Theta Sigma Phi Plan Journalism Exchange With Soviet Union

Busy reading all the current material available on Russia are members of a group of Minnesota professional women who hope to send some of their members to Russia.

Theta Sigma Phi, professional fraternity for women in journalism, plans to have its delegates visit Russian schools of journalism to learn how the Soviets train their people for work in newspapers, magazines, radio and television.

In turn, the Minnesota group hopes to entertain an equal number of Russian women writers — show them the school of journalism at the University of Minnesota and give them a chance to view day-to-day operations of radio, TV and newspapers here.

Mrs. Roger (Lynn) Ray, 14710 McGinty Road, Wayzata, president of the alumnae chapter, has announced that Theta Sigma Phi has been in touch with the United States department through Sen. Hubert H. Humphrey (D. Minn.).

Chairman of the "On to Moscow" committee is Mrs. Elwood (Margaret) Maunders, 1309 Cleveland Ave. S., St. Paul, who has been in close contact with William B. Macomber, Jr., assistant secretary of state.

"Since government funds aren't available for this project, Theta Sigma Phi is seeking funds. We want to send two or three people. It will cost about \$1,200 per person with air fare from the Twin Cities to Moscow being the main expense," Mrs. Ray said.

Selection of the delegates to make the trip will be made by a commission consisting of leaders in the communication fields in the Twin Cities area. The Russian women writers as well as the Minnesota delegation would appear on the program of Theta Sigma Phi's annual Writers' Festival this spring or early summer.

Last year's tournament at St. Thomas was won by the women's team from the University of Nebraska and the men's team from Kansas University. Farthest teams registered so far for this year's tournament are from Massachusetts Institute of Technology and Southwestern Missouri.

All teams will participate in eight preliminary rounds on the campus Thursday and Friday. The eight surviving teams in each division of the preliminary debates will enter the quarter finals on Saturday morning.

The debate topic for this school year is, "Resolved: That the further development of nuclear weapons should be prohibited by international agreement."

National Ballet of Canada Returns To Northrop March 11, 12 After 2 Years

The National Ballet of Canada will return to Northrop Memorial Auditorium at the University of Minnesota on March 11 and 12 after an absence of two years. The two performances here are sponsored by the University Artists Course, the first of which is a subscription concert on the Artists Course "Masterpiece" Series. The program for the subscription performance on Wednesday, March 11, will include "Giselle," complete in two acts, and "Offenbach in the Underworld."

The second performance, which is an Artists Course special event, will be the complete "Coppelia" in three acts.

The subscription performance on Wednesday night is virtually sold-out, but a good supply of tickets to the special event are available, according to James S. Lombard, Director of Concerts and Lectures at the University.

LOIS SMITH, Prima Ballerina

"Coppelia" will be presented here in an entirely new production designed by Kay Ambrose, international authority on the dance, who is artistic advisor to the Canadian company. Although the ballet was originally premiered in Paris in the 1870's and the music by Leo Delibes is delightfully French, Miss Ambrose has set the ballet in a small village in Hungary where the legend is said to have originated. Using the delightful peasant dress of Hungary for her costumes and the charm of the Hungarian countryside for her scenery, Miss Ambrose has created a completely new and delightful approach to "Coppelia."

Tickets for the performance of "Coppelia" by the National Ballet of Canada priced at \$1.50, \$2.00, \$2.50, \$3.00, \$3.50 and \$4.00, are available at the University Artists Course Ticket Office, 105 Northrop Auditorium, the Downtown Ticket Office in Minneapolis and at Field-Schlicks in St. Paul.

Highland Hi-Lites

By RON BACIGALUPO

There have been grumblings in the village about a not too bright journalist that works for the Highland Villager. It seems this lad got all the names mixed up on a front page photo in the last "Villager" so that skinny men's names were under fat men's faces, tall men's names were under short men's faces, president's names were under treasurer's faces and toothy grinned people's names were under grouchy jawed people's faces.

To all of this I admit my err, and with kindly irony I eat my apologetic crow in the true spirit of civic cooperation with those I have offended.

The Chicago Tribune Award for outstanding military attainment, scholastic achievement, and excellent traits of character was awarded to Robert G. Burg, 1850 Summit Ave. Bob is Cadet Lieutenant Colonel at St. Thomas Military Academy.

Kevin Marx, 2249 Highland Parkway, a University of Minnesota student and authority on reptiles, will conduct a program on snakes at St. Paul Science museum next Saturday morning. Kevin will use several live snakes as training aids including indigo bull snakes, and boa constrictors. Who put the baby boa in my Easter basket?

Como Zoo officials tell us that the most frequent question received concerns the gestation period of Elephants. Just so you won't have to ask it's 18 to 22 months.

Hi-Grove Teens Plans Program

Vern Wright, president of the Highland-Groveland Recreational Association, announced a plan to reorganize a teenage or junior group. Most playgrounds and booster clubs have formed these junior organizations and found them to be very successful in planning and participating in various activities such as the Winter Carnival Junior Royalty. They also provide for activities during the summer months.

As the H.G.R.A. actually has no boundaries and covers the Highland, Groveland, and Homecroft areas, an invitation is extended to all young people, fourteen years of age and older who are really serious about planning and working for such a club, to attend a meeting and dance March 17, St. Patrick's Day, 7 p.m. at the Highland Golf Club House, Montreal and Hamline.

Only you teenagers can make this a success. Come ready to voice your ideas and to elect temporary officers.

The dance committee is: Kathy Brown, Terry Miller, Sue Harick, Jack Moynagh, Claudia Brown, Jerry Brown, Jack Pihaly. Anyone interested in obtaining further information may call Lloyd Freeburg, MI. 9-6185.

JEROME OLSON (left) of 1650 Princeton is shown here with Dan Nolly, 2745 Clinton Ave. S., Minneapolis, during their stay at Camp Courage last summer. The camp is the Easter Seal Society's specially-designed facility for crippled children and adults, located near Maple Lake and Annandale.

★ ★ ★
Jerry attended Camp Courage, the specially-designed camp operated by the Easter Seal Society near Maple Lake and Annandale (about 45 miles northwest of the Twin Cities.)
"I remember my arrival at camp and how all the counselors and staff came up to greet me just as though I were an old friend or someone returning home after a long absence," Jerry says. "And the meeting of new friends gave me a sense of forgetfulness of my handicap and made me feel as though I were one of the gang again."

"Of all the things that I liked about camp I think I'd have to say water activities interested me the most. I guess it is because it is the only time of the year that I can even see a lake, much less go on or in it. I enjoyed boating, canoeing, fishing and even swimming, for at Camp Courage a handicap means nothing and there's no activity that everyone can't participate in. . . ."

"I consider each year's camp experience a real Godsend . . . a blessing not only for the social activities carried on but also for fresh outdoor air and wholesome sunshine that I get and is so much needed by our kind."

"I don't want to forget the therapy department, which is a main function of our camp, which is also a Godsend. (Jerry received help from both the physical and occupational therapists at Camp Courage, both of whom found him a willing worker, trying to learn new things.)"

Camp Courage is only one of the many Easter Seal services for the handicapped. Others include a speech camp near Stillwater where 126 youngsters with speech and hearing problems received intensive speech therapy last summer in a relaxed and informal setting.

Your Easter Seal contribution also helps support seven rehabilitation centers in the state (including the local Easter Seal affiliate, the St. Paul Rehabilitation Center at 319 Eagle St.); a direct aid program which provides thousands of wheelchairs, walkers, hospital beds and other aids to handicapped Minnesotans; a sheltered workshop for employment of the handicapped; parent and professional education and research into the causes of crippling.

The Easter Seal Society, now in its 34th year of service to Minnesotans, serve all crippled children and adults, regardless of age, color, creed or type of disability, according to Emil F. Cedarholm, mayor of Roseville and 1959 Ramsey County Easter Seal chairman. Mayor Cedarholm is a long-time Easter Seal volunteer.

Uterine cancer is believed nearly 100 percent curable when it is detected in its earliest beginnings although only 55 per cent of uterine cancers are now being cured. No cancer is more easily detected or more accessible for early and effective treatment, yet many thousands of women are dying needlessly from this type of cancer because they do not go to their doctors for annual check-ups.

Highland Car Wash To Give Day's Profits In Red Cross Kick-off

With a highpoint set for March 19, when the Highland Car Wash will give its day's profits, the Red Cross fund campaign is off to a good start in all Highland sections. Mrs. J. J. Jost, City neighborhood chairman, said this week.

Neighbors are calling on neighbors for their annual enrollments and gifts under the direction of Mmes. W. N. Lincoln, 1731 Bohland and Mrs. F. E. Haynes, 1881 Eleanor. Business section solicitation will be carried out by a special team, headed by Mrs. N. L. Bentson, 2105 Lower St. Dennis road, assisted by Mrs. Norman Zats, 2191 Edgumbe road.

The area will be blanketed with announcements of the third annual Red Cross day at the car wash, located at 1985 Ford Pkwy.

Mmes. Bentson and Zats are also serving as associate chairmen of the total city neighborhood drive. Mrs. Jost, the top chairman, is another Highland Park woman in the campaign. She lives at 1930 Pinehurst.

A fourth important Highland personage is Angela Mercy, the St. Paul chapter's campaign personality, who in real life is Miss Judy VanValkenburg, daughter of Mrs. Constance Carligen, 1927 Sargent. She is a senior nursing student at the University and typifies the Red Cross nurse, known as the "Angel of Mercy" since World War I days.

Pack 13 Cub Scouts Receive Awards

Cub Scouts of Groveland Park School Pack 13 received awards for activities and achievements.

Den 10 of Pack 13, may have created some sort of a record in receiving their Lion Badges in a body. This den was formed three years ago and has been working together on many projects during that time, but significant is the fact that this group of boys started Cub Scouting together and the whole group earned their Wolf and Bear Badges all at the same time. Last Friday evening this same group was presented their Lion Badges all at the same time.

Den Mothers for Den 10 are: Mrs. Fred Dahlin, 1889 Fairmount; Mrs. E. A. Post, 2034 Lincoln Ave.; and Mrs. Kenneth Rusk, 2030 Goodrich.

Members of the Den who received their Lion Badges are as follows:

Steve Dahlin, 1889 Fairmount Ave.; Kim Keffer, 1780 Lincoln Ave.; Gordon Lee, 2041 Grand Ave.; Alan Mack, 1869 Sargent Ave.; Richard Post, 2034 Lincoln Ave.; Gerald Rusk, 2030 Goodrich Ave.; Frank Steinhauser, 200 So. Fairview Ave.; Steve Wright, 1958 Princeton Ave.

Other Pack 13 members who received their Lion Badges are: Gregg Schneider, 2133 Sargent Ave.; Robert Wasmund, 2128 Sargent Ave.

Three members of Den 6 received their Bear Badges and they are:

Dennis Murphy, 2035 Lincoln Ave.; Mark Reidell, 1980 Lincoln Ave.; Grant Wiley, 1833 Fairmount Ave., and Ted Johnson, 1992 Lincoln Ave.

Shoe Shine Man—With Hobby

By RON BACIGALUPO

There's an African in Highland Park. His name is Bob Hilliard. He's a shoe repair man and shine artist at Briteway Cleaners. So what. Well, that's what I thought until I asked him about the raft of folios and notebooks stacked on the shoe stand when I was in to get a shine the other day.

"Oh, that," he said, "that's just a history of my ancestry."

That's nice, I thought, I've got aunts and uncles too, but I don't keep a file on them. He grabbed the top folio and started paging through it.

"It's a hobby with me, you see. My people had their origin on the continent of Africa. Here in America we don't learn much about Africa. Oh, there's Tarzan and those big spectaculars with casts of thousands, but we don't really learn very much. Most of my people don't like to admit they're of African descent. That's because they think African's are cannibals. You know what I'm talking about?"

"Sure," I said, "all those head shrinkers and spears — the proverbial cauldron of boiling water, had publicity for the Africans."

"That's right," he continued, "and by collecting this modest bibliography of factual history of my ancestors, I think I've learned a lot. In my collection I've traced my ancestors back 70,000 years to King Solomon and Sheba. I'm studying Ethiopian so that I can read some documents that are available only on request about that key country and its relation to my origin. I send away to England for back issues of European and Eastern Asian publications and sweep the press and publications of this country for any pertinent pictures or clippings. The National Geographic has been the most helpful in my search."

"Modest Bibliography," he called it. I paged through a couple more notebooks. "You could write a history book with all this information," I said.

"Maybe some day I will, but what I'm really interested in is finding out the facts so that I don't have to go through life like so many of my friends not knowing anything about my race."

I looked down at my shoes which were starting to shine a brilliant black. "That's the best these shoes have ever looked. Bob," I said, "you African's really have a way with leather."

"Well, really, I'm Ethiopian, but African's all right too. It's just like these shoes here. You say they're black shoes — why don't you call them negro shoes? That's what the word negro means. Just like me. I'm Ethiopian but nobody knows it except me. I can prove it to you."

And he had.

Lines for LOVELINESS

by Stella

Man's Prerogative

Do gentlemen really prefer blondes? We believe any man looks twice at a lady with "bright" hair. It needn't be blonde or auburn, but it should gleam with lovely lights!

For a Brighter Tomorrow

More women than ever before are wearing a brighter hair colour. Not always to hide grey hair, nor a mousey natural shade. Thousands of women wear colour to brighten their whole personalities!

The Big Step Easily

Must you submit to bleaching in order to change your hair shade? No, indeed! Of course, it stands to reason that a brunette can't become a silver blonde till we've removed her dark natural color. But she might lead up to the Big Step easily (and dramatically!) by first asking us to give her blonde streaks, or bright "sun-tips." (They're so youthful and smart!)

Science Governs Results

Remember, if you decide on bleaching, today's beauty salon methods have been scientifically perfected for better hair condition. When we bleach your hair, it won't turn to straw. We'll keep each hair strand at its gleaming best. We'll watch it carefully, and give your hair special revitalizing treatments if they're needed. And we'll curl it with a professional permanent waving lotion formulated just for your extra-absorbent tinted hair.

It Needn't Be Permanent

Many a dashing modern redhead is a brownette in disguise! But here's the beauty of it: you can try out an exciting auburn shade simply by asking us for a color rinse. (This is "temporary" color, lasting beautifully till your next shampoo. It's the best way we know, to see how much difference a bright hair colour can make in your life!)

Glowing Colours

You can cover grey hair with beautiful fashion colour—or you can turn it to glowing silver with a new professional rinse prepared especially for the grey haired lady. We have as much variety in silver shades as in other hair colours now! You might choose pearly platinum tones, or "slate greys" ... or a new deep smoky color so rich it defies words. (We can show you!)

St. Thomas College "Tags" Three Buildings

Trustees of the College of St. Thomas made three "name" announcements this week. The present Administration building was renamed Aquinas Hall. The new men's residence, now under construction, shall be called Dowling Hall, and the library, also under construction, will officially be named O'Shaughnessy Library.

The Very Rev. James P. Shannon, College president, in making the announcement on behalf of the trustees said that Aquinas Hall would be a natural complement to its connecting building, Albertus Magnus Science Hall, named in honor of Albert the Great, teacher of St. Thomas of Aquin. Dowling Hall was named in honor of the fifth bishop of the diocese of St. Paul and is in order of succession with Loras, Cretin and Grace Halls at the Seminary and Ireland Hall.

Mr. and Mrs. I. A. O'Shaughnessy are donors of the library building.

A feature of the show will be the Propagation Clinic which will be staffed by experts in African Violet culture, who will answer questions and demonstrate the "How's and Why's" of growing African Violets.

Mrs. A. T. Dingman of Minneapolis is president of the African Violet Council and Mrs. T. V. Price of St. Paul is show chairman.

\$20,000 in Paintings By Minnesota Artists At Builders Show

More than \$20,000 worth of paintings created by Minnesota artists will be on display at the Silver Anniversary Builders Show in the Minneapolis auditorium March 14 through 22. The exhibition of 100 oils, watercolors and prints will be distributed throughout the show. Many of the works of art will be located in booths containing products for home and garden.

The show is being sponsored by the Walker Art Center sales and rental department. All paintings shown will be available for sale or rent to visitors. H. H. Cory, show manager, reports this is the first time in history that a major trade show will have an art exhibition as one of its leading attractions.

In another departure from the regular Builders Show pattern, Cory has arranged to exhibit four settings of traditional and modern furniture which have been gathered by furniture and home decorating experts. This feature, called "Decorators' Showcase" will present four styles of bedroom, living room and dining room furniture in coordinated settings. The Showcase is being supervised by Homemakers Guild.

Mrs. Minnesota of 1959 will be announced on stage at the Builders Show opening night, Saturday, March 14. Twelve finalists from all sections of Minnesota will participate.

"Hold That Tiger;" Circus Coming to Town March 9th

Hey, Kids! The Circus is coming to town! Yup, the sparkling 1959 edition of the St. Paul Shrine Circus is headed this way and will be at the Auditorium March 9 to 15, Earl A. Eide, executive director, has announced. The circus this year will be a giant two-hour show with amazing, thrilling and death-defying acts from all parts of America, Europe and Australia presented in three rings.

Lions, tigers, elephants, trained Alaska huskies, ponies, comic chimpanzees, vicious panthers and leopards and bike-riding bears will be on the colorful 40-act program.

Pretty girl acrobats and aerialists will perform stunts high in the air. New rocket and "space ship" novelty acts will add fun.

And then there will be the clowns—platoons of them—funnier than ever and guaranteed to keep the audience in an uproar from start to finish.

Topping all off will be the typical circus band pounding out the familiar circus refrains, and of course there will be carloads of peanuts, popcorn, candy floss and gay balloons.

There will be one matinee performance at 1:30 p. m. opening day; performances at 1:30 p. m. and 8 p. m. Tuesday through Friday; three shows Saturday at 9:30 a. m., 1:30 p. m. and 8 p. m.; and two shows Sunday at 1:30 p. m. and a "twilight" presentation at 5:30 p. m.

Tickets are on sale at Field Schlick ticket office.

International Program Planned for Girl Scouts

District 5, Hiawatha Neighborhood is presenting an International program entitled "This is Your Life," honoring Juliette Low, March 6, at 7:15 p. m. at the school. This program is being planned and supervised by Mariner Ship 200 and Skipper, Mrs. Jack Schmaltz and Mate, Miss Karen Olsen. Scotland will be visited where we will observe the first Girl Scout meeting Juliette Low ever attended. A camping scene will be presented to show camping was one of the first events ever planned. To portray the speed in which Scouting spread from country to country, the following countries will be represented: Spain, Norway, Siam, Mexico and the American Indian. Troop 387 will present a World Flag that they have made to the Neighborhood. They have also made a replica of the Chalet in Switzerland in which the girls will drop their pennies for International Friendship. Mrs. L. C. Kurtz, 4680 42 Ave. S., is the Neighborhood Chairman. Refreshments will be served.

Eagle Award Highlights Nativity Scout Program

Nativity Scout units (Pack 67, Troops 67, 671, 672, and Post 67) climaxed Scout Week with their annual observance of Scout Sunday in church on February 15th. Father Steiner conferred cub awards and scout ranks on many scouts, including the life scout award on Martin Igo.

The program was highlighted by the presentation of the rank of Eagle Scout to Gregory Coler of 1904 Jefferson Avenue. Greg is the first scout to receive the rank of Eagle in the newly formed Troop 671. His parents, Mr. and Mrs. Lawrence Coler were escorted by three former Eagle scouts from Nativity parish. The oath was administered by Mr. Clayton Selander, Greg's former scoutmaster. The presentation was made by Mr. Myron Schweizer, Chairman of the Catholic Committee on Scouting of the Archdiocese of Saint Paul.

An audience of 450 scouts and parents witnessed the event.

Social Security

TAX NOTES

Self-employed persons are reminded by Mr. Elder, District Manager of the St. Paul social security office to report their earnings for social security purposes with their income tax returns. Generally, these reports must be filed with Internal Revenue Service by April 15, 1959.

Any person engaged in a trade, business, or profession covered by social security who has \$400 or more net profit from his business must report this income for social security purposes. Also, he must pay the 1958 social security self-employment tax on his net earnings on earnings up to \$4,200 for 1958. The tax rate for self-employed persons on 1958 earnings is 3 1/2 percent.

Mr. Elder also reminded self-employed persons that the payment of the social security tax is mandatory and not voluntary. Often a self-employed person may have enough exemptions to result in his not owing any income tax, yet the net earnings from his business are \$400 or more, so he must pay the social security self-employment tax.

For further information regarding social security tax questions, consult the nearest Internal Revenue Service Office. For information regarding old-age, survivors, and disability benefits, contact the social security office at 406 Post Office and Custom House Building, St. Paul.

Mrs. Charles Margolis and Mrs. S. J. Goldish of the Temple of Aaron Women's League are shown above addressing Torah decorated invitations which will announce the annual Torah Fund Luncheon on March 16 at 12:30 p. m.

An original musical play, "The Wedding," written and produced by Mrs. Zvi Dershovitz will be presented. In European communities of the mid-nineteenth century, love of Torah was often expressed in joyous song and dance. Mrs. Dershovitz has based her play upon the customs and music of this Hassidic period. It will feature Mr. Harry Alch, the Mesdames Alvin Abrahamson, Morris Azine, Harry Bell, Ben Bernstein, Harry Gottesman, Reuben Kaplan, Art Paymar, David Raskin, Fred Robinson and members of the Golden Age Circle. Miss Mindy Rotstein arranged the choreography and Mrs. Gertrude Silver executed the costumes.

Mrs. Laurence G. Marvy, president, will preside. The invocation will be offered by Mrs. Leonard Halper and grace after lunch will be led by Mrs. Kermit Edelman.

Mrs. Margolis, Torah Fund Chairman, heads a long list of committee chairmen: program coordinators — Mrs. Barney Gerber and Mrs. Harold Goldish; invitations — Mrs. S. J. Goldish; Mrs. Sidney Burton and Mrs. Kermit Edelman; luncheon — Mrs. Joseph Bisnow, Mrs. Ben Frishberg and Mrs. S. J. Goldish; dining room — Mrs. Jacob Gindgold and Mrs. Phillip Moss; decorations — Mrs. Stanley Miller; reservations — Mrs. Harry Agronoff.

The Temple of Aaron Women's League is one of more than 700 Conservative Sisterhoods affiliated with the National Women's League of the United Synagogue of America. The Torah Fund of National Women's League supports the Jewish Theological Seminary of America.

Mac Library Receives Lasker Color Plates

The Macalester college library has just received a book of 60 color plates from the Albert D. Lasker collection called "Renoir to Matisse."

The book was two years in the making and has been pronounced one of the finest specimens of reproductive techniques in art. In the plates each tonality of color has been corrected to a point of ultimate exactitude.

The book reflects the personal taste of French painting from the mid-nineteenth century beginnings of modern art to the present day.

The Macalester library received the art book from Mrs. Lasker through Mr. DeWitt Wallace.

"The Last of the Leprechauns" At St. Catherine's Jeanne d'Arc Theatre

"The Last of the Leprechauns," the story of a banished princess who lives in the forest with her nurse and a band of leprechauns, will be presented in the Jeanne d'Arc Auditorium on the College of St. Catherine campus by the St. Catherine Players. It is scheduled for presentation at 3:30 p. m. on Thursday, March 12 and Friday, March 13; and at 2 p. m. on Saturday, March 14 and Sunday, March 15. It is the Players' annual Children's Theater production.

The author is Sister Marcella Marie, CSJ, and she premired the play at the National Catholic Theater Conference in Kansas City in 1957. Sister de La Salle, CSJ, composed the music. Both are Sisters of St. Joseph, and are presently teaching in Kansas City, Missouri. George Poletos, of the Speech and Drama Department at St. Catherine's, is the director.

Witzky, the leader of the Band, wants to help the princess win back her kingdom by marrying Prince Michael. The princess' wicked aunt, Lady Grabital, tries to get the prince to marry her daughter Clementine. The king declares that he will have a contest and the most graceful dancer will marry his son.

The princess and the prince meet and fall in love at the contest and with the help of Witzky's magic shoes, the story revolves happily.

Mary Malone of Faulkton, South Dakota plays Princess Cathy and Charlotte Madigan of St. Paul is Witzky. Jan Kruger of Minneapolis is cast as Lady

Grabital and Pat Schommer of Wayzata plays her daughter. The role of Nora, Cathy's nurse, is played by Phyllis Schneider of Jasper, Indiana, and Margo Busard of Silver Spring, Maryland is Blowmuch.

The leprechauns are Kathy Fridgen, Pat Flynn, Pam Douglas, Becky Mushik and Judy Juelich. Other leprechauns will be played by members of the children's theater class.

Tickets will be on sale at the ticket booth in St. Joseph Hall and also at the door preceding the performances.

WARNING!

PUBLIC HEALTH IS IN DANGER!

Read the alarming facts about a bill now before the MINNESOTA LEGISLATURE

ACT NOW to protect your family and community from unregulated sale of potentially dangerous drugs

A bill (H.F. 496) has been introduced into the Minnesota State Legislature that poses a grave threat to the health, welfare and safety of the people of Minnesota. It is the professional duty of pharmacists to warn of the dangers to your health that would result if this bill were passed.

Drugs Will Be Sold By Vending Machines, Taverns, Peddlers

If passed, this bill would permit the unregulated sale of some 25,000 potentially dangerous drugs and medicines, including sleeping tablets, tranquilizers and pain relievers . . . and including those required by Federal law to carry caution and warning labels because of their potential dangers. It would permit their sale by anyone, anywhere, without licensing, regulation or supervision of any kind.

Potentially dangerous drugs and medicines could be sold in vending machines, grocery stores, bars and taverns, confectionery stores and by door-to-door peddlers.

Many Communities Could Lose Prescription Service

With drugs and medicines being sold promiscuously by anyone, anywhere, many drug stores could be forced out of business. This means that many communities having only one drug store might well be left without prescription service and without the other vital health services provided by the pharmacist.

Present Law Protects You

State law now permits sale of non-prescription drugs and medicines only in licensed drug stores and certain emergency

health stations licensed by the State Board of Pharmacy.

If the pending bill to change this law is passed, it will permit drugs and medicines to be displayed on self-service racks, as they are now being unlawfully sold in some grocery supermarkets.

Minnesota drug stores, on the other hand, are prohibited from selling these items on a self-service basis. The Board of Pharmacy, recognizing the potential danger of drugs and medicines, insists that they be shelved behind counters, out of reach of passersby, including children.

Powerful Interests Back Bill

The bill to permit unregulated sale is being supported by powerful big business interests, whose sole motive is to make higher profits, regardless of the threat to public health. These forces include giant supermarket chains and certain drug manufacturers who are conducting a well-organized, well-financed propaganda campaign to bring about passage of this bill. It is part of a nationwide campaign to force unregulated sale of potentially dangerous drugs and medicines in retail outlets of all types.

Write Your Representative, Senator

If you are alarmed at the threat to public health posed by unregulated sale of drugs and medicines, write to your State Representative and/or Senator, or talk to them in person.

State your opposition to this bill now before the Legislature and urge your legislators to work for its defeat.

Remember, public health will be seriously threatened by passage of this bill. It would open the door for an orgy of irresponsible, indiscriminate distribution of potentially dangerous drugs and medicines.

HAVE A QUESTION?
ASK BOB!

Here is a brief answer to one of the questions many of my policyowners and others ask about life insurance.

Q. What are "Settlement Options"?

(A.) They represent "hidden values" in your life insurance contract. They take all money management worries out of the picture and can provide as much as 26% or more additional income through intelligent planning.
