home. When it comes time to sell, you not only want a minimum return but also a smooth, trouble-free transaction. So it just makes good sense to go with Jambor Realtors. We will sell it for you—without hitches—for the best price, and in the shortest amount of time.

MISCH- MASH

by Maurice F. Mischke

Since I got the doctor's blessing this past week to go back to work on a half-time basis, the least this part-time publisher can do is to give you a short column as part of my partial work effort.

But where to start? Last time we talked some about the problem of inflation and why nothing good was happening on the national level. Since then it has become even more apparent that the problem is way out of control. The seeds, of course, were planted earlier, and it's a little late, now, to keep the increases from continuing to grow.

In the nation's capital, they're still talking tax cuts (adjustments is what they mean, of course), but possibly less than Carter's \$25,000,000 package. It's all useless until they bring expenditures into line, and bring the budget into some kind of balance. I guess it's up to us to do the 'jawboning'... we've got to jawbone the administration and congress. That's far more important, as a starter, than for the 'giverment' to jawbone business and labor unions.

As you know, there's a big difference between the value of a tax 'cut' on the state level as against doing the same on the federal level. Our legislators are forced into a balanced budget by our Minnesota constitution... so when taxes are adjusted down, they have less money to throw around at each and every 'problem' that pops into mind. So it pays to keep up the pressure, year after year to keep our state figures from ballooning out of sight. Government, of course, has been our greatest growth industry—here as well as elsewhere.

But on the national scene, where the big deficits have triggered so much of our inflation, the first order of business is to stem expenditures. Until that happens, tax cuts are a mere delusion.

How about a little nostalgic note to press home a point. My neighbor, Joe Greene, brought over parts of a Minne-

apolis Journal and a Minneapolis Shopper's Guide from early 1932. He found them between the walls on a remodeling job his firm was undertaking. Let me give you some of the advertised prices: Eggs, 10¢ per dozen (limit); spare ribs, 6¢ per pound; oranges for a penny each; ton of coal, \$7.90. round roasts, 12¢ a pound; and loose sets of teeth, made to fit for \$4.50. The same dental clinic offered extractions with novocaine for 50¢, fillings, also as low as 50¢. Round porterhouse and sirloin steaks, 14¢ a pound, ring bologna, 9¢. Of course, these were also advertised specials, you understand. Regular prices could well have been a mite higher. But we're still better off today, aren't we? But for how long?

Before the season started, Las Vegas oddsmakers had the Twins at 100-1 to win the American League pennant, and Oakland at 150-1. What do you suppose the odds are now, with Oakland surprising everyone in the early stages, and the Twins struggling to stay out of the cellar?

The St. Paul City Council's public meeting at the College of St. Catherine last Tuesday night (May 2) was an example of brevity. Got there a little late and darned near missed it all! At any rate, the vote was unanimous to put the Southwest Area District Council (a combination of Districts 14 and 15) on the council's agenda for official recognition and approval under the city's citizen participation process. The vote will come up, therefore, on this coming Thursday, May 11, at 10 a.m. in the council chambers in City Hall. We are not aware of any opposition to the move for approval.

The recently opened Rudolph's Bar-B-Que at Fairview and Randolph has drawn a lot of interest from the eat-out crowd, both noon and night. But when Jimmy (C.) Theros moved into the area he caused a little confusion in some quarters. A lot of people figured that his cousin, Jimmy (S.) Theros had opened another restaurant right in between his Lee's Village Inn and St. Clair Broiler. Well, Jimmy S. insists he's got all he can handle, for the present, so he put in a little classified to clear up the matter (see Announcements). He figures the area is big enough for both of them. Incidentally, Jimmy S. is pretty proud of his new, 50-year-old grand player piano, and the 400 some rolls of music he's got to do with it. You'll find that at Lee's Village Inn... to avoid any further confusion, that is.

I still can't tell you what will go into the former Hove's site. Most people I talk to, though, hope that the variety store effort wins out. It would fill a hole in the Highland Shopping Center's current 'mix'.

Since the recent election, I've heard a lot of extreme views on what it all meant... the repeal of the so-called 'gay-rights ordinance'. I refuse to believe that people didn't want homosexuals to have the usual civil rights we are all entitled to enjoy. From a lot of conversations I've been a party to, before and since, I got the feeling that the public would like to see the gays keep a lower profile, cut back on the hard sell that theirs is an equally normal, equally acceptable alternate life style. And, of course, they are wary and concerned about the 'climate' in which their children will grow and develop. Many perhaps wished the issue hadn't come to a vote at this time, but since it did... maybe this was the time to slow things down a bit.

Certainly, the 'morality' aspect of the issue was overdone. On that score, who would throw the first tone? We are certainly not about to legislate against adult immorality in the private sphere. But the key word here is 'private'. We still do insist on a certain amount of moral decorum on the streets, in the parks, and in plain public view. I would think the same should apply across the board.

We received a long letter from a lesbian, just ahead of our last issue. It was nearly three pages long, single-spaced. She was in her late 30's, is apparently a respected professional woman, believes in keeping her love life private, is devoted to her parents who know, but don't allow it to affect their feelings for her. Much of her emphasis lay in how much she and her long-time lover enjoyed the same kinds of sports, hobbies, reading, etc. as the rest of us. So little difference in every respect... almost.

She and her partner very much enjoyed dancing... and therein lay her only real complaint. They couldn't dance together at a night club or a disco without feeling unwelcome, she said. What bothered her was a sense of isolation from the mainstream of society... the fact that they could feel free to be themselves only in the privacy of their homes or in a gay bar.

Actually you and I have often seen girls dancing together, but usually they welcomed a couple of fellows coming out to break up their temporary combo. In some eastern and southern European countries, it isn't unusual to see men dancing together, sorta like Zorba the Greek. But, our culture being what it is, maybe the young lady is asking too much when she wants the public to consider her affectional preference—if she insists on making it publicly apparent—to be totally normal. Perhaps it is her own self-consciousness about her 'difference' that makes the problem loom so large in her mind. My sympathies go out to her. But I can see nothing in the gay rights vote that would affect people like her... one way or another.

Now a final international note, mixed with a bit of Old Testament history. Did you know that the first SALT talks took place when Lot went back to see what had happened to his wife? And did you know that this was also our parting pilfered punchline?

An installation ceremony and dinner on behalf of the American Friends of the Hebrew University will be held at the Jewish Community Center, 1375 St. Paul Ave., on Wednesday, May 10 at 6:00 p.m. Following the dinner, Dr. Milton M. Hurwitz will be installed as the new president of the organization's Minnesota Chapter.

The featured speaker for the evening will be Max M. Kampelman, Chairman of the Board of the national university group. Kampelman, a prominent attorney

Max Kampelman
in Washington, D.C., served as counsel to the last Senator Hubert H. Humphrey.

You don't have to be a star to participate in Pepsi Superstars

The 5th annual Pepsi Superstars competition will be held on Saturday, June 3 at Harding High School, 1540 E. 6th St. Registration for the events will begin at 9:00 a.m.

Sponsored by the Pepsi-Cola Company and St. Paul Parks and Recreation, the free competition in the ten athletic events for men and women is divided into several school and age divisions:

junior and senior high school, ages 19-24, 25-29, 30-34, 35-39, 40-49, and 50 and over.

Five events — an 18 ft. rope climb, timed basketball shoot from five designated spots, timed 50 yd. freestyle swim, weight lifting, and 2 1/4 mile run are scheduled from 10:00 a.m. to noon.

The five afternoon events, from noon to 3:30 p.m., are: softball (toss-up and hit), timed 100 yd. dash, football throw (distance and accuracy), timed obstacle course, and a 30 yd. golf chip shot.

Superstars contestants may participate in any four events. The total number of points accumulated will determine the winners in each category. Eighty medals, donated by Pepsi-Cola, will be awarded to the top five overall winners in each age and sex group. An award will also be given to the family with the most participants.

Registration for the morning events must be completed by 10:30 a.m., and by 1:30 p.m. for the afternoon events. All the necessary equipment will be furnished by St. Paul Parks and Recreation. For further information call 645-4689.

Snelling Avenue bridge reopens

The Selby Avenue Bridge, closed ever since a fire struck its east end on October 14, 1976, will reopen at 4:00 p.m. this Friday, May 12 when Public Works Department crews take down the traffic barricades.

Representatives from the Lexington-Hamline Community Council, the St. Paul City Council, the Snelling-Selby Business Association, and other civic and business groups will be on hand for the ribbon cutting ceremonies.

The historic bridge, built in 1888, has been the subject of numerous community meetings ever since it was closed. Local residents, working through the Lexington-Hamline Community Council, wanted the city to completely rejuvenate the bridge, but met opposition from the Public Works Department, which wanted to replace it as part of the as yet unresolved plans for the Shortline Road the the Pleasant Avenue corridor.

The present repairs, which the city says should be good for five years, represent something of a compromise until residents, affected businesses and city officials can agree on a plan acceptable to all.

Schlukerbier wins 63A endorsement

The 63A Legislative District Independent-Republican Convention endorsed Jack Schlukerbier as a candidate for the House of Representatives in the November general election. Schlukerbier won the endorsement on the second ballot during the convention held recently at Nativity School.

Schlukerbier, a teacher at Ramsey Junior High, lives with his wife and four children at 1117 Osceola. He is a member of the Linwood PTA, the Ramsey PTSA, and serves on the PER Committee dealing with school district goals.

'Athletics and the Law' to be examined at Hamline U.

"Athletics and the Law" is the topic of an advanced legal education program to be conducted on Friday, May 19 at Hamline University.

The course will explore the impact of the law on amateur and professional athletics, with discussions on violence in athletics, coaches' liability, athletic programs for women, and the problems athletes face within administrative organizations such as the NCAA and the Olympic Committee.

Speakers include Jim Klobuchar, Minneapolis Star columnist, and Gary Bjorkland, former University of Minnesota runner and member of the 1976 Olympic team.

The program begins at 8:30 a.m. and continues until 12:30 p.m. in the Science building auditorium at Hamline.

Participants are invited to stay for a "jog and swim-in" at 12:30, followed by lunch with guest speaker

Erskine Caperton, M.D., who will talk about "Nutrition and the Athlete."

For more information contact the Advanced Legal Education program at Hamline University School of Law.

Run, don't walk to library talk

"Running—How and Why" is the topic of a program to be presented at 6:45 p.m. Thursday, May 11 at the Lexington Branch Library, 1080 University.

Judy Lutter, 1897 Summit Ave., will discuss various aspects of running. Steve Hoag and Phil Jenni of Running World, 1656 Grand Ave., will discuss the types of running shoes and equipment. The program is open to the public free of charge.

Symbolic journey leads JCC athletes to Israel and back

A symbolic 14,000 mile walk, run or swim—the distance from St. Paul to Modi'een, Israel, and back—is the special project of the Jewish Community Center's "From Here to Chanuka" physical education program commemorating Israel's 30th anniversary.

While the 50 runners and swimmers won't actually set foot in Israel, they have pledged a combined total of more than 20,000 miles, exceeding the required 14,000. As of May 1, the participants had already logged more than 5,000 miles and are now navigating the Straits of Gibraltar, symbolically, of course.

The "journey" began on January 23 and will continue until December 24, the first night of Chanukah.

Two runners, Gary Bloom and Dave Olson, have pledged 1,500 miles each, tops for the men; Carol Lipschultz leads the women runners with 736 miles pledged.

Julie Wheeler, a junior at Highland Park Senior High School, will be flying high in the Minneapolis Figure Skating Club's 19th annual spring show, "Cinema On Ice," to be held on May 19, 20 and 21 at the Golden Valley Ice Center, 5800 Wayzata Blvd. Julie has achieved the United States Figure Skating Association's 4th Figure and Novice Freestyle rankings.

McDonald receives 17th annual Weyerhaeuser community award

Philip McDonald, 2007 Selby Ave., has been named the recipient of the 17th annual Frederick Weyerhaeuser Community Service Award. McDonald received the award during ceremonies at the recent annual meeting of the Merriam Park Community Center.

In making the announcement, Judge Allan Markert, President of the Board of Directors of the center, praised McDonald's continuing volunteer service to the community through his active involvement with the following area organizations:

Trustee of St. Mark's Catholic Church, President of the St. Paul Home and School Association, repre-

sentative for private schools on the Special Education Council of the St. Paul Public Schools and its committee for Title I federal funds, Chairman of the Legislative Council for Greater St. Paul Senior Citizens, representative for Our Lady of Good Counsel Cancer Home on the Merriam Park Community Council, former member of the Board of Directors of the Merriam Park Community Center, and for his efforts in lobbying at the state Capitol for assistance to families who have suffered catastrophic illnesses.

McDonald and his family have been long-time members of the Merriam Park Community Center.

Exceptions for '78 kindergarten enrollment noted

Children who reach their fifth birthday between September 1 and December 31 of this year may be eligible to begin kindergarten next fall in St. Paul Public Schools under special circumstances.

Parents who believe that their child is especially capable should contact the principal of their neighborhood elementary school and discuss the special enrollment and testing procedures.

Parents must first fill out an application and return it by June 9. After the parents are interviewed, tests are conducted to determine whether the child may be registered for kindergarten.

State Department of Education regulations require that a child be at least 5 years old by September 1 to be admitted to kindergarten. Any exceptions to this rule require individual testing of each child.

COMPAS, Mayor say, 'Go fly a kite'

In preparation for St. Paul's Memorial Day Festival, Mayor Latimer's Office and COMPAS, the community arts agency of the St. Paul-Ramsey Arts and Science Council, are co-sponsoring a city-wide kite workshop from 7:00 to 9:00 p.m. Tuesday, May 23 at the Merriam Park Recreation Center, 2000 St. Anthony Blvd.

The workshop will be led by COMPAS artists who will offer a session on kite structure and construction, plus ideas for decoration.

The Memorial Day Kite-Flying Contest will be held from 9:00 to 11:00 a.m. Saturday, May 27 at the Como Park baseball diamond.

Prizes will be awarded in the following contest categories: most creative, largest, smallest, longest flight and kite fighting. Both the workshop and contest are open to the public free of charge. Registration is not necessary for either event. For further information, call COMPAS at 227-8241.

Parties in the Parks: Team B-4 gets tough

by Bill Lowe

"Tis the season for outdoor parties once again. And once again, area residents living near city parks and open spaces are calling the police to complain about some of the more flagrant forms of warm weather activity.

Responding to the demands of St. Paul residents, the City Council passed an emergency ordinance last year to further control the use of city parks and open spaces such as the Mississippi river banks and bottoms.

The ordinance, which had banned the drinking of alcoholic beverages on public streets, was amended to include parks and open spaces. It is now a misdemeanor to possess or drink alcoholic beverages (including 3.2 beer) in any locale not exempted by the amended ordinance. In the area the Villager serves,

those exemptions include only the Highland golf clubhouse and concession stand, and the pavilion in Highland Park. Only 3.2 beer is allowed in these areas, and only between 8:00 a.m. and 8:00 p.m.

According to Lt. John Sturner, Commander of the Team B-4 Police headquartered in the former Edgumbe School, "making the parks safe for everyone" is the number one Team priority for the coming season. Sturner said the warnings issued last year concerning the possession of alcohol was "at best, a failure."

The majority of the complaints that reach Team B-4 come from neighbors of Hidden Falls, Watergate Park, Highland Park, Crosby Park and the area along Mississippi River Boulevard between Summit and Randolph Avenues. Residents generally complain of late

evening noise, congested parking on residential streets, litter and vandalized property.

In addition to the stricter ordinance, the police are armed with trespass regulations to control the use of parks and open spaces, which close from 11:00 p.m. until dawn. Anyone caught in the parks or open spaces during that time can be charged for trespassing. Conviction for trespassing or illegal possession of alcohol carries a maximum \$300 fine and/or 90 days in the workhouse. Sturner said he expects the courts will impose the penalties.

To aid the enforcement of the laws, Team B-4 has been issued an off-the-road or "dirt" motorcycle. The dirt bike increases the policeman's range into the more remote areas of the various area parks.

Sturner sees the problem as another instance in which a few have abused the privileges formerly afforded to the many. Some of the more destructive forms of behavior, such as last year's episode when someone when into overdrive with a jeep on the dew softened tees, fairways and greens of the Highland 9-Hole Golf Course, have prompted a much stricter enforcement of all laws governing the use of local recreational areas.

Cretin grad leads Toms track team

Jim Weyandt, a 1975 Cretin High School graduate, will be among the competitors at the MIAC Track and Field Championships, scheduled for Friday and Saturday, May 12 and 13 at Macalester College.

A top sprinter and co-captain of this year's College of St. Thomas track team, Weyandt will compete in the mile and 440-yard relays and will vie for single honors in the 440-yard dash.

The former Raider star, and son of Mr. and Mrs. James Weyandt, is a two-year letterman for the CST trackmen and will be defending the all-conference honors he earned last year in the mile relay.

Weyandt already has a 50.6 440 to his credit and his 440 relay quartet is undefeated in dual meet competition this spring.

Dorothy Day to be honored St. Catherine's to hold 66th annual commencement May 21

Graduation exercises marking the 66th annual commencement at the College of St. Catherine will begin at 3:00 p.m. Sunday, May 21 in O'Shaughnessy Auditorium.

Delivering the commencement address to the 388-member graduating class—the largest in St. Catherine's history—will be the Most Rev. John R. Roach, Archbishop of Minneapolis and St. Paul.

Commencement activities include simultaneous Baccalaureate Masses at noon

in Our Lady of Victory Chapel and Jeanne d'Arc Auditorium.

A processional march of the seniors and faculty members from St. Joseph Hall to O'Shaughnessy Auditorium will start at 2:30 p.m.

The highlight of the graduation program will be the awarding of the college's Alexandrine Medal to Dorothy Day, nationally known humanitarian and social activist.

The medal will be presented in absentia because Ms. Day's health does not permit her to leave her New York home to attend the ceremonies.

Described as "a radical who never got tired," Ms. Day, at 81, continues to serve as publisher and editor of *The Catholic Worker* in New York City, and to work with the needy at St. Joseph's House of Hospitality in New York's Bowery.

Jim's Automotive opens on W. 7th

The spare time auto repair business was pretty good to Jim Snidarich even before he bought his own place—the vacant Phillips 66 station at 2599 W. 7th St.

For the past three years, Jim's been fixing his neighbors' cars in his garage at home, 1759 Munster Ave. In fact, it was at those satisfied customers' urging that he bought the 66 station recently.

The new Jim's Automotive will offer complete general auto repairs plus specialty work such as welding, brazing, valve and front end work.

Jim has been in the mechanics field for more than 27 years, 10 of them in mechanic maintenance for Pearson's Candy Co. on West 7th St.

PUBLIC MEETING

The District 15 Planning Committee invites you to a public meeting to discuss your ideas about the District 15 Preliminary Plan. This is your chance to affect the future of Highland by voicing your ideas for its improvement.

The public meeting will be held on Tuesday, May 16th in the West Marion Lounge, St. Joseph's Hall, College of St. Catherine, from 7:00 p.m. to 9:00 p.m.

NEED MORE INFORMATION?

For a detailed discussion of the plan, or a more complete text of the Plan, call Roger Ryan at 298-4510.

Dear Neighbor:

Concerted actions, guided by thoughtful citizens, can safeguard and enhance the physical, social and economic resources of a community. Committees comprised of District 15 citizens have spent the last year considering the issues facing the District today. We have spent hours and hours researching and analyzing the District's problems and assets. We have met with city departments, agencies and businessmen, and have discussed their plans for our District.

The plan which you see printed on these pages is our idea of the future of Highland and the actions which must take place to enhance the District. Now we need to hear from you, the people who live and work in Highland. Do you agree with the direction we have charted for Highland? What improvements would you like to see accomplished?

Take a few moments to read the plan. (The plan printed here is a much shortened version of the actual Preliminary Plan which includes a history, District characteristics, problem and goal statements, and a wider discussion of plan proposals.) We need your thoughtful examination and comments, your suggested changes, your support. Convey your ideas to your committee members, or call Roger Ryan, City Planner, at 298-4510. Attend the public meeting at The College of St. Catherine on May 16 to discuss our ideas, your ideas, your neighbors' ideas.

Sincerely,

Howard Guthmann

The Physical Plan

LAND USE

1. Before any zoning change is made, the City Council should require the City Planning Division or the Board of Zoning Appeals to present the proposed zoning change to the appropriate District Planning Council or community organization. No valid action by the City Council can take place without consideration of that District Planning Council's or community organization's recommendation.
2. If any citizen or organization brings a matter to the Board of Zoning Appeals, even though no zoning change is proposed, similar notice and procedures should be followed before either the Board of Zoning Appeals or City Council makes a decision.
3. A District 15 Review Committee of ten members should be created—five district council members and five business members—to consider all problems of commercial and residential encroachment. Developers should be encouraged to bring preliminary plans to the committee for advance discussion. The committee would also serve as a mediator in situations such as on and off-street parking problems. The committee should also consider problems such as Shepard Park, Kipp's Glen, and restaurant and bar loitering and littering, involving the Team Police as necessary.
4. The District (or Districts 14 and 15 together) needs a multi-service center.
5. The Department of Community Services should study and recommend to the District how to best develop a neighborhood recreation center for the northern part of the District which uses the existing playing fields at Hillcrest Playground and an existing gymnasium at either Horace Mann or Highland Catholic.
6. Continue Homcroft Playground as the neighborhood recreation center for the southern part of the District.
7. The neighborhood has suggested that the Edgumbe School site should remain as an unstructured playground. There is a need to have further community input regarding its future use.
8. The city should propose a comprehensive plan for all river park land in the District, hold public hearings on the plan, and adopt and follow the plan in future land purchases and development.
9. The former outdoor swimming pool building in Highland Park at Montreal and Edgumbe should be remodeled into an area playground office and supply center or picnic pavilion. The nearby land and former pool should be developed into a playground area and integrated with adjacent playgrounds.
10. The Board of Education should give at least 12 months notice of all proposed school closings to the appropriate District Council and to each home in the school attendance area. As soon as tentative plans are developed, notice should also be given.
11. Complete the parking ramp at Ford and Cleveland on the Powers site, assuming vehicle traffic and pedestrian problems are solved and assuming necessary support from local businessmen.
12. Conduct a parking study of problem areas along Randolph, Snelling, Cleveland and similar thoroughfares in the district.
13. Build houses on Hove's vacant lots on Pinehurst.

HOUSING

14. Community organizations, such as Hi-Gro-Mac, should sponsor and publicize a group contracting program to assist homeowners with repairs and tool rental.
15. Information should be provided by the County Assessor as to what improvements

are non-assessable so that homeowners would be encouraged to at least do these as a minimum.

16. Continue to seek property tax relief for certain types of home improvements to encourage the substantial expenditures which may be necessary.
17. Establish block organizations to encourage owners and tenants to improve property, to do both interior and exterior maintenance, and otherwise maintain their property. If necessary, neighbors should help each other do the needed work. As a last resort, the appropriate city authorities should be contacted to enforce building and housing codes.
18. Aesthetics should not be ignored. Plantings, fountains, gardens, flowers, etc., should be developed for both residential and commercial areas with the help of block and community organizations.
19. Northern States Power Company's program to analyze insulation and heating needs should be used by as many people in the district as possible.

TRANSPORTATION

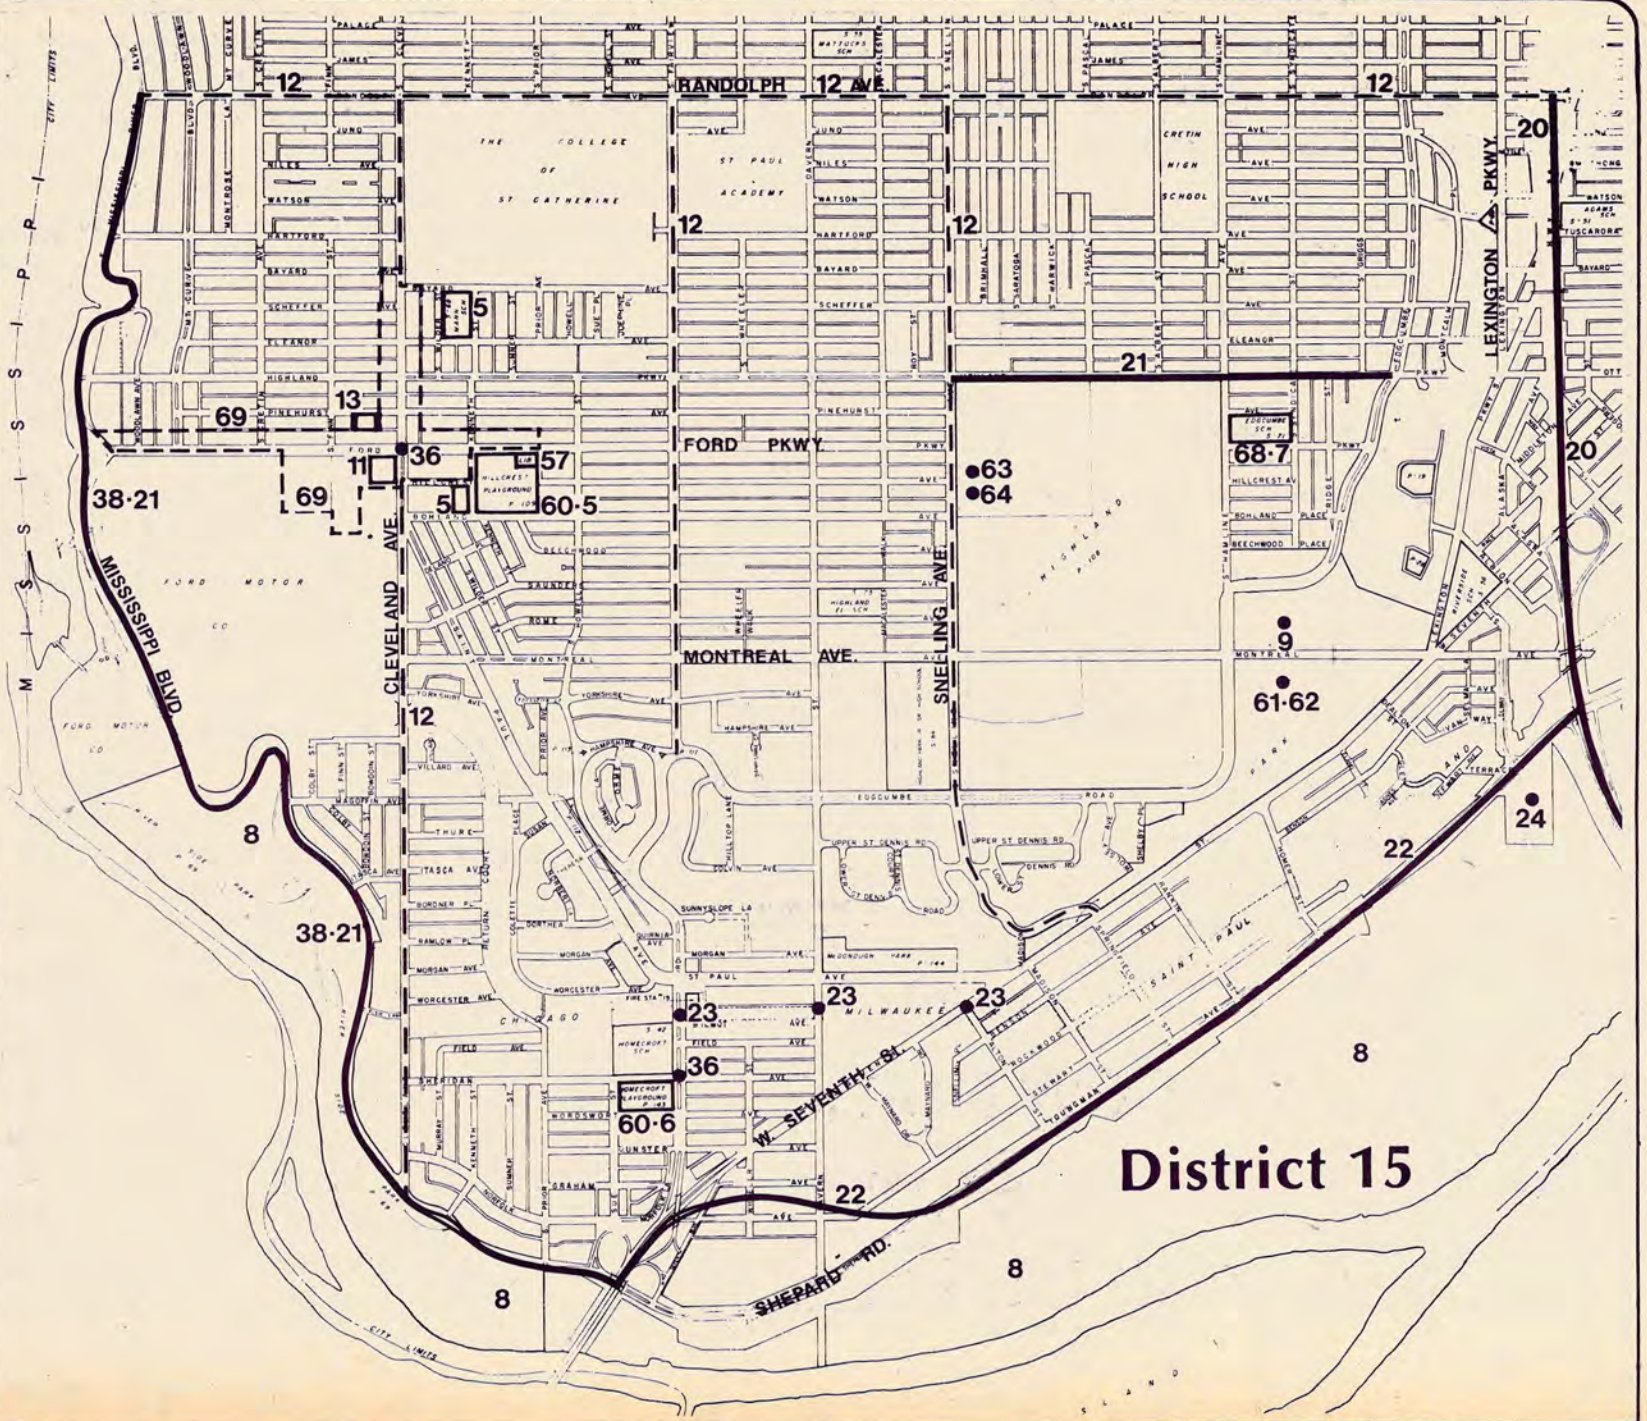

20. I-35E should be immediately completed as an Interstate Highway in its planned location with consideration given to noise barriers and limited street access to adjacent neighborhoods. I-35E should be connected to the Short Line to relieve truck traffic on district streets.
21. Reconstruct Mississippi River Boulevard and Highland Parkway, between Edgumbe and Snelling, as parkways rather than thoroughfares and reduce the speed limit to 25 mph.
22. Shepard Road should be the arterial street connection between the Fort Snelling area and downtown. The Street and Highway Plan and the District propose: (1) The double bottom truck route and the designation of Trunk Highway 5 be shifted from West 7th Street to Shepard Road; (2) A direct connection from the Fort Snelling Bridge to Shepard Road be constructed on a new right-of-way immediately to the north of the Univac Plant; and (3) Minor modifications to the West 7th-River Boulevard inter-

change be made as needed.

23. Either grade separations or altered hours of railway usage should be implemented to correct traffic problems where Edgumbe, Davenport, and West 7th cross the railroad tracks. The District Council, railroad, Ford Motor Company, police, and Public Works should meet to work out a solution.
24. Provide additional parking for Crosby Lake Park at Elway and Shepard Road.
25. The Traffic Engineer should work with the district residents and council to identify all district traffic problems and recommend to the district council a comprehensive traffic improvement program.
26. For safety reasons, arterial streets should be paved. Expensive paving and/or widening of local residential streets, however, could induce unwanted increases in traffic and speeds and may be unnecessary because of smaller cars and lesser amounts of traffic. A study to determine other available street surfacing should be conducted by the Public Works Department.
27. On arterial streets, on-street parking restrictions, rather than street widening, should be considered to alleviate congestion.
28. When economical, telephone and power lines should be buried. Where not economical, landscaping and other beautification efforts should be made.
29. The city should coordinate all utility work. Streets should be restored to original surfacing. Once paved, streets should be dug-up only for emergencies.
30. Heavy local delivery trucks should be limited to daylight hours. Truck loading and unloading should be located to minimize traffic problems.
31. The MTC should: (1) Conduct a study of existing bus routes and time schedules; (2) Test new schedules and measure and evaluate them after reasonable trial periods; (3) Consider adding new routes to Minneapolis; (4) Adding information on routes and schedules at major bus stops and transfer points; and (5) Consider using smaller vehicles to pick up riders and carry them to the main routes for transfer to larger vehicles.
32. Promote car pooling for both workers coming in and residents going out of Highland Village.
33. A parking study should be conducted

PROPOSAL KEY

5. Develop Hillcrest as neighborhood recreation center using the gym at either Mann or Highland Catholic.
6. Continue as neighborhood recreation center.
7. Continue as unstructured playground.
8. Adopt comprehensive plan for river lands.
9. Remodel old pool building into playground office; develop former pool and nearby lands into adjacent playgrounds.
11. Complete parking ramp.
12. Conduct parking studies.
13. Replace houses.
20. Complete as planned as interstate highway; connect to Short Line.
21. Reconstruct as parkway; reduce speeds.
22. Move highway to Shepard Road; construct new connection from Fort Snelling Bridge to Shepard Road.
23. Construct grade separated intersection or alter hours of railroad use.
24. Provide additional parking.
36. Provide safer crossings for pedestrians.
38. Upgrade and improve bike path.
57. The library should have more flexible hours, publicize existing programs, develop new programs, make meetings more accessible.
60. Conduct playground needs study to determine staffing requirements.
- 61-62. Extend length of swimming season and hours of daily operation.
63. Cover tennis courts for winter use.
64. Increase open skating time at ice arenas.
68. Continue as Team Police headquarters.
69. Conduct comprehensive plan of Highland Shopping Area.

along Randolph, Cleveland, Snelling, Fairview and similar thoroughfares in the district.

34. The district should be surveyed to determine which sidewalks need early repair and where new sidewalks should be built.
35. Plowing problems along curbside walks should be studied to render the walks usable in the winter.
36. Dangerous pedestrian crossings such as Edgumbe and Sheridan, and Ford and Cleveland, should be studied and appropriate changes made.
37. Changes in crossing sign intervals, reconstruction and other methods should be considered.
38. Upgrade and improve the bike path along Mississippi River Boulevard.
39. Other bike paths should be created, clearly and safely marked, and separated from sidewalks. Curb cuts should be installed on existing sidewalks for bicycles.
40. The police should enforce the five minute railroad crossing hold-up law, or the legislature should be urged to put teeth into the law.
41. The Public Works Department should review snow plowing policies—including the sand mixture used to sand streets—with the District Council and other community groups.

The Social Plan

HEALTH AND SOCIAL SERVICES

42. If there is a new multi-service center, it should include a health service center.
43. Community health and social service information should be publicized via radio, television, newspapers and flyers.

44. A needs assessment should be conducted to determine social service needs in the district (including health, day care, elderly, legal aid, counseling, recreation and others).
45. Hi-rises and nursing homes should be surveyed to determine present level of care provided, source of clientele and fee structure.
46. A variety of services are necessary for dealing with chemical dependency. The schools should be encouraged to work on prevention, drug and alcohol education, and counseling and treatment.
47. A better understanding of the needs of foster children and the roles of foster parents is needed.
48. The rodent control programs should be improved with residents being better informed on what can be done to alleviate the rodent problem.

EDUCATION

49. Renewed emphasis should be given to basic skills.
50. More communication is needed between parents and school administrators.
51. Joint public/private use of staff, classrooms and facilities should be encouraged.
52. The needs of handicapped students with learning disabilities have to be addressed.
53. Busing should be decreased and/or more emphasis should be placed on the quality of education.
54. There should be a publicized, long-range plan to solve the problems of declining school enrollment and school closings.
55. There should be achievement standards set for public and private schools.

RECREATION

56. A multi-service center is needed; an opportunity may soon exist to locate one in a closed elementary school building. The

multi-service center should include recreation facilities for teens, young adults, and senior citizens.

57. The library should: (1) be more flexible in the hours which it is open; (2) publicize existing programs and develop new programs; and (3) make its meeting rooms more accessible for neighborhood activities.
58. Neighborhood responsibility for parks and playgrounds needs to be buttressed with regular police patrols to ensure the maintenance of safe, clean, serviceable and pleasant parks for everyone.
59. An advisory council at all recreational centers should be established to evaluate the facilities and programs.
60. The Community Services Department should conduct a study of recreation center staffing needs since full-time staff may be needed at Homecroft and Hillcrest Playgrounds.
61. The outdoor swimming pool schedule should be extended—weather permitting—from April or May to September.
62. Extend swimming pool hours for the benefit of students or workers who have no other time to enjoy pool facilities.
63. Tennis courts should be bubble-covered for winter use and more courts should be made available.
64. There should be more time for open public skating at Highland Ice Arena.

PUBLIC SAFETY

65. Establish a crime prevention committee to assist the Team Police in the coordination and implementation of a crime prevention program.
66. Encourage the Team Police in their strong crime prevention efforts in the areas of public education, premise security surveys, and intensified patrols.
67. Seek Community Development funds to assist low and moderate income residents in improving the security of their homes.
68. The Team Police should continue to be centrally located within the district, preferably at the current location.

The Economic Plan

COMMERCIAL

69. There should be a detailed, comprehensive plan for the upgrading, improvement and any further economic development of the Highland Shopping Area. Both residents and business persons should actively participate in the plan.
70. Along with the plan, a market assessment of needs should be made to encourage development of the particular kinds of shops that could be coordinated and accommodated for future development.
71. Owners of commercial buildings should be encouraged to maintain and enhance their property to provide an attractive asset to the area.
72. The District Council should be informed before new enterprises are initiated. New enterprises should be consistent with the character of the area, and in accordance with procedures outlined in Recommendation 3.
73. Immediate attention should be given to the development of considerably more parking in the present Highland Shopping Center, in the vicinity of Cleveland and Ford Parkway.
74. If and when large blocks of land become available for development, attention and consideration should be given to land use that is consistent with the plans for the area.
75. Small neighborhood retailers should develop in clusters around existing businesses to preserve the residential/commercial balance of the neighborhood.

Church for deaf now affiliated with Assemblies of God

Last Sunday, May 7, the Highland Park Church for the Deaf, 536 S. Snelling Ave., became the first deaf congregation in the nation to become fully affiliated with the General Council of the Assemblies of God.

On hand for the afternoon "Church Sovereignty Celebration," were special guests Rev. Kenneth Swenson of Phoenix, Arizona, and Rev. Herman H. Rohde, District Superintendent for the Minnesota District of the Assemblies of God. Rev. Rohde delivered the official charge to the congregation.

Rev. Eldon Post, pastor of the Highland Park Church for the Deaf, expressed his appreciation to the Summit Avenue Assembly of God which he said has done much for the church during the past few years in "mothering" the congregation of the deaf.

ELECTION PERSPECTIVES

On the St. Paul School Board

1. There will be only one new member on the St. Paul School Board—Catherine Piccolo. But one Catherine Piccolo equals one heck of a difference. She is energetic, creative, honest, plain-spoken and intuitively oriented toward matters which benefit the education of our children. One school board member recently said that he hopes Ms. Piccolo will be a stabilizing influence on the board. She'll be stable in the sense of being responsible, all right. But she'll cause some things to change—for the better.

2. Eleanor Weber will be back on the board, elected by a margin of about 900 votes. Nine-hundred people did a great deal for the hundreds of thousands who benefit from a good St. Paul School Board. Ms. Weber, too, is a person of outstanding ability, integrity and intelligence.

3. Two candidates who showed an interest, a willingness to work, and some good ideas for our schools were defeated. They were Dan Bostrom and Kathy Vellenga. Their willingness to serve and the boost they gave to the democratic process by becoming candidates deserve our appreciation.

4. We have a non-partisan school board again. Sure, there are six Democrats on the board, but only two (maybe three) will do what party leaders tell them. That's good because party leaders have never told them to do anything good for education—only some things presumably good for the party.

5. Because of the results of the 1978 election, candidates who consider running for the St. Paul School Board in 1980 will be more concerned about getting support from a wide cross section of citizens, rather than being primarily interested in DFL support. In 1978, four candidates did not dare interview with the Committee for a Non-Partisan School Board because their DFL support or endorsement (which they considered essential) would be threatened. Three of those four, who did win DFL endorsements, eventually lost... to candidates who had excellent qualities, who worked hard, and who had the endorsement and help of the Non-Partisan Committee.

On the Human Rights Ordinance

On reflection, it seems the people of St. Paul voted on at least three different issues, whether or not those issues were inherently part of the question on the ballot. They included:

1. Do you support the gay life style? That wasn't pertinent to the question on the ballot, but some people, by voting "YES," answered "no."

2. Do you want a person who is gay teaching children? This issue was relevant to the question on the ballot, but it didn't get at the vital question relating to each teacher—the quality of his or her work and school related behavior. Other laws and standards already deal with behavior and quality of work. The question on the ballot had nothing to do with them.

3. Do you believe all hard working, law abiding persons should be afforded full rights for employment, housing and accommodations? Most people who saw this as the issue answered yes by voting "NO." Most other people would probably answer likewise. We hope, therefore, that in actual practice—though there is no ordinance to confirm it—performance and behavior will be the bases for judgments on people and not sexual preference.

St. Paul is a decent city, one that treats its citizens fairly and humanely. Voters, too, should be judged by their behavior—not merely by their voting lever preference.

WHAT'S GOOD?

We talked last week to Bob Smith, Principal at Ramsey Junior High School, and asked him, "What's good at Ramsey?"

"How much time and space do you have?" he asked.

It's all yours from here on out, Bob...

We learned of Ramsey's active Student Council, how its members have been working on a talent show, encouraging student participation in school affairs, and sponsoring a Snow Week this past winter.

One name we kept hearing over and over again was that of "Mr. Ramsey," Jack Schluebier. Bob Smith credits the drive and determination of Schluebier for many of the highly successful student activities at Ramsey Junior.

Jim Yarusso interrupted at this point to ask if we knew about something called "Micro Teaching." We do now.

Developed in cooperation with Macalester College, Micro Teaching is a program designed to allow students to experience subjects they might not otherwise be able to, and to give Mac undergraduates who need teaching experience some exposure to junior high classes.

Courses last about a month and meet for about two hours, once a week. Through the program, Ramsey students are challenged by such diverse fields as history, biology, music and early American art. Mac students are also challenged, because the Ramsey students get to grade their instructors.

We are, needless to say, impressed and delighted to see this kind of cooperation between St. Paul secondary schools and colleges.

Talking Out of School salutes Bob Smith, Jim Yarusso, and the faculty and students at Ramsey for working together to help make Ramsey.

St. Catherine's gets grant to aid biochemistry course

A grant of \$16,200 was recently awarded to the chemistry department of the College of St. Catherine by the National Science Foundation to develop a biochemistry laboratory course at the school.

The project, designed to introduce scientific research into undergraduate study, is supported under the foundation's LOCI (Local Course Improvement) program, according to Dr. William B. Gleason, assistant professor of chemistry at St. Catherine's.

The new laboratory course will be offered during the January interim when large blocks of time are available, rather than during the usual afternoon laboratory sessions.

Some of the grant money will be used to bring nationally known scientists to the St. Catherine's campus as guest lecturers in a biochemistry lecture series.

Provisions have also been made for obtaining additional audio-visual materials and scientific journals. Special topics courses in bio-analytical and bio-organic chemistry will also be developed.

Plants for sale

The Garden Club of Ramsey County will hold a plant sale from 8:00 a.m. to 4:00 p.m. Saturday, May 13 at the Messiah Episcopal Church, 1631 Ford Parkway. The sale will include annuals, perennials, houseplants, hanging baskets, rock garden plants, vegetables and vines.

Free glaucoma testing offered

Glaucoma tests for senior adults will be conducted from 9:00 to 11:30 a.m. on Thursday, May 11 at the Jewish Community Center, 1375 St. Paul Ave. The tests, which will be administered under the auspices of United Hospitals, are free of charge to all senior adults in the community. Join the fun—see the exhibits at Liberty State Bank's second annual Spring Jubilee

It all happens May 18-20 at
the corner of Snelling & Selby

Liberty State Bank will play host for its second annual Spring Jubilee on Thursday, Friday and Saturday, May 18, 19 and 20, in the parking lot of the bank, 176 N. Snelling Ave. at Selby.

The three-day festival will feature hundreds of products and services for summertime family fun or home improvement projects, including boats, campers, cars, cycles, pools, garden supplies, home and garage building and remodeling equipment and materials. Supplied by 27 participating Twin City merchants, the exhibits will be on display beneath the big top of a 40' by 80' circus tent.

Entertainment for the Jubilee will be provided by Yale Libman and his sons, Cadenza Music's Banjo Sweethearts, and Liberty State Bank's Shebangs. Free hot dogs, Captain Ken beans, pop and popcorn will be served throughout the three-day festival.

Six grand prizes will also

be given away. They include: a Schwinn Deluxe Twin Tandem five-speed cycle, courtesy of Boehm's Schwinn Cycle Center; a RCA 17-inch color TV, courtesy of Panelcraft, Inc.; a Hoover vacuum cleaner, and a 20-piece Corelle dinnerware set by Corning, courtesy of Midway Appliance; an automobile rust-proofing job, courtesy of Capp Lincoln-Mercury; and a 12-inch black and white TV, courtesy of Gulck's Appliance and TV.

Hours for the Spring Jubilee are 11:00 a.m. to 8:00 p.m. on May 18 and 19, and 10:00 a.m. to 5:00 p.m. on May 20.

Church presents rape prevention program May 10

St. Luke Lutheran Church will offer a special program on rape prevention at 7:30 p.m. Wednesday, May 10 at the church, Edgumbe and Field Ave.

The presentation will include a film entitled "Rape — A Preventative Inquiry," which contains interviews with rapists, rape victims and police detectives. Following the film, Ramsey County Attorney William Randall will lead a discussion on this violent, and often unreported crime.

The program is open to the public free of charge. For more information, call the church (698-9443) or Phil Dell (647-1930).

Nine new majors get accredited at Concordia College

The North Central Association of Colleges and Secondary Schools has accredited nine new majors in the liberal arts program at Concordia College-St. Paul, according to a recent announcement by President Gerhardt W. Hyatt.

Biology, Christian Education, History, Literature, Environmental Science, Music, Natural Science, Religion and Social Science received North Central approval. The Teacher Education program, which Concordia has offered since 1962, was reaccredited. Concordia College also offers pre-medical, pre-law and pre-seminary studies.

The action of the North Central Association in reaccrediting Concordia College, taken at its 1978 annual meeting in Chicago, completed the two-year reaccreditation process for the college.

Tom Mahan is the new owner of the Highland Car Wash, 1985 Ford Parkway. A former owner of Credit Managers Service, Inc., in downtown St. Paul and later a stock broker with Dain, Kalman and Quail's Edina office, Mahan lives with his wife and two sons in Burnsville.

Basic photography workshop offered at branch library

Paul Irvine of St. Paul COMPAS will conduct a two-part beginners workshop in photography at 6:15 p.m. Mondays, May 15 and 22 at the Highland Park Branch Library, 1974 Ford Parkway.

The informal lecture and discussion program will cover basic photographic techniques, lighting, materials and equipment care. The workshop does not include darkroom procedures. Participants may bring their 35mm cameras. For registration, call 698-0823.

Area students win NROTC scholarships

Jonathan, P. Griep and Peter J. Nickitas, both seniors at Highland Park Senior High School, have been selected for Navy Reserve Officer Training Corps (NROTC) scholarships.

The scholarship, which leads to a commission in the Navy or Marine Corps, is based on individual merit and is estimated to be worth up to \$25,000. The four-year scholarship can be used at any one of 54 colleges and universities in the country.

Griep, son of Mr. and Mrs. Roland M. Griep of 1294 Bohland Place, is a member of the student council, the staff of the school's Literary Magazine, the PTSA and is also a part-time student at Macalester College. He plans to enroll at the Massachusetts Institute of Technology and major in Nuclear Engineering.

Nickitas, son of Mr. and Mrs. James Nickitas of 28 Orme Court, is a member of the student council, the school band, Boy Scouts and is the manager of the school's baseball team. He is also the president of his church's youth group.

Both students will receive a Certificate of Achievement for their accomplishments at an awards ceremony on May 10 at the school.

Cohen to attend NAJL meeting at White House

State Representative Dick Cohen (DFL, 63-B) has been invited to attend a White House briefing on May 23 when approximately 30 members of the National Association of Jewish Legislators (NAJL) will meet to discuss the Mideast situation. Cohen is the only NAJL member from Minnesota.

Israeli Ambassador Simcha Dinitz will meet with the delegation at the Israeli Embassy just prior to the White House briefing, which will be conducted by Hamilton Jordan, executive assistant to President Carter. Whether or not Carter will attend is unknown.

Chiropractic center names new director

The St. Paul Chiropractic Center, 45 N. Snelling Ave., has announced the addition of Dr. Susan M. Schoenheider to its staff. Effective immediately, she will assume the position of clinic director.

A resident of St. Paul's east side, Dr. Schoenheider is returning to private practice after having devoted much of her time to research of late.

Married and the mother of two young daughters, Dr. Schoenheider joins the staff of the St. Paul Chiropractic Center just four months after the offices opened up at the Snelling Ave. location.

Kosek promotion is announced at 'TCN

Jeanne Kosek, 839 S. Cleveland Ave., WTCN-TV's On-Air Promotion Director, was recently appointed Associate Promotion Manager for the station.

A newcomer to the Highland area, Kosek came to WTCN-TV in 1975 from TV Guide's Minneapolis office to become the station's Press Director. In October 1977, she was promoted to On-Air Promotions Director.

A graduate of the University of Minnesota, she is married and lives with her husband Steve.

A step ahead of cynicism

Councilman Sylvester retires to 'settle down'

by Roger Fuller

"There are a lot of negatives that go with holding public office," said St. Paul City Councilman Robert Sylvester, 911 Osceola Ave., in an interview last week. "I always felt the positive factors were in control. I wanted to leave while I still felt that way."

Sylvester is leaving the council after serving for four years, the last two as the City Council President.

One incident which helped him make the decision was a meeting he had with former Fourth District Congressman Joseph Karth, shortly before he retired from the U.S. House after serving 18 years.

"Karth was so fed up with Congress that he had become cynical," Sylvester said. "He was really so tired of it that he couldn't continue. I've had to look at myself and ask if that could happen to me."

The timing of Sylvester's decision was influenced, in part, by a recall movement begun by a group of St. Paul residents last year because of Sylvester's votes against some pornography ordinances.

"Before that came up, my conversations with my wife and friends were pretty even between serving four or six years," he said. "I never intended to make the council a career, but there was no way I could drop out if that recall was ever placed on the ballot."

"The ironic thing is that the petition to drive me out of office was the only thing that could've persuaded me to stay."

Sylvester said he would probably have announced his decision earlier if there had been no petition. "It would've given more candidates a chance to declare

themselves and organize their campaigns," he said.

After he leaves office next month, Sylvester will join the stock brokerage firm of Piper, Jaffray and Hopwood, Inc.

"I'm 35—it's time to settle down," he said. "I've had a lot of fun since I left Washington High. I went to the University, spent two years with the Peace Corps in India, worked a half dozen years on newspapers and served two terms on the City Council."

"I decided I didn't want to work for the government after I left the council, and I wanted to consider opportunities that would let me earn more money than I'd get if I returned to the newspaper business."

Before his election to the city council in 1974, Sylvester worked for five years as news editor of the *Catholic Bulletin*—even though he was not a Catholic.

"That came about in a rather unusual way," he said. "In 1969, I was still single and working down in Owatonna on a weekly newspaper. After Mae (now his wife) moved to the Twin Cities, I found myself spending a lot of money on gas and phone bills. I had to get relocated."

"I heard the *Catholic Bulletin* had a job opening. After I had a long interview

with Bernard Casserly, the editor, I asked him, 'When are you going to ask me the obvious?'"

According to Sylvester, Casserly's reply was, "I can't. It's illegal," a reference to the law which forbids employees to ask questions concerning religious affiliations during job interviews.

Sylvester said he became seriously interested in politics during the latter days of the Vietnam War. "Then later, when I heard Rosalie Butler and Dean Meredith would be leaving the city council to run for mayor, I decided I'd run."

"People asked me if I planned to run again if I lost in '74," he said. "I told them there'd only be a first time with me. I couldn't afford to run twice."

Sylvester said he used up all of his and his wife's savings in the 1974 primary. For the general election he took out a \$5,000 loan.

His opponent in that election was Republican Debbie Olson, a former beauty queen. "I've always told people I ran against the last serious challenger the Republicans put up for the council in St. Paul," he said.

In 1976, Sylvester was the target for criticism concerning his role with the St. Paul Housing and Redevelopment Authority. But though his nomination was blocked at the DFL city convention that year, he won the primary—against two strong opponents.

"I thought the HRA thing was a bum rap," he said. "No one ever came out and told me what it was all about."

Asked for his observation about the recent St. Paul elections, Sylvester said he was amazed that the Republicans did not run better known candidates for the council seats being vacated by himself and Pat Roedler.

"This was partly due to the lateness of the announcement," he said. "The requirement that a councilman give full-time service to city business might also have discouraged some professional people who would have considered running for a part-time position."

Sylvester said he was surprised that George McMahon lost to Rosalie Butler. "George ran a good campaign. He kept out of trouble. He did the things you usually do when you win. But he didn't get to enough voters."

He was also surprised that one DFL endorsed candidate, three DFL endorsed school board members, and the "No" position on the human rights ordinance were defeated.

"A lot of people obviously came out to vote against some things," he said. "The referendum struck at their feelings and they came out and voted those feelings."

Grand opening set for Black & White Sports, Inc.

A sporting goods store has joined the Sibley Plaza Shopping Center lineup. Occupying the slot formerly taken by Sportique's next to Sibley Drug is Black and White Sports, Inc., 2423 W. 7th St.

The new sporting goods store is owned and operated by two Highland area athletic coaches, Bob Jackson and Dan Hisle. Both have long been active in HGRA basketball and football programs and in the Highland-Hilltopper Little League.

Black and White Sports features a wide selection of sporting goods with an emphasis on team outfits and athletic wear such as warm-up suits, sweat suits and jogging shoes. Lettering and screen printing services are also available for teams or individuals.

A week-long grand opening celebration begins Saturday, May 20. Five sets of Minnesota Kicks tickets will be given away that day, and other prizes will be given away each day through May 27.

THANKS FROM CHILDREN'S HOUSE

Children's House Montessori School, 341 S. Hamline, hosted its 3rd Annual Garage Sale last weekend. Wondering how a small school of 38 families could possibly organize such a large project? We would love to share our secret and thank those responsible for their generosity.

The businesses and organizations in our community who donated both new and used goods to help us include: Henry's Pizza, Sarda's Fabrics, The Encore Shoppe, Hedman Plumbing and Heating, Lund and Lange, Rogers Paint and Wallpaper, Macalester Bike and Skate, Saratoga Co. Business Machines, Home Repair Service, Cliff's Hardware Hank, Associated Architects, Nimble Finger Needle Art, The Shop Hair Stylists, Marvy's Barber Supply, Highland Catholic School, Urban Catholic Community School, Calvary Lutheran Church, Jerald E. Dexter Photographer, Jambor Realtors, McDonalds and O'Halloran & Murphy. Last but not least, we'd like to thank all the families of Children's House and their friends.

The Children's House Montessori teachers, board, parents and children think this is a wonderful community to live in.

Group shade tree purchase planned for Dist. 15 residents

Highland area residents facing the prospect (or reality) of denuded neighborhood streets will soon have a chance to reclaim some of that lost leafy covering by cutting themselves in on a group tree purchase, sponsored by the District 15 Planning Committee.

Five kinds of trees will be sold at a reduced cost for planting on private property. The trees will arrive on the doorsteps of those who've ordered them on May 20. The trees will be balled, burlapped and ready for immediate planting. Instructions for planting will accompany each tree.

Five species of trees may be ordered: Norway Maple, Green Ash, Honey Locust, Flowering Crab and Hackberry. The saplings, which cost \$30 apiece, will be approximately 1 1/2 inches in diameter and 12 feet tall.

Trees may be ordered by sending a check or money order, made payable to "District 15 Shade Trees," to Shade Tree Account, Mid America State Bank of Highland Park, 2004 Ford Parkway, St. Paul MN 55116. All orders must be received by May 12.

For further information on the shade tree project, call Mary McNeely (698-3743) or Jerry Franck (690-3162). For information on tree selection and planting, call the St. Paul Shade Tree Program at 298-5660.

The Para-Troupe dons the one-piece stage set they'll perform beneath in "As the Dough Rises and Other Kneady Tales." An amalgam of songs, vignettes and one-liners, the review will be presented during noonhours, May 10-11, in St. Paul's Dayton's auditorium. Created and performed by St. Paul COMPAS artists, the show stars, left to right: Bonnie Smith, Mike Hazard, Beth Handman (in the mask), Charlie Gronberg, Andrea Deimel, Bob Hale and Tom Young.

Area students turn a profit from Junior Achievement

Eight area senior high school students were among the winners of scholarships, individual and company awards at the recent Junior Achievement Future Unlimited Banquet.

Junior Achievement (JA) is a business educational program in which students actually own and operate a miniature corporation.

Janis Bigelbach, 1420 Laurel Ave., a senior at Derham Hall High School, won a \$1,000 grant from the Sven and C. Emil Berglund Foundation. Her Annual Report to Stockholders was selected as the best in the St. Paul program.

Jody Bartscher, 841 Portland Ave., a Derham Hall senior, received a \$500 grant from Gould, Inc. She was named the Best Vice President of Manufacturing for the Year and will compete for the national title in that category in August.

Brian McConnon, 1080 Laurel Ave., a junior at Cretin High School, received three honors. He was named the winner of the Best Sales Presentation Contest; was President of the second place Manufacturing Company of the Year, M.A.S.I., sponsored by the ITT Industrial Credit Company; and was elected Vice President of the Achievers Association for the 1978-79 program year.

Susan Lonnee, 1409 Osceola Ave., a senior at Highland Park Senior High School, was awarded a \$250 McKnight Scholarship. Her company, The Little American, sponsored by the American National Bank and Trust Company, served as the JA Bank for the Wednesday night companies and was honored as the Service Company of the Year.

Michelle McKnight, 1303 Highland Pkwy., a sophomore at Highland Park, was named the Best Quality Control Manager of the Year and will also enter the National contest.

Wednesday, May 10, 1978

Mark Benolken, 1742 Stanford Ave., a junior at Highland Park, was president of the company named winner of the Rags to Riches Award. His firm, MATCHO, sponsored by Hartzell Corporation, overcame financial losses early in the year to eventually make a profit.

Andrew Waterous, 1204 Hartford Ave., a Highland Park senior, received a \$500 grant from the 3M Company, and Colleen Ganaway, 1404 Ashland Ave., a Derham Hall senior, was awarded a \$250 ITT Industrial Credit Company scholarship.

Inter-Club Council honors area high school students

Eight Highland Park Senior High students were among 40 students from St. Paul and suburban high schools honored for their volunteer services to the community at the 19th annual Inter-Club Council's "Salute to Youth" dinner, held recently at the YWCA Women's Center. The students were selected and sponsored by member organizations of the Council.

Local students and their sponsors included: Christine Durand, 124 N. Lexington Parkway, St. Paul Council of Parents-Teachers-Students Association; Debra Krawetz, 530 Mt. Curve Blvd., and Keith Moheban, 1232 Colette Place, Mt. Zion Temple Sisterhood; Ann Neuenfeldt, 1381 Wellesley Ave., St. Paul Retired Teachers; Martha Schlaeppi, 2185 Edgumbe Road, Schubert Club; Jill Marie Schwendeman, 434 S. Fairview Ave., Quota Club; Lloyd Byron Stripling, 1694 Lincoln Ave., Altrusa Club; and Bob Winsor, 645 Goodrich Ave., Chimera Theater Company.

Church luncheon set

The First Trinity United Methodist Women will hold their annual Salad Luncheon at 12:30 p.m. Thursday, May 25 at the church, 1849 Marshall Ave.

Saint Paul TVI presents 'Fabrics to Fashions' May 10

"From Fabrics to Fashions" is the theme of the St. Paul Technical Vocational Institute's spring fashion show, featuring original designs by students in the school's Apparel Arts program.

Two performances are scheduled on Wednesday, May 10 in the St. Paul TVI Auditorium, 235 Marshall Ave. There will be a matinee performance at 1:30 p.m. and an evening show at 7:30 p.m. Featured fashions will include sportswear, casual and formal wear modeled by the students, their families and friends.

An added attraction will be a performance of the "Mariachi" by a Mexican dancing group from Cherokee Heights Elementary School. Costumes for the dancers were also designed by the TVI Apparel Arts students.

Admission to the show is 75 cents for students, \$1.00 for adults. Proceeds will help subsidize programs of the Vocational and Industrial Clubs of America, a St. Paul TVI student organization.

Post No. 162 of the Jewish War Veterans of the U.S.A. and its Auxiliary will hold a joint installation of officers at the Jewish Community Center, 1375 St. Paul Ave. at 8:00 p.m. Thursday, May 11.

Department Commander Samuel I. Sloane and Department President Lorrie Shapiro will be the installing officers for the post and the auxiliary.

Post officers for 1978-79 are: Benjamin B. Binstok, commander; Edward Langman, senior vice commander; Alvin Frank, junior vice commander; Harry Shaller, chaplain; Joseph Weitzman, judge advocate; Murray Weinstein, surgeon; Joseph Scheinbloom, sergeant of arms; Albert Simon, Jacob Makiesky, and George Goldman, trustees.

Auxiliary officers for 1978-79 are: Marion Farsht, president; Jean Berkowitz, 1st vice president; Ida Goldman, 2nd vice president; Rose Kuretsky, treasurer; Hilda Singer, chaplain; Bertha Bernstein, patriotic instructor; Charlotte Mandel, conductress; Dora Rosen, guard; Sarah Wolf, historian; Eva Price, Mary Morris and Hannah Lovick, secretaries.

Oren J. Steinfeldt, past department commander and national executive committeeman, will be the principal speaker at the May 11 ceremonies. Friends and relatives of post members are invited to attend.

Hal Resnikoff is the new owner of Tops Furniture, located at the corner of Snelling and Selby Ave. A resident of St. Louis Park, Resnikoff was formerly employed as a furniture buyer for Boutelles and Levitz.

SPA/SS alumni elect new officers

Mrs. Richard Slade, 5 Heather Place, was recently elected president of the SPA/SS Alumni Association for 1978-79 at the organization's annual meeting.

Other new officers are: Mrs. Angus Mairs, 1620 Edgumbe Road, vice-president; Richard Harris, 1291 Bohland Place, treasurer; and Mrs. Susan Ristau, 845 Fairmount Ave., secretary.

New directors are: Jonathan Morgan, 924 Goodrich Ave.; Mr. Jack Lightner, 483 Grand Hill; Joan Shapiro, 215 S. Dunlap; and Mrs. Peter McDermott, 2114 Bayard Ave.

Cadet Mothers plan luncheon

The St. Thomas Academy Mothers Club will hold its Spring Luncheon on Tuesday, May 16 at the academy, 945 Mendota Heights Rd.

The luncheon, which begins with a 12:15 p.m. Mass, is a "Salute to Senior Mothers." Each mother of a cadet senior will receive a memento of her son. There will also be a student art display.

Hostesses for this event are Mrs. John Turner, 1862 Fairmount Ave., and Mrs. Michael Galvin, 1303 Bohland Place. Mrs. Patrick F. Sullivan, 130 Mississippi River Blvd., is the president of the Mothers Club for the 1978-79 school year.

Deadline for PH&R registration May 13

Registration for Pitch, Hit and Run, Major League Baseball's official youth program for boys and girls age 9-12, ends Saturday, May 13. Entry forms are now available at all area playgrounds and Thom McAn shoe stores.

The local competition will be held at 6:30 p.m. Tuesday, May 16 at Midway Stadium, 1000 N. Snelling Ave. Winners from the four age groups will advance to the district competition to be held at 2:00 p.m. Sunday, June 6, also at the stadium.

Following the districts, divisional championships will take place to determine the eight finalists (two in each age group) who will compete in the finals at the All-Star game.

For more information, call the district and local PH&R coordinator, Bill Peterson, at 645-4689.

Lechner elected to MDA office

Dr. E.H. Lechner, 2056 Edgumbe Road, was elected second vice president of the Minnesota Dental Association at its recent 95th annual session.

A 1944 graduate of the University of Minnesota School of Dentistry, Lechner has practiced in St. Paul since his discharge from the U.S. Navy in 1947.

Besides serving on the Board of Directors of the Minnesota Dental Alumni Association, Dr. Lechner is a member of the St. Paul Chapter of Rotary, Osman Shrine Temple, St. Paul Lodge No. 3 Scottish Rite, Highland Business Association, St. Paul Chamber of Commerce, and a Director of Junior Achievement.

Dr. Lechner and his wife, Evelyn, have two grown children: Edward, an attorney, and Barbara, who is studying for her Master's degree at Northeastern University in Boston.

You can lose money by cleaning your own carpet

Here's how: Most do-it-yourself jobs remove surface soil, but don't really clean the ground-in carpet dirt that has started to bond with the carpet fibers.

If your carpet is only partially clean, the old residue will attract more dirt.

Nativity students chosen to perform with honors band

Four students from Nativity Grade School have been chosen to play in the Music for America Honors Band Concert to be held at 4:00 p.m. Sunday, May 21 at St. Richard's School, 76th and Penn Ave. S., Richfield.

The students are: Megan Faricy, daughter of Mr. and Mrs. Ray Faricy, 2240 Goodrich Ave.; Sarah Cofferty, daughter of Mr. and Mrs. John Cofferty, 485 S. Cretin Ave.; Marnie Mirsch, daughter of Mr. and Mrs. Marvin Mirsch, 2260 Sargent Ave.; and Mary Jo Hanrahan, daughter of Mr. and Mrs. Patrick Hanrahan, 2002 Berkeley Ave.

Fifteen hundred students were invited to audition for the honors band. The Nativity students are among 57 students who were selected to play. The concert, sponsored by the Schmitt Music Company, is open to the public free of charge.

Diamond celebration set for Minn. Orchestra

Three thousand sets of brilliantly colored lights will adorn the limbs of trees in the canopied gardens of Peavey Plaza and its surrounding streets to provide the diamond point setting for the Minnesota Orchestra's Diamond Ball on Saturday evening, June 17.

The ball, which will commemorate the 75th anniversary of the Minnesota Orchestra, is the 23rd annual celebration to be sponsored by the Women's Association for the Minnesota Symphony Orchestra (WAMSO) and the first to be held at Orchestra Hall. Proceeds from the event will benefit the orchestra's Guaranty Fund.

The theme for this year's symphony ball is "A Holiday in Holland." To help carry out the theme, ball committee members have gotten a lift from KLM Royal Dutch Airlines which is planning to fly in more than 7200 flowers from the Netherlands for the occasion.

Headlining the evening's entertainment will be popular night club stars Tony Sandler and Ralph Young,

Sandler and Young

who will perform from the Orchestra Hall stage. Ballgoers will view their show from tables set up in cabaret style on a platform over the main floor seats, as well as from theatre seats on the hall's tier levels.

At the conclusion of

Sandler and Young's performance, an auction and prize drawing will be held. Highest bidders will have the chance to take baton in hand and conduct the Minnesota Orchestra on stage.

Because of the enthusiastic response from invitations which were mailed out last month, WAMSO has advised all those who plan to attend the Diamond Ball to make reservations as soon as possible.

For further information or to obtain an invitation if one has not already arrived, call the WAMSO office at 436-6888.

Merriam Library Association meets

The Merriam Park Library Association will hold its May meeting at 5:30 p.m. Thursday, May 18 at the library, 1831 Marshall Ave.

Guests of honor for the public meeting, which will begin with a potluck supper, will be the Royal Court of St. Paul Senior Citizens, including King Raymond Norstrom, president of the library association.

Librarian Patricia Merwin will announce the summer reading program for children and display new books available.

Chinese Studies Institute to be held at Mac June 19-30

A Chinese Studies Institute for Elementary and Secondary Teachers will be held at Macalester College from June 19 to 30. Jerry K. Fisher, associate professor of history at Macalester, will direct the institute which is being presented as part of the Midwest China Studies Resource Center's

Outreach Program.

The institute will bring together 20 Minnesota teachers—15 from outstate and five from the Twin Cities—for an intensive study of China today and will assist them in developing curricula material for use in their own schools.

The two week program will cover such areas as U.S.-China relations, revolutionary China, the dynamics of change, traditional Chinese society, and the language, art and literature of China. Activities will include lectures; discussions based on readings; guided activities relating to art, cooking and games; and a review of the audio-visual library and resources of the Midwest China Study Resource Center.

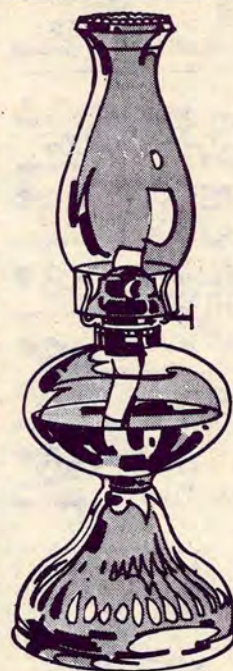

Graduate credit is available and credit for lane-change, in-service training and recertification can also be arranged.

For more information, contact Ann C. Bailey, Program Coordinator for the Schools Outreach Program on Modern China, at 641-3234.

Mom and Dad,
are you tired
of the school
year rush?
Well, if you
are, we would
like to suggest
SUMMER!

1) It's a good time to begin MUSIC. There is more time for practice—the kids have no homework and the whole atmosphere is more relaxed.
2) SUMMER is a time when you could take lessons together as a family! See our schedule below for music instruction, infants through adults. We can set up a program to suit your needs. How about you in one studio and your children in another at the same time!
3) Growing to love music is a perfect pastime for what sometimes becomes a boring summer for children.
4) You may want to leave the kids here while you browse thru the summertime wonders of our Avenue.

OUR SUMMER PROGRAM

Fleming named to All-American team

Terry Fleming, a senior playmaking guard and co-captain of the College of St. Thomas basketball team this season, was recently named to the College Sports Information Directors Association (CoSIDA) 1978 Academic All-America Team.

A 6 foot 2, 175-pound English major, Fleming was selected to CoSIDA's college division first team on the strength of a 3.91 (out of a possible 4.0) cumulative grade-point average.

Fleming led the Toms in assists last winter with 132 and helped his team to an 11-7, fourth-place conference finish with a 10.4 points-per-game average.

A Winona native and a graduate of Cotter High School, Fleming completed his undergraduate course of study at St. Thomas in three years. He will attend Harvard University Law School next fall.

Fleming is the second St. Thomas athlete to be named an Academic All-American during the 1977-78 school year. Last fall Tom Kelly, an offensive guard and co-captain of the CST football team, was accorded similar honors on CoSIDA's college division Academic All-America Football Team.

Jean Archibald, Associate Director of the Macalester College Library, has been appointed director of the library, effective September 1. Ms. Archibald, who joined Macalester's library staff in 1961, succeeds Daniel Gore, who has held the post since 1970.

Mac offers course in Interpersonal Communication

Macalester College will offer a course in Interpersonal Communication, an opportunity for members of the community who are interested in improving their interpersonal relationships, as part of its 1978 Summer Session.

Class participants will learn to understand and practice the communication skills that can reduce problems between family members, friends, fellow workers and business associates.

Although readings, lectures and written exercises will be used, the primary focus of the class will be experiential learning. Special emphasis will be placed on self-awareness, expression of feelings, empathic listening, confrontation and conflict resolution.

The class will meet daily from 9:00 to 11:00 a.m. during Term I of the Summer Session, June 12 to July 10. For more information, call the instructor, Tennyson Williams (647-6340) or the Summer Session Office (647-6330).

Metzger earns triple honors at forensic tourney

Kate Metzger, 1300 Lincoln Ave., a member of Normandale Community College's forensics team, was a triple winner in a national tournament held recently in Sacramento, Calif.

Ms. Metzger, daughter of Mrs. Marcia Metzger Walsh, won a first place gold award as part of the team's seven-member Reader's Theatre group which presented a comedy dialogue entitled "Why Don't You Grow Up."

She also won an individual bronze award in the entertainment speech category and shared a bronze in the duet acting team division.

Normandale took home 19 awards in the national tournament, finishing third in the individual events competition and sixth in the overall standings. Eighty-seven community colleges competed.

Actors Theatre first season to close this weekend with 'Arms'

Actors Theatre of St. Paul will draw the curtain on its inaugural season this Sunday, May 14 with the final performance of George Bernard Shaw's *Arms and the Man*.

During these final weeks of their first season, Actors Theatre members have been conducting workshops in various schools in the Twin Cities and surrounding areas. Artistic director Michael Miner, along with company members Nancy Bagshaw, James Harris, Steven Pringle, Mari Rovang and Barbara Granning have already presented workshops for the Chimera Educational Center at the Edyth Bush, and at Hastings Junior and White Bear Lake High Schools. A special three-week drama studies program is currently under-

way at the St. Paul Performing Arts Learning Center.

Arms and the Man, Shaw's classic spoof of heroism, romance and the legendary "Chocolate Cream Soldier," completes its final weekend run with performances in Foley Theatre at the College of St. Thomas on Thursday, May 11 at 1:30 and 8:00 p.m., Friday, May 12 at 8:00 p.m., Saturday, May 13 at 5:15 and 9:15 p.m., and Sunday, May 14 at 7:00 p.m. For information or reservations, call 698-5559.

Actors Theatre will reopen its doors next October with Jean Anouilh's *Waltz of the Toreadors*, a comic tale of unrequited love. The 1978-79 season will be expanded to six shows, running through next April.

Mac to host JC's 'Best 100' art show

Macalester College and the St. Paul Jaycees will sponsor the 22nd annual Best 100 Art show from May 14-25 in the Janet Wallace fine Arts Center at the college. The exhibition is the major showcase for art work done by junior and senior high school students in the St. Paul area.

The show will open with a reception on Sunday, May 14 from 2:00 to 5:00 p.m. The gallery hours will be from 10:00 a.m. to 5:00 p.m. Monday through Friday, from 7:00 to 10:00 p.m. Thursday, Friday and Saturday, and from 1:00 to 5:00 p.m. on Sunday.

Scholarship prizes will be awarded to the high school seniors whose works display unusual talent and achievement.

Man does not live by chocolate creams alone. The "Chocolate Cream Soldier," Captain Bluntschli (played by Steve Pringle), savors a less fattening sort of sustenance—in this case Raina Petkoff (played by Barbara Granning). The two star in the final production of Actors Theatre's first season, George Bernard Shaw's "Arms and the Man."

Minnesota Orchestra performs Haydn's 'Seasons' May 10-12

Haydn's oratorio "The Seasons" will be performed by the Minnesota Orchestra for the first time at its subscription series concerts at 8:00 p.m. Wednesday and Friday, May 10 and 12 in Orchestra Hall and at 8:00 p.m. Thursday, May 11 in O'Shaughnessy Auditorium at the College of St. Catherine.

The concerts will feature three guest soloists and the Saint Olaf Choir under the baton of Stanislaw Skrowaczewski, the orchestra's music director. Dr. Kenneth Jennings is the conductor of the choir.

Soprano Phyllis Bryn-Julson, tenor William Harness and bass Arnold Voketaitis will sing the roles of the three peasants and the choir the role of the country people, in the work which is based on a poem by James Thompson.

Bryn-Julson and Harness last appeared with the orchestra in performances of Handel's "Messiah" in December, 1976. Voketaitis's last appearance was in June of 1974 in performances of Beethoven's Symphony No. 9.

For advance reservations, call 371-5656 or Dayton's ticket offices.

A free outdoor arts and crafts fair will be held Friday and Saturday, May 19 and 20 at the corner of 34th Ave. So. and E. 50th St. in Minneapolis, one mile west of the Ford Bridge.

Sponsored by the Nokomis Village Association, the fair will feature exhibitions of such media as oil and watercolor painting, ceramics, stained glass, jewelry, leatherwork, crocheting and numerous other arts and crafts. A large number of antiques will also be on display.

The fair will also include free entertainment, provided by a Twin Cities blue grass band, and free blood pressure screenings, conducted by the Minneapolis Fire Department. Screenings will be available on Friday, May 19 from 9:00 a.m. to 3:00 p.m. Hours for the fair will be from 9:00 a.m. to 6:00 p.m. both days.

Tennis club memberships open at St. Paul Academy/Summit School

Saint Paul Academy and Summit School will run their tennis courts on a private club (reservation) basis this coming summer.

According to club director John Erickson, members will be able to reserve court times up to ten days in advance at either school campus (1712 Randolph Ave. or 1150 Goodrich Ave.). There will be an attendant on duty 12 hours a day and a telephone at each club for same-day reservations or cancellations.

Once the initial membership fee has been paid, there will be no additional court fees charged to members. Guest fees are \$1.00 per hour, payable at

the time of play. The SPA/SS Tennis Club will also offer private and semi-private lessons to members by appointment. Clifford Caine, 1976 Minnesota State High School Tennis Coach of the Year, will be the teaching professional.

The club will be open from June 3 to August 28, and will wind up the season with a tennis tournament during the final week.

Those interested in joining the club are invited to fill in the membership application form which can be found in this issue of the Villager, or phone 698-2451, ext. 28 during school office hours.

Exceptional children fair set for May 13

The fourth annual Exceptional Children's Fair will be held from 9:00 a.m. to 5:00 p.m. Saturday, May 13 at the College of St. Thomas.

The fair will bring together more than 200 exceptional children and young adults from all parts of the state who will display and offer for sale their own arts, crafts, and indoor plants in the St. Thomas lower quadrangle. The day will be filled with festival activities, including games, athletic contests, clowns, musical performances, and demonstrations. The fair, which is open to the public free of charge, will be moved to the St. Thomas armory in case of inclement weather.

For registration information, call Dr. Ann Grasso Ryan at 647-5174.

COMPAS artists show their stuff

Nearly 30 Twin City artists have at least one thing in common—they earn their daily bread, or at least part of it, working for COMPAS, the community arts agency of the St. Paul-Ramsey Arts and Science Council.

To show the public what they do when COMPAS doesn't have them perched on scaffolds painting murals, or out at neighborhood recreation workshops, they've mounted a gallery show and sale entitled "Pieces," which is now on display in the St. Paul Dayton's auditorium.

The media exhibited include sculpture, prints, drawings, paintings, graphics, photography, textiles, pottery and electronic art. "Pieces" will be open daily through May 13 from 10:30 a.m. to store closing.

'Half a Baker's Dozen' premieres at Walker Church May 18-20

The new Laughing Stock Company will present an evening of comic entertainment with its Twin Cities premiere of *Half a Baker's Dozen* at 8:00 p.m. Thursday, Friday and Saturday, May 18-20 at the Walker Church, 3104 16th Ave. S., Mpls.

The title refers to the six-and-a-half plays within the play. These segments, written by Robert Sheely, revolve around such characters as Dick Convoy, TV private eye; Uncle Harry, the

childish practical joker whose human side surfaces briefly in his fight with terminal cancer; and Melissa's Boy, a perhaps imaginary boy who mysteriously appears in Melissa's bedroom.

Members of the Laughing Stock Company are Karin Abromaitis, Charlotte Appel, Peter Bloch, Len Engman, Shannon Engman, Dennis Johnson, Michael Marcusson, and Anna Konstane Venegas. Admission is \$3.00. For more information, call 722-6612.

Youth symphonies present two spring concerts at O'Shaughnessy

The Greater Twin Cities' Youth Symphonies (GTCYS) will close its 1977-78 season with two spring concerts this weekend in O'Shaughnessy Auditorium at the College of St. Catherine. The concerts will feature all eight GTCYS orchestras.

On Saturday, May 13 at 7:00 p.m. the GTCYS Little Symphony, Junior Philharmonia East, Junior Philharmonia West and Philharmonia will perform under their respective conductors Karen Olson, Ned Kantar and James Berg. On Sun-

day, May 14 at 3:00 p.m., the Little Philharmonia, Junior Philharmonia North, Junior Symphony and Symphony will perform under their respective conductors Linville Doan, John Madura and William L. Jones.

The GTCYS spring concerts will feature some of the works that have been performed by the orchestras during their 1977-78 School Concerts Series as well as in special guest performances throughout Minnesota, Wisconsin, and Illinois. For ticket information, call 870-7611.

Children's Theatre opens new adaptation of 'The Pied Piper'

Robert Browning's classic poem *The Pied Piper of Hamelin* is the basis for a new dramatic musical now showing at The Children's Theatre Company, 2400 3rd Ave. S., Mpls.

Directed and choreographed by CTC Associate Director Myron Johnson, the story is adapted for the stage by Thomas W. Olson in collaboration with music composer Richard A. Dworsky. *The Pied Piper of Hamelin*, the sixth production in the theatre company's thirteenth season, will play in repertory with Richard Brinsley Sheridan's adult comedy *The Rivals* through June 10.

The Pied Piper of Hamelin is produced by CTC Artistic Director John Clark Donahue and features scenery and costumes by Dahl Delu and lighting by Jon Baker, resident designers for the company. The play boasts a performing cast of almost 50 people, drawing from members of The Children's Theatre Company and School and the Twin Cities community.

Featured performers include Gerald Drake in the title role of the Piper, Martin Ruben as the Mayor of Hamelin, Andrea Herschler as the Mayor's wife, Mario Bravo as their crippled son, Tom Dunn, Carl Beck and Stephen Boe as the town councilmen, and Thomas

Olson as Hamelin's priest.

The Children's Theatre production is drawn chiefly from the classic work by Victorian poet Robert Browning, but is also influenced by *The Ratcatcher* by Monsieur Charles Marelles and the many other versions of the legend which appear in European folklore.

The legend deals with the medieval German town of Hamelin, which is infested by rats. A stranger appears and offers to rid the town of the pests by luring them to their deaths with a haunting tune played on his pipe. But when the Piper claims his recompense for services rendered, the mayor and townspeople of Hamelin refuse to pay him, so the stranger pipes away their children into the nearby mountains. All, except for one—a crippled boy—are never seen again.

Approximately one-third of the 54 scheduled performances are already sold out, so immediate reservations are recommended. Tickets are available at \$3.45 for children (age 17 and under) and \$4.95 for adults. Discounts are available to groups and senior citizens.

For a schedule of performances and tickets, call 874-0400 or any Dayton's ticket outlet.

Skinner House gets a facelift; Designers' Showcase planned

The Friends of the Minneapolis Institute of Arts will sponsor a "Designers' Showcase" benefit May 22 through June 17 at the Skinner House, 385 Portland Ave., in the Ramsey Hill District of St. Paul.

The house, presently owned by Donald Bachmeier, was constructed between 1901 and 1903 for the James H. Skinner family. It was designed by prominent St. Paul architect Charles J. Johnston Sr., with all interior work done by William Yungbauer, an Austrian cabinetmaker who was brought to St. Paul to work on the James J. Hill mansion.

Members of the Twin Cities Chapter of the American Society of Interior Designers are currently working on the interior rejuvenation.

The three-story, nine-bedroom, Georgian-neoclassical home will be open to

Over 1000 physically or mentally handicapped athletes competed last Friday in the 1978 East Metro Games and Special Olympics track and field events. This was just part of the afternoon action in O'Shaughnessy Stadium at the College of St. Thomas as the athletes vied for individual and team honors in the 50-yard dash, 110-, 220-, and 440-yard relays, the softball throw, long jump and broad jump. The event was co-sponsored by the St. Paul Association for Retarded citizens, the St. Paul Jaycees, and the St. Paul Parks and Recreation Board.

Jaycees honor Mac students

Five graduating seniors from Macalester College were recently named to the St. Paul Jaycees' College Court of Honor. Selections were based on high scholarship, good character, and academic, social or artistic contributions to the college and the community.

The five students, and their majors are: Harley Scott Cahen, Geology; Nancy Lynn Gieseler, Psychology and Religion; Barbara Jessica Shaten, Mathematics and Psychology; Constance J. Smith, Anthropology and Spanish; and Frank Metz Underkuffler, Philosophy.

St. Catherine's to honor retiring faculty members

A reception will be held on Sunday afternoon, May 7 at the College of St. Catherine to honor two retiring faculty members who have taught at the college for a combined total of 46 years.

Retiring are Sister Helen Joseph Sanschagrin, associate professor of biology, and Dr. Margaret E. Andrews, associate professor of education. The reception will be held in Marian lounge of St. Joseph Hall from 2:00 to 4:00 p.m.

Sister Helen Joseph is a graduate of St. Catherine's where she majored in mathematics, and holds an M.A. degree from the University of Minnesota in the fields of endocrinology and embryology. She began teaching at St. Catherine's in 1941.

A member of the Beta Beta honor society and Sigma Delta Epsilon honor society for graduate women in science, she has also been a member of numerous professional organizations, and has served on a planning committee for the Minnesota Academy of Science.

Dr. Andrews, a member of the college's education department since 1969, received her B.A. and M.A. degrees from the University of Minnesota and worked on her doctorate at Stanford University and the Uni-

versity of Colorado.

A nationally known leader in vocational education, Dr. Andrews has served as a specialist in business education with the U.S. Office of Education, and has worked for the Minneapolis Public Schools for many years as a consultant in business education and placement.

Women don gloves in amateur boxing matches at Bierman

The weaker sex, ha!

The world's first sanctioned amateur boxing championships will be held at 8:00 p.m. Friday, May 12 in the Bierman Athletic Building, on the University of Minnesota campus.

Sponsored by the school's Women's Boxing Club, the tournament will include five female bouts and five male fights.

Among the student fighters on the card will be two St. Paul women: Clair Buckner, lightweight division, and "Irish" Laurie Dinneen, light heavyweight division.

The matches are charted by the U.S. Women's AAU Boxing Association and sanctioned by the International Women's Amateur Boxing Association.

Jewish Community Center

NEW HORIZONS EVENTS

A wine and cheese party, together with an open rehearsal of the JCC Symphony Orchestra, will be held by New Horizons at 7:30 p.m. Wednesday, May 17. Cost is 75¢. Reservations should be made by calling 698-0751.

On Wednesday, May 24, New Horizons members will treat themselves to a gourmet lunch at the St. Paul Technical-Vocational Institute, followed by a tour of the facilities. A bus will leave the Center at 10:45 a.m. Cost is \$4.50.

'CROSS THE KINNERET'

The Center's "Cross the Kinneret" swim event attracted 25 participants, seven of whom finished the 2½ miles in one day, and eight others completing the distance within the one-week time allotted. "One-dayers" included Laurie Robinson, Stanley Haimen, Yael Kory, Michael Witenstein, Robin Getsug, Jeff Ringer and Beth Knudtson. Other finishers were Jerry Portnoy, Joe Zisk, Mary Olson, Steve Wheeler, June Young, Gretchen Healy, Julie Gitlin and Norm Rose.

SPEAKERS FOR SENIOR ADULTS

Upcoming events for senior adults include a prominent city attorney speaking on "The Law: Your Access to Justice" at 1:00 p.m. Wednesday, May 10, and a film, *The Legislature Today*, presented by Rep. Dick Cohen at 1:00 p.m. Tuesday, May 16.

DAY CAMP POSITIONS

Positions are currently available for camp counselors, junior counselors, a nurse, WSI's, specialists and pool helpers at Camp Butwin-Camp Adventure day camps. Openings are from June 12 to August 4. Call Bill Laden (698-0751) for further details.

Workshop set on religious life for retarded citizens

The College of St. Thomas will sponsor a workshop on May 11-12 on the problems and concerns of religious education for the mentally retarded.

Rev. Raymond A. Hempe, Associate Director of Special Education for the Archdiocese of St. Louis, will speak at meetings and training sessions on Thursday evening, May 11 and Friday morning, May 12 in the Christ Child Building, Summit and Cleveland Ave.

Titled "The Parish: Center for Religious Life for the Mentally Retarded," the training program is designed for pastors and parish workers and sponsored by St. Thomas' Center for Religious Education. For registration and schedule information, call the center at 647-5715.

Childbirth program instructors sought at Family Tree

Childbirth education instructors and assistants are currently needed for the nurse-midwifery prenatal care program at Family Tree, a community health clinic located at 1599 Selby Ave.

Instructors must have participated in a prepared birth experience, have taught prepared childbirth education classes (ASPO or CEA trained), and be able to commit the time necessary to follow one group from early pregnancy through the early stages of parenting (7-8 months).

Assistants must meet all the above requirements except having taught prepared childbirth classes previously.

Both instructors and assistants will receive training in the educational skills and technical information needed to perform their jobs. Interested persons should call Jane Norbin at 645-0478 or 221-3622 for further information and applications.

Hi-Grove 'Buddy Poppy' drive set

Members of Hi-Grove VFW Post 8833 and Ladies Auxiliary will be selling poppies in the Highland-Groveland area on Friday, May 18.

Proceeds from the "Buddy Poppy" sale, which has been conducted yearly by the VFW since 1922, will be used to assist disabled and needy veterans and their families.

The slogan for the charity drive is, "Honor the dead by helping the living."

TODORA'S REMODELING

1429 RANDOLPH - ST. PAUL 690-3513

Meet Dennis Sycks

With an already credible background in tax analysis, Dennis chose the real estate profession. "If I can help someone out, then that is both my challenge and my reward," says Dennis of his work.

A native of the state, he graduated from the University of Minnesota with a B.S. in Business Administration, majoring in marketing, accounting and finance. He has continued to pursue his education with night courses in tax law and real estate investment analysis.

Before becoming a real estate consultant, Dennis worked as sales director with a local travel firm and as an income tax practitioner for a local C.P.A. firm.

During his leisure time Dennis finds relaxation through skiing, fishing, photography, travel, and playing chess. He is also an active member of the local YMCA.

If you are looking for a real estate consultant with a solid business and finance background, then give Dennis a call. He offers friendly, personalized service.

Glassman Realtors ANNOUNCES...

We've gone international with Realty World so we can make "A World of Difference" in all your real estate transactions.

We've added to our names . . .

We've added Realty World in front of our names so we can serve you better with some of the most advanced resources and professional real estate techniques in the industry today.

Scientifically designed sales aids. Realscope, for example. A photographic tour of your home's most salable features that benefits both buyer and seller. For sellers, it offers additional selling power and helps eliminate many unnecessary and inconvenient trips through your home by unqualified "just lookers." For buyers, it allows you to sit in our offices and see more homes in a few minutes than you could probably see driving around all day.

Massive advertising. In newspapers, as well as on radio and/or television, helps Realty World reach most potential buyers and sellers in your area. **Qualified, professional salespeople.** All Realty World agents are well-educated and knowledgeable professionals whose expertise is constantly

updated in a continuous training program that is one of the most progressive and thorough in the history of the industry.

Greater exposure. Realty World works closely with every major multiple listing service in this area. Additionally, our own international referral system and Realscope both help expose your home to more potential buyers.

while keeping our personalized service and attention.

Even though we're part of the Realty World international network of offices, we still give you the same personal

service and attention you've always valued. That's because each office is still independently owned and managed. This local autonomy allows us to continue serving you as neighbors. . . and no one knows your neighborhood better than your neighbors.

So you get the advantages of dealing with a big real estate organization without the disadvantages.

Pulitzer prize winner to speak at Macalester's commencement

Educator, astronomer and author Dr. Carl E. Sagan will give the graduation address at Macalester College's 89th annual commencement exercises Saturday, May 20. The ceremonies will begin at 2:00 p.m. on the mall in front of Old Main on the campus, where approximately 350 candidates for degrees will receive their diplomas.

The day's activities will formally begin with the Baccalaureate service at 10:00 a.m. in the Weyerhaeuser Memorial Chapel at the college. Macalester Chaplain Rev. Rex H. Knowles will speak on the topic "The Truly Educated Person" during the service.

Sagan is Professor of Astronomy and Space Sciences at Cornell University in Ithaca, New York, where he is also Director of the Laboratory for Planetary Studies. He is the author or editor of 14 books, including his latest, *The Dragons of Eden: Speculations on the Evolution of Human Intelli-*

gence, for which he won the 1978 Pulitzer Prize for Non-Fiction.

Honorary degrees will also be awarded to Arvonne Fraser, Coordinator, Women-in-Development, Agency for International Development, Washington, D.C. and prominent member of the Minnesota Democratic Farmer-Labor Party; Dr. Takeji Hayashi, Professor Emeritus and former president of Miyagi Kyoiku University in Japan; and John S. Holl, St. Paul businessman, civic leader and Honorary Trustee of Macalester.

Robert C. Amerson '50, an Edward R. Murrow Fellow in Public Diplomacy at Tufts University, Medford Mass.; Harriet Gregory Bragg, M.D. '37, Director of the Cytology Laboratory at Sturdy Memorial Hospital, Attleboro, Mass., and Mary Strand Hoffmann '53, Macalester College Trustee, will receive the Macalester Alumni Association's "Distinguished Citizen" citation during the ceremonies.

Macalester gets NSF grant for high school math teacher project

The National Science Foundation has awarded the Macalester College Mathematics Department a \$22,732 grant for a "Pre-College Teacher Development in Science Project." Allen M. Kirch, associate professor of mathematics at Macalester, will direct the program.

The project is designed to help secondary school math teachers improve the mathematics curriculum of their schools.

During a three week institute this summer, 25 metro area math teachers will work with 130 secondary

Summer work now available to Saint Paul youths

The receipt of a federal planning allocation of \$953,146 for the City of Saint Paul Summer Youth Employment Program was recently announced by Mayor George Latimer.

The Summer Youth Employment Program is operated jointly by the city's Division of Manpower Programs and Independent School District No. 625. It is expected that over 1,700 youths will participate in this year's program, performing a variety of public services on a part-time basis in public and private non-profit agencies throughout the city.

St. Paul residents between the ages of 14 and 21 are eligible to apply, and while the majority of the money is targeted for low-income youths, the availability of state funds will permit the enrollment of a limited number of those from moderate-income families.

Interested youths are encouraged to apply immediately, because the number of eligible applicants always exceeds the available job slots.

Applications are available at all St. Paul junior and senior high school guidance offices, at neighborhood community youth centers, or by calling 645-3617. For further information on the program, contact Jacqui Shoholm at 298-4904.

school students enrolled in the mathematics program of the Twin City Institute for Talented Youth (TCITY). Kirch will be assisted in directing the summer institute by Jean Probst, instructor of mathematics at Macalester, and Edwin Anderson, teacher at Southwest Secondary School in Minneapolis and a TCITY instructor.

The teachers, who will be selected on the basis of interest, past and future teaching assignments and location, can earn a total of six semester hours of post-graduate credit for their participation. They must have a previous knowledge of the BASIC computer language. For more information contact Allan Kirch at 647-6338.

Scotties tea set

The Highland Scotties, an all-girl marching unit from Highland Park Senior High School, will hold its annual Mother-Daughter Tea on Wednesday, May 14 in the school library. All former Scotties are invited to attend.

Home improvements never stacked up better.

Remodeling seems to pay off handsomely for homeowners these days, what with the constantly rising costs of new housing. But whether it's do-it-yourself or having-it-done, it always costs... and usually more than your current budget can stand.

That's where we come in... at a 10.5 annual percentage rate that practically asks "Why wait?"

At Mid America State Bank of Highland Park you pay interest only for the time you

actually use the money. If you're able to pay ahead of schedule, that will always be your privilege... and it will always reduce your interest charges accordingly.

So if you've had that lingering dream to remodel your home, but have been putting off the project for lack of cash, we invite you to stop by and see us soon. You may be surprised with the way we can make your home improvement package stack up... so that it makes good sense to you.
