IN ITS CAPACITY AS THE TOWNSHIP BOARD OF HEALTH TO GRANT BLANKET
AUTHORITY TO THE HUNTERDON COUNTY HEALTH DEPARTMENT TO SIGN
TREATMENT WORKS APPROVAL FORMS IN CONNECTION WITH SUBSURFACE
SEWAGE DISPOSAL SYSTEMS IN CLINTON TOWNSHIP**

WHEREAS, in accordance with Ordinance No. 1081-16, “An Ordinance Amending and Supplementing Section 4-28 of the Code of the Township of Clinton and Enabling the Mayor and Council to Serve as the Local Board of Health,” the Mayor and Council have assumed the responsibilities of the local board of health (“BOH”) (see section 4-28A of the Township Code); and

WHEREAS, from time to time the Township BOH receives requests from the Hunterdon County Health Department (“Department” or “HCHD”) to authorize the Department to accept proposed septic system designs that require treatment works approval (“TWA”) from the New Jersey Department of Environmental Protection (“DEP”) and to authorize the Hunterdon County Health Department to sign TWA applications for such systems located within the Township; and

WHEREAS, the most recent request was considered and approved by the Township BOH on May 14, 2025 in connection with a septic system alteration at 6 Cheryle Way (Block 87.04, Lot 9); and

WHEREAS, section 4-28D of the Township Code allows the Board of Health to “delegate by resolution any or all of its powers and duties . . . to the [HCHD] . . ., as the local Board of Health may deem proper and appropriate to carry out its responsibilities”; and

WHEREAS, the Township BOH finds that it would be more efficient and would help speed up the process for the Township’s residents if it were to grant the Department blanket authority to sign these types of TWA permit applications without requiring the Township BOH to review and approve each application first; and

NOW, THEREFORE, BE IT RESOLVED by the Mayor and Council of the Township of Clinton, County of Hunterdon, State of New Jersey, acting in its capacity as the Township’s Board of Health, as follows:

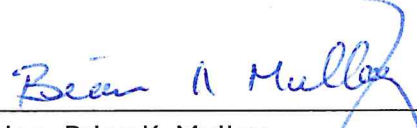

1. The preamble to this resolution is hereby incorporated as if more fully restated forth herein.

2. The Hunterdon County Health Department is hereby granted blanket authorization to sign treatment works approval forms for subsurface sewer disposal systems located in Clinton Township, without the need for prior review by the Township Board of Health.
